FOREWORD

The Constitution requires each house of the General Assembly to keep a Journal of its proceedings. The Journal is intended to assure a public account of legislative activity and constitutes the final official record of action by the General Assembly.

Under the provisions of Section 6.161, 6.162 and 57.151 of the *Kentucky Revised Statutes,* the Legislative Research Commission is responsible for comparing, editing, correcting, and publishing the Journals as approved by each house of the General Assembly. This volume represents the fulfillment of this obligation for the Regular Session of the House of Representatives of 1986.

The text of a bill is spread in full when it receives a first reading. The vote on passage of a bill is indicated upon its receipt of a third reading, or upon concurrence by the originating house in amendments by the second house. Simple and concurrent resolutions are printed on first reading when applicable or when adopted, and joint resolutions are treated as bills. A table of actions on bills and resolutions is appended. Rolls calls on motions to pass legislation have been compiled at Appendix A.

Mrs. Shan Stone Gray, Mrs. Jeanne Wallace, Mrs. Myra Aitken and Mrs. Delores Dearborn prepared the 1986 House Journal. The edited copy and index found in this volume reflect the cooperative efforts of the commission's staff.

GOVERNOR MARTHA LAYNE COLLINS

State of the Commonwealth Address

State Capitol

January 7, 1986

Our purpose tonight is to review the State of the Commonwealth. Our goal is to improve that condition. Our resolve is to succeed.

Sadly, we convene without a member of the General Assembly, Representative Ray Brown. For more than a decade the people of the 99th House District honored him with their confidence. He ably served his constituents, this Legislature, and the Commonwealth. We join his family and friends in mourning him. We pledge to remember him as we turn to the challenges of this session.

Tonight, the possibilities before us magnify our responsibilities. Kentucky has made a new beginning. In the past two years we have catapulted ourselves into a new age, an age of better jobs and better opportunities. There's a new pride and optimism in Kentucky, a renewed faith in our ability to chart a more prosperous course for ourselves, our children and our grandchildren. Along with that faith there's a deeper determination to make certain we get the job done.

Kentucky is poised for progress.

Like the first Kentucky settlers who crossed through the Cumberland Gap we too stand at the beginning of a new era. As we reflect on the past and look to the future the contrasts are as distinct as when those pioneers gazed eastward to an infant civilization and then westward to the frontier we call Kentucky. Like them, we proudly bring part of our past with us even as we look toward a new way of life.

We rely on the plow as we embrace the computer. We mine coal and stand in the vanguard of medicine. We preserve our tradition of handmade crafts and promote robotics.

Our farms, our coal mines remain vital to sustaining our progress. But we're strengthening and expanding our economic foundations. We're providing new opportunities to complement existing ones.

All across Kentucky we're looking ahead more confidently. Ahead we see a new prosperity. It's not just our people who sense this change. The world views Kentucky in a new light. That light focuses billiantly on our strengths, our assets, not, as so often in the past our weaknesses. The strengths—our people, our resources—have always been there. But the world has often overlooked them.

We've changed that. Today, people see a state on the move. They see a state looking to the future. They see a state that can compete with anyone in this age of high technology.

This General Assembly's foresight, your hard work, have allowed us to anticipate a brighter future. I thank you for your vision, your commitment, your willingness to invest in better lives for our people. You and I have proven that a key to real progress for our state is a spirit of cooperation, cooperation between the Legislature and the chief executive. We've worked together to benefit our citizens. We will continue to do so.

But the credit is not ours alone. It is the people of Kentucky who carry this state ahead. Without them, we could not have moved forward in education. Nor could we have achieved our unprecedented breakthroughs in economic development. Vital to these breakthroughs was the productivity of our citizens. That's not just the claim of a Governor proud of Kentuckians. Study after study ranks this state at the top in what the economists call "value added in manufacture." In plain talk that means Kentuckians work harder than other people. And when I sit down to talk to someone thinking about locating a plant in Kentucky that's one of our strongest selling points, our people, their potential.

So as you and I pursued the policies that moved Kentucky into a new era, our people supplied the support, the spirit, the willingness to pull together that moved us ahead so dramatically in the eyes of the world. Together we fashioned a resurgence of hope and belief in ourselves as a Commonwealth and in our ability to shape our destiny.

Yes, we're proud of our traditions. They preserve what is special about Kentucky. Yes, we're proud of our heritage. It inspires us to improve upon what our ancestors built. But we have freed ourselves from the burdens that have held us back in the past. We see broader horizons before us.

We've made a beginning, an impressive beginning. What the promise of this age demands in the months ahead—in the years ahead—is sustained commitment to build on the momentum we have created.

Our progress of the past two years points the way. We've focused on jobs. We've focused on education. In the last two years we've created 45,000 new jobs, a record, a figure that means better lives for tens of thousands of Kentucky families. We set our schools on a course toward a tradition of excellence. We signaled to the world that Kentucky was prepared to invest in the future of its people and that we were moving into a new age.

While Kentucky's long-term progress depends on advances in education and economic development other areas deserve our attention as well. Our needs of the moment, our hopes for the future have determined the focus of my agenda for the next two years.

One, I will ask you to fully fund the recent improvements in education. We will consolidate the progress of the past two years. We have focused on achievement in the classroom. We have increased accountability. Today, Kentuckians are more involved than ever before in their local schools. Today, our children are learning more. Today, we're seeing that better schools mean wider opportunities for all Kentuckians.

Two, I ask this General Assembly to submit to the people of Kentucky a proposed Constitutional Amendment making the Superintendent of Public Instruction an appointed rather than elective position. This would not cost the taypayers one dollar. Yet no other single action would more greatly benefit the education of our children.

The children of Kentucky must have continuity of leadership in education at the state level. They must have continuity in management of a complex department with complex ties to every school district. They must have continuity in a vision of how best to move our schools foward consistently—day after day, week after week, year after year.

Three, I will urge you to help Kentucky move ahead in higher education. To continue our success in bringing new and better jobs to Kentuckians this state must be capable of providing research and technical assistance required by the world's most sophisticated companies. We will guarantee that our universities have the capacity to provide this assistance, this leadership. We will see that our universities receive adequate funding. They must remain our partners in progress.

Four, we must make certain that Kentucky never again misses an opportunity to bring our people the jobs they deserve. I will request your support of initiatives in economic development that will brighten our prospects for attracting new investors from across America and around the world. I want to stress that while investors from outside Kentucky tend to receive the most publicity our existing business and industries are the backbone of the state's economy. We will never take them for granted. My administration will continue to work closely with them as they provide new, expanded opportunities for the men and women of Kentucky. We will also continue to aggressively promote other important sectors of our economy, coal and agriculture, because their well-being is essential to a strong Kentucky.

Five, I will call on you to help bring state spending for health care under control and to place Medicaid on a sound footing. Kentuckians will know without doubt or uncertainty what services they can depend on. And they will know they can count on those services today and in the future.

Six, I will seek your support in addressing the critical needs of our children. We know how crucial the early years are for enabling a child to reach full potential. Health, education, early childhood development, protective services—a wide range of programs will be strengthened to enable more young Kentuckians to make the most of their abilities. We can't look to the future without looking out for our children.

Seven, we will ensure public safety by strengthening our Corrections System. There is no more basic responsibility of state government than protecting its law-abiding citizens. We will fulfill this obligation by confronting the crisis in Corrections headon.

Eight, we will address basic capital needs for construction, maintenance and repair of state facilities. For too long the condition of these valuable investments—from parks to universities—has been neglected. It's time we gave them the attention they deserve.

Nine, we'll build on our efforts to strengthen Kentucky's fastest growing industry—Tourism. We are returning our state parks to their premier position as America's finest. And through stronger promotion we'll see that Kentucky successfully competes against other states for the tourism dollar. A growing tourism industry means more new jobs for Kentuckians.

Ten, I will ask your approval of a budget that responsibly allocates available dollars. It will target these dollars to areas that will guarantee the greatest return for our citizens. It will offer the incentives to fuel our drive further into this new economic era.

Tonight following tradition I have spoken mostly about Government. But the State of the Commonwealth lies not in the health of its government alone. A true picture portrays the virtues and vitality of our people, their faith, their hopes, their dreams, their achievements.

In this regard the State of the Commonwealth is uncommonly good. The talents, the resourcefulness and the determination of our citizens provide the means of our progress.

We have many, many reasons to be proud. The eyes of the nation and the world turned to Kentucky when Dr. William DeVries of the Humana Heart Institute successfully implanted an artificial heart. They again looked to Kentucky when America's two presidential candidates came to our magnificent Kentucky Center for the Arts for an historic debate. The Bluegrass was showcased when the NCAA Final Four came to Lexington. We watched with pride as the President presented our own Shirleen Sisney as America's Teacher of the Year. And when he recognized Greg Johnson of Paducah as a Presidential Scholar. Time and again we've seen Kentuckians excel. Louisville's Mary T. Meagher swam for the gold in the 1984 Olympics. Lafayette High School's academic team, competing against 600 teams from all over America, placed number one in the nation. Appalachian Computer Services, a high-tech industry that has provided hundreds of new jobs in London, Berea and Beattyville, has become one of the premier small businesses in the Southeastern United States. I could go on and on.

Tonight, we have with us several of the people I've mentioned, and I'd like to recognize them as testimony to what Kentucky is and to what we can become.

Dr. DeVries is with us. Shirleen Sisney. Chris Mullins, captain of the Lafayette Academic Team. Ken James, president of Appalachian Computer Services. Greg Johnson.

With Greg is his mother, Rochelle Johnson. Mrs. Johnson is a single parent who has raised an extraordinary family—working at two jobs to do it. Greg, in addition to being a presidential scholar, won a prestigious scholarship to Brown University, where he made straight A's this past semester. Her daughter Barbara is a graduate of the University of Kentucky and works with troubled young people. Another son, Earl, is studying to be a chemist and works with disadvantaged children. Her youngest son, Brad, is a senior in high school, was a Governor's Scholar this past summer and has been nominated to West Point by Senator Wendell Ford. Mrs. Johnson, that's a family we can all be proud of.

The accomplishments of all these people bring to mind the independent spirit of the men and women who settled the frontier that was Kentucky. People like Mrs. Johnson, the farmer in Trigg County, the coal miner in Knott County, the steel worker in Ashland, the men and women on the assembly line in Louisville, the teacher in Kenton County, the auto worker in Bowling Green—they excel every day. They make Kentucky work.

And today, people everywhere know Kentucky is a state to be reckoned with. They see a state not content to match the pace, but determined to set the pace.

This place, this Chamber, and the Senate bear a special relationship to every corner of Kentucky. Here are represented the hopes, the ideas, the dreams of our people. Here our history is charted. Here opportunity meets responsibility.

We have the opportunity—unprecedented opportunity—for seizing control of Kentucky's future. We have the responsibility to fulfill our obligations to our people.

We have made a beginning. We have begun a journey into the future. We will reach our destination when every Kentuckian has the opportunity for a job that will allow them to build a better life for their family; when every child has the opportunity for an education worthy of their hopes and dreams; when every young man and woman has the opportunity to fulfill their ambitions here in Kentucky. We are not yet there. But we have made a beginning.

We are poised for progress.

There is the promise of a brighter future. The challenge to you and me and to future leaders is to meet this promise with the strength of leadership that will lift Kentucky to its full potential in this new age.

I should like it said of the last two years that because Kentuckians pulled together the challenges of the times met their match. I should like it said of the next two years that because we redoubled our efforts these challenges met their master.

Report of Committees

The Committee on Energy reported HCR 9 with Committee Amendment attached thereto, HB 136, and HB 161 with Committee Amendment attached thereto, with the expression of opinion that the same should pass. Read at length for the first time and ordered placed in the Calendar.

HCR 9, A CONCURRENT RESOLUTION establishing a Low-Income Energy Task Force.

WHEREAS, there are many low-income households in this state which cannot afford to pay for adequate heat; and

WHEREAS, the only statewide energy assistance program, the Low-Income Home Energy Assistance block grant, has historically only been able to meet between thirty percent to fifty percent of the need; and

WHEREAS, the only statewide weatherization program has identified over 250,000 households which qualify and need weatherization services; and

WHEREAS, there are at least seven states which have either adopted or are considering adoption of a guaranteed service plan whereby utility customers who cannot pay their full bill are assured continued service if they pay a portion of that bill, based on income; and

WHEREAS, the reports on the experience of those states adopting guaranteed service plans which should be available soon could provide useful information to this state; and

WHEREAS, for six months a subcommittee of the Interim Joint Committee on Energy considered alternatives to the way this state addresses energy assistance, but concluded that significant changes should not be made without further study and the expertise of the various entities in the state which deal with energy assistance daily;

NOW, THEREFORE,

Be it resolved by the House of Representatives of the General Assembly of the Commonwealth of Kentucky, the Senate concurring therein:

Section 1. The Legislative Research Commission is directed to establish a Low-Income Energy Task Force. The task force shall consist of membership from both houses of the legislature, which shall choose from among its membership a chairperson and vice-chairperson, by mutual agreement. In addition, the Legislative Research Commission shall appoint to the task force representatives from utilities and low-income advocacy groups; the agency head or designee from the Kentucky Public Service Commission, the Kentucky Energy Cabinet, the Kentucky Department for Social Insurance, the Kentucky Department for Employment Services, and the Kentucky Association for Community Action; and such other members as the Commission desires. However, the total membership of the task force shall not exceed fifteen members.

Section 2. The task force shall examine all aspects of energy assistance for low-income households and make recommendations to the Legislative Research Commission on how energy assistance in the state could be made more efficient and more effective. The task force shall consider current Public Service Commission regulations, state weatherization and energy assistance programs, guaranteed service plans, and conservation incentives for those receiving energy assistance. The task force shall meet at least quarterly and shall report its findings and recommendations to the Legislative Research Commission no later than January 1, 1988.

Section 3. The task force may engage, if necessary, the services of professional consultants, the cost of such services not to exceed $20,000, subject to approval by the Legislative Research Commission. The members of the task force shall be reimbursed for their expenses in attending meetings. It is estimated that the operation of the task force and the provision of staff services, excluding any consultant fees, will cost approximately $20,000. Staff services are to be provided by the Legislative Research Commission from its regular budget and are subject to the limitations and other research responsibilities of the Commission.

HB 136, AN ACT relating to income taxes.

Be it enacted by the General Assembly of the Commonwealth of Kentucky:

SECTION 1. A NEW SECTION OF KRS CHAPTER 141 IS CREATED TO READ AS FOLLOWS:

As used in Section 2 of this Act, a "superinsulated house" means a newly constructed or renovated single or multi-family building that serves as living quarters and meets energy-efficiency standards designed to drastically reduce the amount of energy required for heating and cooling. The expected heating requirements for a superinsulated house shall not exceed three (3) British thermal units (BTU) per square foot of floor space per heating degree day. It combines air-tight construction with high and efficient levels of insulation, and typically includes controlled ventilation, and high efficiency heating, ventilation and air conditioning equipment.

(1) "Air-tight construction" refers to house construction techniques designed to seal against air leaks. It is measured by the rate of air infiltration, the rate at which indoor air is replaced by outdoor air due to leakage.

(2) "Insulation" refers to materials with thermal properties which enable them to resist or slow down the rate of heat transfer through the material.

(3) "Controlled ventilation" refers to a mechanical means of providing a minimum rate of air exchange within a house.

(4) "High efficiency heating, ventilation and air conditioning equipment" is equipment which requires significally less energy input per unit of output than conventional equipment used in the last twenty-five (25) years.

(5) "Renovation" is a substantial reconstruction of an existing house, representing an expenditure of at least five thousand dollars ($5,000) for measures to increase the energy efficiency of the house.

(6) "Heating degree day" is a unit of measurement for outside temperature during the heating season, calculated by subtracting the average temperature for the day from sixty-five (65) degrees fahrenheit.

SECTION 2. A NEW SECTION OF KRS CHAPTER 141 IS CREATED TO READ AS FOLLOWS:

(1) There shall be allowed as a credit against the taxes imposed by KRS 141.020 and 141.040 an amount of one thousand five hundred dollars ($1,500) for a superinsulated house constructed or renovated on property in Kentucky which is owned or controlled by the taxpayer. The credit which may be claimed by any taxpayer shall be one thousand five hundred dollars ($1,500) during the period specified in subsection (13) of this section. In no case shall a house be eligible more than once for the credit provided in this section.

(2) A builder who builds a superinsulated house or renovates a house to meet standards of superinsulation for resale may elect himself to claim the credit allowed in this section, or may provide the purchaser with necessary documentation or certification so that the purchaser may claim the credit. In no case, however, shall the credit be claimed by both the builder and the purchaser.

(3) The credit in this section may be claimed only for the taxable year in which the superinsulated house is completed, except that a claim by the purchaser for a house built or renovated for resale shall be for the taxable year in which the house is purchased. In addition, no construction or renovation started before July 1, 1986 shall qualify for the tax credit.

(4) In the case of a husband and wife who file separate returns, the credit may be taken by either, or divided equally, but the combined credit shall not exceed one thousand five hundred dollars ($1,500).

(5) In the case of a partnership, of which one (1) or more of the partners are liable for the tax imposed under KRS 141.020, the amount of the credit each partner may claim shall be allocatd in the same ratio as profits and losses are shared in the partnership, but the combined credit shall not exceed one thousand five hundred dollars ($1,500).

(6) In the case where the credit allowed in this section exceeds the tax due for the taxable year, that portion of the credit which exceeds the tax due may be carried over to the succeeding taxable years until the allowable credit has been fully exhausted, or until the credit has been claimed for three (3) successive years, whichever comes first.

(7) No superinsulated house for which the credit is claimed, nor any portion of or installation connected to said house, shall qualify for an energy property credit under KRS 141.380.

(8) Before any tax credit can be claimed under the provisions of this section the energy cabinet must certify that the taxpayer's house is a superinsulated house and documentation must be provided that the house has been completed. Any fee charged by the energy cabinet shall reflect the energy cabinet's costs in certifying a house under this section.

(9) The energy cabinet may promulgate such rules and regulations as necessary to maintain commonly accepted energy efficiency standards, to effectively conform to the definition of a superinsulated house in Section 1 of this Act and to administer the certification requirements in this section. The regulations (including those describing the application procedure) shall be written in nontechnical language understandable to lay citizens untrained in engineering, architecture, or other technical fields.

(10) With the exception of the certification requirements delegated to the energy cabinet by this section, the revenue cabinet may promulgate such rules and regulations as necessary to effectively administer the requirements of this Act.

(11) All regulations necessary to implement this Act shall be filed with the legislative research commission in accordance with KRS Chapter 13A by September 1, 1986.

(12) The revenue cabinet shall report as to the impact of this Act to the 1988 General Assembly and to the appropriate interim committee preceding the 1988 General Assembly. Such report shall include the number and amount of the superinsulated house credits claimed, an estimate of the distribution by income group, the net revenue gain or loss to the Commowealth attributable to the credits, and such other information as the revenue cabinet deems pertinent to an analysis of this Act.

(13) The provisions of this Act shall apply to the taxable years beginning on or after January 1, 1986, ending on or before December 31, 1988, and no credit shall be allowed for any taxable year ending after December 31, 1988.

HB 72, AN ACT relating to prisons.

Be it enacted by the General Assembly of the Commonwealth of Kentucky:

SECTION 1. A NEW SECTION OF KRS CHAPTER 197 IS CREATED TO READ AS FOLLOWS:

As used in this Act, unless the context otherwise requires:

(1) "Secretary" means the secretary of the corrections cabinet;

(2) "Institution" means any institution under the control of the cabinet;

(3) "Correctional facilities" means all institutions, local jails and community correctional centers as defined in KRS 439.580;

(4) "Prisoner" means every person who, at the time of the declaration of a correctional facilities overcrowding state of emergency or at any time during the continuation of a state of emergency, is serving a criminal sentence under commitment to the cabinet, including persons backed up in local jails and prisoners in community correctional facilities;

(5) "Sentence reduced" means the sentence of the court is reduced to time served;

(6) "Qualified prisoner" means prisoners presently committed to the jurisdiction of the cabinet with sentences of five (5) years or less excluding those with nonrestorable good time and those under a conviction for an offense against a person and who meet the criteria established by the corrections cabinet in administrative regulations;

(7) "Operational capacity" means the safe and reasonable inmate capacity of correctional facilities used by the cabinet based on American correctional association standards; and

(8) "State of emergency" means a correctional facilities overcrowding state of emergency as provided in subsection (5) of Section 2 of this Act.

SECTION 2. A NEW SECTION OF KRS CHAPTER 197 IS CREATED TO READ AS FOLLOWS:

(1) Within sixty (60) days of the effective date of this Act, the secretary shall submit to the governor, for his approval, a determination of the operational capacity of all correctional facilities. Upon the governor's approval, the secretary's determination shall constitute operational capacity as defined in Section 1 of this Act.

(2) If the total operational capacity in all correctional facilities increases or decreases by more than fifty (50) spaces from the total operational capacity previously established under subsection (1) of this section, the secretary shall act within twenty (20) days of that increase or decrease according to the procedures set forth in subsection (1) of this section to establish a revised operational capacity.

(3) The secretary may request that the governor declare a state of emergency within the state's correctional facilities whenever the secretary certifies in writing and provides documentation that the total prisoner population of the state's correctional facilities has exceeded the current total operational capacity by ten percent (10%). The secretary shall include in his written report to the governor:

(a) That the request for a declaration of a state of emergency is reasonably necessary;

(b) That he has exercised all administrative remedies available to the cabinet to reduce the population;

(c) That the excess over operational capacity is expected to continue beyond thirty (30) days of the time of the request to the governor; and

(d) A recommended number of prisoners to be released to bring the facilities to within operational capacity.

(4) Upon receipt of the report from the secretary, the governor may:

(a) Determine and declare that the secretary's report is in error or that all administrative remedies have not been exhausted in which case no state of emergency shall commence;

(b) Determine that the secretary's report establishes the existence of a state of emergency and declare a state of emergency specifying the number of prisoners to be released; and

(c) Determine and declare that commencement of a state of emergency would be injurious to the public good, or poses a potential threat to the safety of the public in the state as a whole or in a particular community, in which case no state of emergency shall commence.

(5) If fourteen (14) days after the receipt of the report, the governor has exercised none of the powers prescribed in subsection (4)(a), (b) or (c) of this section, a state of emergency shall be considered to have commenced.

(6) Upon the declaration or commencement of a state of emergency, the sentence of qualified prisoners shall be reduced to time served by the cabinet. If the governor declared the state of emergency, the number of prisoners to be released shall be specified in the declaration. If a state of emergency commences without declaration, the number of prisoners to be released shall be as recommended in the secretary's report to the governor.

(7) During the continuation of the state of emergency, the secretary shall weekly certify to the governor the total prisoner population for each day of the preceding week. The governor shall declare the state of emergency terminated upon notification that the prisoner population has been no higher than operating capacity for seven (7) consecutive days or ninety (90) days from the commencement, whichever comes first.

(8) When releasing prisoners pursuant to this Act the corrections cabinet shall utilize the following priorities:

(a) Group 1—Prisoners who have no detainer, no prior incarceration for felony offenses, no serve-out, no prior or current commitment for offenses of possession of a firearm, escape, or persistent felony offender;

(9) Prisoners from group 1 shall first be drawn for release, then group 2, and group 3 (if necessary). Within each group priority shall be given to those persons who are nearest to completing the service of their sentence.

SECTION 3. A NEW SECTION OF KRS CHAPTER 197 IS CREATED TO READ AS FOLLOWS:

The provisions of this Act shall be in effect only during such periods as the order of a court of competent jurisdiction requires the utilization of such measures to limit the inmate population of state correctional facilities.

HB 74, AN ACT relating to prisons and prisoners.

Be it enacted by the General Assembly of the Commonwealth of Kentucky:

SECTION 1. A NEW SECTION OF KRS CHAPTER 197 IS CREATED TO READ AS FOLLOWS:

The secretary of the corrections cabinet having charge of prisoners who are required to serve a period of six (6) months or more may permit the release of such prisoners on the first day of the month in which their sentences would expire and if the first day of the month falls on Saturday, Sunday or a legal holiday, such prisoners may be released on the last weekday of the preceding month.

Section 2. KRS 202A.201 is amended to read as follows:

(1) Whenever an inmate of any penal and correctional institution is reported by the staff of that institution to the corrections cabinet as being so mentally ill that he cannot be properly treated with the facilities at the disposal of the staff, the bureau of corrections shall have an examination conducted on such inmate by a physician.

(2) If this examination reveals that the inmate is mentally ill and appropriate treatment cannot be properly carried out in the institution in which he is incarcerated or within the facilities at the disposal of the corrections cabinet, the secretary *of the corrections cabinet* may then order his transfer to a hospital or forensic psychiatric facility, where he shall remain until the staff of the facility which received him advises the secretary *of the corrections cabinet* that his condition has so improved that he may be returned to the institution from which he came. The secretary *of the corrections cabinet* shall then authorize his return. If the prisoner's sentence expires during his stay in the facility, and he is still in need of involuntary hospitalization, then the staff of the facility shall petition the applicable district court for further involuntary hospitalization of the patient under provisions of this chapter.

(3) During the time of the prisoner's stay in a facility his legal status as a prisoner shall remain unchanged until the termination of his sentence. The facility staff shall have no authority to parole, grant permission to visit relatives or friends outside the facility, or discharge the individual unless otherwise agreed to by the bureau of corrections. The time the prisoner spends in the facility shall be counted as a part of the prisoner's sentence.

SECTION 3. A NEW SECTION OF KRS CHAPTER 441 IS CREATED TO READ AS FOLLOWS:

(1) The corrections cabinet may designate county jails or regional jails as places of confinement for convicted felons by written contract with:

(a) The fiscal court, if a county jail;

(b) The jail authority and the fiscal court, if a one county regional jail;

(c) The regional jail authority, if a multicounty regional jail.

(2) The secretary, or such person as the secretary delegates, may, at his own discretion, transfer a prisoner to a county or regional jail participating in the program from any correctional institution for the purpose of facilitating the rehabilitation of the prisoner.

(4) Designations provided for herein shall be accompanied by a contract between the cabinet and the county or regional jail's governing body detailing terms and conditions for the contract and for the government and discipline of the prisoners covered by the contract.

Section 4. KRS 197.140, Prisoners not eligible to be worked outside prison, when; and KRS 413.310, Plaintiff's confinement in penitentiary, are repealed.

The Committee on State Government reported HB 7, with Committee Amendment attached thereto, and HB 35 with the expression of opinion that the same should pass. Read at length for the first time and ordered placed in the Calendar.

HB 7, AN ACT relating to leasing.

Be it enacted by the General Assembly of the Commonwealth of Kentucky:

Section 1. KRS 56.802 is amended to read as follows:

(1) Whenever an agency determines that it will need office or other space it shall submit a request for the acquisition of such additional space to the department for facilities management in the finance and administration cabinet. If the department for facilities management determines that insufficient space has been allocated to the agency making the request, it may then acquire the space required by lease as provided by KRS 56.800 to 56.820.

(2) The department for facilities management shall review each agency space request to determine whether space suitable to meet the agency's reasonable needs may be available in a state-owned or occupied building. If it is determined that there is no suitable space available in a state-owned or occupied building, the department shall, except as provided in KRS 56.804, cause an advertisement to be placed in a newspaper having general circulation in each county where space is sought, soliciting negotiations of a lease to the Commonwealth of

space meeting the agency's general requirements. The advertisement shall be published two (2) times during any seven (7) day period in daily newspapers and one (1) time in weekly newspapers. Whenever an advertisement for space is made in a weekly newspaper, it shall also be made in a newspaper of daily publication in the county of closest geographic proximity to the county in which the space is sought and for which advertisement has been made in a weekly newspaper. All leases of space in Franklin County, and all leases in any county for which the annual rental charge is estimated to exceed one hundred thousand dollars ($100,000), shall be published in at least two (2) newspapers having broad circulation within the state, to be designated by the secretary of the finance and administration cabinet, in addition to a newspaper published and of general circulation in the county in which the space is sought. The advertisement shall contain such general information concerning the agency requirements for the space sought as will reasonably inform persons having property to let within the county of the type of space wanted, the general location of the property, and the number of square feet needed, and shall state the last time, date and place that responses will be received. Responses may be made by any person in writing on or before the time and date designated and need only designate the type and location of the property, the name and address of the property owner and the date of the availability of the property for lease.

(3) Following the expiration of the time specified for the submission of proposals, the space proposed to be leased to the state by each person submitting a proposal will be inspected to determine its suitability to the reasonable needs of the agency for whose use the property is sought. The owner or other person submitting the proposal shall provide access to the property for such inspection. A report of the findings about each property inspected shall be submitted to the commissioner of the department for facilities management who shall, after consultation with the head of the agency for whose use the space is sought, determine the best proposal received in the interest of the state. The commissioner shall, in making his determination, take into account factors including but not limited to: the location and accessibility of the property to the public; its condition and state of repair; its conformity with the requirements of occupational health and safety regulations; the proposed rental rates; and the general conformity of the property proposed to the advertised space requirements. The lease of the space shall be awarded in the discretion of the commissioner to the person whose proposal most closely conforms to the general requirements of the advertisement for the space and meets applicable state fire, health, safety and sanitation requirements and the requesting agency's reasonable space requirements.

(4) Recognizing the improbability that any two (2) properties proposed to be leased to the state under this section will be identical and that reasonable men might differ in determining the best proposal received for the lease of property to the state, it is the general assembly's intention in this section to confer upon and delegate to the commissioner of the department for facilities management through the finance and administration cabinet, the broadest possible power and authority to make such determinations. Judicial review of the action of the cabinet and the commissioner in the award of leases under this section shall be limited to determining whether the award of a lease by the state was procured by fraud. Any person who by judicial process unsuccessfully challenges the award of any lease of space by the state under this section shall be liable to the state for its costs in the action, including reasonable attorneys' fees.

(5) Any lease for which the annual rental cost will exceed two hundred thousand dollars ($200,000) shall be reported to the capital construction and equipment purchase oversight committee within thirty (30) days after execution. The report shall consist of the name of the agency that will occupy the premises, the terms of the lease, the reason for the lease, and the name of the lessor.

Section 2. KRS 56.811 is amended to read as follows:

(1) The secretary of the department of finance shall provide by regulations adopted pursuant to the provisions of KRS Chapter *13A* [~~13~~], for the manner of calculating the compensation to persons leasing real property to the Commonwealth under this chapter, and for the negotiation of any modifications or changes in the terms and conditions of any such leases as may be determined by the secretary to be needed in the best interests of the Commonwealth.

(2) Any modification to an existing lease that is less than fifty thousand dollars ($50,000) shall be reported to the capital construction and equipment purchase oversight committee within thirty (30) days after execution. The report shall consist of the terms of the lease before and after modification, the reason for the modification, and the name of the lessor.

(3) Any modification to an existing lease that exceeds fifty thousand dollars ($50,000) shall be reported to the capital construction and equipment purchase oversight committee before it is executed. The report shall consist of the terms of the lease before and after the modification, the reason for the modification, and the name of the lessor. If an emergency as defined in KRS 56.804 exists, the modification shall be reported within thirty (30) days of the execution.

The Committee Amendment No. 1 to HB 7 is as follows:

Amend printed copy of HB 7:

On page 5, line 20, by deleting the word "*exceeds*" and inserting in lieu thereof the word "*is*"; and

On page 5, line 20, by inserting, between the words "*($50,000)*" and "*shall*", the words "*or more*".

HB 174, AN ACT relating to health insurance.

Be it enacted by the General Assembly of the Commonwealth of Kentucky:

Section 1. KRS 304.18-110 is amended to read as follows:

(1) Any group policy as defined in KRS 304.18-020 affecting the rights of a Kentucky insured and bearing a reasonable relation to Kentucky which provides hospital or surgical expense benefits, other than for specific disease or accidental injury only, shall provide that with respect to employes or members having been covered under the group policy for at least three (3) months, such employes or members shall have the right upon termination of employment or membership in the group to have the existing group coverage continued for themselves and their eligible dependents. For purposes of this section, a Kentucky insured is a resident of this state covered under a policy of insurance, whether such policy is delivered or issued for delivery in this state or in any other state. Written notice of employe's right to continue existing group coverage shall be given by the insurance company in each master policy, certificate and group policy issued after July 15, 1982. The insurance company shall furnish each employer or group policyholder an adequate supply of attachments for each master policy, certificate or group policy already in effect. An employe or member electing continuation of coverage shall provide the insurance company written notice of election together with the first monthly premium contribution within thirty-one (31) days of the date coverage would otherwise terminate. The group rate premium shall be paid by the employe directly to the insurance company. The premium rate shall be that required for the coverage being continued and shall not exceed the applicable group rate. Continuation of coverage shall not be available for any employe or member who is or could be covered by medicare, nor who is or could be covered by any other group coverage insured or uninsured providing similar benefits. Continuation of coverage shall terminate on the earlier of:

(a) The date nine (9) months after the date on which the group coverage would otherwise have terminated because of termination of employment or membership,

(b) If the employe or member fails to make timely payment of premium to the insurance company, the end of the period for which premium payment was made, or

(c) the date the group policy is terminated and is not replaced by another group policy within thirty-one (31) days.

(2) Any group policy described in subsection (1) of this section shall also provide that an employe or member having elected continuation of coverage pursuant to subsection (1) of this section and any covered spouse of an employe or member upon the death or divorce of such employe or member, shall be entitled to have issued to them without evidence of insurability, a health insurance policy on a form then available for conversion from

the group coverage, by making written application therefor, accompanied by the first quarterly, semiannual or annual premium, at the option of the person or members, to the insurer not later than thirty-one (31) days after such termination of coverage. Such premium shall be in accordance with the insurer's table of premium rates in effect on the later of:

(a) The effective date of the converted policy; or

(b) The date of application therefor, and applicable to the class of risk to which the covered persons belong, their ages, the form, and the amount of insurance provided.

(3) Any group policy as defined in KRS 304.18-020 delivered or issued for delivery in this state which provides hospital or surgical benefits other than for specific diseases or accidental injury only, shall provide that if coverage terminates for any reason and if the individual has been continuously insured under a group policy and under any group policy it replaces for at least three (3) months immediately preceding the termination of coverage, he shall be entitled to have issued to him by the insurer, without evidence of insurability, a health insurance policy on a form providing substantially similar benefits, which shall include the option to continue any existing maternity benefits, by making written application therefor, accompanied by the first quarterly, semiannual or annual premium, at the option of the person or member, to the insurer not later than thirty-one (31) days after such termination of coverage. Such premium shall be in accordance with the insurer's table of premium rates in effect on the later of:

(a) The effective date of the converted policy; or

(b) The date of application therefor, and applicable to the class of risk to which the covered persons belong and to their ages and to the form and amount of insurance provided.

(4) The converted policy shall cover the person or member and his eligible dependents covered by the group policy on the date the group policy terminated. The effective date of any such converted policy shall be the date of termination of insurance under the group policy.

(5) The insurer shall not be required to issue a converted policy covering any person if such person is or could be covered by medicare (Title XVIII of the United States Social Security Act as added by the Social Security Amendments of 1965 or as later amended or superseded). Furthermore, the insurer shall not be required to issue a converted policy covering any person if:

(a) Such person is covered for similar benefits by another hospital or surgical or medical expense insurance policy or hospital or medical service subscriber contract or medical practice or other prepayment plan or by any other plan or program or

(b) Similar benefits are provided for, or available to, such person pursuant to, or in accordance with the requirements of, any statute, and the benefits provided or available under any of the sources referred to in paragraph (a) of this subsection and this paragraph for such person, together with the converted policy, would result in over insurance according to the insurer's standards relating to policies converted from group policies. A converted policy made available pursuant hereto shall provide substantially similar benefits but in no event be less than the minimum standards contained in KRS 304.18-120 if delivery of such converted policy is to be made in this state; and, if delivery of such converted policy is to be made elsewhere, it may be on such form as the insurer may then be offering for such conversion in the jurisdiction where such delivery is to be made and which provides substantially in compliance with that required by KRS 304.18-120.

(6) In the event coverage would be continued under the group policy on a person or member following his retirement prior to the time he is or could be covered by medicare, he may elect, in lieu of such continuation of group insurance, to have the same conversion rights as would apply had his insurance terminated at retirement by reason of termination of employment.

(7) The conversion privilege shall also be available:

(a) To the surviving spouse, at the death of the person or member, with respect to the spouse and such children whose coverage under the group policy terminates by reason of the death of the person or member; or

(b) To a child solely with respect to himself upon termination of his coverage by reason of operation of the limiting age of coverage under the group policy while covered as a dependent thereunder; or

(c) To a former spouse for himself and such children of whom he is awarded custody when coverage under the group policy terminates by reason of termination of dependency as defined in the group policy and resulting from an order dissolving the marriage entered by a court of competent jurisdiction.

(8) This section shall not apply to group major medical expense insurance which supplements basic hospital, medical and surgical coverage under one (1) or more group policies, group contracts or group remittance contracts from which a converted policy or a continuation of coverage is available providing benefits equivalent to the minimum benefits for a converted policy under this section.

(9) If a person or member becomes entitled to obtain a converted policy pursuant to the foregoing provisions, and if such person or member has not been given written notice of the existence of the conversion privilege stated above, within thirty-one (31) days of termination of the group coverage, then in such event the person or member shall have an additional period within which to exercise the conversion privilege. This additional period shall expire fifteen (15) days after the person or member shall have been given said notice but in no event shall the additional period extend beyond sixty (60) days after the expiration of the thirty-one (31) day conversion period stated above. Written notice presented to the person or member or mailed by the policyholder to the last known address of the person or member or mailed by the insurer to the last known address of the person or member as furnished by the policyholder shall constitute the giving of notice for the purpose of this subsection. If an additional period is allowed the person or member for exercise of the conversion privilege as provided herein, and if written application for the converted policy, accompanied by the first quarterly or semiannual or annual premium, is made after the expiration of the thirty-one (31) day conversion period stated above, but within the additional period allowed an employe or member in accordance with this subsection, the effective date of the converted policy shall be the date of termination from the group.

(10) Before a group policy may be replaced, the employer shall give at least sixty (60) days written notice by certified mail to any employe covered under the replaced policy who will not be covered under the new policy.

Section 2. KRS 304.32-152 is amended to read as follows:

(1) Any group policy, group plan or group contract issued by a nonprofit corporation which provides hospital or surgical expense benefits, other than for specific disease or accidental injury only, shall provide that with respect to employes or members having been covered under the group policy for at least three (3) months, such employes or members shall have the right upon termination of employment or membership in the group to have the existing group coverage continued for themselves and their eligible dependents. Written notice of employe's right to continue existing group coverage shall be given by the insurance company in each master policy, certificate and group policy issued after July 15, 1982. The insurance company shall furnish each employer or group policyholder an adequate supply of attachments for each master policy, certificate or group policy already in effect. An employe or member electing continuation of coverage shall provide the insurance company written notice of election together with the first monthly premium contribution within thirty-one (31) days of the date coverage would otherwise terminate. The group rate premium shall be paid by the employe directly to the insurance company. The premium rate shall be that required for the coverage being continued and shall not exceed the applicable group rate. Continuation of coverage shall not be available for any employe or member who is or could be covered by medicare, nor who is or could be covered by any other group coverage insured or uninsured providing similar benefits. Continuation of coverage shall terminate on the earlier of

(a) The date nine (9) months after the date on which the group coverage would otherwise have terminated because of termination of employment or membership,

(b) If the employe or member fails to make timely payment of premium to the insurance company, the end of the period for which premium payment was made, or

(c) The date the group policy is terminated and is not replaced by another group policy within thirty-one (31) days.

(2) Any group policy described in subsection (1) of this section shall also provide that an employe or member having elected continuation of coverage pursuant to subsection (1) of this section and any covered spouse of an employe or member upon the death or divorce of such employe or member, shall be entitled to have issued to them without evidence of insurability, a health insurance policy on a form then available for conversion from the group coverage, by making written application therefor, accompanied by the first quarterly, semiannual or annual premium, at the option of the person or member, to the insurer not later than thirty-one (31) days after such termination of coverage. Such premium shall be in accordance with the insurer's table of premium rates in

effect on the later of (a) the effective date of the converted policy or (b) the date of application therefor, and applicable to the class of risk to which the covered persons belong, their ages, the form, and the amount of insurance provided.

(3) Before a group policy may be replaced, the employer shall give at least sixty (60) days written notice by certified mail to any employe covered under the replaced policy who will not be covered under the new policy.

Section 3. KRS 304.38-192 is amended to read as follows:

(1) Any group policy, group plan, or group contract issued in this state by a health maintenance organization which provides hospital or surgical expense benefits, other than for specific disease or accidental injury only, shall provide that with respect to employes or members having been covered under the group policy for at least three (3) months, such employes or members shall have the right upon termination of employment or membership in the group to have the existing group coverage continued for themselves and their eligible dependents. Written notice of employe's right to continue existing group coverage shall be given by the insurance company in each master policy, certificate and group policy issued after July 15, 1982. The insurance company shall furnish each employer or group policyholder an adequate supply of attachments for each master policy, certificate or group policy already in effect. An employe or member electing continuation of coverage shall provide the insurance company written notice of election together with the first monthly premium contribution within thirty-one (31) days of the date coverage would otherwise terminate. The group rate premium shall be paid by the employe directly to the insurance company. The premium rate shall be that required for the coverage being continued and shall not exceed the applicable group rate. Continuation of coverage shall not be available for any employe or member who is or could be covered by medicare, nor who is or could be covered by any other group coverage insured or uninsured providing similar benefits. Continuation of coverage shall terminate on the earlier of

(a) The date nine (9) months after the date on which the group coverage would otherwise have terminated because of termination of employment or membership,

(b) If the employe or member fails to make timely payment of premium to the insurance company, the end of the period for which premium payment was made, or

(c) The date the group policy is terminated and is not replaced by another group policy within thirty-one (31) days.

(2) Any group policy described in subsection (1) of this section shall also provide that an employe or member having elected continuation of coverage pursuant to subsection (1) of this section and any covered spouse of an employe or member upon the death or divorce of such employe or member, shall be entitled to have issued to them without evidence of insurability, a health insurance policy on a form then available for conversion from the group coverage, by making written application therefor, accompanied by the first quarterly, semiannual or annual premium, at the option of the person or member, to the insurer not later than thirty-one (31) days after such termination of coverage. Such premium shall be in accordance with the insurer's table of premium rates in effect on the later of (a) the effective date of the converted policy or (b) the date of application therefor, and applicable to the class of risk to which the covered persons belong, their ages, the form, and the amount of insurance provided.

(3) Before a group policy may be replaced, the employer shall give at least sixty (60) days written notice by certified mail to any employe covered under the replaced policy who will not be covered under the new policy.

Unless otherwise provided by the general assembly in a budget bill, the allotments of classroom units in this subsection shall be made on the average daily attendance for the end of the previous school year in public school grades kindergarten through twelve (12) except as provided in subsections (9) and (10) of this section.

(3) The superintendent of public instruction shall enforce maximum class sizes for every academic course requirement of the state board of education in kindergarten and grades one (1) through eight (8) except in vocal and instrumental music, art, physical education and special education classes. Except in classes combining pupils from two (2) or more grade levels, the maximum number of pupils enrolled in a class shall be calculated by adding three (3) to the average daily attendance figure upon which funding of the unit is appropriated in the biennial budget in *kindergarten and* grades one (1) through six (6) and by adding four (4) to the average daily attendance figure upon which funding of the unit is appropriated in the biennial budget in grades seven (7) and eight (8). The superintendent of public instruction, upon approval of the state board of education, shall adopt regulations for enforcing this provision. These regulations shall include procedures whereby a superintendent may request an exemption from the state board of education when unusual circumstances warrant an increased class size for an individual class. A request for an exemption shall include specific reasons for the increased class size with a plan for reducing the class size prior to the beginning of the next school year. A district shall not receive in any one year exemptions for more classes than enroll twenty percent (20%) of the pupils in kindergarten and grades one (1) through eight (8).

(4) In classes with combined grades, the maximum class size shall be the average daily attendance upon which funding is appropriated for the lowest assigned grade in the class. There shall be no exceptions to the maximum class size for combined classes.

(5) If a local school district through its admission and release committee determines that an appropriate program in the least restrictive environment for a particular handicapped child includes either part-time or full-time enrollment with a private school or agency within the state or a public or private agency in another state, then the school district shall count this as average daily attendance in a public school the time that such child is in attendance at such school or agency, contingent upon approval by the state superintendent of public instruction and pursuant to KRS 158.130.

(6) Pupils attending a center for child learning and study established under an agreement pursuant to KRS 65.210 through 65.300 shall, for the purpose of calculating average daily attendance, be considered as in attendance in the school district in which the child legally resides and which is party to the agreement. For purposes of subsection (1) of this section, teachers employed in such a center shall be considered as employes of each school district which is a party to the agreement.

(7) Allotments of classroom units except those allotted in accordance with subsection (8) of this section, shall be increased when the average daily attendance in kindergarten and grades one (1) through twelve (12) in any district for the first two (2) months of the current school year is greater than the average daily attendance of the district in kindergarten and grades one (1) through twelve (12) for the first two (2) months of the previous school year. The total number of classroom units allotted the district shall be increased by the percent of increase. The average daily attendance in kindergarten is the kindergarten full-time equivalent pupils in average daily attendance.

(8) If the percentage of attendance of any school district shall have been reduced more than two percent (2%) during the previous school year, the number of classroom units allotted the district, except those allotted in accordance with subsection (7) of this section, for the current school year shall be increased by the difference in the percentage of attendance for the two (2) years immediately prior to the current school year less two percent (2%).

(9) Unless otherwise provided by the general assembly in a budget bill, in allotting classroom units for vocational education, one (1) classroom unit shall be allotted for each full-time teacher, and a proportionate fraction of a classroom unit shall be allotted for each less than full-time teacher of vocational classes that meet

the regulations of the state plan of vocational education as approved by the state board of education; a proportionate fraction of a classroom unit shall be allotted for each teacher employed to teach part-time or short unit classes for less than a school day or a school year that meet the regulations of the state plan of vocational education as approved by the state board of education. The classroom units allotted under this subsection shall not exceed the units provided in the biennial budget without approval of the governor.

(10) (a) Unless otherwise provided by the general assembly in a budget bill, in allotting classroom units for exceptional children, one (1) classroom unit shall be included upon the employment of each teacher approved to teach such children in accordance with the provisions of law and Kentucky administrative regulations of the state board of education. The classroom units allotted under this subsection shall not exceed the units provided in the biennial budget without approval of the governor. In addition to the classroom units allotted above, if a local school district, through its admission and release committee, determines that the most appropriate and least restrictive individual educational program for a particular handicapped child includes either part-time or full-time enrollment with a private school or agency, the school district shall be reimbursed in addition to the amount distributed under KRS 157.390, a pro rata allotment for those pupils under contract. The pro rata amount shall be calculated by dividing the district's average salary allotted for 185 days plus the current expense and capital outlay allotment per classroom unit by the maximum number of pupils required by regulations for the pupil's specific type of classroom unit.

(b) The superintendent of public instruction shall limit approval of additional private agencies for participation in state funding for the above cited program to those funds appropriated for this purpose in each biennial budget.

(c) In allotting classroom units for exceptional children for home and hospital instruction, one (1) unit excluding the capital outlay allotment, shall be allotted for each ten (10) children in average daily attendance in the current school year who have been properly identified according to state board of education regulations. Attendance shall be calculated pursuant to KRS 157.270 and shall be reported monthly on forms provided by the department of education.

(d) Pursuant to regulations of the department of education, a portion of the classroom units for exceptional children appropriated in the biennial budget may be used to provide home or hospital instruction on an hourly basis for pupils properly identified according to state board of education regulations. A reimbursement formula shall be established by regulation to include such factors as a reasonable per hour, per child allotment for teacher instructional time, with a maximum number of funded hours per week, a reasonable allotment for teaching supplies and equipment, a reasonable allotment for travel expenses to and from instructional assignments, but such formula shall not include an allotment for capital outlay. Attendance shall be calculated pursuant to KRS 157.270 and shall be reported monthly on forms provided by the department of education.

(11) Unless otherwise provided by the general assembly in a budget bill, in allotting classroom units for administrative and special instructional services, the total number of classroom units allotted in subsections (2), (9), and (10) of this section shall be divided by nine (9) and the quotient shall be the number of classroom units allotted to the district under this subsection.

(12) In allotting classroom units for supervisors of instruction, one-half (1/2) of a classroom unit shall be allotted each district which is allotted twenty-five (25) through forty-nine and nine-tenths (49.9) classroom units under subsections (2), (9) and (10) of this section; one (1) unit shall be allotted each district which is allotted fifty (50) to one hundred (100) classroom units, one (1) unit shall be allotted for each one hundred (100) classroom units, or major fraction thereof, in districts allotted more than one hundred (100) classroom units under these subsections.

(13) Unless otherwise provided by the general assembly in a budget bill, in allotting classroom units for directors of pupil personnel, one (1) classroom unit shall be allotted each district which is allotted thirty-six (36) to one hundred and sixty-five and nine-tenths (165.9) classroom units under subsection (2) of this section and a unit for each additional two hundred and sixty-six (266) classroom units or fraction thereof allotted under subsection (2) of this section. For districts having fewer than thirty-six (36) classroom units, a proportionate fraction of a classroom unit shall be allotted.

(14) In allotting classroom units for superintendent, one unit shall be allotted each school district.

(15) In allotting classroom units for gifted and talented children, the superintendent of public instruction, under Kentucky administrative regulations of the state board of education, may allot units for gifted and talented children. The bonds of any issue may be in one or more series and any one or more such series may enjoy equal or subordinate status with respect to the pledge of funds from which they are payable, shall be dated, shall bear interest at such rate or rates not exceeding six and one-half per cent (6 1/2%) per annum, shall mature at such time or times not exceeding forty (40) years from their date or dates, all as may be provided by the city, and may be made redeemable before maturity, at the option of the city, at such price or prices and under such terms and conditions as may be fixed by the city prior to the issuance of the bonds.

(2) The city shall determine the form of the bonds, including any interest coupons to be attached thereto, and shall fix the denomination or denominations of the bonds and the place or places for payment of principal and interest, which may be at any bank or trust company within or without the Commonwealth. The bonds shall be signed by the facsimile signature of the mayor [~~(or in the case of a city of the sixth class, the chairman of the board of trustees)~~] and the seal of the city or a facsimile thereof shall be affixed thereto and attested by the manual signature of the city clerk, and any coupons attached thereto shall bear the facsimile signature of the mayor and the city clerk. In case any officer whose signature or a facsimile of whose signature shall appear on any bonds or coupons shall cease to be such officer before the delivery of such bonds, such signatures or such facsimile shall nevertheless be valid and sufficient for all purposes the same as if he had remained in office until such delivery. All bonds issued under the provisions of KRS 82.140 to 82.165 shall have and are hereby declared to have all the qualities and incidents of negotiable instruments under the negotiable instruments law of the Commonwealth. The bonds may be issued in coupon or in registered form, or both, as the city may determine, and provisions may be made for the registration of any coupon bonds as to principal alone and also as to both principal and interest, and for the reconversion into coupon bonds of any bonds registered as to both principal and interest.

(3) The city may sell such bonds at a public sale in such manner as it may determine will best effect the purposes of KRS 82.140 to 82.165, but no such sale shall be made at a price so low as to require the payment of interest on the money received therefor at more than six and one-half per cent (6 1/2%) per annum computed with relation to the absolute maturity of the bonds in accordance with standard tables of bond values, excluding, however, from such computations the amount of any premium to be paid on redemption of any bonds prior to maturity.

Section 5. KRS 92.270 is amended to read as follows:

(e) Any combination of the same. Bonds for improvements defined in paragraphs (b), (c) and (d) of this subsection may be caused to mature as to principal in term or serial maturities not to exceed thirty (30) years from date of issue.

(5) The term "costs" as applied to any project undertaken under this chapter includes the cost of labor, materials, and equipment necessary to complete the project in a satisfactory manner, cost of land acquired, and every expense connected with the project, including preliminary and other surveys, inspections of the work, engineers' fees and costs, attorneys' fees, preparation of plans and specifications, publication of ordinances and notices, interest which will accrue on the bonds until the due date of the first annual improvement assessment levied in connection therewith, a sum equal to any discount in the sale of the bonds (if discount bids are authorized and permitted by the governing body), a reasonable allowance for unforeseen contingencies, the printing of bonds, and other costs of financing which may include the payment of a fee to a fiscal agent for advice and assistance in the preparation and marketing of the bonds. As applied to wastewater collection projects undertaken by metropolitan sewer districts "costs" also include:

(a) The cost of inspections of work as construction progresses,

(b) Interest which will accrue on the bonds until the due date of the first annual improvement assessment if a lump sum is not paid,

(c) Capitalized interest on the bonds for a period not to exceed three (3) years,

(d) All or any portion of the debt service reserve requirement, if determination is made to finance same from bond proceeds,

(e) Payment of attorneys' fees, underwriting and fiscal agency fees, trustees' fees, rating service fees if approved by the fiscal court, and

(f) Other costs of issuance of bonds.

(6) The term "assessed value basis" means the plan for the levying of annual improvement benefit assessments on the basis of the assessed values of the benefited properties, as authorized by this chapter. As applied to wastewater collection projects undertaken by metropolitan sewer districts, "assessed value basis" means the plan for the levying of annual improvement benefit assessments upon benefited property for the benefits conferred by the construction of projects on the basis of the ad valorem assessed values (land only) of the benefited property, whether the owners pay such levies in full or on an annual basis to amortize bonds. Identical annual improvement benefit assessments upon classified zones of benefited property may also be included in this plan where determination is made by order of a metropolitan sewer district, as provided in KRS 107.030, that benefits conferred by construction of a project are substantially equal and that the assessed value (land only) of all benefited property or designated zones thereof shall therefore be deemed equal in respect of a given wastewater collection project.

(7) The term "front-foot basis" refers to the plan for financing improvements by apportioning the cost among benefited properties upon the basis of the number of linear feet thereof abutting upon the improvement project, as otherwise provided by law.

(8) The terms "property to be benefited," "properties to be benefited," "benefited property" and "benefited properties" all mean and refer to the property or properties defined in KRS 107.140. As applied to wastewater collection projects undertaken by metropolitan sewer districts, "benefited property" and "property to be benefited" mean the property (land only) proposed to be benefited by construction of a wastewater collection project instituted by a metropolitan sewer district and against which lump sum or annual improvement benefit assessments are to be levied.

(9) "Construction" means the following services and facilities provided by a metropolitan sewer district:

Also included are all necessary surveys, designs, plans, working drawings, specifications, procedures, and other required actions incident to the construction of wastewater collection projects;

(b) The building, acquisition, installation, erection, alteration, remodeling, improvement, expansion, or extension of wastewater collection projects and any other physical devices reasonably associated with such projects;

(d) Inspection and supervision incident to the acquisition, construction, and installation of wastewater collection projects.

(10) "Debt service reserve requirement" means with respect to any particular issue of bonds for a wastewater collection project of a metropolitan sewer district, the maximum annual requirements for payment of principal of and interest on such bond issue funded either in whole or in part by application of bond proceeds or accrued by the levying of improvement benefit assessments as provided in KRS Chapters 76 and 107.

(11) "Metropolitan sewer district" means a joint metropolitan sewer district which has been duly created under KRS 76.005 to 76.210.

(14) "Wastewater collection project" means treatment plants and all or part of any facilities and systems of a metropolitan sewer district used in the collection, holding, or transmission of wastewater from a benefited property to wastewater treatment plants or other similar facilities for final disposition. These terms shall include, without being limited to, sanitary sewage collection lines, intercepting sewers, outfall sewers, sewer laterals, power stations and pumping stations, and other equipment and their appurtenances necessary to enable the project to fulfill its function, including land acquisition, if required, whether such project facilities are provided by funds derived from issuance of bonds or otherwise provided by a district in any manner.

(15) "Classified zone" means any portion of any construction phase of a wastewater collection project designated by a metropolitan sewer district after a determination that all property located in such zone is benefited substantially equal by such construction.

Section 9. KRS 107.030 is amended to read as follows:

If a municipality desires to authorize, construct, and finance an improvement pursuant to this chapter, its governing body shall initiate the proceedings by adopting an ordinance, herein called the "First Ordinance," in which announcement shall be made of the public way or ways (which need not be contiguous) proposed to be improved and the geographical limits of the proposed improvement in such manner as to identify the benefited properties or the identity of the property or properties to be benefited by the fire hydrant in cities of the third through sixth classes or by the sewer installations (which may include a sewage treatment plant) which properties may be identified by naming the public way or ways upon which they abut, if any, or by geographical location, or both. In either case the ordinance shall recite the nature and scope of the improvement, a preliminary estimate of the costs thereof, as submitted in writing by an engineer, or firm of engineers, holding a license from the Commonwealth of Kentucky, and the amount, if any, which the city proposes to appropriate from available city funds toward the estimated cost. Any metropolitan sewer district desiring to initiate a wastewater collection project pursuant to this chapter shall, by order of its board cause a written preliminary engineering and financing report to be prepared by one or more engineers, or one or more firms of engineers, licensed to do business in the Commonwealth of Kentucky, or alternatively, by district personnel, for submission to the district. The preliminary engineering and financing report shall designate a geographical area in which a wastewater collection project is recommended for construction. The report shall contain a reasonable description of the project facilities proposed to be constructed, a statement as to benefits to be conferred by the proposed project, the distribution of the benefits and an estimate of the cost of the proposed project. The board of the district shall receive the preliminary engineering and financing report at a regular meeting. The board shall study and evaluate it, and by duly entered order either approve, disapprove the report as submitted, or amend and approve the report. Following approval of the preliminary engineering and financing report by the board of the metropolitan sewer district, the board shall formally initiate proceedings for the construction and financing of the proposed wastewater collection project. This announcement shall identify all benefited properties by naming the public way upon which such benefited properties abut, if any, or by geographical location, or by other appropriate description. The First Ordinance shall describe the nature, scope and preliminary cost estimate of the wastewater collection project being proposed. The ordinance shall determine that each parcel of land identified as benefited property shall be afforded benefits by the projects unless specifically excluded. A public hearing shall be held in respect of the proposed wastewater collection project. In all succeeding proceedings, the city shall be bound and limited by the preliminary report of the engineer, or engineers, with regard to the nature, scope, and extent of the proposed improvement project (unless the First Ordinance be amended, as hereinafter provided); but shall not be bound by, or limited to, the preliminary estimate of costs. The costs shall be determined upon the basis of construction bids publicly solicited as hereinafter provided, and shall be binding upon the city, and upon the owners of property to be benefited by the proposed improvement project, whether the same turn out to be equal to, below, or above such preliminary estimate. Architects, attorneys, consultants, engineers, and fiscal agents shall be employed after reasonable advertisement of the need for their services and with such competition as is permitted by law. In a First Ordinance for a wastewater collection project, the board of a metropolitan sewer district shall make findings of fact regarding the degree and nature of the benefit which will accrue to benefited properties by the installation of the project. If the board determines as a fact that groups of or all of the benefited properties will be affected and benefited in substantially the same manner and to substantially the same degree, the board may classify such benefited properties into one or more assessment zones based upon the similarity of benefits to be derived. In such case, the board may deem all benefited properties within a particular assessment zone to be equally benefited and therefore equally treated for purposes of levying improvement benefit assessments for amortization of bonds issued to provide funds to pay the costs of the project. It is the intent of KRS Chapters 76 and 107 to vest in the board of any metropolitan sewer district undertaking a project authority to make findings of fact in order to classify properties according to benefits conferred from the construction of projects. The board may, by appropriate order, determine that identified groups of benefited properties will be benefited in substantially the same manner by a project and these properties shall be treated equally for purposes of annual improvement benefit assessment of such benefited properties. The board may rely upon any pertinent data in making such findings of fact, including the size and diameter of sanitary sewer service connections to be made available. If the board of the district determines that all properties situated within a particularly described geographic area will not receive substantially equal benefits from the project, the board shall determine in the First Ordinance that such properties shall be annually assessed for benefits conferred based upon the relative assessed land valuation of each benefited property as it relates to the aggregated assessed land valuation of all benefited properties within such particularly described geographic area. Whichever basis of assessment is selected, it shall be used both initially, when land owners may pay improvement benefit assessments in a lump sum, and subsequently during each annual period in which project bonds are outstanding if a lump sum payment is not paid. The First Ordinance shall provide for a public hearing at a time and place specified therein (not less than one (1) week after publication) and shall give notice that at the hearing any owner of property to be benefited may appear and be heard as to

(1) Whether the proposed project should be undertaken or abandoned,

(2) Whether the nature and scope of the project shall be altered,

(3) Whether the project shall be financed through the issuance of bonds according to the "assessed value basis," authorized by this chapter, or

(4) Whether the project shall be financed through assessments made and apportioned on a front-foot basis, as may otherwise be authorized by law. The First Ordinance shall be published pursuant to KRS Chapter 424. The First Ordinance may designate a person, who may be the mayor [~~(or the chairman of the board of trustees)~~], a member of the governing body, or any city official, to preside at and conduct such public hearing. In the absence of a designation in the ordinance, the mayor[~~, chairman of the board of trustees,~~] or a person designated by the mayor [~~or chairman~~] shall preside. Notwithstanding the foregoing, the public hearing shall not be deemed irregular or improper if it is in fact presided over and conducted at the designated time and place by any elected city officer or member of the governing body.

Section 10. KRS 157.850 is amended to read as follows:

(1) When providing assistance to a board of education as provided in KRS 157.800(1)(b) and (c), the authority may participate in meeting payments required for interest and bond redemption up to a level of

ninety percent (90%) of the annual obligation from recurring funds otherwise unobligated; provided, however, that the agreement of the authority to participate in meeting any such payments shall be limited to the biennial budget period of the Commonwealth. It may be provided in such agreement that participation shall be automatically renewed in subsequent biennial budget periods unless notice of non-renewal is given to the affected board of education at a date agreed upon which shall be prior to the date of the beginning of the next biennial budget period.

(2) Upon receiving a request in writing from a board of education, the authority may in its discretion assist such board of education in financing any project by acting in the capacity and manner authorized by cities by KRS 162.120 through KRS 162.290 except KRS 162.240 and by counties by KRS 162.300 except as modified by KRS 157.800 to 157.895. When so proceeding the following shall apply to the authority:

(a) "City" or "county" means "authority."

(b) "City clerk" or "county clerk" means "secretary or assistant secretary of the authority."

(c) "Governing body of the city" or "fiscal court" means "authority."

(d) "Mayor [~~or chairman of the board of trustees~~]" or "county judge" means "chairman or vice chairman of the authority."

(g) It shall be plainly stated on the face of each bond that it was or is issued under the provisions of KRS 157.800 to 157.895 and that it does not constitute an indebtedness of the Commonwealth of Kentucky.

(h) One or more depositories and paying agents may be selected and designated by the board of education, subject to the approval of the authority, which approval shall not unreasonably be withheld; but each depository and paying agent shall be a financial institution within or without the Commonwealth, which is a member of the federal deposit insurance corporation. To the extent that they exceed the guarantee of the federal deposit insurance corporation, all deposits of sinking funds and of bond proceeds, whether held as certificates of deposit or otherwise, shall continuously be secured by a pledge to the authority of direct obligations of the United States, exclusive of accrued interest, at all times at least equal to the balance on deposit in the fund or account, such securities to be deposited with the authority or held by a trustee or agent designated by the authority; provided however, in lieu of requiring such security the authority may, in its discretion, invest, or cause to be invested and reinvested, any moneys in direct obligations of the United States until such time as cash funds may be needed, and the authority may prescribe for the custody and safekeeping of such securities. When cash funds are needed, the authority shall direct the conversion into cash of such securities, or a sufficient portion thereof, and may require that the same be secured until disbursement, as herein provided. All income from such securities shall accrue to the board of education, but may be retained by the authority and credited upon any rental obligation of the board of education under the lease, or applied to supplement bond proceeds if the same should for any reason turn out to be insufficient to defray the costs and expenses of the project.

Section 11. KRS 162.160 is amended to read as follows:

(1) When any city desires to construct a school building, under the provisions of KRS 162.150, the governing body of the city shall, by ordinance, cause plans and specifications for the building to be duly made and filed in the office of the city clerk. The plans and specifications shall give a full description of the building to be constructed, the details thereof and the manner of construction. The plans and specifications shall be prepared by an architect selected by the city and approved by the board of education of the school district, and shall be submitted to the board of education of the school district and to the superintendent of public instruction for approval.

(2) If the plans and specifications are approved, and if the board of education of the school district offers to lease the building under a lease of the kind provided in KRS 162.140, the city governing body shall cause the city clerk to advertise for bids, and thereafter the city governing body, through the mayor [~~or chairman of the board of trustees~~], may contract for the construction of the building.

Section 12. KRS 162.300 is amended to read as follows:

County boards of education and boards of education of independent districts not embracing a city of any class may obtain buildings for school purposes by proceeding under the provisions of KRS 162.120 to 162.290. When applied to such boards of education, KRS 162.120 to 162.290 shall be so read that the term:

When applied to the authority, KRS 162.120 to 162.300 shall be so read that the following terms and passages have the following respective meanings or interpretations:

(1) "City" or "county" means "authority";

(2) "City clerk" or "county clerk" means "secretary or assistant secretary of the authority";

(3) "Governing body of the city" or "fiscal court" means "authority";

(4) "Mayor [~~or chairman of the board of trustees~~]" or "county judge/executive" means "chairman or vice-chairman of the authority";

When cash funds are needed, the authority shall direct the conversion into cash of such securities, or a sufficient portion thereof, and may require that the same be secured until disbursement, as herein provided. All income from such securities shall accrue to the board of education, but may be retained by the authority and credited upon any rental obligation of the board of education under the lease, or applied to supplement bond proceeds if the same should for any reason turn out to be insufficient to defray the costs and expenses of the project."

Section 14. KRS 198B.070 is amended to read as follows:

(1) The mayor[~~, chairman of the board of trustees,~~] or county judge/executive of a local government which is enforcing the uniform state building code may, upon the approval of the local legislative body, appoint a local appeals board, consisting of five (5) technically qualified persons with professional experience related to the building industry, to hear appeals from the decisions of the local building official. At least three (3) members of the appeals board must not be employed by the local government hearing the appeal.

(2) Local governments which are enforcing the uniform state building code may cooperate with each other to provide a local appeals board and shall adhere to the provisions of KRS Chapter 65 when entering such cooperative agreements. No local building official or employe of a local inspection department may sit on a local appeals board if such board is hearing an appeal to a decision rendered by his department. No member of a local appeals board shall hear an appeal in a case in which he has a private interest.

(3) Any party to a decision by the local building official may appeal that decision to the local appeals board. Upon receipt of an appeal from a qualified party, the local appeals board shall convene a hearing to consider the appeal within fifteen (15) days of receipt. All parties to the appeal shall be notified of the time and place of the hearing by letter mailed by certified mail no later than ten (10) days prior to the date of the hearing. The local appeals board shall render a decision within five (5) working days after the hearing.

(4) A local appeals board may uphold, amend, or reverse the decision of a local building official, and there shall be no appeal from the decision of a local appeals board other than by appeal to the board of housing, buildings and construction. Appeals to the board of housing, buildings and construction shall include citation of those provisions of the uniform state building code which are at issue, and an explanation of why the decision of the local appeals board or the local building official relative to those provisions is being contested.

(5) The board of housing, buildings and construction shall serve to hear appeals from the decisions of local appeals boards, when such boards exist, or to hear appeals directly from the decisions of local building officials in cases where no local appeals board has jurisdiction. In no case shall the board hear an appeal directly from a party aggrieved by the decision of a local building official when there is a local appeals board with jurisdiction in the case.

(6) The board shall hear appeals directly from a party aggrieved by the decision of an agent of the department. Such appeals shall include citations of those provisions of the uniform state building code which are at issue, and an explanation of why the decision of the agent of the department relative to those provisions is being contested.

(7) Appeals to the board of housing, buildings and construction shall be addressed to the commissioner who shall immediately notify the board when an appeal is received. The commissioner or a designated employe of his department shall then investigate the evidence pertaining to such appeal and, based upon the results of such investigation, make recommendations to the board on the disposition of the case in question. No employe of the department shall investigate or make recommendations on an appeal to his own decision, but shall defer in such cases to employes who were not party to the decision which led to the appeal. In conducting such investigation, the commissioner or his designated representatives, acting for the department, shall have the authority to administer oaths and affirmations, issue subpoenas authorized by law, rule upon offers of proof and receive relevant evidence, take or cause depositions to be taken, regulate the course of any hearings they may schedule, and hold conferences for the settlement or simplification of the issues by consent of the parties. The commissioner shall complete such investigations and forward written recommendations to the board within thirty (30) days after receiving an appeal.

(8) Upon receiving the written recommendations of the commissioner, the board may decide to accept such recommendations, or it may decide to convene a hearing to consider the question further. Upon receipt of the recommendations of the commissioner, the board shall render a decision on each appeal at its next regularly scheduled meeting, but no later than thirty (30) days after receipt of such recommendations.

(9) Should the board's decision be to schedule a hearing on the appeal, such hearing shall occur within thirty (30) days of such decision, and all parties to such hearing shall be immediately notified in writing of the time and place of such hearing by the commissioner.

(10) The board may appoint five (5) or more of its members, excluding the chairman of the board, to consider the recommendations of the commissioner or to conduct the hearing, and those so appointed shall act in all matters concerning the appeal for the entire board.

(11) In considering an appeal, the board, if it deems it necessary to reach an equitable decision, may exercise any of the powers granted to the commissioner in subsection (7) of this section. The board shall render a decision within ten (10) days of any appeals hearing it may conduct.

(12) The board may uphold, amend, or reverse the decision of a local appeals board, a local building official or an agent of the department; and the decision of the board shall be final, and there shall be no appeal from the board's decision, except to the circuit court within whose jurisdiction the property in question is located.

HB 94, AN ACT relating to coal mining.

Be it enacted by the General Assembly of the Commonwealth of Kentucky:

Section 1. KRS 350.060 is amended to read as follows:

(1) No person shall engage in surface coal mining and reclamation operations without having first obtained from the cabinet a permit designating the area of land affected by the operation. Permits shall authorize the

operator to engage in surface coal mining and reclamation operations upon the area of land described in his application for a period of not to exceed five (5) years; provided that if an applicant demonstrates that a specified longer term is reasonably needed to obtain necessary financing for equipment and the opening of the operation and if the application is full and complete for such specified longer term, the cabinet may grant a permit for such longer term. No mining shall be permitted beyond the time period obligations of the initial or extended bond coverage.

(2) All operators who wish to engage in surface coal mining and reclamation operations and who have a valid permit from the cabinet and who are in expectation of operating such mines after the expiration of eight (8) months from the approval by the secretary of the interior of the permanent regulatory program shall within two (2) months of the effective date of such approval apply for a new permit for such mines in compliance with the requirements of this section. The natural resources and environmental protection cabinet shall establish procedures and programs consistent with this chapter to issue or deny such permits within eight (8) months of such approval. The general assembly finds the fact that, due to the large number of permitted operations within the Commonwealth, the eight-month period may be administratively impracticable, and hereby authorizes the secretary to devise procedures to comply with this section in the most expeditious and reasonable manner possible, and a filing shall be deemed timely for the purposes of this subsection and surface coal mining operations may continue under an existing permit if that filing is in substantially complete form and submitted within the time limits set forth herein.

(3) Any permit validly issued by the cabinet under the interim regulatory program in effect on March 21, 1980 and which would expire at any time after May 1, 1980 and before eight (8) months after approval of the permanent regulatory program by the United States secretary of the interior, shall be extended and remain in effect until eight (8) months after approval of the permanent regulatory program. Any interim permit so extended shall continue as a valid existing permit for purposes of this subsection if the permittee so requests and files an application for a permit with the cabinet within two (2) months of the date of approval of the permanent regulatory program. The permittee may conduct operations under that existing permit beyond the eight (8) month period if an application has been filed in accordance with this subsection, but the initial administrative decision has not been rendered.

(4) No permit or revision application shall be approved unless the application affirmatively demonstrates and the cabinet finds in writing on the basis of the information set forth in the application or from information otherwise available, that the permit application is accurate and complete and that all the requirements of this chapter have been complied with.

(5) An operator desiring a permit to engage in surface coal mining operations shall file an application which shall state:

(a) The location and area of land to be affected by the operation, with a description of access to the area from the nearest public highways;

(b) The owner or owners of the surface of the area of land to be affected by the permit and the owner or owners of all surface area adjacent to any part of the affected area;

(c) The owner or owners of the coal to be mined;

(d) The source of the applicant's legal right to mine the coal on the land affected by the permit;

(e) The permanent and temporary post-office addresses of the applicant;

(f) Whether the applicant or any person, partnership or corporation associated with the applicant holds or has held any other permits under this chapter, and an identification of such permits;

(g) Whether or not the applicant is in compliance with subsection (3) of KRS 350.130 and whether or not every officer, partner, director or any individual owning of record or beneficially (alone or with associates) ten percent (10%) or more of any class of voting stock of the applicant, is subject to any of the provisions of subsection (3) of KRS 350.130 and he shall so certify;

(h) A listing of any and all violations of this chapter, P.L. 95-87, and any law, rule or regulation in effect for the protection of air or water resources incurred by the applicant in connection with any surface coal mining and reclamation operation during the three-year period prior to the date of an application. Such a list shall indicate the final resolution of the violations; and

(i) Whether the area of land to be affected by the operation has been previously mined and is not in compliance with current reclamation standards, if so then identify the needed reclamation work.

(6) The application for a permit shall be accompanied by an official document (and an affidavit attesting to the document's authenticity) which will evidence what particular business entity the applicant is, whether a foreign or domestic corporation, a partnership, an entity doing business as another, or, if sole proprietorship, then an affidavit so stating.

(7) The application for a permit shall be accompanied by copies, in numbers satisfactory to the cabinet, of a United States geological survey topographic map or such other map acceptable to the cabinet on which the operator has indicated the location of the operation, the course which would be taken by drainage from the operation to the stream or streams to which such drainage would normally flow, the name of the applicant and date, and the name of the person who located the operation on the map.

(8) The application for a permit shall be accompanied by copies, in numbers satisfactory to the cabinet, of an enlarged United States geological survey topographic map or such other map acceptable to the cabinet meeting the requirements of paragraphs (a) through (i) of this subsection. The map shall:

(a) Be prepared and certified by a professional engineer, registered under the provisions of KRS Chapter 322. The certification shall be in the form as provided in subsection (10) of this section, except that the engineer shall not be required to certify the true ownership of property under paragraph (d) of this subsection;

(b) Identify the area to correspond with the application;

(c) Show adjacent deep mining;

(d) Show the boundaries of surface properties and names of owners on the affected area and adjacent to any part of the affected area;

(e) Be of a scale of 1:24,000 or larger;

(f) Show the names, and locations of all streams, creeks, or other bodies of public water, roads, buildings, cemeteries, oil and gas wells, and utility lines on the area of land affected and within five hundred (500) feet of such area;

(g) Show by appropriate markings the boundaries of the area of land affected, the cropline of the seam or deposit of coal to be mined, and the total number of acres involved in the area of land affected;

(h) Show the date on which the map was prepared, the north point and the quadrangle name; and

(i) Show the drainage plan on and away from the area of land affected. Such plan shall indicate the directional flow of water, constructed drainways, natural waterways used for drainage, and the streams or tributaries receiving the discharge.

(9) Each application shall include a determination of the probable hydrologic consequences of the mining and reclamation operations, both on and off the mine site, with respect to the hydrologic regime, quantity and quality of water in surface and groundwater systems, including the dissolved and suspended solids under seasonal flow conditions and the collection of sufficient data for the mine site and surrounding areas so that an assessment can be made by the cabinet of the probable cumulative impacts of all anticipated mining in the area upon the hydrology of the area and particularly upon water availability; provided, however, that this determination shall not be required until such time as hydrologic information on the general area prior to mining is made available from an appropriate federal or state agency. Provided further, that the permit shall not be approved until such information is available and is incorporated into the application.

(10) All certifications required by this chapter to be made by professional engineers shall be done in the form prescribed by the cabinet and shall be reasonably specific as to the work being certified. The cabinet may reject any document or map as incomplete if it is not properly certified.

(11) The application shall be accompanied by a transportation plan which shall set forth the portions of the state primary road system, if any, over which the applicant proposes to transport minerals extracted in the mining operation. The transportation plan shall specify the legal weight limits for each portion of any such highway or bridge over which the applicant proposes to transport minerals. The transportation plan shall

include any proposal by the applicant to obtain a special permit pursuant to the provisions of KRS 189.271 to exceed the weight limits on any highway or bridge. The transportation plan shall contain a certification by a duly authorized official of the transportation cabinet attesting the accuracy of the transportation plan in regard to the locations and identities of highways and bridges on the state primary road system and the accuracy of the specifications of weight limits on such highways and bridges. All trucks hauling coal on a fully controlled limited access highway shall be covered by a tarp or equivalent cover to prevent spillage.

(12) In addition to the information and maps required above, each application for a permit shall be accompanied by detailed plans or proposals showing the method of operation, the manner, time and distance for backfilling, grading work and a reclamation plan for the affected area, which proposals shall meet the requirements of this chapter and rules and regulations adopted pursuant thereto.

(13) The application for a permit shall be accompanied by proof that the applicant has public liability insurance coverage satisfactory to the cabinet for the surface mining and reclamation operations for which the permit is sought, or proof that the applicant has satisfied self-insurance requirements as provided by regulations of the cabinet. Such coverage shall be maintained in full force and effect during the terms of the permit and any renewal thereof, and until reclamation operations are completed.

(14) A basic fee set by regulation, and bearing a reasonable relationship to the cost of processing the permit application but not to exceed three hundred seventy-five dollars ($375) plus a fee set by regulation but not to exceed seventy-five dollars ($75) for each acre or fraction thereof of the area of land to be affected by the operation, shall be paid before the permit required herein shall be issued; provided that if the cabinet approves an incremental bonding plan submitted by the applicant, the acreage fees may be paid in increments and at times corresponding to the approved plan. The operator shall file with the cabinet a bond payable to the Commonwealth of Kentucky with surety satisfactory to the cabinet in the penal sum to be determined by the cabinet for each acre or fraction thereof of the area of land affected, with a minimum bond of ten thousand dollars ($10,000), conditioned upon the faithful performance of the requirements set forth in this chapter and of the rules and regulations of the cabinet. In determining the amount of the bond the cabinet shall take into consideration the character and nature of the overburden, the future suitable use of the land involved and the cost of backfilling, grading and reclamation to be required and the probable difficulty of reclamation giving consideration to such factors as topography, geology, hydrology, and revegetation potential. The bond amount shall initially be computed to be sufficient to assure completion of reclamation if the work had to be performed by the cabinet in the event of forfeiture. The cabinet shall promulgate regulations setting forth bonding requirements including, but not limited to, requirements for the amount, duration, release, and forfeiture of such bonds. Where the circumstances are such as to warrant an exception, the cabinet, in its discretion, may reduce the amount of the bond for a two (2) acre operation to less than the required minimum.

(15) Surface coal mining and reclamation operations which affect two (2) acres or less shall be exempt from the requirements of this chapter, except that the cabinet shall promulgate reasonable minimal regulations for permitting, bonding, controlling offsite water quality, revegetation, refuse piles, and use of explosives; and shall prohibit disposal of soil over the outslope in an uncontrolled manner. Such regulations shall recognize the distinct difference between two (2) acre operations and other surface coal mining operations and shall be less stringent than those imposed on other surface coal mining operations affecting more than two (2) acres, and in no event shall the cabinet require that the highwalls left by such operations be eliminated. In no event shall the bond be more than one thousand dollars ($1,000) per acre. The cabinet shall promulgate a short form application which will require the basic business information and a brief description of the method of operation. These applications shall be processed within thirty (30) calendar days. All procedural provisions and the penalty provisions of KRS 350.990 shall, however, apply to operations conducted and permits granted pursuant to this subsection. The cabinet shall enforce this subsection consistent with this chapter except that the cabinet shall not issue orders requiring cessation of operations for mere failure to abate a violation.

(16) The cabinet shall promulgate rules and regulations for the permitting of operations with surface effects of underground mining and other surface coal mining and reclamation operations consistent with this section. The cabinet shall recognize the distinct differences between the surface effects of underground mining and strip mining, as also provided in KRS 350.151, in promulgating permitting requirements for these operations; provided, that, *except for the exemption provided for in subsection (17) of this section,* the cabinet shall require, for underground mines that are greater than two (2) acres under subsection (15) of this section, that all of the areas overlying underground workings be permitted but that the areas overlying underground workings not affected by operations and facilities occurring on the surface shall not be subject to the payment of acreage fees or bond requirements of subsection (14) of this section or of KRS 350.151; provided, however, that applications for operations of two (2) acres or less filed under subsection (15) of this section shall clearly identify the boundaries of the proposed deep mine operation.

(17) Underground coal mines shall only be required to obtain a permit for the surface area affected by the underground mine if the surface area affected is two (2) acres or less and the coal produced does not exceed fifty-thousand (50,000) tons per year as reported for severance tax purposes and no officer, partner, director, or any other individual with any ownership interest in the permit application has more than a ten percent (10%) ownership interest in any other coal operation.

(18) Any valid permit issued pursuant to this chapter shall carry with it the right of successive renewal upon expiration with respect to areas within the boundaries of the existing permit. The holders of the permit may apply for renewal and such renewal shall be issued (provided that on application for renewal the burden shall be on the opponents of renewal), subsequent to the fulfillment of the public notice requirements of this chapter unless it is established and written findings by the cabinet are made that:

(a) The terms and conditions of the existing permit are not being satisfactorily met;

(b) The present surface coal mining and reclamation operation is not in compliance with the environmental protection standards of this chapter;

(c) The renewal requested substantially jeopardizes the operator's continuing responsibility on existing permit areas;

(d) The operator has not provided evidence that the performance bond in effect for said operation will continue in full force and effect for any renewal requested in such application as well as any additional bond the cabinet might require; or

(e) Any additional revised or updated information required by the cabinet has not been provided;

Prior to the approval of any renewal of permit the cabinet shall provide notice to the appropriate public authorities.

(19)[~~(18)~~] If an application for renewal of a valid permit includes a proposal to extend the mining operation beyond the boundaries authorized in the existing permit, the portion of the application for renewal of a valid permit which addresses any new areas of surface disturbance shall be subject to the full standards applicable to new applications under this chapter.

(20)[~~(19)~~] Any permit renewal shall be for a term not to exceed the period of the original permit. Application for permit renewal shall be made at least one hundred and twenty (120) days prior to the expiration of the valid permit.

(21)[~~(20)~~] Notwithstanding any of the provisions of this section, a permit shall terminate if the permittee has not commenced the surface coal mining operations covered by such permit within three (3) years of the issuance of the permit. However, the cabinet may grant reasonable extensions of time upon a showing that such extensions are necessary by reason of litigation precluding commencement of operations, or threatening substantial economic loss to the permittee, or by reason of conditions beyond the control and without the fault or negligence of the permittee. With respect to coal to be mined for use in a synthetic fuel facility or specific major electric generating facility, the permittee shall be deemed to have commenced surface mining operations at such time as the construction of the synthetic fuel or generating facility is initiated.

(22)[~~(21)~~] Each application for a permit or revision for auger mining on a previously mined area must contain information to describe the area to be affected, to show that the proposed method of operation will result in stable post-mining conditions, and reduce or eliminate adverse environmental conditions created by previous mining activities. If the cabinet determines that the affected area cannot be stabilized and reclaimed subsequent to augering or that the operation will result in an adverse impact to the proposed or adjacent area, the permit or revision shall not be issued. The cabinet shall, consistent with all applicable requirements of this chapter, issue a permit or revision if the applicant demonstrates that the proposed coal mining operations will provide for reduction or elimination of the highwall, or reduction or abatement of adverse impacts resulting from past mining activities, or stabilization or enhancement of a previously mined area. The cabinet shall insure that all reasonably available spoil material will be used to backfill the highwall to the extent practical and feasible; provided, however, that in all cases the holes be properly sealed and backfilled to a minimum of four (4) feet above the coal seam being mined.

(23)[~~(22)~~] All operations involving the crushing, screening, or loading of coal which do not separate the coal from its impurities, and which are not located at or near the mine site, shall be exempt from the requirements of this chapter.

No part of the credit shall be applicable to the tax imposed by KRS 141.040 for any other taxable year.

Rule 1. Hours of Meeting. The House shall meet at times set by the Committee on Committees.

Rule 2. Quorum. A majority of the members elected to the House shall constitute a quorum. If a quorum is not present at the time fixed for a meeting of the House, five members may adjourn or recess from day to day or from time to time and fifteen members may order a call of the House and send for absent members.

Rule 3. Call of the House. Upon a call of the House, the Clerk shall call the roll. Absentees are then only noted, but no excuses shall be made until the full roll is called. The clerk shall then call the absentees again. Excuses will be heard at this time. The doors of the House Chamber shall then be closed and the absentees not excused by the House may be sent for and arrested by the Sergeant-at-Arms and the House shall determine upon what conditions they shall be discharged from arrest. Members who voluntarily appear shall be immediately admitted to the floor of the House and names returned upon the Journal as present unless the House otherwise directs. Excuses for leaves of absence must receive a consent approval of 2/3 of the members elected.

2. Roll Call.
3. Reading and approval of the Journal.

Rule 5. Unfinished Business. Unfinished business which was being considered upon adjournment shall have precedence in the class of business to which it properly belongs upon the next succeeding legislative day.

MOTIONS

Rule 6. Reading of Motions. When a motion has been made and seconded, it shall be stated by the Speaker, or, being in written form, it shall be read by the Clerk before debate, amendment or motion concerning it shall be in order.

Rule 7. Withdrawal of Motions. Every oral motion after it has been stated by the Speaker, and every written motion, bill, resolution or other paper, after it has been read by the Clerk, shall be the property and in the possession of the House and shall not be withdrawn without consent of the House. Every written motion, report or measure may be committed or recommitted at the pleasure of the House.

Rule 8. Order of Questions. All questions, whether in Committee of the Whole or in the House, when not privileged questions, shall be propounded in the order in which they were moved, except that in filing blanks the smallest sum and the most remote date shall be put first.

Rule 9. Precedence of Motions. When a question is under consideration, no motion shall be in order except:

1. To call the House when there is no quorum present.

2. To fix the time to which the House shall adjourn.

3. To adjourn.

4. To take recess.

5. To lay on the table.

6. For the previous question.

7. To limit or extend limits of debate.

8. To postpone to a fixed time.

9. To lay on the Clerk's Desk.

10. To refer or commit.

11. To amend.

12. To postpone indefinitely.

The above several motions shall have precedence in the order in which they are arranged and the first seven of them shall not be debatable.

A second motion to adjourn, to take a recess, to lay on the table, for the previous question, to limit or extend limits of debate, to postpone to a time certain, to lay on the Clerk's desk, to refer or commit or to postpone indefinitely shall not be in order on the same day, upon the same question, and at the same status unless other business intervenes; provided, however, that amendments may be made to the time to which it is proposed to adjourn, to take a recess or to postpone to a fixed time.

Rule 10. Motion to Adjourn. A motion to adjourn, to take a recess, or a motion to adjourn to a time certain, shall always be in order, except when a member is speaking, while a vote is being taken or when the Committee on Committees is reporting; subject, however, to the limitations set out in Rule 9. A motion to adjourn or a motion to adjourn to a time certain shall be taken by roll call vote.

Rule 11. Motion to Table. The adoption of the motion to table, under these rules, defeats the subject matter under consideration. The reconsideration of the motion to table shall require approval of a majority of the members elected.

Rule 12. Previous Question. When the previous question has been ordered, a vote shall be taken immediately upon the pending measure and such pending amendments as are in order. The effect of the previous question shall be to put an end to all debate; to prevent the offering of additional amendments and to bring the House to an immediate vote upon the measure and amendments aforesaid. The previous question may be ordered by a majority of the members elected. On the call of the roll, no member shall be allowed to speak more than three minutes to explain his vote and shall not speak at all if the question is not a debatable question. After the previous question has been ordered, and before the vote upon the main question, the opponents of the measure shall have ten minutes, and proponents of the measure shall have ten minutes.

Rule 13. Motion to Set the Limits on Debate. A motion to set a time limit for debate on a measure, in excess of that permitted under Rule 12, shall be in order unless the previous question shall have been ordered on the measure. The time limit set for debate under this rule shall be allotted by the Speaker evenly between the opponents of the measure and the proponents of the measure. Adoption of a motion under this rule does not prevent the offering of additional amendments.

Rule 14. Motion to Reconsider. A motion to reconsider a vote shall not be in order unless made by a member who voted upon the prevailing side of the question; nor shall such motion be in order unless made within two legislative days in which the House is in session next after the date the vote was taken; however, the motion to reconsider when coupled with the additional motion to lay that motion upon the table may be made by any member.

Rule 15. Motion to Lay on Clerk's Desk. The effect of the adoption of a motion to lay on the Clerk's desk under these rules is to place in charge of the Clerk the pending question and everything adhering to it. A motion laid on the Clerk's desk may be taken from the desk and proceeded with at any time in the same order as when laid on the Clerk's desk.

Rule 16. Motion to Strike Out Enacting Clause. A motion to amend by striking out the enacting words of a bill or resolution shall have precedence over a motion to amend; and, if adopted, shall have the same effect as though the bill or resolution were regularly voted upon and rejected.

Rule 17. Motion to Separate Part of a Measure. A motion to commit, recommit, or postpone a part of a measure so as to separate that part of the measure from the remainder shall not be in order.

Rule 18. Postponement of Measure. When a measure shall have been postponed indefinitely it shall not be in order again during the session.

Rule 19. Reading of Pending Papers. Any pending bill, resolution, motion or report shall be read by the Clerk upon the demand of any member, but it shall not again be read on the same day unless so ordered by the House.

No excuse for leave of absence shall be heard from the floor.

Rule 22. Decorum of Members. No member shall designate another member by name.

Rule 23. Call to Order. If any member, in speech or otherwise, transgress the rules of order or decorum, he shall immediately be called to order by the chair and shall take his seat. The Clerk shall reduce the objectionable words to writing and read them to the House. After hearing a short explanation from the member called to order, or upon the withdrawal of the objectionable language, the Speaker may permit the member to proceed, or may compel silence upon him until the matter is disposed of. The ruling of the chair shall be subject to an appeal to the House. A member offending the House shall be liable to censure.

Rule 24. Debate. No member may speak more than once to the same subject until all members desiring to be heard have spoken, but nothing in this rule shall do away with the previous question if then in effect, nor permit debate on an undebatable motion.

No member shall speak more than thirty minutes in the aggregate on any question or measure, at the end of which period, or any portion thereof, the floor shall be returned to the Speaker.

Rule 25. Members Shall Vote at Seats. A member shall vote only when at his seat or visibly approaching it.

OFFICERS AND EMPLOYES

Rule 26. Duties of Speaker. The Speaker shall take the chair every day precisely at the hour fixed for the meeting of the House and on the appearance of a quorum, shall cause the Journal of the preceding day to be read, unless the reading of the same is dispensed with by the House.

If two or more members arise from their respective seats and address the chair, the Speaker shall determine who was first and recognize him.

Any decision made by the Speaker shall be subject to appeal to the House. Every such appeal shall be in writing and signed by at least two members. During the pendency of an appeal to the House from a decision of the chair, the Speaker shall vacate the chair and call the Speaker Pro Tempore to preside. When the Speaker Pro Tempore is presiding on an appeal to the House from a decision of the Chair, no motion or business shall be in order except the motion on appeal from the decision of the Chair, and that motion shall not be debatable.

Rule 28. Speaker Pro Tempore. The House shall elect a Speaker Pro Tempore. The Speaker Pro Tempore shall perform the duties of the Speaker when the Speaker is absent from the House or when empowered by the Speaker to perform the duties of the Chair.

No record which is in the hands of the Commission staff and is required by law to be entered upon the Journal of the House shall be copied by any person until same shall have been entered upon the Journal and said Journal shall have been approved.

Half an hour before the time fixed for the meeting of the House each day, the Commission staff shall be present at the Clerk's desk with the Journal of the preceding session for inspection of any member of the House.

The Journal for each day, as soon as it has been approved by the House, shall be delivered by the Commission staff to the public printer. The Commission staff shall proofread and index the Journal upon return from the printer and make necessary typographical corrections.

Rule 31. Custody of Papers. The Rules Committee may refer any bill or resolution before it back to a standing committee. Provided, however, that such recommitment shall be accompanied by an explanation of the reason therefor, and that no bill or resolution shall be referred back by the Rules Committee on more than one occasion. All meetings of the Rules Committee shall be open to members of the House and to members of the Capitol Press Corps only. No electronic devices of any nature including cameras and recording devices shall be allowed in the committee room or to be used therein by any person while the Rules Committee is in session. No bill may be kept in Rules Committee for longer than five (5) legislative days. Within that time each bill must be reported to the floor or referred back to a standing committee.

The Majority Floor Leader shall while the Rules Committee is in session call bills and resolutions and shall call the same for consideration by the Rules Committee. A bill or resolution may be placed for consideration in the first order of business at the next regular Rules Committee meeting by a majority of the membership voting for such consideration.

Each member shall be given an opportunity upon request to appear before the Rules Committee when a bill of which he is a sponsor or co-sponsor is under consideration including the subsequent vote thereon. No measure shall be posted in the Orders of the Day for final passage except by order of the Rules Committee unless otherwise ordered posted for the next succeeding legislative day by a majority of the members voting. The Rules Committee shall arrange the Orders of the Day so that all measures shall appear thereon for the consideration of the House, but the Rules Committee may not place in the Orders of the Day any bill or other measure in the possession of a standing or special committee of the House. The Rules Committee, prior to each day's session, shall post a notice in a regular place in the House Chamber listing the bills to be considered that day in the Orders of the Day. Should the House not complete any day's Orders of the Day, the bills and resolutions remaining unconsidered shall go to the top of the Orders of the Day on the next day that Orders of the Day are considered.

The Speaker of the House shall act as Chairman of the Rules Committee. The Majority Floor Leader of the House shall act for the Rules Committee in calling from the Orders of the Day any bills or resolutions in the order he deems proper and shall be recognized by the Speaker for said purpose during all times that the Rules Committee is in charge of posting the Orders of the Day. Rule 42. Liaison Subcommittees: The Committee on Appropriations and Revenue shall be divided into the following six standing subcommittees of seven members each.

1. Subcommittee on Development and Energy, Natural Resources, and Environmental Protection;

2. Subcommittee on Education;

3. Subcommittee on General Government, Finance, and Public Protection;

4. Subcommittee on Human Resources;

5. Subcommittee on Justice and Judiciary;

6. Subcommittee on Transportation.

Of the seven members of each such subcommittee four shall be members of the Committee on Appropriations and Revenue designated by the chairman of such committee, and three shall be appointed by the Committee on Committees from the membership of one or more of the remaining standing committees of the House. The chairman of each standing subcommittee shall be appointed by the chairman of the Committee on Appropriations and Revenue from the membership of such committee on the particular standing subcommittee.

The remaining three members of each standing subcommittee shall be deemed a liaison subcommittee of the standing committee or committees from which they were appointed. A vice chairman of the standing committee from which such members were appointed shall act as chairman of the liaison subcommittee. The selection of such vice chairman shall be made by the Committee on Committees. If such three members have been appointed from more than one standing committee the Committee on Committees shall determine which standing committee vice chairman shall act as chairman of the liaison subcommittee.

The liaison subcommittee members of the standing subcommittee shall have full voting authority in all matters before the standing subcommittee.

Rule 42A. Budget Review. The standing budget review subcommittees shall notify the membership of the standing substantive committees whose jurisdictional area will be affected by their action of any meetings or hearings and the members of the standing committees may participate as non-voting members.

When the budget review subcommittees have concluded their hearings and formulated their recommendations they shall communicate their recommendations to the affected standing committee or committees who may thereafter file a written response to the recommendations, which response shall be transmitted to the full Committee on Appropriations and Revenue with the subcommittee recommendations.

When the full Committee on Appropriations and Revenue has reported the final budget bill or bills to the floor, it shall notify the affected standing committees of the content of the budget relating to their areas of jurisdiction.

Any budget bill reported out of the Committee on Appropriations and Revenue shall be accompanied by a detailed explanation of modifications of the original budget. The Rules Committee shall not post for passage any budget bill less than five days after the bill has been finally reported out of committee.

Rule 43. Enrollment Committee. The Committee on Committees shall appoint an Enrollment Committee of not more than seven members. The Enrollment Committee shall be responsible for the engrossment and enrollment of bills and resolutions under the Rules of this House.

Rule 44. Committee on Conference. When a House bill has been amended in the Senate and the House refuses to concur in said amendment, or when a Senate bill has been amended in the House and the Senate refuses to concur in said amendment and when neither will recede from such action, the Committee on Committees shall appoint a Committee on Conference to meet a like committee from the Senate. The Committee on Conference shall confer with the Senate Committee and report back to the House within a reasonable time, in the same manner as reports are made for House bills[~~, provided that the amendment as agreed upon shall pertain to the same subject matter as the original bill referred to the Committee on Conference~~]. The conference report *shall make no recommendation other than agreement upon or rejection of the matter or matters in controversy, and* shall be voted upon, and, if adopted the bill shall immediately be put upon its final passage.

Should a committee on conference report its inability to submit a report, or if either house refuses to adopt its report, each house may appoint a committee on free conference, consisting of three or more members. A committee on free conference shall propose no new appropriation or any appropriation above the level originally designed by either chamber. The free conference report shall be voted on, and if adopted, the bill shall immediately be put upon its final passage.

Except for report of disagreement, the question of consideration of the report of a conference committee or a free conference committee shall not be in order *on the same legislative day as* [~~within one hour following~~] distribution of copies of the report *together with a staff analysis of the report* to the members of the House.

Rule 45. Meetings of Committees. No committee except the Committee on Committees, the Committee on Enrollment and a Committee on Conference between the House and the Senate shall sit while the House is in session, unless by consent of the House. The Committee on Committees and Committee on Enrollment may report at any time except during roll call or while a vote is being taken.

The Committee on Committees, in conference with committee chairmen, shall schedule a definite time and place for the regular weekly meetings of each committee, such schedule to be posted in the House Chamber and published in the Legislative Record. A committee shall meet at the regular weekly scheduled time and place so long as business is pending before the committee. Nothing herein shall prevent the Chairman or a majority of any committee from calling a special meeting in addition to those regularly scheduled.

The Chairman shall keep a record of the attendance of members at meetings, which record shall be filed with the Clerk.

The Director of the Legislative Research Commission, under the direction of the Committee on Committees, shall assign a secretary to each committee and provide any professional, clerical or other employes required by any committee.

The Committee on Committees shall meet on call of the Speaker or on call of a majority of the members of the Committee on Committees.

Rule 46. Committee Reports. No bill or resolution shall be considered by the House except on report of committee. Upon the call of standing committees, the Clerk or the Chairman or ranking member of the committee may report the bill in the following manner:

"With the expression of opinion that the same should pass," or

"With the expression of opinion that the same should pass, with the committee amendment attached thereto," or

"With the expression of opinion that the same should pass, with the committee substitute attached thereto," or

"With the expression of opinion that the same should not pass."

Rule 47. Majority and Minority Reports. It shall require a majority of the committee membership to report a bill. Those members of the committee voting to report a bill must sign the committee report and the committee report shall only be signed in the committee room and while the committee is in session.

A committee report may be accompanied by a minority report, signed by those members who have dissented from the committee's report, and it shall be in order to move the adoption of the minority report as a substitute for the committee's report when the committee offers its report. It shall require a majority of the members elected to adopt the minority report. The Committee's report shall always be read before the minority report is read.

Rule 48. Failure to Report. Whenever a committee fails or refuses to report within a reasonable time a bill submitted to it, any member may by filing with the Clerk a written request signed by twenty-five or more members, call the same up for consideration on the next succeeding legislative day after the filing of said request. If a majority of the members elected to the House concur therein, the bill shall be considered as though it had been regularly reported.

Rule 49. Procedure in Committee. The rules of procedure in the House shall be observed in committee insofar as the same are applicable. The committee chairman, or the committee by majority vote in a regularly called meeting, shall post at least three calendar days prior to their consideration the bills and resolutions to be considered by the committee at its next meeting provided that no bill or resolution shall be posted by the chairman or the committee by a majority vote unless and until a request for posting form has been filed with the committee chairman or secretary and approved as containing satisfactory information by the committee chairman. No measure shall be considered except those posted. A list of the measures to be considered shall be filed with the Clerk at least three calendar days prior to the meeting. *Effective with the regular session of 1988, in the case of prefiled bills receiving a favorable expression from the interim joint committee to which they were assigned, posting by the chairman or the committee shall occur during the first week of the session, and such bills shall be considered by the appropriate committee during the first three weeks of the session. No posting request shall be required for such prefiled bills. This rule does not apply to bills with a fiscal impact of more than $20,000.*

BILLS AND RESOLUTIONS

Rule 50. Form of Bills. All bills introduced shall be typewritten on the Automated Legal Text Entry and Revision System of the Legislative Research Commission, and none otherwise prepared shall be accepted for introduction. Bills shall be offered as one original and three distinctly legible copies. Identical bills for introduction in the other chamber may be exact reproductions of original bill provided one copy is authenticated by the Director of the Legislative Research Commission as the original to be introduced in the other chamber. The original shall be the official bill, and shall be retained by the Legislative Research Commission staff for the use of the House until engrossed and sent to the Senate. One copy shall be used by committees; one copy shall be for the use of the press and shall be given to a person designated by the press club; and one copy shall be retained by the Legislative Research Commission for its work file. Each copy shall be backed with a protective cover, as provided for this purpose by the Legislative Research Commission. The title of the bill, or a portion thereof, and the signature of the member introducing the bill shall be placed on each cover.

In all bills, as introduced and as printed, any new matter contained therein shall be underscored; and when an amendment proposes the omission or elimination of matter in an existing law, such omission or elimination shall be indicated on the typewritten bill and on the printed bill by placing the material proposed to be eliminated in brackets, and by striking through the words to be omitted or eliminated with a single line so as not to render such words illegible. In any bill seeking to repeal existing sections of the Kentucky Revised Statutes said sections sought to be repealed shall be identified by way of inclusion of the headnotes applied to each such section as it appears in the Kentucky Revised Statutes. The Legislative Research Commission staff shall see that all bills introduced conform with the Automated Legal Text Entry and Revision System method of preparation. The Enrolling Clerk in enrolling a bill which contains deleted material appearing in brackets shall strike over such deleted matter.

Rule 51. Introduction of Bills. Bills and resolutions may be introduced by filing them with the Bill Introduction Clerk in her office at any time the same is open. Bills and resolutions introduced by filing them with the Bill Introduction Clerk after the House has concluded Item 4, in Rule 4, Order of Business, shall be considered as having been introduced the next succeeding legislative day. The Bill Introduction Clerk shall number bills in the order received and transmit a copy immediately after introduction on the House floor to the Committee on Committees for reference to committee. No bill or resolution having the force of law shall be introduced after the thirty-eighth legislative day of the session. The last two legislative days preceding the veto recess shall be reserved by the House exclusively for the business of concurring in amended House bills.

Rule 52. Fiscal Note Required. A sponsor of a measure may at any time prior to the filing of a request for posting form require a fiscal analysis to be made by the Legislative Research Commission upon the same and a fiscal note attached thereto.

The chairman of the committee to which the measure has been referred may, at any time after a request for posting form is filed with the committee by the sponsor, determine that a fiscal analysis is required on any measure not carrying a fiscal note. The chairman upon such determination shall cause a fiscal analysis to be made by the Legislative Research Commission and a fiscal note attached prior to posting the measure for consideration.

After posting the measure a majority of the committee may determine that a fiscal analysis is required on any measure not already carrying a fiscal note and shall direct the same to be accomplished and fiscal note attached with all dispatch. A committee may consider any measure on the date for which it is posted even if it is determined by the committee on that date that a fiscal analysis is required, however, no final action shall be taken by the committee upon said measure until a fiscal note is presented to the committee and attached to the measure.

Any member proposing to amend from the floor a bill or resolution which carries a fiscal note or if the proposed amendment itself carries a fiscal implication, the member proposing the amendment shall cause a fiscal analysis of the amendment to be made and a fiscal note attached to the proposed amendment at the time of introduction. In the event an amendment is introduced without a fiscal note, any member may raise the question of fiscal implication to the amendment by a motion and by majority vote require a fiscal analysis to be made and a fiscal note attached to the amendment. If a fiscal analysis and note is required by the membership, action on the bill or resolution to be amended along with the proposed amendment shall be passed over in the Orders of the Day but retained in the Orders of the Day. A fiscal note required by the membership shall be filed and attached to the amendment prior to the convening of the session of the next legislative day. In the event it is impossible to complete the analysis and prepare a fiscal note before the convening of the session on the next legislative day, the Director of the Legislative Research Commission shall so advise the membership by letter and state a time in which the same can be completed and filed with the House.

If the Director of the Legislative Research Commission certifies that the fiscal note cannot be completed within the prescribed time, the amendment shall not be in order unless the members, by majority vote, determine either: (1) act on the amendment and the bill or resolution without the benefit of the fiscal note, or to (2) pass over the bill or resolution in the Orders of the Day and allow it to be retained in the Orders of the Day until the fiscal note is filed.

Rule 52A. Local Mandate Impact Statement. Any bill which relates to any aspect of local government or any service provided thereby shall be analyzed by the LRC for its fiscal impact upon local governments and if determined to contain a local mandate shall have a local mandate impact statement attached prior to final consideration.

No measure which contains a local mandate shall be placed in the Orders of the Day until the local mandate impact statement is attached unless the requirement of the statement has been waived by a vote of two-thirds (2/3) of all members of the House/Senate.

Any member proposing to amend from the floor a bill which contains a local mandate or if the proposed amendment itself contains a local mandate, shall cause a fiscal analysis of the amendment to be made and a local mandate impact statement attached to the proposed amendment. Until such time as the local mandate impact statement is prepared and attached to the amendment, action on the bill to be amended along with the proposed amendment shall be passed over in the Orders of the Day but retained in the Orders of the Day.

Rule 53. Proposed Administrative Regulations. (1) Before committee consideration of any bill originating in the House, which contains the authority for any agency, board or political subdivision of state government to promulgate regulations, the bill shall have attached a copy of a statement of legislative intent for the bill, including a summary of guidelines to be followed in preparing regulations pursuant to the bill.

Every committee shall have the exclusive right to determine whether the summary submitted meets the requirements of this rule. The committee may waive the provisions of this rule by majority vote, and shall acknowledge on its committee report the receipt of and consideration of the matters submitted with the bill pursuant to this rule.

The purpose of the requirements of this rule is to inform the House of the general scope of the regulations authorized by the bill and to provide a permanent record of legislative intent; and pursuant thereto, when any bill subject to the provisions of this rule becomes law the Director of the Legislative Research Commission shall cause to be filed with the Administrative Regulation Review Subcommittee of the Legislative Research Commission the summary of the regulations submitted with the bill to be used by the Administrative Regulation Review Subcommittee when reviewing regulations promulgated pursuant to the bill. The Administrative Regulation Review Subcommittee shall use the material submitted with the bill to determine legislative intent.

Nothing contained in this rule shall preclude the promulgation of regulations differing from those filed or summarized and submitted with the bill.

(2) This amendment of the Rules of the House of Representatives shall apply only to bills introduced after February 5, 1980.

Rule 54. Rejected Administrative Regulations. When an administrative regulation has been referred by the Clerk to a standing committee of the House, the committee shall review the regulation and take such action as it deems appropriate. If the committee recommends rejection it must set forth in its report the reasons for its rejection which shall be for either of the following reasons, or both: (1) The administrative regulation does not conform to statutory authority. (2) It does not carry out legislative intent.

Unless the House and Senate committees both recommend rejection of the regulation in their committee reports and the committee reports are thereafter adopted by at least two-fifths of the members elected to each house, and a majority of the members voting, the regulation shall become effective.

When a House committee report recommending rejection has been adopted by the House as set forth above, the House clerk shall so notify the clerk of the Senate.

If both the Senate and the House have approved committee reports recommending rejection of a regulation, a report to that effect shall be signed by both clerks and sent to the promulgating agency and the regulations compiler. A copy of this report shall be on file in the office of the Clerk of the Senate and in the office of the Clerk of the House.

Proposed regulations that have been properly laid before the general assembly shall become effective upon sine die adjournment of the general assembly unless the general assembly in regular session shall disapprove the proposed regulation.

Rule 55. Reference of Bills. The Committee on Committees shall refer all bills to the proper standing committee not later than the second day in which the House is in session after the date of introduction. When a House bill has been amended in the Senate and has been returned to the House for concurrence in the amendment, it may be referred to a committee in the same manner as original bills are referred. Bills originating in and passed by the Senate when reported to the House shall be referred to the Committee on Committees and shall take the same course as other bills.

Rule 56. Printing of Bills. Upon receipt of a bill, the Legislative Research Commission shall examine the form of the bill to ensure that it is free from errors of form or typography and has been assigned the proper KRS section or chapter numbers. If a formal change is necessary the Commission shall request the sponsor of the bill to sign a form approving the specified changes. If a bill is found to be correct, or corrections have been approved, the Commission shall authorize its printing.

The Legislative Research Commission shall have printed at least two hundred copies of each bill or resolution carrying the force and effect of law introduced in the House and of each bill or resolution carrying the force and effect of law acted on by the Senate and reported to the House. Bills shall be printed in the order in which they are introduced and shall be distributed to members immediately upon receipt from the printer.

Rule 57. Readings of Bills. If a bill be reported with the expression of opinion that it should not pass a vote may then be taken on whether it shall be read at length and be placed on the Calendar, if a majority of the members elected to the House shall concur therein. When reported favorably by the committee, the bill shall then be given its first reading at length and shall be placed by the Commission staff upon the Calendar to be kept by the staff, and shall then be entitled to its second reading the next succeeding legislative day.

Every bill shall be read at length on three different legislative days; but the second and third readings thereof at length may be dispensed with by a majority of all the members elected to the House and the bill read by its title.

Rule 58. Calendar; Consent Calendar. (1) In order to reduce the time required for final passage of bills posted in the Orders of the Day, a consent procedure for the consideration of uncontested bills shall be established and designated as follows:

(a) The Commission staff shall keep a Regular Calendar and a Consent Calendar for each legislative day showing the bills receiving their second reading.

(b) The Commission staff shall also keep a Regular Orders and a Consent Orders showing bills posted for final passage by the Rules Committee.

(2) Bills reported by a Standing Committee with a regular "should pass" or "should pass with committee amendment/substitute attached" recommendation shall be shown in the Regular Calendar on the day on which they are entitled to a second reading.

(3) A Standing Committee may at the time of favorably reporting any House or Senate Bill, recommend that it be placed in the Consent Calendar provided:

(a) The primary sponsor has so requested when it is a House Bill, and

(b) The bill receives a "should pass" or "should pass with committee amendment/substitute attached" recommendation from such committee by a unanimous vote of the members present.

Any House or Senate Bill thus reported shall be first placed in the Consent Calendar on the day on which it is entitled to a second reading and shall continue to be shown in said Calendar until taken therefrom by the Rules Committee and posted in the Consent Orders. Bills receiving a second reading should be so designated to distinguish them from bills which have already received their second reading.

(4) A certificate shall be attached to each bill recommended for the Consent Calendar showing the request of the sponsor of any House Bill, and the unanimous recommendation of the members present signed by the Chairman.

(5) After a sufficient number of bills have accumulated in the Consent Calendar, the Rules Committee may post any or all of said bills to the Consent Orders for a day certain. On that day certain the Consent Orders shall be called before the Regular Orders.

(6) Upon the call of the Consent Orders each bill in said Orders shall be given a third reading by title only. The Speaker shall then allow a reasonable time for questions from the floor and any explanation necessary by the sponsor or committee chairman. Consent Order bills may not be amended from the floor.

(7) The Commission staff shall attach a roll call to each bill in the Consent Calendar and any member may at any time prior to passage of the Consent Orders record with the Commission staff his "nay" or "pass" vote on any bill within the Consent Calendar or Consent Orders.

(8) The vote on the Consent Orders shall be taken by use of the Electrical Voting System.

(9) Upon the written petition of any five members objecting to the placement or retention of any bill in the Consent Calendar or Consent Orders, such bill shall cease to be so considered and shall be placed in the Regular Calendar or Regular Orders as provided in these rules.

Rule 59. Orders of the Day. When a bill has had its second reading it shall be placed in the Orders of the Day, or be recommitted, and when next reached in the House it shall be ready for recommitment, or to be read a third time and placed upon its passage, and the Speaker shall so announce to the House.

A bill may be recommitted or amended in accordance with these rules at any time before its passage. Bills shall be placed in the Orders of the Day in the order in which they have been given their second reading, and shall be taken therefrom in accordance with Rule 41. When a House bill is in the Orders of the Day, it shall be in order on motion of the author to substitute for it an identical Senate bill which is in the Calendar of the House.

No bill shall be taken from the Orders of the Day unless it shall have been printed and previously distributed to members.

Rule 60. Final-Passage. When a House bill has been amended in the Senate and the House has concurred in the amendment, the bill as amended shall immediately be placed upon its passage.

Rule 61. Amendments to Bills. All amendments offered shall be on sheets with a proper heading printed in black, furnished by the Commission staff, and shall bear the signature of the members offering the same. All amendments shall give the proper page and line of the printed bill. Three copies of each amendment shall be introduced. No amendment shall be in order that is not germane to the matter under consideration and unless it shall have been printed and previously distributed by the Clerk to members at least one legislative day prior to consideration of the bill or resolution and unless it complies with Rule 51 relative to fiscal analysis; and the Speaker, when the question is raised, shall rule as to the admissibility of the proposed amendment, subject to appeal to the House.

Any amendment to a House bill under consideration containing the substantial text of the language of another bill shall require for its consideration the affirmative vote of a majority of the members of the House. The commission staff shall cause such amendments to be identified when the bill proposed to be amended thereby is posted on the Orders of the Day. When a question is raised as to the identity of the proposed amendment containing the substantial text of another bill the Speaker shall rule thereon, subject to appeal to the House.

Rule 62. Engrossment of Bills. Every House bill and joint resolution, together with the amendments thereto, which has been passed by the House and not subject to further amendment or motion, shall be engrossed by the Commission staff and so certified by the Clerk, endorsing thereon the day of passage or adoption. The bill shall be delivered to the Senate in open session by the Clerk or someone designated by him, and Senate concurrence asked therein. A like procedure shall be observed toward Senate bills.

When engrossing a bill, the Commission staff may incorporate amendments by means of typing only. When an amendment strikes out any part of the original it shall be indicated in the engrossed copy by one parallel line over the part to be stricken out, in such a way as not to render illegible the original words.

Rule 63. Enrollment of Bills. All House bills and resolutions which have passed both the Senate and the House shall be delivered by the Commission staff to the Enrolling Clerk, taking a receipt therefor, in the order in which passed. The Commission staff shall keep the number and title of all bills and joint and concurrent resolutions carrying the force and effect of law, passed by the House of Representatives and the Senate in a suitable record book attesting the fact and date of passage.

In the event a bill which originates in the House is amended by the Senate and the House concurs in the amendments proposed and adopted by the Senate, the Commission staff shall engross said amendments in the original copy of the House bill, attested by the Clerk, before delivering the bill to the Enrolling Clerk of the House. The Enrolling Clerk shall then cause the original bill as attested by the Chief Clerk and the safety copy of the bill as delivered from the Senate to conform to each other by typing in indelible typewriter ink or by writing in red ink the amendments engrossed in the original bill in the safety copy. In cases of extreme emergency and during the last three days prior to sine die adjournment, where no correct printed copy is available, the Enrolling Clerk may enroll such bill or resolution by typing the same on safety paper or by enrolling the same in long-hand.

The original bill or resolution and a printed copy upon safety paper in the exact form as finally passed shall be certified to by the Enrolling Clerk and delivered to the Committee on Enrollment. The Committee on Enrollment and the Enrolling Clerk shall jointly compare the original bill with the enrolled copy, and if the enrollment is ascertained to be correctly done, the Committee shall report the same to the House. If any bill or resolution is found not correctly enrolled, it shall be returned to the Enrolling Clerk to be properly enrolled and delivered to the Committee on Enrollment as is first provided herein.

Rule 64. Signing of Bills. The Enrolling Clerk of the House shall deliver the original and enrolled copies of House bills and resolutions signed by the Speaker to the Chairman of the Enrollment Committee of the Senate for presentation to the President of the Senate for his signature. When signed by the President of the Senate, the enrolled bill or resolution and the original copy thereof shall be returned by the Enrolling Clerk to the Clerk of the House who shall present the enrolled bill or resolution to the Governor for his approval and take his receipt for same.

Rule 65. Resolutions. Resolutions having the force and effect of law shall be treated and considered as bills in all respects under these rules. However, simple resolutions expressing the will of the House and all resolutions recommending a study by an interim committee may be considered for adoption after receiving a recommendation from a standing committee and being posted for passage by the Rules Committee. All resolutions recommending a study by an interim committee shall include an approximate cost of the proposed study.

Rule 66. Legislative Citations. For the purpose of extending the commendations, condolences or congratulations of the General Assembly to a particular person, or to recognize a particular event or occasion, there may be issued a "Legislative Citation." Citations may not be used for procedural matters, matters of a controversial or partisan political nature, nor in place of resolutions memorializing the U.S. Congress, but only when appropriate to express the feeling of the House or of the General Assembly with reference to a person or event.

Each such citation shall be prepared in single copy on an artistically designed form, suitable for framing, shall bear the signature of the sponsor and the name of the person or event cited, and upon adoption shall be spread at length upon the Journal. Citations shall be considered in the order of business "Motions, Petitions and Communications," and without objection shall be adopted *en bloc* after reading individually by title. Citations shall be offered for consideration through presentation to the Clerk.

A resolution shall not be accepted for introduction if offered in lieu of a Legislative Citation.

Rule 67. Roll Call. Any member, with a second, may demand a roll call on any matter pending before the House. The names of members shall be arranged alphabetically when taking a yea and nay vote.

Any time these rules require a roll-call vote, or a yea and a nay vote of the members, such vote may be taken by either a voice roll call or the electrical voting system, as ordered by the Speaker.

The Speaker, before each roll-call vote is taken, shall instruct the Clerk to sound the warning chimes installed in that part of the Capitol assigned to the use of the House. [~~No roll-call vote shall be started until two minutes after the warning chimes have been sounded.~~]

During a roll call any one member, with a second, may request and be afforded a delay of two minutes prior to the closing of the roll. Only one such motion shall be observed during any one roll call.

The Speaker shall recognize any member who rises for the purpose of explaining his vote. No member shall be allowed to speak more than three minutes to explain his vote, and shall not speak at all if the question is not a debatable question.

When sufficient time has been allowed the members to vote and to explain their vote, the Speaker shall announce: "Have all voted?" "Does anyone desire to change his vote?" And after sufficient pause shall lock the roll call system and instruct the clerk to record the vote. It shall be the responsibility of each member to determine the accuracy of his individual vote as registered opposite his name on the electrical roll call board and advise the Speaker of any desired change before the roll call system is locked.

The clerk shall immediately start the recording equipment, and when completely recorded, shall present the result to the Speaker who shall announce same to the House. The Clerk shall enter upon the Journal the result in the manner provided by the rules of the House.

At the same time the vote is recorded by the electric recording equipment an original and five duplicate roll call sheets shall be made showing the vote, two of which duplicates shall be for use of the press, and one copy shall be furnished to the Legislative Research Commission.

Rule 69. Voting for Others Prohibited. No member shall vote for another member, nor shall any person not a member cast a vote for a member. In addition to such penalties as may be prescribed by law, any member who shall vote or attempt to vote for another member may be punished in such manner as the House may determine. If a person not a member shall vote or attempt to vote for any member he shall be barred from the floor of the House for the remainder of the session and may be further punished in such manner as the House may deem proper, in addition to such punishment as may be prescribed by law.

Rule 70. Pairing. All pairs announced in the House shall be entered on the Journal.

Rule 71. Adjournment Extended During Roll Call. When the roll is being called in taking a yea and nay vote, and the hour of an adjournment arrives, the same shall stand extended until after said yea and nay vote has been completed and the result announced.

Section 1. KRS 341.030 is amended to read as follows:

The reasonable cash value of remuneration in any medium other than cash shall be estimated and determined in accordance with rules prescribed by the commission.

(2) Amounts paid to traveling salesmen or other workers as allowance or reimbursement for traveling or other expenses, incurred on the business of the employing unit, constitute wages only to the extent of the excess of such amounts over such expenses actually incurred and accounted for by the worker to his employer; provided, however, that the cash value of meals and lodging when furnished to the worker for the convenience of the employer shall not constitute wages.

(3) *For purposes of this chapter, the term "wages" includes tips which are* [~~Gratuities and tips customarily received by a worker in the course of his employment from persons other than his employing unit do not constitute wages but only if the employing unit does not~~]:

(a) *Received while performing services which constitute employment; and* [~~Determine the distribution; or~~]

(b) *Included in a written statement furnished to the employer pursuant to section 6053(a) of the Internal Revenue Code; and*

(c) Shall be treated as having been paid by the employing unit [~~Take them into account to determine wages; or~~

~~(c) Impose or require such tips from other persons~~].

(4) "Wages" does not include the amount of any payment made to, or on behalf of, a worker under a plan or system established by an employing unit that makes provision for its workers generally or for a class of its workers, including any amount paid by an employing unit for insurance or annuities, or into a fund, to provide for any such payment, on account of:

(a) Retirement;

(b) Sickness or accident disability;

(c) Medical and hospitalization expenses in connection with accident or sickness disability; or

(d) Death, if the worker has not:

2. The right, under the provisions of the plan or system or policy of insurance providing for such death benefit, to assign such benefit, or to receive a cash consideration in lieu of it either upon his withdrawal from the plan or system providing for such benefit or upon termination of such plan or system or policy of insurance or of his employment with such employing unit.

(5) "Wages" does not include the amount of any payment made by an employing unit without deduction from the remuneration of the worker of the tax imposed under section 3101 of the Internal Revenue Code or

any payment required from an employer under a state unemployment compensation law with respect to remuneration paid to an employe for domestic service in a private home of the employer or for agricultural labor.

(6) "Wages" does not, for the purposes of KRS 341.260 to 341.310, include that part of remuneration which, after wages equal to eight thousand dollars ($8,000) have been paid in a calendar year to a worker by a subject employer or his predecessor with respect to covered employment during any calendar year, is paid to such worker by such subject employer during such calendar year unless that part of the wages is subject to a tax under a federal law, imposing a tax against which credit may be taken for contributions required to be paid into a state unemployment fund. For the purpose of this subsection, the term "covered employment" shall include service constituting covered employment under any unemployment compensation law of another state.

Section 2. KRS 341.055 is amended to read as follows:

(6) Service with respect to which unemployment compensation is payable under an unemployment compensation system established by an act of congress. The secretary may enter into agreements with the proper agencies under such act of congress to provide reciprocal treatment to workers who have, after acquiring potential rights to benefits under this chapter, acquired rights to unemployment compensation under such act of congress, or who have, after acquiring potential rights to unemployment compensation under such act of congress, acquired rights to benefits under this chapter;

(c) He has left his most recent suitable work or any other suitable work which occurred after the first day of the worker's base period and which last preceded his most recent work voluntarily without good cause attributable to the employment. No otherwise eligible worker shall be disqualified from receiving benefits for leaving his next most recent suitable work to return to work with his usual employer or to avoid imminent layoff (of which he has been given notice by his employer) by accepting other work, or for leaving work which was concurrent with his most recent work, or for leaving part-time work which preceded his most recent suitable work to accept such most recent suitable work *or for leaving work which is one hundred (100) road miles or more, as measured on a one-way basis, from his home to accept work which is less than one hundred (100) road miles from his home provided the work is a bona fide job offer with a reasonable expectation of continued employment.*

(2) A worker shall be disqualified from receiving benefits for any week with respect to which he knowingly made a false statement to establish his right to or the amount of his benefits, and, within the succeeding twenty-four (24) months, for such additional weeks immediately following the date of discovery, not to exceed a total of fifty-two (52), as may be determined by the secretary.

(3) No worker shall be disqualified under paragraph (b) or (c) of subsection (1) of this section unless the employer, within a reasonable time as prescribed by regulations promulgated by the secretary, notifies the department for human resources and the worker in writing of the alleged voluntary quitting or the discharge for misconduct; provided, however, that nothing in this subsection shall restrict the right of the secretary for human resources to disqualify a worker whose employer has refused or failed to notify the department for human resources of the alleged voluntary quitting or discharge for misconduct if such alleged voluntary quitting or discharge for misconduct is known to the secretary for human resources prior to the time benefits

are paid to such worker; provided, further, that the exercise of such right by the secretary for human resources, in the absence of timely notice from the employer, shall not relieve the employer's reserve account of benefit charges under the provisions of subsection (3) of KRS 341.530.

(4) As used in this section and in subsection (3) of KRS 341.530, "most recent" work shall be construed as that work which occurred after the first day of the worker's base period and which last preceded the week of unemployment with respect to which benefits are claimed; except that, if the work last preceding such week of unemployment was seasonal, intermittent or temporary in nature, most recent work may be construed as that work last preceding such seasonal, intermittent or temporary work.

(5) No worker shall be disqualified or held ineligible under the provisions of this section or KRS 341.350, who is separated from employment pursuant to a labor management contract or agreement, or pursuant to an established employer plan, program or policy, which permits the employer to close the plant or facility for purposes of vacation or maintenance.

(6) "Discharge for misconduct" as used in this section shall include but not be limited to separation initiated by an employer for falsification of an employment application to obtain employment through subterfuge; knowing violation of a reasonable and uniformly enforced rule of an employer; unsatisfactory attendance if the worker cannot show good cause for absences or tardiness; damaging the employer's property through gross negligence; refusing to obey reasonable instructions; reporting to work under the influence of alcohol or drugs or consuming alcohol or drugs on employer's premises during working hours; conduct endangering safety of self or co-workers; and incarceration in jail following conviction of a misdemeanor or felony by a court of competent jurisdiction, which results in missing at least five (5) days work.

(7) "Duration of any period of unemployment," as that term is used in this section, shall be the period of time beginning with the worker's discharge, voluntary quitting, or failure to apply for or accept suitable work and running until such worker has worked in each of ten (10) weeks, whether or not consecutive, and has earned ten (10) times his weekly benefit rate in employment covered under the provisions of this chapter or a similar law of another state or of the United States.

Section 6. KRS 341.380 is amended to read as follows:

(1) All benefits shall be paid through employment offices, or such other agencies as may be designated by regulations of the secretary. Claims for all payments of benefits shall be made in accordance with regulations of the secretary.

(2) The weekly benefit rate payable to an eligible worker for weeks of unemployment shall, except as provided in KRS 341.390, be an amount equal to one and one hundred eighty-five one-thousandths of one percent (1.185%) of his total base-period wages, except that no worker's weekly benefit amount shall be less than twenty-two dollars ($22.00), nor more than the maximum rate as determined in accordance with subsection (3) of this section.

(3) Prior to the first day of July of each year the secretary shall determine the average weekly wage for insured employment by dividing the average monthly employment, as obtained by dividing the total monthly employment reported by subject employers for the preceding calendar year by twelve (12), into the total wages reported by such employers for such calendar year and dividing by fifty-two (52). Fifty-five percent (55%) of the amount thus obtained, adjusted to the nearest multiple of one dollar ($1.00), shall constitute the maximum weekly benefit rate for those workers whose benefit year commences on or after the first day of July of such year and prior to the first day of July of the next following year; except that for the benefit years beginning on or after July 1, 1982, if the "trust fund balance" as of December 31 immediately preceding the benefit year is less than one hundred twenty million dollars ($120,000,000), the maximum weekly benefit rate shall not exceed the prior year's maximum weekly benefit rate. *If such "trust fund balance" as of December 31 immediately preceding the benefit year:*

(a) Equals or exceeds one hundred twenty million dollars ($120,000,000), but is less than one hundred fifty million dollars ($150,000,000), the maximum weekly benefit rate shall not exceed the prior year's maximum weekly benefit rate by more than six percent (6%). The rate thus determined shall be adjusted to the nearest multiple of one dollar ($1.00);

(b) Equals or exceeds one hundred fifty million dollars ($150,000,000), but is less than two hundred fifty million dollars ($250,000,000), the maximum weekly benefit rate shall not exceed the prior year's maximum weekly benefit rate by more than eight percent (8%). The rate thus determined shall be adjusted to the nearest multiple of one dollar ($1.00);

(c) Equals or exceeds two hundred fifty million dollars ($250,000,000), but is less than two hundred seventy-five million dollars ($275,000,000), the maximum weekly benefit rate shall not exceed the prior year's maximum weekly benefit rate by more than ten percent (10%). The rate thus determined shall be adjusted to the nearest multiple of one dollar ($1.00).

(d) Equals or exceeds two hundred seventy-five million dollars ($275,000,000), but is less than three hundred fifty million dollars ($350,000,000), the maximum weekly benefit rate shall not exceed the prior year's maximum weekly benefit rate by more than twelve percent (12%). The rate thus determined shall be adjusted to the nearest multiple of one dollar ($1.00); and

(e) Is such that it resulted in the establishment of an employer contribution rate schedule, as provided for in KRS 341.270, for the current calendar year which has a higher minimum rate and a higher maximum rate than the schedule in effect for the immediately preceding calendar year, the maximum weekly benefit rate shall not exceed the prior year's maximum weekly benefit rate.

(4) The maximum amount of benefits payable to any worker within any benefit year shall be the amount equal to whichever is the lesser of (a) twenty-six (26) times his weekly benefit rate or (b) one-third (1/3) of his base-period wages, except that no worker's maximum amount shall be less than fifteen (15) times his weekly benefit rate. Such maximum amount, if not a multiple of one dollar ($1.00), shall be adjusted to the nearest multiple of one dollar ($1.00).

Section 7. KRS 341.470 is amended to read as follows:

(1) No agreement by a worker to waive, release, or commute his rights to benefits or any other rights under this chapter shall be valid. No agreement by any worker to pay any portion of a subject employer's contributions, required under this chapter from such subject employer, shall be valid. No subject employer shall directly or indirectly make or require or accept any deductions from wages to finance the subject employer's contributions required of him, *or withhold funds based upon benefits paid under this chapter from awards granted to a worker by an arbitrator or the national labor relations board of additional pay, back pay, or for loss of employment,* or require or accept any waiver by a worker of any right hereunder.

(2) No worker claiming benefits shall be charged fees of any kind in any proceeding under this chapter by the commission, the secretary or his representatives. Any worker claiming benefits in any proceeding before the commission may represent himself or may be represented by counsel or other agent duly authorized by such worker and shall be afforded the opportunity to participate in the proceeding without restriction; but no counsel or agent shall either charge or receive for such service more than an amount approved by the commission.

(3) (a) Any employer in any proceeding before the commission may represent himself or may be represented by counsel or other agent duly authorized by such employer.

(b) Any person appearing in any proceeding before the commission who is an officer of, or who regularly performs in a managerial capacity for, a corporation or partnership which is a party to the proceeding in which the appearance is made shall be permitted to represent such corporation or partnership and shall be afforded the opportunity to participate in the proceeding without restriction.

(4) No assignment, pledge or encumbrance of any right to benefits due or payable under this chapter shall be valid; and such rights to benefits shall be exempt from levy, execution, attachment, or any other remedy for the collection of debt. Benefits received by any worker, as long as they are not mingled with other funds of the recipient, shall be exempt from any remedy for the collection of all debts except debts incurred for necessaries furnished to such worker or his spouse or dependents during the time such worker was unemployed. No waiver of any exemption provided for in this subsection shall be valid.

(5) The provisions of this section shall not be applicable to child support deductions made in accordance with KRS 341.392.

Section 8. KRS 341.613 is amended to read as follows:

(1) For calendar years 1984, 1985, [~~and~~] 1986, *1987 and 1988,* there is hereby created a surcharge upon subject employers for any year in which there are insufficient funds in the penalty and interest account as provided in KRS 341.295 for the payment of interest due on advances under Title XII of the Social Security Act received from the United States department of labor in support of the unemployment insurance program of the

Commonwealth. The surcharge shall be equal to the percentage derived from the benefits charged the individual reserve account of the subject employer for the year preceding the year in which such surcharge becomes payable divided by the total benefits charged the Kentucky employers' reserve accounts for the year preceding the year in which such surcharge becomes payable, times the difference of the annual interest payment minus the sum of seventy-five percent (75%) of the cash balance of the penalty and interest account plus the cash balance, if any, of the interest payment fund, except in no case shall an employer's surcharge be less than two dollars ($2.00). The secretary shall notify each employer of the dollar amount of its surcharge, if any, by July 1. Such amount shall be due and payable on July 31 and shall be in addition to any contributions due under any other section of this chapter.

(2) A surcharge unpaid on the date upon which it is due and payable, pursuant to subsection (1) of this section, shall be subject to interest at the rate of one and one-half percent (1 1/2%) per month or fraction thereof, not to exceed sixty percent (60%) of the amount of such surcharge, from and after such date until payment is received by the cabinet, irrespective of whether such delinquency has been reduced to a judgment or not as provided in subsection (3) of this section. These interest monies shall be paid into the unemployment insurance interest payment fund.

(3) If, after due notice, any subject employer defaults in any payment of surcharge or interest thereon, the amount due shall be collected by a civil action instituted in the Franklin Circuit Court or the Franklin District Court depending upon the jurisdictional amount in controversy including interest in the name of the state, and the subject employer adjudged in default shall pay the costs of the action. Civil actions brought under this section shall be heard by the court, without the intervention of a jury, at the earliest possible date, and shall be entitled to preference upon the calendar of the court over all other civil actions except petitions for judicial review under this chapter and cases arising under the worker's compensation law.

(4) At or after the commencement of an action under subsection (3) of this section attachment may be had against the property of the liable subject employer for such surcharge and interest without the execution of a bond, or after judgment has been entered an execution may be issued against the property of such employer without the execution of a bond.

(5) An action for the recovery of the surcharge or interest thereon under this section shall be barred and any lien therefor shall be canceled and extinguished unless collected or suit for collection has been filed within five (5) years from the due date of such surcharge.

SECTION 9. A NEW SECTION OF KRS CHAPTER 341 IS CREATED TO READ AS FOLLOWS:

(1) If any check tendered to the cabinet in payment of any contribution or penalties due under this chapter or as restitution for the overpayment of benefits is not paid when presented to the drawee bank for payment, there shall be paid as a penalty by the party who tendered the check, upon notice and demand of the cabinet, an amount equal to ten (10) percent of such check. The penalty under this section shall not be less than ten dollars ($10.00) or more than one hundred dollars ($100).

(2) If the party who tendered the check demonstrates to the cabinet's satisfaction that failure to pay the check resulted from error by other parties, then the cabinet shall waive the penalty.

(3) Penalties collected under this section shall be credited to the unemployment compensation administration fund.

SECTION 10. A NEW SECTION OF KRS CHAPTER 341 IS CREATED TO READ AS FOLLOWS:

(1) In addition to any other remedy provided by the laws of the Commonwealth, if any subject employer assessed or determined liable for the payment of contributions, including penalties and interest, refuses to pay contributions when due and has not sought administrative or judicial review of the assessment or determination as provided for in this chapter, or if such subject employer has exhausted or abandoned administrative or judicial review provided in this chapter so that the assessment or determination is final, due and owing, then the secretary or his delegate may cause a demand to be made on the subject employer for the payment thereof. If the contributions, including interest and penalties, remain unpaid for ten (10) days after demand, then the secretary or his delegate may collect the contributions, including interest and penalties, and the costs of such collection by levy upon all non-exempt real and personal property, disposable earnings, and right to property, belonging to the subject employer or on which there is a lien provided in this chapter for the payment of such contributions.

(2) As soon as practicable after seizure of property, notice in writing shall be given by the secretary or his delegate to the owner of the property. The notice shall be given to the owner either in person or by certified mail to his last known address. Such notice shall specify the sum demanded and shall contain, in the case of personal property, an account of the property seized and, in the case of real property, a description with reasonable certainty of the property seized.

(3) The secretary or his delegate shall as soon as practicable after the seizure of the property cause a notification of the sale of the seized property to be published in the newspaper with the largest circulation within the county wherein such seizure is made. Such notice shall be published once each week for three (3) successive weeks. In addition, such notice shall be posted at the courthouse and three (3) other public places in the county where the seizure is made for fifteen (15) days next preceding sale. The notice shall specify the property to be sold, and the time, place, manner, and condition of the sale thereof.

(4) If any property liable to levy is not divisible, so as to enable the secretary or his delegate by sale of a part thereof to raise the whole amount of the contributions, penalty, interest and cost of the levy, the whole of such property shall be sold.

(5) The time of sale shall not be less than thirty (30) nor more than ninety (90) days from the time the seizure is made. The place of sale shall be within the county in which the property is seized, except by special order of the secretary.

(6) The sale shall not be conducted in any manner other than by public auction, or by public sale under sealed bids. In the case of the seizure of several items of property, the secretary or his delegate may offer such items for sale separately, in groups, or in the aggregate and accept whichever method produces the highest aggregate amount.

(7) The secretary or his delegate shall determine whether payment in full shall be required at the time of acceptance of a bid, or whether a part of such payment may be deferred for such period, not to exceed one (1) month, as he may determine to be appropriate. If payment in full is required at the time of acceptance of a bid and is not then and there paid, the secretary or his delegate shall forthwith proceed to again sell the property as provided in subsection (6) of this section. If the conditions of the sale permit part of the payment to be deferred, and if such part is not paid, within the prescribed period, suit may be instituted in the Franklin circuit court or the circuit court of the county where the sale was conducted against the purchaser for the purchase price or such part thereof as has not been paid, together with interest at the rate of twelve percent (12%) per annum from the date of the sale; or, in the discretion of the secretary, the sale may be declared to be null and void for failure to make full payment of the purchase price and the property may again be advertised and sold as provided in this section. In the event of such readvertisement and sale, any new purchaser shall receive such property or rights to property, free and clear of any claim or right of the former defaulting purchaser, of any nature whatsoever, and the amount paid upon the bid price by such defaulting purchaser shall be forfeited.

(8) If the secretary or his delegate determines that any property seized is liable to perish or become greatly reduced in price or value by keeping, or that such property cannot be kept without great expense, he shall appraise the value of such property and, if the owner of the property can be readily found, the secretary or his delegate shall give him notice of such determination of the appraised value of the property. The property shall be returned to the owner if, within such time as may be specified in the notice, the owner pays to the secretary or his delegate an amount equal to the appraised value, or gives bond in such form, with such sureties, and in such amount as the secretary or his delegate determines to be appropriate in the circumstances. If the owner does not pay such amount or furnish such bond in accordance with this subsection, the secretary or his delegate shall as soon as practicable make public sale of the property without regard to the advertisement requirements or the time limitations contained in subsections (3) and (5) of this section.

(9) No proceedings under this section shall be commenced more than five (5) years after the assessment or determination becomes final.

(10) The term "levy" as used in Sections 10 through 16 of this Act includes the power of distraint and seizure. A levy shall extend only to property possessed and obligations existing at the time thereof. In any case in which the secretary or his delegate may levy upon property or rights thereto, he may seize and sell such property and rights to property, whether real, personal, tangible or intangible.

SECTION 11. A NEW SECTION OF KRS CHAPTER 341 IS CREATED TO READ AS FOLLOWS:

(1) Levy may be made with respect to any unpaid contributions including penalties and interest only after the cabinet has given notice and demand to the subject employer in writing of the intention to make such levy. Such

notice and demand shall be given in person, or shall be sent by certified mail to the employer's last known address, no less than ten (10) days before the date of levy.

(2) (a) The effect of a levy on salary or wages payable to or received by a person shall be continuous from the date such levy is first made until the liability out of which such levy arose is satisfied or becomes unenforceable by reason of lapse of time; and

(b) With respect to a levy described in paragraph (a) of this subsection, the cabinet shall promptly release the levy when the liability out of which such levy arose is satisfied or becomes unenforceable by reason of lapse of time and shall promptly notify the person upon whom such levy was made that such levy has been released.

SECTION 12. A NEW SECTION OF KRS CHAPTER 341 IS CREATED TO READ AS FOLLOWS:

(1) Any person in possession of or obligated with respect to property or rights to property subject to levy upon which a levy has been made shall, upon demand of the secretary or his delegate, surrender such property or rights or discharge such obligation to the secretary or his delegate, except such part of the property or rights as is, at the time of such demand, subject to an attachment or execution under any judicial process.

(2) Any person who fails or refuses to surrender any property or rights to property subject to levy shall be liable in his own person and estate to the Commonwealth in a sum equal to the value of the property or rights not so surrendered, but not exceeding the amount of contributions, interest and penalties for the collection of which such levy has been made, together with costs and interest on such and at the rate of fifteen percent (15%) per annum from the date of such levy. Any amount other than costs recovered under this subsection shall be credited against the subject employer's liability for the collection of which such levy was made.

(3) Any person in possession of or obligated with respect to property or rights to property subject to levy upon which a levy has been made who, upon demand by the secretary or his delegate, surrenders such property or rights to property or discharges such obligation to the secretary or his delegate shall be discharged from any obligation or liability to the delinquent employer with respect to such property or rights to property arising from such surrender or payment.

SECTION 13. A NEW SECTION OF KRS CHAPTER 341 IS CREATED TO READ AS FOLLOWS:

(1) Any employer whose property has been levied upon shall have the right to pay the amount due, together with the expense of the proceeding, to the secretary or his delegate at any time prior to the sale thereof and upon such payment the secretary or his delegate shall cause such property to be restored to him and all further proceedings in connection with the levy on such property shall cease from the time of such payment.

(2) The owner of any real property sold as provided in Section 10 of this Act, his heirs, executors, or administrators, or any person having an interest therein, or a lien thereon, or any person in his behalf, shall be permitted to redeem the real property sold or any particular tract of such property, at any time within one hundred twenty (120) days after the date of the sale. Such property or tract of property shall be permitted to be redeemed only upon payment to the purchaser, or in case he cannot be found in the county in which the property to be redeemed is situated, then to the secretary or his delegate, for the use of the purchaser, his heirs, or assigns, the amount paid by such purchaser and interest thereon at the rate of twenty percent (20%) per annum from the date of sale.

(3) In the case of property sold pursuant to Section 10 of this Act the secretary or his delegate shall give to the purchaser certificate of sale upon payment in full of the purchase price. The certificate shall set forth a description of the property purchased, for whose contributions the property was sold and the price paid therefor.

(4) In all cases where property is sold pursuant to Section 10 of this Act, except real property, the certificate of sale issued pursuant to subsection (3) of this section shall have the following effect:

(a) Shall be prima facie evidence of the rights of the secretary or his delegate to make such sale, and of the regularity of the proceeding of the sale;

(b) Shall transfer to the purchaser all right, title and interest of the subject employer in and to the property sold;

(c) If such property consists of stock, shall be notice when received, to any corporation, company, or association of such transfer, and shall be authority to such corporation, company, or association to record the

transfer on its books and records in the same manner as if the stocks were transferred or assigned by the party holding the same, in lieu of any prior certificate, which shall be void, whether cancelled or not;

(d) If the subject of sale is securities or other evidence of debt, shall be a good and valid receipt to the person holding the same, as against any person holding or claiming to hold possession of such securities or other evidences of debt; and

(e) If such property consists of a motor vehicle, shall be notice, when received by any public official charged with the registration of title to motor vehicles, of such transfer and shall be authority to such official to record the transfer on his books and records in the same manner as if title to such motor vehicle were transferred or assigned by the party holding the same, in lieu of any original or prior title, which shall be void, whether cancelled or not.

(5) In the case of any real property sold pursuant to Section 10 of this Act and not redeemed in the manner and within the time provided in subsection (2) of this section, the secretary or his delegate shall execute in accordance with the laws of the Commonwealth, to the purchaser of such real property upon surrender of the certificate of sale, a deed to the real property so purchased by him, reciting the facts set forth in the certificate. The deed executed pursuant to this subsection shall have the following effect:

(a) Shall be prima facie evidence of the rights of the secretary or his delegate to make such sale, and of the regularity of the proceedings of the sale; and

(b) If the proceedings of the secretary or his delegate have been substantially in accordance with the provisions of Section 10 of this Act, such deed shall be considered and operate as a conveyance of all right, title and interest the employer has in and to the real property thus sold at the time the lien of the Commonwealth attached thereto.

(6) A certificate of sale of personal property given or a deed to real property executed pursuant to this section shall discharge such property from all liens, encumbrances, and titles over which the lien of the Commonwealth, with respect to which the levy was made, had priority.

SECTION 14. A NEW SECTION OF KRS CHAPTER 341 IS CREATED TO READ AS FOLLOWS:

(1) It shall be lawful for the secretary or his delegate, under administrative regulations prescribed by the secretary, to release all or part of the property or rights to property levied upon where the secretary or his delegate determines that such action will facilitate the collection of the liability, but such release shall not operate to prevent any subsequent levy.

(2) If the secretary or his delegate determines that property has been wrongfully levied upon, it shall be lawful for the secretary or his delegate to return the specific property levied upon or an amount of money equal to the amount of money received by the Commonwealth from a sale of such property.

(3) Property may be returned at any time. An amount equal to the amount of money levied upon or received from such sale may be returned at any time before the expiration of four (4) years from the date of such levy.

SECTION 15. A NEW SECTION OF KRS CHAPTER 341 IS CREATED TO READ AS FOLLOWS:

(1) If a levy has been made or is about to be made on any property or right to property, any person having custody or control of any books or records containing evidence or statements relating to the property or right to property subject to levy shall, on demand of the secretary or his delegate, exhibit such books or records to the secretary of his duly authorized representative.

(2) The secretary or his delegate may make copies of such books or records at the cabinet's expense.

SECTION 16. A NEW SECTION OF KRS CHAPTER 341 IS CREATED TO READ AS FOLLOWS:

(1) When the cabinet reasonably believes that any employer has divested himself by gift, conveyance, assignment, transfer of, or charge upon any property, whether real, personal, tangible or intangible, with the intent to hinder or evade the collection of any contributions assessed or to be assessed by the cabinet or declared by the employer on a report filed with the cabinet, any transferee of such property may be assessed by the cabinet an amount equal to the lesser of the amount of contributions assessed against the transferor employer or the fair market value of the property so transferred. However, no assessment shall be made

pursuant to this section against a transferee who takes the property for full and valuable consideration in money or money's worth, unless such transferee had notice of the intent of the transferor employer to hinder or evade the collection of any contributions.

(2) Any assessment made by the cabinet against a transferee pursuant to subsection (1) of this section is, except as provided in this section, subject to the same provisions and limitations as in the case of the contributions for which the liabilities were incurred.

(3) The period of limitation for assessment of any liability against a transferee pursuant to subsection (1) of this section shall be as follows:

(a) In the case of an initial transferee, within one (1) year after the expiration of the period of limitation for assessment against the transferor employer; and

(b) In the case of the liability of a transferee, within one (1) year after the expiration of the period of limitation for assessment against the preceding transferee, but not more than three (3) years after the expiration of the period of limitation for assessment against the initial transferor employer.

(4) The notice of any assessment against a transferee made pursuant to subsection (1) of this section shall be either given to the transferee in person or sent by mail to such transferee's last known address.

SECTION 17. A NEW SECTION OF KRS CHAPTER 341 IS CREATED TO READ AS FOLLOWS:

All fines, penalties and interest on delinquent contributions collected under Sections 10 through 16 of this Act shall be credited to the unemployment compensation administration fund to be used for the administration of this chapter.

GOVERNOR MARTHA LAYNE COLLINS
Budget Message
State Capitol
January 21, 1986

Tonight, I present a budget that builds on Kentucky's enduring strengths and on the promise of a new age. My budget affirms our faith in our people and in their ability to chart a more prosperous course for the future. It welcomes the possibilities that lie ahead of us. Because of our advances in education, because of our breakthroughs in economic development we're in a position to make unprecedented strides toward new and better opportunities for all Kentuckians.

My budget positions us even more favorably. It recognizes these twin truths: Our greatest hope is education, our greatest need is jobs.

My budget is built on the knowledge that these two—jobs and education—are more strongly linked than ever. It will move us ahead in elementary and secondary education and in higher education. My budget will produce more jobs.

The times demand that Kentucky expand and strengthen its economic foundations, that we further diversify to provide more alternatives for our people. And my administration—through this budget and through other policies—will continue to pursue every avenue toward that end.

The time is right, we have the opportunities and this budget turns them to our advantage.

In addressing jobs and education and the other vital issues of the day my budget carefully gauges revenue against needs. Consistently, whether in our colleges and universities, in Tourism, in Commerce, consistently, in every institution, in every agency my budget targets money to give the greatest returns for our citizens.

With this budget we sustain the momentum that has moved Kentucky into a new economic age. With this budget we confront the needs of today and build a stronger foundation for tomorrow.

We accomplish all of this without a broadbased tax increase. And when I leave office the General Fund will enjoy a surplus.

Yet with this budget we will achieve significant progress in a number of areas. For example, we will increase state support for prenatal care by 83 percent. We will increase per capita direct aid for public libraries by 78 percent. We will establish a Commerce office in Europe.

To create more jobs in Kentucky's fastest growing industry we will triple our advertising dollars in Tourism. To develop technology that can increase demand for Kentucky coal we will fulfill our commitment to our new fluidized bed combustion plant.

Our universities will take a significant step toward full funding of the formula. A Robotics Institute will enable them to participate in the research and development that we must have to create new jobs. We'll also establish a mechanism so our universities can attract more research money from the federal government.

To make the Kentucky Horse Park a thoroughbred among America's parks I'm proposing significant improvements. I'll dramatically expand Home Care services for the elderly. This budget reinstates the 5 percent annual increment for state employees. I'll ask you to approve and fully fund the juvenile code. And we will fully fund and improve the teacher's retirement program.

We've come a long way in two years. When the General Assembly convened in January of 1984 Kentucky had yet to come out of a recession. Then, we could speak only wistfully of a surplus. Today, because of prudent management and economic growth we have a surplus.

It has been a cooperative effort. The 1984 General Assembly limited General Fund spending for all of state government to just 2 percent growth in fiscal year 1985. My administration managed within these limits last year.

Now, without economy growing steadily, with revenue matching or exceeding our estimates our budget outlook is far better than in the past eight years.

For this budget we took as our base not the 1986 appropriations but rather the 1985 expenditures. We scrutinized that base for every agency, every institution. I wanted to ensure that base year figures were not inflated by one-time expenditures or discretionary spending. By taking this approach we were able to make certain that money would go for the most important services and priorities.

The current budget limited the salary increment for state employees to three percent this year. Most state agencies received about six percent more money in 1986 than in 1985. The difference between that three percent and the six percent provided substantial leeway for our careful management to gain dollars. A low inflation rate less than four percent also helped.

We have adhered closely to the budget guidelines issued by the General Assembly last summer. In most cases we confined continuation budgets to about three percent.

We maintained the level of services without reducing the number of personnel. I directed my staff to treat every request equitably and fairly. At the same time I told them to make certain every new dollar was justified to make sure the money we recommend can be responsibly used.

Taking this approach not everyone comes out of the budget with more money. Following these guidelines we have crafted a budget that builds on our strengths and concentrates our resources to produce results.

REVENUE

Our revenues this fiscal year are meeting the Revenue Cabinet's projections released last October as we were confident they would. At a minimum we will meet the current year Revenue estimate.

Secretary Gillis has advised me that our growth estimates for the General Fund are consistent with those of national economic experts as well as with those of the Legislative Research Commission's own economic consultants. They are supported by collections to date in the current fiscal year, collections that once again point out the reliability of my administration's projections.

As we approach this budget I appreciate the spirit of cooperation the General Assembly has shown. Our determination to work together was nowhere better demonstrated than during last summer's Special Session. Never before had members of the General Assembly participated so fully in the development of an historic program for the state. Your ideas and suggestions and the needs of your constituents are also incorporated in the budget I present tonight.

Many of you had a direct hand in formulating these proposals. You served on various advisory groups I appointed work on specific problems. I thank you for your efforts there.

And I thank the hundreds of other officials and citizens who devoted their time to confront the issues of the day.

As a result of turning our energies toward resolving these problems and because of our revenue outlook, I am confident that the budget I am about to detail is an effective instrument of progress. It reflects my strongly held views about the economic transition Kentucky is experiencing and my strongly held convictions about the actions we must take today to reach a more prosperous tomorrow.

THE BUDGET

EDUCATION

To further our advances in education made in the 1984 regular Session and since then I recommend full funding of the improvements enacted in last summer's Special Session. At that time we pledged to return here to provide the money necessary for the Educational Improvement Program. For this program my budget includes an increased appropriation of $131 million in 1987 and $141 million in 1988.

It also includes all the important reform and accountability measures that mean our children will be getting more education for each of those dollars.

I'm asking for funds to reduce class size in grades 1-3 and 4-6. I'm asking for money for Teacher Aides in Kindergarten where individual attention is so vital to learning. Our Writing Program reflects my conviction that writing is a powerful learning tool and cultivates critical thinking.

The Power Equalization Program we envisioned last summer will cost $55 million over the upcoming biennium. Included in that amount is an additional $15.9 million based on the most recent calculation of assessed property value throughout our state. This will allow us to equalize 10 cents in 1987 and 13 cents in 1988. Our improvements in this program reaffirm our commitment to the fundamental principle that the quality of education available to a child should not depend on where that child lives.

My budget provides incentives for our dedicated teachers to remain in the classroom.

These and many other initiatives set our schools moving in the right direction.

To strengthen the beginning we have made with the Educational Improvement Program I am offering other measures as well.

We will strengthen the Minimum Foundation Program. Each year of the biennium we will increase by 4.5 percent the allotment to local school districts for current operating expenses. These increases will give local school districts the financial flexibility to meet their new and expanded responsibilities. My budget also includes funds for an additional 200 exceptional children units in the Foundation Program in each year of the biennium. These units are in addition to the 75 in 1987 and 150 in 1988 provided for in our Education Improvement Program.

In my Capital budget we fulfill our commitment to elementary and secondary local school construction authorized by bonds during the Special Session.

Retired Teachers

Among the incentives to attract and keep good teachers in the classroom is a sound retirement system. And when teachers retire they must be confident that we will fulfill our commitment to them.

To that end my budget includes $162.7 million in 1987 and $169.1 in 1988 to fully fund and improve the state's retirement program for teachers. In the 1987 amount I include an additional $33 million in General Fund support—a 25 percent increase. A temporary shortfall in the General Fund appropriation to the retirement system during the present biennium has been made up. I propose substantial increases in minimum retirement payments to teachers who taught many years ago at very low salaries. The General Fund will share the cost of providing health care to retired teachers by increasing state contributions. The pensions of retired teachers will be increased in accordance with a cost of living adjustment.

Vocational and Technical Education

My budget includes $4.6 million for improvements in adult and vocational/technical education. These funds will help establish advanced technology centers, upgrade equipment, provide remedial instruction, strengthen staff development and will be directed to programs to raise the general educational level of adults.

America's economic transition and its requirements for new skills among our workforce demand that we consolidate educational services for Kentucky's adults. Crucial to our commitment in this regard is the creation of a state board to govern Adult and Vocational Technical education. This board will eliminate the current fragmented use of resources and provide an efficient, unified effort to address the educational needs of Kentucky's adults.

Libraries

My budget also recognizes our public libraries as vital educational resources. It has been eight years since a Governor and General Assembly last increased state aid for public libraries. I recommend an increase in direct cash assistance to local public libraries from the present 14 cents per capita direct aid to 25 cents in each year of the biennium, a 78 percent increase.

With the beginning we've made in education we are moving toward a school system worthy of our children's hopes and dreams. To give them that system will require sustained commitment from future Governors, from future Legislators. It will take local people being involved in local schools. It will also require that we move ahead in higher education.

HIGHER EDUCATION

Our universities are invaluable as we move into a new economic age.

And they will become increasingly valuable because this is an age in which knowledge and information are the driving forces behind the transformations we see occurring around us in business, industry, communications, in every area of life.

I propose major improvements in formula funding, in research and in capital construction.

I am recommending an additional $70 million in general fund appropriations over the biennium. I also propose $117 million in new construction, deferred maintenance and equipment.

I am proposing that over a two year period we advance to a level of funding equal to 90 percent of the formula. This is a major commitment to our universities to Kentucky's future. As a first step toward this unprecedented level of support I am recommending an increase of $24.3 million in fiscal 1987. To reach 90 percent in 1988 I am recommending an additional $29.5 million beyond that.

This will enable our universities to address a number of needs, among them, our ability to attract and keep the best and brightest faculty. Along this line I am recommending $4 million each year of the biennium for a salary incentive fund to further encourage excellence in the classroom.

I am also recommending several carefully targeted investments at our universities to ensure that they can move forward as our full . . . and necessary partners.

My budget will support the following catalysts for excellence:

I propose $3.7 million in fiscal year 1988 for Commonwealth Centers at five of our campuses.

This initiative will present a unique opportunity for some of our most creative students and faculty to work together in a rigorous academic environment.

To endow faculty chairs at these centers of excellence I propose $2 million in fiscal year 1988.

I am also calling for $1 million in fiscal year 1988 for Quality Incentive Grants to fund innovative programs in undergraduate studies.

Through these measures we can create an atmosphere that will encourage the excellence necessary to compete more successfully in a world economy.

To make the most of Kentucky's current position we must create that striving for excellence not only in the classroom but also in research. Increasingly university research translates into wider opportunities.

I'm proposing an important initiative in research that will also encourage cooperation among our universities. A Center for Robotics and Manufacturing Systems at the University of Kentucky will allow our universities to provide the research and technical assistance required in this field by the world's most sophisticated companies. Moreover, I see this joint effort as a highly promising opportunity to bring our universities together for one of higher education's chief aims: The development of knowledge. Our entire system can only be strengthened when our universities work together.

My budget includes some $10 million to launch this cooperative effort in robotics and another $3.2 million in operating support. With this money we will have the opportunity to begin one of the nation's finest centers of excellence in this field.

I want us—this Legislature, university presidents, faculty, business and civic leaders—I want us to resolve to make this one of the top two or three such facilities in America.

My budget includes $600,000 that will allow us to compete for $3 million in research funds from the National Science Foundation.

I am also proposing that—in conjunction with the Council of State Governments—we establish a National Institute for State Government Research, Education, and Service at the University of Kentucky.

Critical to the success of our universities is the stengthening of the physical facilities. My budget carefully targets needed improvements and addresses the highest priorities identified by our universities and the Council on Higher Education.

These projects include:

At the University of Louisville—a Student Activities Center.

At Murray State University—an Industry and Technology Building.

At Northern Kentucky University—an Applied Science/Technology Building.

For the Community College System we will request:

In both Lexington and Elizabethtown—Academic-Technical Buildings.

In Hazard and Prestonsburg—Technical Learning Resource Centers.

And in Madisonville-an Academic Auditorium Building.

My budget recommends significant amounts for deferred maintenance at Eastern, Morehead, Western and the University of Kentucky.

Additionally, at the University of Kentucky we will modernize major equipment through the match of state and university funds.

These capital and equipment projects will be financed through revenue bonds supported by the Commonwealth.

My budget provides funding for a new community college in Owensboro. Owensboro is Kentucky's third largest city. It's our largest city without a community college or university of its own. It's a city whose progressive leadership, as evidenced by Speaker Blandford, has it moving forward with Kentucky. It's time Owensboro had a community college.

My budget calls for a $12.5 million campus to be supported by $2.5 million in operating funds over the biennium.

Access to higher education in Eastern Kentucky has for some time been bolstered through the Appalachian Consortium which offers classes in communities that do not have a college or university. I'm asking for an additional $400,000 for the Consortium over the upcoming biennium.

My budget pledges a continuing commitment to the higher education desegregation effort we began two years ago.

In addition to this commitment I am recommending $250,000 in each year of the biennium for the Council on Higher education to establish the Minority Student College Preparation Program. This program is designed to reach minority students in the eighth, ninth, and tenth grades and to improve their chances for success.

I also propose major capital construction improvements amounting to nearly $6 million at the Kentucky State campus.

All these measures are an investment in our hopes and dreams for a better Kentucky. I have never wavered in my faith in education as a powerful tool for progress, tolerance, and richer lives—for individuals, for entire societies. It is in this spirit that I ask you to renew and sustain our commitment to education.

These improvements in education, both in elementary and secondary and in higher education, are a long-term investment in our economy.

Economic Development

We must also of course continue to pursue policies that create new jobs immediately. Over the past two years, 45,000 new jobs have been added to our economy. Communities throughout the state have benefited. Tens of thousands of Kentucky families today have the opportunity for a better life.

Even as we look ahead to creating more jobs, work remains to complete our successes of the past two years. I am confident you will join me in supporting a bond issue of $125 million to fulfill our agreement with Toyota and to bring some 3,000 new jobs to Scott County. The support of the legislative leadership was vital to this success, and I look forward to your continuing cooperation.

This plant signals a new day in Kentucky. It's a point from which in the future we will mark our progress in diversifying our economy. You in this Chamber recognize that the traditional strengths of our economy cannot alone fulfill the hopes and dreams of our people. They alone cannot carry us through this new age.

Toyota's investment opens tremendous possibilities for us. Because of these possibilities, now is the time to redouble our efforts in economic development. What we've shown in the past two years is that the tools we are using can bring Kentuckians the jobs they deserve. My budget asks for your continued cooperation in providing these tools.

The economic development bond program approved by the 1984 General Assembly has been indispensable. Over the biennium I am asking for another $40 million in economic development bonds. I count on them to help us match the record pace we've set in creating new jobs.

I am also asking for $5 million each year for the loan program operated through the Kentucky Development Finance Authority. This program makes low interest loans available for the expansion of existing businesses, which are the backbone of our economy. This tool will become even more important if the federal government eliminates Industrial Revenue Bonds.

To convey to America's corporate leaders the message that "In Kentucky . . . the Business Environment is

Right," I will ask for an increase of $460,000 to launch a major advertising campaign. This will bring our advertising budget to $1.4 million.

We've all seen how our investment in an economic development office in Japan has paid off by bringing thousands of jobs to Kentucky. I want to make sure we don't miss similar prospects elsewhere. To that end I am recommending a $400,000 annual appropriation to support a Kentucky European office.

I recommend $2 million over the biennium for the Bluegrass State Skills Corporation. A trained workforce is among the most powerful incentives we can offer to prospective employers. And through this corporation, we can assure a business considering locating here that Kentuckians can provide the skills they need. The private sector has been encouraged by this innovative approach and has contributed $2.2 million in matching money. That vote of confidence—our success—means it is time to expand the program.

TOURISM

Another area vital to our state's economic growth is tourism. It is the livelihood of hundreds of small business owners and their employees in communities throughout the state. Restaurants, hotels and motels, service stations, marinas and scores of other service-related businesses thrive when more visitors are attracted to Kentucky.

I'm proposing several significant increases that will bring in more tourists. My budget includes a three-fold increase in the tourist marketing and advertising campaign. I am asking for $1.5 million each year so we will fare better in competing against states that spend ten and twenty times as much as Kentucky on such advertising.

I'm also asking for an increase in the state's matching funds advertising program so critical to our small businesses. We have targeted increases that will improve our ability to compete in the recreational travel market and the motor coach industry.

My budget includes $400,000 to improve the state's welcome centers. It's in these centers where visitors often decide whether they will spend more time in Kentucky. We will refurbish these centers and we will also keep them open longer.

State Parks

Our state parks attract hundreds of thousands of visitors from out of state. I am proposing $2.5 million each year in capital outlay for our parks—a 47 percent increase over the current fiscal year. We're well on the way to returning our parks system to its premier position as America's finest. We will re-equip and refurbish lodge and cabin rooms that have long needed it. I propose construction of a holodome at Lake Cumberland State Resort Park to complement 25 additional lodge rooms and an indoor swimming pool. In addition, my capital budget will include another $6.4 million over the biennium that will enable us to improve and maintain facilities throughout the state.

Kentucky Horse Park

I am recommending a four-fold increase in capital outlay and a 33 percent increase in maintenance funds for the Kentucky Horse Park. In showcasing an industry that is synonymous with Kentucky this park holds great promise for becoming one of the chief tourist attractions in the Eastern United States. My budget will move us toward completion of the covered arena that will enable us to host more national and international competitions at the park.

The Kentucky Fair and Exposition Center

For the first time in recent memory a Governor is recommending General Fund support for maintenance at the Fair and Exposition Center. My budget includes $1 million for specific maintenance projects. Additionally, my capital budget includes money for artificial turf and a drainage system at Cardinal Stadium. This Center is a statewide resource that pumps millions of dollars into our economy and is an investment this state must protect.

With the advances we're making in education and with the tools I'm asking for in economic development, including Tourism, I'm confident we'll continue to make dramatic strides in strengthening Kentucky's economic foundations. While jobs and education continue to be my top priorities, other services vital to the well-being of hundreds of thousands of Kentuckians demand our attention as well.

HUMAN SERVICES

Medicaid

We must put Medicaid on a sound footing. In 1961 we spent $1.7 million on the entire medical care program. Today we spend $1.7 million on Medicaid alone—every day—365 days a year. We must break this tradition of uncontrolled growth and redirect the program to achieve long-term stability. We must take a bold new approach if we are to assure quality care for our people.

I am proposing a plan for long-range alternatives to our present expensive, yet inadequate system. We will redirect the program, provide additional services, and institute accountability and control measures to manage growth in Medicaid. The plan I propose will save over $700 million in the next five years without sacrificing quality health care.

I recommend:

One—Every Medicaid recipient in Kentucky will be placed under a case management system. We will ensure that every patient has a primary care physician who is responsible for overseeing that person's total health care program. When the Kentucky Patient Access and Care system is fully implemented, all Medicaid recipients will be assured that someone is carefully monitoring the delivery of services to meet their individual health care needs.

Two—To achieve the lowest cost consistent with quality health care, we will use HMO's and Preferred Provider Organizations wherever they are available. This will place strong emphasis on wellness and avoidance of unnecessary hospitalization.

Three—To further reduce costs, we will institute a system of competitive bidding for health care services. Wherever possible, bids will be taken for hospital, pharmacy, dental and laboratory services.

Four—We will strengthen the integrity of the Medicaid program by committing $500,000 per year for fraud and abuse control. We will dramatically improve our ability to perform audits, identify problems, and prosecute fraud.

Five—We will actively pursue alternatives to institutionalization by stressing quality home and community-based programs and preventive health care. I recommend $4.3 million to dramatically expand Home Care services. We will increase funds for Hospice care. We will increase funds for Home and Community Based Waiver services to help patients remain at home rather than going into nursing homes. We will expand services to cover additional low income children up to age 12. This will emphasize preventive medical care during the crucial early years. I recommend over $1 million to expand the Adult Day Care program statewide, to develop non-institutional adult day health centers, and to develop respite centers, especially for Alzheimer's victims. We will put $1.25 million into a Long-term Care Prescreening service. Through local health departments, this service will identify and coordinate alternatives to institutionalization.

Six—We will form a division within the new Department of Medicaid Services to assure quality care to all Medicaid recipients. We will never save money at the expense of the health care of our citizens.

In addition, we must guarantee that our reimbursement program truly reflects the expense of health care. I have asked the Cabinet for Human Resources to thoroughly review operating costs. We must ensure that health care dollars are spent on care for our people.

In addition to the plan I have outlined, I make the following recommendations:

I ask that you ratify my Executive Order creating the Department of Medicaid Services.

I ask that you ratify my Executive Order creating the Certificate of Need Authority.

I ask that you enact a moratorium on additional long-term beds for the biennium.

I ask that you enact a more restrictive statute pertaining to recipient transfer of assets to gain Medicaid eligibility. Where abuse is apparent, the Cabinet for Human Resources should have the authority to place liens on property and check bank records of Medicaid recipients in long-term care facilities.

I ask that you enact legislation to ensure equal access to long-term facilities by Medicaid recipients.

Our goal is an accountable, cost-effective Medicaid program that stresses quality care and home and community-based alternatives. That takes more than money. It takes redirection. It takes long-term commitment. And I'm offering the new direction that can lead to a stable, dependable system.

Children

Among the Kentuckians who look to the Commonwealth for a range of services, children especially need our support. Tonight, I am recommending over $28 million to support the reforms we made in Protective Services during the Special Session. This $28 million is above the $8.3 million we provided then for the current fiscal year. In addition I am recommending another $775,000 each year of the biennium to move forward on the reforms urged by my task force on children's services.

I am proposing an additional $4 million to extend prenatal care—one of our most effective health and children's programs. This care is vital to tens of thousands of Kentucky's young women and their babies. My proposed 83 percent increase in state support should go a long way toward reducing the changes of premature births and associated problems.

I am asking for additional funding each year for the Kentucky Regional Poison Center. The Center operates around the clock to provide emergency information statewide.

I am recommending an additional $458,000 to meet the increased demand for surgical services among handicapped children. Furthermore, the services provided these children should be expanded to include the treatment of juvenile rheumatoid arthritis and I have provided $330,000 over the biennium to meet this need.

I created the Commission for Handicapped Children by Executive Order. I ask you to confirm that order so we can continue to provide medical services to children who need these services.

I am asking for $90,000 so the State Police can provide additional assistance to the Missing Children Information Center.

Mental Health and Mental Retardation

In mental health and mental retardation services I recommend $4 million in new money to improve and expand services for the chronically mentally ill using community alternatives. I ask for an additional $2.6 million for *local* mental retardation programs. My budget also addresses the inadequacies in our institutional services. I recommend construction funds for a secure psychiatric unit at Central State Hospital. My budget also includes construction funds to improve Eastern State Hospital's recreational and dining facilities.

Another $100,000 each year will be directed toward the problem of domestic violence. I propose $2 million in new money to improve our alcohol and drug abuse treatment.

Corrections

I am recommending the construction of a $45 million medium security prison in Morgan County—a site endorsed by a panel of legislators. This 500-bed prison will be financed by bonds.

As my Prison Options Task Force recommended, I have explored all options to address overcrowding in our Corrections system. Intensive Supervision for parolees and probationers, transferring geriatric inmates from the Reformatory to another facility, private prisons, halfway houses, and planning and design for a new medium security prison—we've pursued all of these alternatives. Now, based on our current situation and on the most realistic estimates of expected increases in our prison population, it is imperative that we move ahead with the medium security prison.

To continue our compliance with the federal court order and to provide additional space, I am also including funding for the private vendor contract, increased use of halfway houses, and expansion of the intensive supervision program—measures recommended by the Prison Options Task Force.

Because we will continue to rely on the controlled intake program using county jails throughout the biennium, I am recommending an increase in the present per diem. My budget calls for increasing the current $10 rate to $12 in fiscal year 1987 and to $13 in fiscal year 1988.

I propose similar increases for the community jail center beds under state contract and the regional jail beds we expect to come on line in the new biennium. Consistent with the consent decree my capital budget includes money to replace a dormitory at LaGrange. All these recommendations form a comprehensive and effective approach to Corrections—one that deals straightforwardly with the current population and that prepares us to protect our citizens in the years ahead.

Additionally, my budget corrects what has been a fundamental shortcoming in our system of justice. I ask you to adopt and fully fund the juvenile code effective July 1, 1987. I propose over $7.6 million to support the juvenile code in 1988, including over $3 million reserved for the Judicial Branch.

My program is a comprehensive one using additional group homes, diversion homes, a residential facility, a psychiatric assessment unit and support costs. The funds will be allocated among the Human Resources Cabinet and other Executive agencies as well as the Judicial System. With this Code we improve the prospects that thousands of troubled youngsters will move toward more satisfying and productive lives.

I have already detailed my capital and maintenance plans in higher education and in several other areas. A similar commitment is required elsewhere to protect and improve our investments.

I am asking for $26.9 million from the General Fund for various new construction and renovation projects. In addition, $33.9 million in investment income will be earmarked for maintenance.

Among my top priorities is major renovation and structural repair for the Capitol, the Capitol Annex and the surrounding grounds. My budget contains the necessary funds for repairs to the terraces and walkways and landscaping and parking modifications.

I am also recommending money to improve the mechanical, electrical, heating and air conditioning systems. These systems lack the capacity to support the modern technology our offices require.

I also propose a major project to remove asbestos from the health services building.

Environment

I recommend increasing General Fund support in the Natural Resources and Environmental Protection Cabinet by 15 percent in 1987.

My budget includes full funding for my two major environmental commitments, the Water Management Plan and Surface Mining Primacy. I propose an additional $3.1 million for trained personnel in the Division of Water this biennium, a 52 percent increase in state funding in fiscal year 1987.

In surface mine reclamation we will meet our primacy goals by funding 408 permanent, full-time employees and by providing substantial increases in General Fund support each year of the biennium.

I am also committing $750,000 to match federal funds for the permitting and inspection of coal preparation plants.

I recommend substantial increases for laboratory support to meet the expected increase in work, and I have committed additional resources to our waste management program.

We have taken advantage of all federal funds available under the abandoned mine lands program and will proceed to reclaim "post-law" lands for which the bonds have been forfeited.

Energy

Since before taking office I have urged the development of clean coal burning technology as a cornerstone of a sound national energy policy and as an essential element of a sound environmental policy.

I recommend $6.7 million to honor our commitment to our partnership with TVA and other investors in the atmospheric fluidized bed combustion project near Paducah.

Our project becomes even more important because the administration in Washington now agrees with our position that the effective path to cleaner air lies in new technology—not in the technologies of the past.

My budget also includes $1.5 million to allow the Energy Cabinet to participate in the federal Clean Coal Technology Program.

Taken together these efforts put Kentucky in the forefront of the research that will allow America to use its most abundant energy resource more extensively.

The Arts

My budget also contains funds to carry on Kentucky's strong tradition of support for the arts. The arts identity we have attained is an increasingly important factor in the state's progress and in the image we present to the world.

The Kentucky Center for the Arts in Louisville is an asset to the entire state because of its artistic and cultural contributions and its educational and economic value. The Commonwealth is a key investor in the Center. And I will enhance that investment through two programs in my budget.

First, to ensure that this Center remains one of America's finest regional performing arts facilities, I include $250,000 each year for maintenance and support.

Second, I am proposing a program that will enable the Center to cultivate the talents of the most creative young people in communities throughout the state. The Governor's Institute for the Arts will be a summer residential program for Kentucky's artistically gifted students.

In a very real sense this institute is the artistic counterpart to the Governor's Scholar Program, whose success has been felt in every county. Through a summer institute, the excellence of Louisville's arts community will enrich the lives of young people from all across Kentucky.

Growth in arts activity has improved the quality of life in scores of our cities and towns. I am recommending an increase of 22 percent in grant funds for community arts development. This increase will encourage and strengthen the arts through programs designed for both rural and urban areas.

State Employees

During the past two years our state employees have served the public well and I am pleased to say my budget fully reinstates the 5 percent annual increment for state employees. In addition, all three categories of public employees including state employees, university faculty and staff, and public school teachers and administrators, have been provided a salary incentive or bonus pool in the Executive Budget to reward outstanding contributions.

Road Fund

I have chosen to reserve my options with respect to the challenge of the road fund. Make no mistake, our needs are as great as they were last summer.

During the Special Session and before I made clear the need to support our road program with adequate resources. We will have time to confront that issue in the remaining months of this Regular Session. I am willing to listen to you and to work with you as we consider the various alternatives on this matter.

Tonight . . . we have reviewed the issues facing the Commonwealth and my plan for addressing them.

As I mentioned earlier my budget will leave a surplus. In fact, that surplus is set aside in a Budget Reserve Trust Fund to be appropriated in the amount of $50 million each year of the biennium. When the budget is fully executed in two years, I intend for the next Governor and the next General Assembly to have a $100 million surplus to work with.

If the economy were to slow down unexpectedly during the upcoming biennium we will have a cushion against adversity.

I offer these recommendations for your consideration. I welcome your ideas and suggestions as you examine my budget in detail in the weeks and months ahead. I am confident you will find it a sound plan . . . one that carefully targets our money . . . one that moves us ahead in education and economic development and in other areas critical to our progress.

Two years ago . . . many would have said Kentucky could not have reached the promising position we have carved out for ourselves.

—A $100 million surplus.

—An ambitious budget that will send us further into a new economic age.

—Striking advances in education.

—A record number of new jobs.

—National, international attention focused on Kentucky, attention on our strengths, on the many advantages this state and its people have to offer. And because of all this we have before us the very real possibility to bring our people the jobs we have not attracted in the past.

That's how far we've come. I believed then, two years ago. And I believe now. We find ourselves in a position to achieve extraordinary things for this state.

We can attract those jobs. We can shape our own future. We can create a better life here in Kentucky.

What it takes from you and me is determination and commitment.

I offer you a budget that says: We shall not let this opportunity pass.

HB 19, AN ACT relating to teachers retirement.

Be it enacted by the General Assembly of the Commonwealth of Kentucky:

Section 1. KRS 161.600 is amended to read as follows:

(1) Effective July 1, 1978, a member of the retirement system may qualify for service retirement by meeting either of the following requirements:

(a) Attainment of age fifty-five (55) years and completion of five (5) years of Kentucky service, two (2) years of which are subsequent to July 1, 1941, or

(b) Completion of *twenty-seven (27)* [~~thirty (30)~~] years of Kentucky service, two (2) years of which are subsequent to July 1, 1941. [~~A member having less than thirty (30) years of service may retire with benefits reduced according to the following schedule:~~

~~29 years—90% of benefits~~

~~28 years—80% of benefits~~

~~27 years—70% of benefits.~~]

[~~(c)~~]

Benefits will be reduced in accordance with KRS 161.620 for persons qualifying under *paragraph* (a) *of this subsection* who are less than age sixty (60) years.

(2) Any member shall be automatically retired as of July 1 next following his seventieth (70th) birthday, providing, however, that a member reaching age seventy (70) and having fewer than five (5) years of Kentucky service, two (2) years of which are subsequent to July 1, 1941, shall receive a refund of the member's accumulated contributions as provided in KRS 161.470(6) in lieu of a retirement annuity.

(3) Any person who has been a teacher in Kentucky for twenty-seven (27) years or more and who withdraws from teaching after July 1, 1941, and before reaching the age of sixty-five (65) years may continue to pay into the fund each year, until the end of the fiscal year in which he reaches the age of sixty-five (65) years, the current contribution rate based on the annual compensation received during his last full year as a teacher. If he so elects he shall at any time be entitled to receive a retirement allowance as provided in KRS 161.620. No member shall make contributions as provided for above if such member is at the same time making contributions to another retirement system in Kentucky supported wholly or in part by public funds.

(4) Service credit in the Kentucky employes retirement system, the state police retirement system, the legislators' retirement plan, the county employes or the judicial retirement system may be used in meeting the service requirements of subsections (1)(a) and (1)(b) of this section, provided such service is subsequent to July 1, 1956.

(5) No retirement annuity shall be effective until written application and option election forms are filed with the retirement office in accordance with regulations of the board of trustees.

(6) The surviving spouse of an active contributing member, if named as beneficiary of the member's account, may purchase retirement credit that the member was eligible to purchase prior to his death.

Section 2. KRS 161.620 is amended to read as follows:

(1) The retirement allowance, in the form of a life annuity with refundable balance, of a member retiring for service shall be calculated as follows:

(a) For retirements effective July 1, 1980, and thereafter, the annual allowance for each year of service performed prior to July 1, 1941, shall be one hundred dollars ($100) and the annual allowance for each year of service performed after July 1, 1941, shall be two percent (2%) of the final average salary. Actuarial discounts due to age or service credit at retirement may be applied as provided in this section.

(b) For retirements effective January 1, 1984, and thereafter the annual allowance shall be determined as set out in subsection (1)(a) of this section, except that the allowance for service performed after January 1, 1984, shall be valued at the annual rate of two and one-half percent (2 1/2%) of the final average salary for all members not employed by a state university or college. For purposes of implementing the change in the value of a year of service, the board of trustees shall establish by regulation, the value of services performed during the 1983-84 fiscal year but in no case shall the value of service performed during the 1983-84 fiscal year exceed two and one quarter percent (2.25%).

(c) If the member has five (5) years or more of Kentucky service, but less than *twenty-seven (27)* [~~thirty (30)~~] years of such service credit, the allowance shall be reduced actuarially for the number of years the member is less than sixty (60) years of age or by the number of years the service credit is less than *twenty-seven (27)* [~~thirty (30)~~] years, whichever is the lesser number. The board of trustees shall adopt an actuarial table of discounts for the purpose of calculating these allowances.

(2) Effective July 1, 1980, and annually on July 1 thereafter, the retirement allowance of each retired member and of each beneficiary of a retirement option who has been retired at least ten (10) months shall be increased in the amount of one percent (1%).

(3) Any member qualifying for retirement under a life annuity with refundable balance shall be entitled to receive an annual allowance amounting to not less than eighty-eight dollars ($88) multiplied by the service credit years of the teacher, except that no retired teacher who was sixty (60) years of age or older at retirement, and who has five (5) years or more service credit in a position covered by the teachers' retirement system shall receive a monthly benefit of less than seventy-five dollars ($75). The above minimums shall be effective July 1, 1978, and shall apply to those members retiring on or subsequent to that date.

(4) The minimum provided in this section shall apply in the case of teachers retired or retiring under an option other than a life annuity with refundable balance in the same proportion to the benefits of the teacher and his beneficiary or beneficiaries as provided in the duly adopted option tables at the time of the member's retirement.

(5) Effective July 1, 1982, the monthly allowance of each member retired on or before July 1, 1981, and each recipient of a retirement option of such retired members shall be increased in the amount of one percent (1%) of the monthly allowance for each year the member has been retired up to a maximum of five (5) years. The percentage increases shall be based on an assumed maximum allowance of one thousand dollars ($1,000) per month of annuity in effect the previous month.

(6) Effective July 1, 1983, the monthly allowance of each member retired on or before July 1, 1982, and each recipient of a retirement option of such retired member shall be increased in the amount of one percent (1%) of the monthly allowance for each year the member had been retired up to a maximum of five (5) years. The percentage increases shall be based on an assumed maximum allowance of one thousand dollars ($1,000) per month of annuity in effect the previous month.

(7) Effective July 1, 1980, monthly payments of two hundred dollars ($200) shall be payable for the benefit of an adult child of a member retired for service when the child's mental condition is sufficient to cause dependency on the member at the time of retirement. Eligibility for this payment shall continue for the life of such child or until such time as the mental condition creating the dependency no longer exists. The board of trustees shall be the sole judge of eligibility or dependency and may require formal application or information relating thereto.

(8) The cost of providing the statutory cost-of-living increases for retired members during 1980-82 and 1982-84 shall be funded by annual appropriations from the state on an amortized basis over the lifetime of the recipients. When the earnings on investments of the retired teacher savings exceeds the actuarial assumed rate of interest, the board of trustees may allocate such excess earnings toward the funding of the amortized payments required during the 1982-84 biennium for the cost-of-living increases approved under subsections (5) and (6) of this section.

On page 7, after line 2, add the following:

"Section 3. KRS 161.540 is amended to read as follows:

(1) Effective *July 1, 1986* [~~July 1, 1984~~], each member shall contribute to the retirement system *nine and eight hundred and fifty-five thousandths percent (9.855%)* [~~nine and six-tenths percent (9.6%)~~] of annual compensation except that university faculty members shall contribute *eight and three hundred and seventy-five thousandths percent (8.375%)* [~~eight and twelve-hundredths percent (8.12%)~~] of annual compensation. The contribution of members shall not exceed these applicable percentages on annual compensation. When a member retires, if it is determined that he has made contributions on a salary in excess of the amount to be included for the purpose of calculating his final average salary, any excess contribution shall be refunded to him in a lump sum at the time of the payment of his first retirement allowance.

(2) Each public board, institution or agency, as listed in KRS 161.220(4)(a) through (f) shall, solely for the purpose of compliance with Section 414(h) of the United States Internal Revenue Code, pick up the employe contributions required by this section for all compensation earned after August 1, 1982, and the contributions so picked up shall be treated as employer contributions in determining tax treatment under the United States Internal Revenue Code and KRS 141.010(9). However, each public board, institution or agency shall continue to withhold federal and state income taxes based upon these contributions and hold them in a separate account until the Internal Revenue Service or the federal courts rule that, pursuant to Section 414(h) of the United States Internal Revenue Code, these contributions shall not be included as gross income of the employe until such time as the contributions are distributed or made available to the employe. The picked up employe contribution shall satisfy all obligations to the retirement system satisfied prior to August 1, 1982 by the employe contribution, and the picked up employe contribution shall be in lieu of an employe contribution. Each employer shall pay these picked up employe contributions from the same source of funds which is used to pay earnings to the employe. The employe shall have no option to receive the contributed amounts directly instead of having them paid by the employer to the system. Employe contributions picked up after August 1, 1982 shall be treated for all purposes of KRS 161.220 to 161.714 in the same manner and to the same extent as employe contributions made prior to August 1, 1982.

Section 4. Whereas contributions to the retirement system must be made at the beginning of the fiscal year, an emergency is declared to exist, and this Act shall become effective upon its passage and approval by the Governor."

HB 169, AN ACT relating to education.

Be it enacted by the General Assembly of the Commonwealth of Kentucky:

Section 1. KRS 158.665 is amended to read as follows:

(1) The state board of education shall promulgate regulations stipulating that at least seventy percent (70%) of the time in each elementary school *year* [~~week~~] shall be spent on basic skills. These skills include reading, spelling, writing, library skills, and mathematics which shall be required until such time as each student demonstrates the expected competency. This applies to the first eight (8) grades of school regardless of the organizational pattern of the school. In addition, subject matter content in the elementary schools for this seventy percent (70%) time block shall consist of social studies, mathematics, science, language arts and library skills. *When taken as an elective, foreign language shall be considered part of the seventy percent (70%) time block.* The remainder of the *time* [~~week~~] may be scheduled by the local school in accordance with regulations of the state board of education and may include music, art, physical education, health, *industrial arts, home economics,* career education, environmental education and consumer education as a part of the elective program.

(2) The state board of education shall promulgate regulations stipulating that all secondary school students in grades nine (9) through twelve (12) shall continue to develop competency in reading and writing, including grammar and spelling, with sixty percent (60%) of their time, as defined by state board regulations, being devoted to basic skills development in the curriculum areas of English, language arts, science, mathematics and social studies. The school system shall provide appropriate elective courses, including vocational subjects, for the remainder of the student's program.

(3) In enacting this legislation, the general assembly is supplementing the provisions of the Educational Improvement Act of 1978 and, by so doing, reaffirms the requirements of that legislation as placed on the state department of education and local school districts. Furthermore, the superintendent of public instruction is hereby directed to fully carry out the purpose and intent of that legislation and all that it entails in providing for a program of quality education in the Commonwealth.

HB 241, AN ACT relating to exceptional children.

Be it enacted by the General Assembly of the Commonwealth of Kentucky:

Section 1. KRS 157.360 is amended to read as follows:

(1) In determining the cost of the foundation program for each district, the superintendent of public instruction shall allot to each district classroom units for elementary and secondary schools, classroom units for vocational education, classroom units for exceptional children, classroom units for gifted and talented children when units are included in the executive budget, classroom units for superintendents, administrative and special instructional services, classroom units for supervisors of instruction, [~~and~~] classroom units for directors of pupil personnel, *and classroom units for related services for exceptional children*; provided, however, that the number of classroom units allotted any district shall not exceed the number of teachers employed by the district.

(2) Unless otherwise provided by the general assembly in a budget bill, classroom units for elementary and secondary schools shall be allotted as follows:

(a) Classroom units for kindergarten shall be allotted one (1) unit for each twenty-five (25) kindergarten full-time equivalent pupils in average daily attendance, except when sufficient funding is appropriated to the kindergarten program, one (1) unit shall be provided for each twenty (20) full-time equivalent pupils in average daily attendance. One (1) teacher aide shall be provided for each kindergarten unit allotted;

(b) Classroom units for grade one (1) shall be allotted as follows:

1987-88 and each year thereafter, one (1) unit for each twenty-six (26) students in average daily attendance;

(h) Twenty-seven (27) pupils in average daily attendance in grades seven (7) through twelve (12). Nine and six-tenths (9.6) average daily attendance shall be deducted for each unit allotted the school district for grades four (4) through twelve (12) under subsection (9) of this section and seven and two-tenths (7.2) average daily attendance shall be deducted for each unit allotted the school district for grades four (4) through twelve (12) under subsection (10) of this section. The average daily attendance of any exceptional child not assigned to a specific grade shall be added to the average daily attendance of grades four (4) through twelve (12) before classroom units are allotted under this paragraph. Unless otherwise provided by the general assembly in a budget bill, the allotments of classroom units in this subsection shall be made on the average daily attendance for the end of the previous school year in public school grades kindergarten through twelve (12) except as provided in subsections (9) and (10) of this section.

(3) The superintendent of public instruction shall enforce maximum class sizes for every academic course requirement of the state board of education in kindergarten and grades one (1) through eight (8) except in vocal and instrumental music, art, physical education and special education classes. Except in classes combining pupils from two (2) or more grade levels, the maximum number of pupils enrolled in a class shall be calculated by adding three (3) to the average daily attendance figure upon which funding of the unit is appropriated in the biennial budget in grades one (1) through six (6) and by adding four (4) to the average daily attendance figure upon which funding of the unit is appropriated in the biennial budget in grades seven (7) and eight (8). The superintendent of public instruction, upon approval of the state board of education, shall adopt regulations for enforcing this provision. These regulations shall include procedures whereby a superintendent may request an exemption from the state board of education when unusual circumstances warrant an increased class size for an individual class. A request for an exemption shall include specific reasons for the increased class size with a plan for reducing the class size prior to the beginning of the next school year. A district shall not receive in any one year exemptions for more classes than enroll twenty percent (20%) of the pupils in kindergarten and grades one (1) through eight (8).

(4) In classes with combined grades, the maximum class size shall be the average daily attendance upon which funding is appropriated for the lowest assigned grade in the class. There shall be no exceptions to the maximum class size for combined classes.

(5) If a local school district through its admission and release committee determines that an appropriate program in the least restrictive environment for a particular handicapped child includes either part-time or full-time enrollment with a private school or agency within the state or a public or private agency in another state, then the school district shall count this as average daily attendance in a public school the time that such child is in attendance at such school or agency, contingent upon approval by the state superintendent of public instruction and pursuant to KRS 158.130.

(6) Pupils attending a center for child learning and study established under an agreement pursuant to KRS 65.210 through 65.300 shall, for the purpose of calculating average daily attendance, be considered as in attendance in the school district in which the child legally resides and which is party to the agreement. For purposes of subsection (1) of this section, teachers employed in such a center shall be considered as employes of each school district which is a party to the agreement.

(7) Allotments of classroom units except those allotted in accordance with subsection (8) of this section, shall be increased when the average daily attendance in kindergarten and grades one (1) through twelve (12) in any district for the first two (2) months of the current school year is greater than the average daily attendance of the district in kindergarten and grades one (1) through twelve (12) for the first two (2) months of the previous school year. The total number of classroom units allotted the district shall be increased by the percent of increase. The average daily attendance in kindergarten is the kindergarten full-time equivalent pupils in average daily attendance.

(8) If the percentage of attendance of any school district shall have been reduced more than two percent (2%) during the previous school year, the number of classroom units allotted the district, except those allotted in accordance with subsection (7) of this section, for the current school year shall be increased by the difference in the percentage of attendance for the two (2) years immediately prior to the current school year less two percent (2%).

(9) Unless otherwise provided by the general assembly in a budget bill, in allotting classroom units for vocational education, one (1) classroom unit shall be allotted for each full-time teacher, and a proportionate fraction of a classroom unit shall be allotted for each less than full-time teacher of vocational classes that meet the regulations of the state plan of vocational education as approved by the state board of education; a proportionate fraction of a classroom unit shall be allotted for each teacher employed to teach part-time or short unit classes for less than a school day or a school year that meet the regulations of the state plan of vocational education as approved by the state board of education. The classroom units allotted under this subsection shall not exceed the units provided in the biennial budget without approval of the governor.

(10) (a) Unless otherwise provided by the general assembly in a budget bill, in allotting classroom units for exceptional children, one (1) classroom unit shall be included upon the employment of each teacher approved to teach such children in accordance with the provisions of law and Kentucky administrative regulations of the state board of education. The classroom units allotted under this subsection shall not exceed the units provided in the biennial budget without approval of the governor. *Effective with the 1988-89 school year and each year thereafter, one (1) classroom unit for exceptional children properly identified in the prior year in accordance with the provisions of law and Kentucky administrative regulations of the state board of education shall be allotted for each six (6) children identified as emotionally disturbed, hearing impaired, trainable mentally handicapped, or severely and profoundly mentally handicapped, each sixty (60) children identified as having communication disorders of speech and language but not counted in any other area of exceptionality, and each twelve (12) additional exceptional children pursuant to KRS 157.200. A local school district may organize and administer classroom units to best meet the needs of its exceptional children pursuant to KRS 157.224(2). The superintendent of public instruction shall enforce maximum class sizes as provided in administrative regulations. No local school district shall receive classroom units for exceptional children for more than fifteen percent (15%) of their prior year's average daily attendance for the 1988-89 school year and for more than twelve percent (12%) of their prior year's average daily attendance for the 1989-90 school year and each year thereafter without state board of education approval based on unique or unusual district characteristics including but not limited to federal census population being substantially higher than the district's student enrollment. No district shall receive a decrease of classroom units for exceptional children which is proportionately greater than the district's decrease in average daily attendance unless the classroom unit decrease results from the reduction to be in compliance with the fifteen percent (15%) and twelve percent (12%) limits set forth in this subsection.*

(b) In addition to the classroom units allotted above, if a local school district, through its admission and release committee, determines that the most appropriate and least restrictive individual educational program for a particular handicapped child includes either part-time or full-time enrollment with a private school or

agency, the school district shall be reimbursed in addition to the amount distributed under KRS 157.390, a pro rata allotment for those pupils under contract. The pro rata amount shall be calculated by dividing the district's average salary allotted for 185 days plus the current expense and capital outlay allotment per classroom unit by the maximum number of pupils required by regulations for the pupil's specific type of classroom unit.

(c)[~~(b)~~] The superintendent of public instruction shall limit approval of additional private agencies for participation in state funding for the above cited program to those funds appropriated for this purpose in each biennial budget.

[~~(c) In allotting classroom units for exceptional children for home and hospital instruction, one (1) unit excluding the capital outlay allotment, shall be allotted for each ten (10) children in average daily attendance in the current school year who have been properly identified according to state board of education regulations. Attendance shall be calculated pursuant to KRS 157.270 and shall be reported monthly on forms provided by the department of education.~~]

(11)[~~(d)~~] Pursuant to regulations of the department of education, *local school districts shall be reimbursed for home and hospital instruction for pupils unable to attend regular school sessions because of short term health impairments* [~~a portion of the classroom units for exceptional children appropriated in the biennial budget may be used to provide home or hospital instruction on an hourly basis for pupils properly identified according to state board of education regulations~~]. A reimbursement formula shall be established by regulation to include such factors as a reasonable per hour, per child allotment for teacher instructional time, with a maximum number of funded hours per week, a reasonable allotment for teaching supplies and equipment, a reasonable allotment for travel expenses to and from instructional assignments, but such formula shall not include an allotment for capital outlay. Attendance shall be calculated pursuant to KRS 157.270 and shall be reported monthly on forms provided by the department of education.

(12)[~~(11)~~] Unless otherwise provided by the general assembly in a budget bill, in allotting classroom units for administrative and special instructional services, the total number of classroom units allotted in subsections (2), (9), and (10) of this section shall be divided by nine (9) and the quotient shall be the number of classroom units allotted to the district under this subsection.

(13)[~~(12)~~] In allotting classroom units for supervisors of instruction, one-half (1/2) of a classroom unit shall be allotted each district which is allotted twenty-five (25) through forty-nine and nine-tenths (49.9) classroom units under subsections (2), (9) and (10) of this section; one (1) unit shall be allotted each district which is allotted fifty (50) to one hundred (100) classroom units, one (1) unit shall be allotted for each one hundred (100) classroom units, or major fraction thereof, in districts allotted more than one hundred (100) classroom units under these subsections.

(14)[~~(13)~~] Unless otherwise provided by the general assembly in a budget bill, in allotting classroom units for directors of pupil personnel, one (1) classroom unit shall be allotted each district which is allotted thirty-six (36) to one hundred and sixty-five and nine-tenths (165.9) classroom units under subsection (2) of this section and a unit for each additional two hundred and sixty-six (266) classroom units or fraction thereof allotted under subsection (2) of this section. For districts having fewer than thirty-six (36) classroom units, a proportionate fraction of a classroom unit shall be allotted.

(15)[~~(14)~~] In allotting classroom units for superintendent, one unit shall be allotted each school district.

(16)[~~(15)~~] In allotting classroom units for gifted and talented children, the superintendent of public instruction, under Kentucky administrative regulations of the state board of education, may allot units for gifted and talented children. The classroom units allotted under this subsection shall not exceed the units provided in the biennial budget without the approval of the governor.

(17) Effective with the 1988-89 school year and each year thereafter, in allotting classroom units for related services for exceptional children, one (1) classroom unit shall be allotted for each five hundred (500) exceptional children properly identified in the prior year in accordance with the provisions of law and Kentucky administrative regulations of the state board of education. Except with state board of education approval for districts with unique characteristics, districts which receive units in excess of the percentage limitations established in subsection (10) of this section shall receive units under this subsection only if the number of units allotted under this subsection is larger than the number of excess units. The number allotted under this subsection shall be the difference between the two (1) allotments. Classroom units for related services for exceptional children shall be used for approved certified or licensed personnel to provide the support services required to assist exceptional children to benefit from special education. Units may be used for special

education directors or supervisors certified in special education and personnel to conduct the related services defined in KRS 157.200(4). Units shall be allotted proportionately and districts may provide related services through joint agreements. Nothing in this subsection shall prohibit a district from using units generated in subsections (12) and (13) of this section for related services for exceptional children.

Be it enacted by the General Assembly of the Commonwealth of Kentucky:

Section 1. KRS 158.060 is amended to read as follows:

Twenty (20) school days, or days in which teachers are actually employed in the schoolroom, shall constitute a school month in the common schools. The legal holidays designated by the state board of education to be observed may include the first Tuesday after the first Monday in November of each year and shall be counted as school days. No teacher shall teach on Saturdays except in cases of emergency and then only upon authorization of the state board of education. Each full-time teacher shall be provided with a duty-free lunch period each day during the regularly scheduled student lunch period. The duty-free lunch period shall be not less than the length of the lunch period specified in the school calendar approved by the superintendent of public instruction. A full-time teacher may be assigned to lunch room duty during the regularly scheduled student lunch period only for an amount of time equal to the non-instructional time in excess of fifty-five (55) minutes included in the teacher's daily schedule. The calculation of non-instructional time shall not include the teacher's duty-free lunch period, *the time teachers are required to be at school prior to the start of the student's six (6) hour instructional day,* or the time teachers are required to remain at school after the students are dismissed. Except for children attending kindergarten, readiness classes, first grade classes, and the handicapped, who may attend a program of less than six (6) hours per day under policy adopted by the local school district board of education and approved by the state board of education, six (6) hours of actual school work shall constitute a school day. The daily session, including recesses and intermissions, shall not exceed nine (9) hours. The state board of education, upon recommendation of the superintendent of public instruction, shall develop and approve regulations governing make up by school districts of whole days missed due to emergencies, or partial days missed as a result of shortening regularly scheduled school days due to emergencies.

HB 322, AN ACT relating to support services for hearing impaired students in public institutions of higher education.

Be it enacted by the General Assembly of the Commonwealth of Kentucky:

SECTION 1. A NEW SECTION OF KRS CHAPTER 164 IS CREATED TO READ AS FOLLOWS:

(1) It is the intent of the general assembly to increase the educational level of hearing impaired persons by assuring them an equal opportunity to obtain an education in the public institutions of higher education.

(2) The public institutions of higher education shall make their programs accessible to hearing impaired students by providing support services necessary for such students to fully participate in the programs. The support services shall include but not be limited to interpreters and notetakers in the classroom, and equal access to all support services available to those who are not hearing impaired. Appropriate emergency warning devices shall be available in dormitories housing hearing impaired students.

(3) (a) Primary funding for support services at the institutions excluding costs of capital equipment or modifications for installation of warning devices shall come from vocational rehabilitation funds pursuant to KRS 163.130. The institutions of higher education and the office of vocational rehabilitation shall cooperate to assure that funds are used to effectively provide support services for hearing impaired students.

(b) The general assembly shall appropriate funds to the council on higher education to cover the costs of support services at the institutions for residents of Kentucky who are hearing impaired students and who do not qualify for support services from vocational rehabilitation funding or other sources of funding. The funds shall be distributed to institutions based upon actual costs of providing support services to individual students.

(c) The provision of support services to a hearing impaired student shall not be refused or delayed because of a disagreement between the institution and the office of vocational rehabilitation as to who is responsible for funding. In such case it shall be the responsibility of the institution to provide the services and resolve the disagreement.

SECTION 2. A NEW SECTION OF KRS CHAPTER 164 IS CREATED TO READ AS FOLLOWS:

By the beginning of the 1986-87 school year, there shall be an interpreter training program at one (1) public institution of higher education to ensure that qualified interpreters are available to meet the needs of hearing impaired students attending the institutions of higher education. The council on higher education shall select an institution which has demonstrated expertise in training interpreters and is currently providing support services for hearing impaired students to develop and offer the training program. The program must lead to a minimum of an associate degree in interpreting. By the beginning of the 1987-88 school year, the university shall implement an extension interpreter training program which shall move to different sites throughout the state from year to year. These programs shall be exempt from the normal student load requirements for a period of ten (10) years or until it can be clearly demonstrated that an adequate supply of interpreters is available in all parts of the state, whichever is later.

The average daily attendance of any exceptional child not assigned to a specific grade shall be added to the average daily attendance of grades four (4) through twelve (12) before classroom units are allotted under this paragraph. Unless otherwise provided by the general assembly in a budget bill, the allotments of classroom units in this subsection shall be made on the average daily attendance for the end of the previous school year in public school grades kindergarten through twelve (12) except as provided in subsections (9) and (10) of this section.

(10) (a) Unless otherwise provided by the general assembly in a budget bill, in allotting classroom units for exceptional children, one (1) classroom unit shall be included upon the employment of each teacher approved to teach such children in accordance with the provisions of law and Kentucky administrative regulations of the state board of education. The classroom units allotted under this subsection shall not exceed the units provided in the biennial budget without approval of the governor. In addition to the classroom units allotted above, if a local school district, through its admission and release committee, determines that the most appropriate and least restrictive individual educational program for a particular handicapped child includes either part-time or full-time enrollment with a private school or agency, the school district shall be reimbursed in addition to the amount distributed under KRS 157.390, a pro rata allotment for those pupils under contract. (b) The superintendent of public instruction shall limit approval of additional private agencies for participation in state funding for the above cited program to those funds appropriated for this purpose in each biennial budget.

(c) In allotting classroom units for exceptional children for home and hospital instruction, one (1) unit excluding the capital outlay allotment, shall be allotted for each ten (10) children in average daily attendance in the current school year who have been properly identified according to state board of education regulations. Attendance shall be calculated pursuant to KRS 157.270 and shall be reported monthly on forms provided by the department of education.

(d) Pursuant to regulations of the department of education, a portion of the classroom units for exceptional children appropriated in the biennial budget may be used to provide home or hospital instruction on an hourly basis for pupils properly identified according to state board of education regulations. A reimbursement formula shall be established by regulation to include such factors as a reasonable per hour, per child allotment for teacher instructional time, with a maximum number of funded hours per week, a reasonable allotment for teaching supplies and equipment, a reasonable allotment for travel expenses to and from instructional assignments, but such formula shall not include an allotment for capital outlay. Attendance shall be calculated pursuant to KRS 157.270 and shall be reported monthly on forms provided by the department of education.

(11) Unless otherwise provided by the general assembly in a budget bill, in allotting classroom units for administrative and special instructional services, the total number of classroom units allotted in subsections (2), (9), and (10) of this section shall be divided by nine (9) and the quotient shall be the number of classroom units allotted to the district under this subsection.

(12) In allotting classroom units for supervisors of instruction, one-half (1/2) of a classroom unit shall be allotted each district which is allotted twenty-five (25) through forty-nine and nine-tenths (49.9) classroom units under subsections (2), (9) and (10) of this section; one (1) unit shall be allotted each district which is allotted fifty (50) to one hundred (100) classroom units, one (1) unit shall be allotted for each one hundred (100) classroom units, or major fraction thereof, in districts allotted more than one hundred (100) classroom units under these subsections.

(7) In considering which eligible small businesses/agri businesses should receive reduced rate loans, the state investment commission shall take the following conditions into consideration:

(a) The economic needs of the area in which the business is located;

(11) The state and the state investment commission are not liable to any eligible lending institution in any manner for payment of the principal or interest on the loan to an eligible small or agri business. Any delay in payments or default on the part of a borrower does not in any manner affect the deposit agreement between the eligible lending institution and the state.

Those rates shall be recorded by the state investment commission.

(3) The state investment commission may invest through eligible lending institutions as defined in Section 1, subsection (3) of this Act, in a linked investment program to provide low cost funds for reduced rate loans to eligible small businesses and agri businesses. (1) The board may approve, modify, or deny any application for a conditional use permit. If it approves such permit it may attach necessary conditions such as time limitations, requirements that one or more things be done before the request can be initiated, or conditions of a continuing nature. Any such conditions shall be recorded in the board's minutes and on the conditional use permit, along with a reference to the specific section in the zoning regulation listing the conditional use under consideration. The board shall have power to revoke conditional use permits, or variances for noncompliance with the condition thereof. Furthermore, the board shall have a right of action to compel offending structures or uses removed at the cost of the violator and may have judgment in personam for such cost.

(2) Granting of a conditional use permit does not exempt the applicant from complying with all of the requirements of building, housing and other regulations.

(3) In any case where a conditional use permit has not been exercised within the time limit set by the board, or within one (1) year, if no specific time limit has been set, such conditional use permit shall not revert to its original designation unless there has been a public hearing. "Exercised," as set forth in this section, shall mean that binding contracts for the construction of the main building or other improvement have been let; or in the absence of contracts that the main building or other improvement is under construction to a substantial degree, or that prerequisite conditions involving substantial investment under contract, in development, are completed. When construction is not a part of the use, "exercised" shall mean that the use is in operation in compliance with the conditions as set forth in the permit.

(4) The administrative official shall review all conditional use permits, except those for which all conditions have been permanently satisfied, at least once annually and shall have the power to inspect the land or structure where the conditional use is located in order to ascertain that the landowner is complying with all of the conditions which are listed on the conditional use permit. If the landowner is not complying with all of the conditions listed on the conditional use permit, the administrative official shall report the fact in writing to the chairman of the board of adjustments. The report shall state specifically the manner in which the landowner is not complying with the conditions on the conditional use permit, and a copy of the report shall be furnished to the landowner at the same time that it is furnished to the chairman of the board of adjustments. The board shall hold a hearing on the report within a reasonable time, and notice of the time and place of the hearing shall be furnished to the landowner at least one (1) week prior to the hearing. If the board of adjustments finds that the facts alleged in the report of the administrative official are true and that the landowner has taken no steps to comply with them between the date of the report and the date of the hearing, the board of adjustments may authorize the administrative official to revoke the conditional use permit and take the necessary legal action to cause the termination of the activity on the land which the conditional use permit authorizes.

(5) Once the board of adjustments has completed a conditional use permit and all the conditions required are of such type that they can be completely and permanently satisfied, the administrative official, upon request of the applicant, may, if the facts warrant, make a determination that the conditions have been satisfied, and enter the facts which indicate that the conditions have been satisfied and the conclusion in the margin of the copy of the conditional use permit which is on file with the county clerk, as required in KRS 100.329. Thereafter said use, if it continues to meet the other requirements of the regulations, will be treated as a permitted use.

(6) When an application is made for a conditional use permit for land located within or abutting any residential zoning district, written notice shall be given at least fourteen (14) days in advance of the public hearing on the application to the applicant, administrative official, and an owner of every parcel of property adjoining the property of which the application applies. Written notice shall be by first class mail with certification by the board's secretary or other officer that the notice was mailed. It shall be the duty of the applicant to furnish to the board the name and address of an owner of each parcel of property as described in this subsection. Records maintained by the property valuation administrator may be relied upon to determine the identity and address of said owner. In the event such property is in condominium or cooperative forms of ownership, then the person notified by mail shall be the president or chairperson of the owner group which administers property commonly owned by the condominium or cooperative owners.

(1) A water district shall be administered by a board of commissioners which shall control and manage the affairs of the district. The term of each commissioner is four (4) years, except as provided in this section:

(a) If a district lies wholly within a single county, or operates as a single-county district as provided in paragraph (c) of this subsection, the board of commissioners shall be composed of either three (3) or five (5) members as the county judge/executive shall determine. Members of the board shall be residents of the district, or of any incorporated or unincorporated area served by the district in the county in which the district was originally established, who shall be appointed by the county judge/executive with the approval of the fiscal court. In the event of a merger of water districts as described in KRS 74.361, the county judge/executive may appoint up to two (2) additional commissioners with the approval of the fiscal court. Initial appointments shall be for terms of two (2), three (3) and four (4) years, as designated by the court.

(b) Except as provided in paragraph (c) of this subsection, if a district formed in a single county extends its area to include territory in an adjacent county as provided by KRS 74.115, the board of commissioners shall be appointed by the county judges/executive with the approval of the fiscal courts of the concerned counties as follows: in two (2) county districts, three (3) members from the original district and two (2) members from the extended portion of the district; for extensions into three (3) or more counties, the respective county judges/executive, with the approval of the fiscal courts, shall appoint, in addition to the existing membership of the commission, two (2) members from the original one-county district and two (2) members from the newly extended portion of the district. Orders establishing the extension shall provide for the staggering of initial terms in an equitable manner.

(c) If a single-county district administered as provided in paragraph (a) hereof shall acquire an existing water or gas distribution system serving an area which extends beyond the boundaries of the district into another county, or if a district formed in a single county extends its area to include territory in an adjacent county as provided by KRS 74.115, it may operate the distribution system so acquired, or extended, provided the area served outside the county shall be deemed to be a minor portion of the total area served by the district, and provided the fiscal court of the county containing such minor portion of the total area shall have agreed to the acquisition or to the extension of the distribution system. If less than twenty-five percent (25%) of the total assets of the distribution system are located within the county outside of the boundaries of the district, it will be conclusively presumed that said district comes within the terms of this subsection.

(3) Vacancies shall be filled by the same appointing authority which is empowered to make the original appointment. Vacancies resulting from cause other than expiration of the term shall be filled for the unexpired term only.

In the case of single-county districts, which shall be deemed to include districts described in paragraph (c) of subsection (1) of this section, the salary shall be fixed by the county judges/executive with the approval of the fiscal court; in multi-county districts it shall be fixed by the agreement between the county judges/executive with the approval of their fiscal courts. HB 77, AN ACT relating to crimes and punishments.

Be it enacted by the General Assembly of the Commonwealth of Kentucky:

Section 1. KRS 514.010 is amended to read as follows:

The following definitions apply in this chapter unless the context otherwise requires:

(1) "Dealer in property" means a person who buys and sells property as a business.

(2) "Deprive" means:

(a) To withhold property of another permanently or for so extended a period as to appropriate a major portion of its economic value or with intent to restore only upon payment of reward or other compensation; or

(b) To dispose of the property so as to make it unlikely that the owner will recover it.

(3)[~~(2)~~] "Financial institution" means a bank, insurance company, credit union, building and loan association, savings and loan association, investment trust or other organization held out to the public as a place of deposit of funds or medium of savings or collective investment.

(4)[~~(3)~~] "Movable property" means property the location of which can be changed, including things growing on, affixed to, or found in land, and documents although the rights represented thereby have no physical location. "Immovable property" is all other property.

(5)[~~(4)~~] "Obtain" means:

(a) In relation to property, to bring about a transfer or purported transfer from another person of a legal interest in the property, whether to the obtainer or another; or

(b) In relation to labor or service, to secure performance thereof.

(6)[~~(5)~~] "Propelled vehicle" means any vehicle, including but not limited to motor vehicles, aircraft, boats, or construction machinery, which is propelled otherwise than by muscle power or which is readily capable of being towed otherwise than by muscle power.

(7)[~~(6)~~] "Property" means anything of value, including real estate, tangible and intangible personal property, contract rights, documents, choses-in-action and other interests in or claims to wealth, admission or transportation tickets, captured or domestic animals, food and drink.

(8)[~~(7)~~] "Property of another" includes property in which any person other than the actor has an interest which the actor is not privileged to infringe, regardless of the fact that the actor also has an interest in the property and regardless of the fact that the other person might be precluded from civil recovery because the property was used in an unlawful transaction or was subject to forfeiture as contraband. Property in possession of the actor shall not be deemed property of another who has only a security interest therein, even if legal title is in the creditor pursuant to a conditional sales contract or other security arrangement.

(9)[~~(8)~~] "Receiving" means acquiring possession, control or title or lending on the security of the property.

(10)[~~(9)~~] "Services" includes labor, professional service, transportation, telephone, electricity, gas, water or other public service, accommodation in hotels, restaurants or elsewhere, admission to exhibitions, use of vehicles or other movable property.

(11) "Stolen property" means property that has been the subject of any unlawful taking.

(12)[~~(10)~~] "Tax liability" for purposes of this chapter means the amount of money by which a person understates the total amount of taxes due or collected and not remitted to the Commonwealth, or the amount he fails to pay to the state, or both. Any person whose income is subject to the withholding of income tax and from whose income taxes are withheld shall be considered, for purposes of this chapter, to have paid to the Commonwealth the sum of money withheld, whether or not such sum withheld is paid to the Commonwealth.

(13)[~~(11)~~] "Tax return" means any return, declaration, report or form issued or prescribed by the revenue cabinet and required to be filed with the revenue cabinet as prescribed by law.

(14) "Traffic" means to sell, transfer, distribute, dispense or otherwise dispose of stolen property to another person, or to buy, receive, possess or obtain control of stolen property, with the intent to sell, transfer, distribute, dispense or otherwise dispose of to another person.

Section 2. KRS 514.020 is amended to read as follows:

(1) It is a defense to prosecution for theft that the actor:

(a) Was unaware that the property or service was that of another; or

(b) Acted under a claim of right to the property or service involved or a claim that he had a right to acquire or dispose of it as he did; or

(c) Took property exposed for sale, intending to purchase and pay for it promptly, or reasonably believing that the owner, if present, would have consented.

(2) It is no defense that theft was from the actor's spouse, except that misappropriation of household and personal effects or other property normally accessible to both spouses is theft only if it involves the property of the other spouse and only if it occurs after the parties have ceased living together.

(3) It shall be prima facie evidence of intent to commit theft by deception when one who has leased or rented the personal property of another fails to return the personal property to its owner within ten (10) days after the lease or rental agreement has expired. It shall also be prima facie evidence of intent to commit theft by deception when one presents to the owner identification which is false, fictitious or not current as to name, address, place of employment or other items of identification for the purpose of obtaining the lease or rental agreement. Nothing herein contained shall relieve the owner from making demand for return of property so leased or rented. Notice addressed and mailed to the lessee or renter at the address given at the time of the making of the lease or rental agreement shall constitute proper demand.

(4) In an action relating to stolen property:

(a) Proof of possession of property recently stolen, unless satisfactorily explained, gives rise to an inference that the person in possession of the property was aware of the risk that it had been stolen or in some way participated in its theft;

(b) Proof of the purchase or sale of stolen property at a price substantially below its fair market value, unless satisfactorily explained, gives rise to an inference that the person buying or selling the property was aware of the risk that it had been stolen; and

(c) Proof of the purchase or sale of stolen property by a dealer in property, out of the regular course of business, or without the usual indicia of ownership other than mere possession, unless satisfactorily explained, gives rise to an inference that the person buying or selling the property was aware of the risk that it had been stolen.

SECTION 3. A NEW SECTION OF KRS CHAPTER 514 IS CREATED TO READ AS FOLLOWS:

Report of Committees

The Committee on Rules reported HB 77, HB 243 and HB 390 have been posted for passage in Orders of the Day, January 29, 1986.

The Committee on Banking and Insurance reported HB 162 with Committee Amendments attached thereto, HB 182 with Committee Amendment attached thereto, HB 278, HB 332 with Committee Amendment attached thereto, and HB 460 with the expression of opinion that the same should pass. Read at length for the first time and ordered placed in the Calendar.

HB 162, AN ACT relating to health care malpractice.

WHEREAS, it is in the public interest that the general public be assured of access to needed health care, while at the same time being assured of adequate redress for negligent injury; and

WHEREAS, access to health care is affected by the affordability and availability of that care; and

WHEREAS, most health care providers need liability insurance coverage to provide the general public with health care and the cost of insurance, which is affected by the total recoveries awarded and the ability to project future liabilities, is passed on to the general public as is the cost of defensive medicine which the American Medical Association estimates costs $1.5 billion per year; and

WHEREAS, professional liability insurance premiums for Kentucky physicians have continued to rise and the total rate increase experienced by insureds of the largest medical malpractice insurer in Kentucky was seventy-five percent (75%) for 1985; and

WHEREAS, some Kentucky physicians estimate that malpractice insurance premiums add ten dollars ($10.00) to the cost of an office visit; and

WHEREAS, the high cost of medical malpractice insurance poses a threat to the continuing availability of health care in Kentucky as evidenced by: an increasing number of physicians are dropping their obstetrics practices rather than paying premiums in excess of twenty thousand dollars ($20,000) per year, nurse midwives are finding it increasingly difficult to afford the increased costs of insurance which may deprive a segment of Kentucky's population with a much needed affordable alternative, Kentucky's only child-bearing center closed in 1985 when its malpractice insurance was canceled, four physicians in a Kentucky city in 1985 gave up their hospital privileges when the hospital's malpractice carrier required physicians on the staff to carry one million dollars ($1,000,000) in coverage, some physicians are choosing early retirement rather than continuing to pay spiraling insurance premiums, and some physicians are questioning whether they can afford to continue to take on charity cases, particularly obstetricians who subject themselves to large liability when delivering a child of an indigent mother who may have received little or no care during her months of pregnancy; and

WHEREAS, our tort law/liability insurance system for medical malpractice is in need of reform if health care costs are to be controlled to assure the general public has access to needed health care; and

WHEREAS, although Kentucky and Indiana have stayed roughly the same in the number of medical malpractice lawsuits filed, premiums in Kentucky are twice those in Indiana largely because Indiana has enacted legislation placing a cap on recoveries and changing its statute of limitations; and

WHEREAS, a study of malpractice claims closed by insurers in the mid- to late 1970's concluded that limits on the dollar amount of awards, including caps and provisions for periodic payments, reduced average settlements by twenty-five percent (25%) and raised the proportion of cases dropped from forty-three percent (43%) to forty-eight percent (48%); and

WHEREAS, the continuing rise in insurance rates, their growing effects on the availability of health care, and the fact that only two (2) of the more than four hundred (400) medical malpractice insurers in the United States offer coverage in Kentucky, demands that immediate legislative action be taken;

NOW, THEREFORE,

Be it enacted by the General Assembly of the Commonwealth of Kentucky:

SECTION 1. A NEW SECTION OF KRS 304.40-250 TO 304.40-320 IS CREATED TO READ AS FOLLOWS:

(1) Any health care provider, as defined in KRS 304.40-260, who fails to qualify under this Act shall not be covered by the provisions of the Act and shall be subject to liability under the law without regard to the provisions of this Act. If a health care provider shall not qualify, the patient's remedy shall not be affected by the terms and provisions of this Act.

(2) If a health care provider shall qualify under this Act, the patient's exclusive remedy against the health care provider or his or her partner, employer or employes for alleged malpractice, professional negligence, failure to provide care, breach of contract relating to providing medical care, or other claim based upon failure to obtain informed consent for an operation or treatment shall be as provided by this Act unless the patient shall have elected not to come under the provisions of this Act. Unless the patient or his representative shall have elected not to be bound by the terms of this Act, filed such election with the commissioner in advance of any treatment, act or omission upon which any claim or cause of action is based, and notified the health care provider of election as soon as is reasonable under the circumstances that such patient has so elected, it shall be conclusively presumed that the patient has elected to be bound by the terms and provisions of this Act. Such election may be made by either legal parent for an unborn or newborn child. Unless a legal parent of an unborn child or the guardian or other representative of a minor or incompetent makes the election in the manner provided in this Act for such unborn person, minor or incompetent, such person shall be deemed to be subject to the terms and provisions of this Act.

(3) An election not be bound by the provisions of this Act shall be on a form prescribed by the commissioner and the forms shall be available from any health care provider who has qualified under this Act.

(4) An election not to be bound by the provisions of this Act shall be effective for a period of two (2) years after filing, unless the election is withdrawn by the patient, and shall be ineffective after the two (2) year period unless renewed in writing and filed with the commissioner. The patient or his representative may revoke the election in writing at any time and a copy of the revocation shall be forwarded to the commissioner within five (5) days after the same is made.

(5) Each health care provider who has qualified under this Act shall post and keep posted in his or her waiting room or other suitable location a sign of a size and type to be prescribed by the commissioner stating: (name of the health care provider) has qualified under the provisions of this Act. Patients shall be subject to the terms and provisions of the Act unless they file an election not to be bound by the Act with the commissioner of the Kentucky department of insurance. Forms to file such an election shall be available from the health care providers.

SECTION 2. A NEW SECTION OF KRS 304.40-250 TO 304.40-320 IS CREATED TO READ AS FOLLOWS:

(1) To be qualified under this Act, a health care provider or such health care provider's employer, employe, or partner shall establish financial responsibility as follows:

(3) In respect to the action referred to in paragraph (g) of subsection (1) of this section, the cause of action shall be deemed to accrue at the time of payment. This limitation shall apply to all payments made on all demands, whether evidenced by writing or existing only in parol.

SECTION 5. A NEW SECTION OF KRS 304.40-250 TO 304.40-320 IS CREATED TO READ AS FOLLOWS:

No claim, whether in contract or tort, may be brought against a health care provider based upon professional services or health care rendered or which should have been rendered unless filed within two (2) years from the date of the alleged act, omission or neglect, except that a minor under the full age of six (6) years shall have until his eighth birthday in which to file. This section applies to all persons regardless of minority or other legal disability.

SECTION 6. A NEW SECTION OF KRS 304.40-250 TO 304.40-320 IS CREATED TO READ AS FOLLOWS:

(1) In any action by a patient against a health care provider in a tort or contract claim for malpractice in which the trier of fact makes an award to compensate the claimant for future losses, payment of amounts intended to compensate the claimant for these losses shall be made by one (1) of the following means:

(a) The defendant may make a lump-sum payment for all damages so assessed, with future economic losses and expenses reduced to present value; or

(b) Subject to the provisions of this section, the court shall, at the request of either party, unless the court determines that manifest injustice would result to any party, enter a judgment ordering the damages for future losses to be paid in whole or in part by periodic payments rather than by a lump-sum payment.

(2) In entering a judgment ordering the payment of such future damages by periodic payments, the court shall make a specific finding of the dollar amount of periodic payments which will compensate the judgment creditor for these future damages. The total dollar amount of the periodic payments shall equal the dollar amount of all such future damages before any reduction to present value, less any attorney's fees payable from future damages in accordance with subsection (6) of this section. The period of time over which the periodic payments shall be made is the period of years determined by the trier of fact in arriving at its itemized verdict, and shall not be extended if the plaintiff lives beyond the determined period. If the claimant has been awarded damages to be discharged by periodic payments and the claimant dies prior to the termination of the period of years during which periodic payments are to be made, the remaining liability of the defendant shall be paid into the estate of the claimant in a lump sum. The court may order that the payments be equal or vary in amount, depending upon the need of the claimant.

(3) As a condition to authorizing periodic payments of future damages, the court shall require the defendant to post a bond or security or otherwise to assure full payment of these damages awarded by the judgment. A bond is not adequate unless it is written by a company authorized to do business in this state and is rated A+ by Best's. If the defendant is unable to adequately assure full payment of the damages, the court shall order that all damages be paid to the claimant in a lump sum pursuant to the verdict. No bond may be canceled nor be subject to cancellation unless at least sixty (60) days advanced written notice is filed with the court and the judgment creditor. Upon termination of periodic payments, the court shall order the return of the security, or so much as remains, to the judgment debtor.

(4) (a) In the event that the court finds that the judgment debtor has exhibited a continuing pattern of failing to timely make the required periodic payments, the court shall:

1. Order that all remaining amounts of the award be paid by lump sum within thirty (30) days after entry of the order;

2. Order that, in addition to the required periodic payments, the judgment debtor pay the claimant all damages caused by the failure to timely make periodic payments, including court costs and attorney's fees; or

3. Enter other orders or sanctions as appropriate to protect the judgment creditor;

(b) If it appears that the judgment debtor may be insolvent or that there is a substantial risk that the judgment debtor may not have the financial responsibility to pay all amounts due and owing the judgment creditor, the court may order additional security or that the balance of payments due be placed in trust for the benefit of the claimant, or that all remaining amounts of the award be paid by lump sum within thirty (30) days after entry of the order, or order such other protection as may be necessary to assure the payment of the remaining balance of the judgment.

(5) The judgment providing for payment of future damages by periodic payments shall specify the recipient or recipients of the payments, the dollar amounts of the payments, the interval between payments, and the number of payments or the period of time over which payments shall be made. Periodic payments shall be subject to modification only as specified in this section.

(6) Claimant's attorney's fee, if payable from the judgment, shall be based upon the total judgment, adding all amounts awarded for past and future damages. The attorney's fee shall be paid from past and future damages in the same proportion. If a claimant has agreed to pay his attorney's fees on a contingency fee basis, the claimant shall be responsible for paying the agreed percentage calculated solely on the basis of that portion of the award not subject to periodic payments. The remaining unpaid portion of the attorney's fees shall be paid in a lump sum by the defendant, who shall receive credit against future payments for this amount. However, the credit against each future payment is limited to an amount equal to the contingency fee percentage of each periodic payment. Any provision of this subsection may be modified by the agreement of all interested parties.

(7) Nothing in this section shall preclude any other method of payment of awards, if such method is consented to by the parties.

(8) This section shall apply to judgments in all medical negligence lawsuits filed on or after the effective date of this Act.

HB 278, AN ACT relating to insurance.

Be it enacted by the General Assembly of the Commonwealth of Kentucky:

Section 1. KRS 304.39-060 is amended to read as follows:

(1) Any person who registers, operates, maintains or uses a motor vehicle on the public roadways of this Commonwealth shall, as a condition of such registration, operation, maintenance or use of such motor vehicle and use of the public roadways, be deemed to have accepted the provisions of this subtitle, and in particular those provisions which are contained in this section.

(2) (a) Tort liability with respect to accidents occurring in this Commonwealth and arising from the ownership, maintenance, or use of a motor vehicle is "abolished" for damages because of bodily injury, sickness or disease to the extent the basic reparation benefits provided in this subtitle are payable therefor, or that would be payable but for any deductible authorized by this subtitle, under any insurance policy or other method of security complying with the requirements of this subtitle, except to the extent noneconomic detriment qualifies under subsection (2)(b) hereof.

(b) In any action of tort brought against the owner, registrant, operator or occupant of a motor vehicle with respect to which security has been provided as required in this subtitle, or against any person or organization legally responsible for his acts or omissions, a plaintiff may recover damages in tort for pain, suffering, mental anguish and inconvenience because of bodily injury, sickness or disease arising out of the ownership, maintenance, operation or use of such motor vehicle only in the event that the benefits which are payable for such injury as "medical expense" or which would be payable but for any exclusion or deductible authorized by this subtitle exceed one thousand dollars ($1,000), or the injury or disease consists in whole or in part of permanent disfigurement, a fracture to a [~~weight-bearing~~] bone, a compound, comminuted, displaced or compressed fracture, loss of a body member, permanent injury within reasonable medical probability, permanent loss of bodily function or death. Any person who is entitled to receive free medical and surgical benefits shall be deemed in compliance with the requirements of this subsection upon a showing that the medical treatment received has an equivalent value of at least one thousand dollars ($1,000).

(c) Tort liability is not so limited for injury to a person who is not an owner, operator, maintainer or user of a motor vehicle within subsection (1) of this section, nor for injury to the passenger of a motorcycle arising out of the maintenance or use of such motorcycle.

(3) For purposes of this section and the provisions on reparation obligor's rights of reimbursement, subrogation, and indemnity, a person does not intentionally cause harm merely because his act or failure to act is intentional or done with his realization that it creates a grave risk of harm.

(4) Any person may refuse to consent to the limitations of his tort rights and liabilities as contained in this section. Such rejection must be in writing in a form to be prescribed by the department of insurance and must have been executed and filed with the department at a time prior to any motor vehicle accident for which such rejection is to apply. Such rejection form together with a reasonable explanation thereof shall be furnished by the reparation obligor with each policy to each prospective insurance applicant. Such rejection form shall affirmatively state in bold print that acceptance of this form of insurance denies the applicant the right to sue a negligent motorist unless certain requirements contained in the policy of insurance are met. Rejection by a person who is under legal disability shall be made on behalf of such person by his legal guardian, conservator or his natural parent. The failure of such guardian or a natural parent of a person under legal disability to file a rejection, within six (6) months from the date that this subtitle would otherwise become applicable to such person, shall be deemed to be an affirmative acceptance of all provisions of this subtitle. Provided, however, any person who, at the time of an accident, does not have basic reparation insurance but has not formally rejected such limitations of his tort rights and liabilities and has at such time in effect security equivalent to that required by KRS 304.39-110 shall be deemed to have fully rejected such limitations within meaning of this section for that accident only.

(5) (a) Any rejection must be filed with the department of insurance and shall become effective on the date of its filing until revoked.

(b) Any rejection filed prior to June 30, 1980, shall be deemed to be effective from the date of its filing until revoked.

(c) Any revocation shall be in writing and shall become effective upon the date of its filing with the department of insurance.

(6) Every insurance company when issuing an automobile policy to a resident of this Commonwealth must inform the buyer in writing in a form to be prescribed by the insurance commissioner of his right to reject the limitations of his tort rights and liabilities under this subtitle in the manner provided in subsections (4) and (7) of this section.

(7) Any rejection shall result in the full retention by the individual of his tort rights and his tort liabilities. Any person injured by a motor vehicle operator who has such rejection on file may claim his full damages, including nonpecuniary damages, or, if such injured person has not rejected his own tort limitations, he may also claim basic reparation benefits from the appropriate security on the vehicle as established under KRS 304.39-050. If such provider of security is other than the one providing security for the operator who has rejected the limitations, such provider shall be subrogated to the rights of the injured person to the extent of reparation benefits paid against the owner and operator of the vehicle.

(8) No person who has rejected the tort limitations under this section, except as provided in subsection (9) of this section or KRS 304.39-140(5), may collect basic reparation benefits.

(9) Any owner or operator of a motorcycle, as defined in Kentucky Revised Statutes, may file a rejection as described in subsections (4) and (5), which will apply solely to the ownership and operation of a motorcycle but will not apply to injury resulting from the ownership, operation or use of any other type of motor vehicle.

(e) KRS Chapter 141—Income tax.

(6) "Taxpayer" means any person, corporation, partnership or other entity that has any state tax liability.

SECTION 2. A NEW SECTION OF KRS CHAPTER 141 IS CREATED TO READ AS FOLLOWS:

(1) The purposes of this Act are to encourage capital investment in the Commonwealth of Kentucky, to encourage the establishment or expansion of small business and industry, to provide additional jobs and to encourage the development of new products and technologies in the state through seed and venture capital.

(2) To carry out the purposes of this Act, a Kentucky-based venture capital entity shall be established with the name Commonwealth venture fund to provide financing to business entities including but not limited to corporations and partnerships. The financing may include any combination of equity investments, loans, guarantees and commitments for financing and the amount of financing is unlimited. The Commonwealth venture fund shall be certified as qualified under this chapter by a panel comprised of the governor of the Commonwealth, the secretary of the Kentucky commerce cabinet and the secretary of the Kentucky revenue cabinet, or their designated representatives. The panel and its respective staffs will establish guidelines relative to the certification of such qualified entity based on the purposes of this Act. Administrative regulations necessary to carry out the purposes of this Act shall be promulgated and issued by the panel and its respective staffs. Such guidelines and regulations shall assure that such qualified entity will make investments in small businesses in return for receiving this credit against state tax liability.

SECTION 3. A NEW SECTION OF KRS CHAPTER 141 IS CREATED TO READ AS FOLLOWS:

(1) Subject to Section 4 of this Act, a taxpayer is entitled to a credit against any state tax liability which may be imposed on the taxpayer for any tax year beginning after December 31, 1986, if the taxpayer purchases a qualified investment in the qualified entity. However, a taxpayer may only receive a credit for qualified investments purchased during calendar years 1986, 1987 and 1988.

(2) The amount of the credit that a taxpayer may receive under this chapter for a particular year is equal to the lesser of the taxpayer's state tax liability for that tax year or the amount determined as follows:

(a) Add the consideration paid for all qualified investments the taxpayer purchased during that year;

(b) Multiply the amount determined in paragraph (a) of this subsection by four-tenths (.4); and

(c) Add the product determined in paragraph (b) of this subsection to the credit carryover, if any, to which the taxpayer is entitled for that taxable year.

(3) If the amount determined in subsection (2) of this section exceeds the taxpayer's state tax liability for that tax year, then the taxpayer may carry the excess credit over to the immediately succeeding tax years. However, the credit carryover may not be used for any tax year that begins on or after January 1, 1992. The amount of the carryover from a tax year shall be reduced to the extent that the carryover is used by the taxpayer to obtain a credit under this Act for any subsequent tax year. A credit based on a qualified investment purchased during 1986 shall be a credit carryover to tax years that begin after December 31, 1986.

SECTION 4. A NEW SECTION OF KRS CHAPTER 141 IS CREATED TO READ AS FOLLOWS:

The total amount of credits allowed under this chapter will not exceed, in the aggregate, seven million dollars ($7,000,000) for all taxpayers and all taxable years. If aggregate consideration paid for qualified investments which would otherwise qualify for the credit provided by this chapter exceeds the limits imposed by this section, the credit shall be allowed to taxpayers in the order of the time of the purchase of the qualified investments.

SECTION 5. A NEW SECTION OF KRS CHAPTER 141 IS CREATED TO READ AS FOLLOWS:

(1) A credit to which a taxpayer is entitled under this Act shall be applied against taxes owed by the taxpayer in the following order:

(b) Second, against the taxpayer's intangibles tax liability for the tax year;

(c) Third, against the taxpayer's bank and trust company share tax liability or savings and loan tax liability for the tax year;

(d) Fourth, against the taxpayer's corporation license tax for the tax year.

(2) Whenever the tax paid by the taxpayer under any of the above listed tax provisions is a credit against the liability or a deduction in determining the tax base under another Kentucky tax provision, the credit or deduction shall be computed without regard to the credit to which a taxpayer is entitled under this Act.

SECTION 6. A NEW SECTION OF KRS CHAPTER 141 IS CREATED TO READ AS FOLLOWS:

(1) To receive the credit provided by this Act, a taxpayer must:

(a) Claim the credit on the taxpayer's annual state tax return or returns in the manner prescribed by the revenue cabinet; and

(b) File with the cabinet and with the taxpayer's annual state tax return or returns a copy of the form issued by the qualified entity as to the qualified investment by the taxpayer.

(2) The qualified entity shall complete forms prescribed by the revenue cabinet which shall show as to each qualified investment in the qualified entity the following:

(a) The name, address, and employer identification number of the qualified entity;

(b) The name, address and identification number of the taxpayer who purchased the qualified investment; and

(a) The funds contained in each county's budget; and

(b) The books, accounts, and papers of all county clerks *and* [~~,~~] sheriffs[~~, and jailers; provided, however, that the auditor shall not conduct such an audit if the elected official notifies the auditor that he has employed a certified public accountant to audit the books, accounts, and papers of his office, in accordance with KRS 64.810~~].

(2) *(a)* The auditor may audit the books, accounts and papers of all county judges/executive, county attorneys, coroners and constables.

(b) The auditor shall not conduct an audit pursuant to subsection (1)(a) or (1)(b) of this section if the fiscal court or the elected official notifies the auditor that a certified public accountant has been employed to audit the books, accounts and papers of the county or the fee office, in accordance with KRS 64.810.

(3) The county shall bear one-half (1/2) of the actual expense of the audit conducted pursuant to paragraph (a) of subsection (1) of this section and shall bear the total actual expense of the audit conducted pursuant to subsections (1)(b) and (2) of this section. Be it enacted by the General Assembly of the Commonwealth of Kentucky:

Section 1. KRS 18A.225 is amended to read as follows:

(1) (a) The term "health maintenance organization" for the purposes of this section means a health maintenance organization as defined in KRS 304.38-030 or as a nonprofit hospital, medical-surgical, dental and health service corporation, which has been licensed by the Kentucky health facilities and health services certificate of need and licensure board and issued a certificate of authority by the department of insurance as a health maintenance organization or as a nonprofit hospital, medical-surgical, dental and health service corporation and which is qualified under the requirements of the United States department of health, education and welfare except as provided in subsection (2) of this section.

(b) The term "state employe" for purposes of this section shall mean a person, including an elected public official, who is regularly employed by any department, board, agency or branch of state government, and who is a contributing member to any one of the retirement systems administered by the state, provided, however, that any federally funded time-limited employe may receive insurance coverage. *It shall also include a person who is regularly employed by any Kentucky county if that county elects to offer the insurance and health maintenance organization coverage described in this section.* It shall also include a person who must fulfill the requirements established by the state board of education for eligibility and a person who is a present or future recipient of a retirement allowance from any of the Kentucky retirement systems who either satisfies the requirements of KRS 61.559 or who is board authorized under KRS 61.702(1), including a beneficiary of a retired employe as defined in KRS 61.542 who is receiving a retirement allowance from any of the Kentucky retirement systems.

(2) The secretary of the finance and administration cabinet, upon the recommendation of the commissioner of personnel, may procure, in compliance with the provisions of KRS 45A.080, 45A.085 and 45A.090, from one (1) or more health, hospitalization, medical, major medical and dental insurance companies or from one (1) or more health maintenance organizations authorized to do business in this state, a policy or policies of group health, hospitalization, medical, major medical and dental insurance or health maintenance organization coverage encompassing all or any class or classes of state employes. All state employes for whom such insurance or health maintenance organization coverage is provided shall annually be given an option to elect either standard insurance coverage or coverage by a health maintenance organization; except that if a qualified health maintenance organization is not engaged in providing basic health services in a health maintenance service area in which at least twenty-five (25) of such employes reside, the state employes may annually be given the option to elect either standard insurance coverage or coverage by a health maintenance

organization which has been licensed by the Kentucky health facilities and health services certificate of need and licensure board and issued a certificate of authority by the department of insurance as a health maintenance organization or as a nonprofit hospital, medical-surgical, dental and health service corporation and which is engaged in providing basic health services in a health maintenance service area in which at least twenty-five (25) of such employes reside. The policy or policies shall be approved by the commissioner of insurance and may contain such provisions as he approves whether or not otherwise permitted by the insurance laws. It is intended that either insurance or health maintenance organization coverage may be made available for state employes, except that the procuring of each is permissive.

(3) *The government of any Kentucky county may participate in the insurance and health maintenance organization coverage offered under this section. The fiscal court of each county which elects to participate shall notify the secretary of the finance and administration cabinet of its intention to participate, according to a notification schedule set by the secretary of the finance and administration cabinet. Companies providing insurance and health maintenance organization coverage to county employes under this subsection shall collect the premiums and payments for such coverage from each participating county, rather than from any agency of state government.*

(4) The premiums may be paid by the policyholder:

(a) Wholly from funds contributed by the insured employe, by payroll deduction or otherwise;

(b) Wholly from funds contributed by the state or department, board, [~~or~~] agency *or county*; or

(c) Partly from each, except that any premium due for health maintenance organization coverage over the premium amount contributed by the state or department, board, [~~or~~] agency *or county* for any other insurance coverage shall be paid by the employe.

(5)[~~(4)~~] If an employe moves his place of residence or employment out of the service area of a health maintenance organization, under which he has elected coverage, into either the service area of another health maintenance organization or into an area of the state not within a health maintenance organization service area, such employe shall be given an option, at the time of the move or transfer, to elect coverage either by the health maintenance organization into which service area he moves or is transferred or to elect standard insurance coverage offered by the employer.

(6)[~~(5)~~] No payment of premium by the state or department, board, [~~or~~] agency *or county* shall constitute compensation to an insured employe for the purposes of any statute fixing or limiting the compensation of such an employe. Any premium or other expense incurred by the state or department, board, [~~or~~] agency *or county* shall be considered a proper cost of administration.

(7)[~~(6)~~] The policy or policies may contain such provisions with respect to the class or classes of employes covered, amounts of insurance or coverage for designated classes or groups of employes, policy options, terms of eligibility, continuation of insurance or coverage after retirement, and such other provisions as the commissioner of insurance may approve.

(8)[~~(7)~~] The secretary of the finance and administration cabinet is authorized to perform all acts necessary or advisable for the purpose of contracting for and maintaining insurance and health maintenance organization coverage under the provisions of this section.

(9)[~~(8)~~] The health insurance contract or contracts for state employes shall be entered into for a period of not less than two (2) years, except the contract awarded October 1, 1984 shall be awarded for the period between October 1, 1984 and June 30, 1986.

Section 2. Whereas contracts for health insurance commonly run from July 1 to June 30, an emergency is declared to exist and this bill shall take effect on July 1, 1986.

Committee Substitute to HB 347 is as follows:

HB 347, AN ACT relating to health insurance and declaring an emergency.

Be it enacted by the General Assembly of the Commonwealth of Kentucky:

Section 1. KRS 18A.225 is amended to read as follows:

(1) (a) The term "health maintenance organization" for the purposes of this section means a health maintenance organization as defined in KRS 304.38-030 or as a nonprofit hospital, medical-surgical, dental and health service corporation, which has been licensed by the Kentucky health facilities and health services certificate of need and licensure board and issued a certificate of authority by the department of insurance as a health maintenance organization or as a nonprofit hospital, medical-surgical, dental and health service corporation and which is qualified under the requirements of the United States department of health, education and welfare except as provided in subsection (2) of this section.

(b) The term "state employe" for purposes of this section shall mean a person, including an elected public official, who is regularly employed by any department, board, agency or branch of state government, and who is a contributing member to any one of the retirement systems administered by the state, provided, however, that any federally funded time-limited employe may receive insurance coverage. *It shall also include an elected city or county official or a person who is regularly employed by any Kentucky county or city if that county or city elects to offer the insurance and health maintenance organization coverage described in this section.* It shall also include a person who must fulfill the requirements established by the state board of education for eligibility and a person who is a present or future recipient of a retirement allowance from any of the Kentucky retirement systems who either satisfies the requirements of KRS 61.559 or who is board authorized under KRS 61.702(1), including a beneficiary of a retired employe as defined in KRS 61.542 who is receiving a retirement allowance from any of the Kentucky retirement systems.

(2) The secretary of the finance and administration cabinet, upon the recommendation of the commissioner of personnel, may procure, in compliance with the provisions of KRS 45A.080, 45A.085 and 45A.090, from one (1) or more health, hospitalization, medical, major medical and dental insurance companies or from one (1) or more health maintenance organizations authorized to do business in this state, a policy or policies of group health, hospitalization, medical, major medical and dental insurance or health maintenance organization coverage encompassing all or any class or classes of state employes. All state employes for whom such insurance or health maintenance organization coverage is provided shall annually be given an option to elect either standard insurance coverage or coverage by a health maintenance organization; except that if a qualified health maintenance organization is not engaged in providing basic health services in a health maintenance service area in which at least twenty-five (25) of such employes reside, the state employes may annually be given the option to elect either standard insurance coverage or coverage by a health maintenance organization which has been licensed by the Kentucky health facilities and health services certificate of need and licensure board and issued a certificate of authority by the department of insurance as a health maintenance organization or as a nonprofit hospital, medical-surgical, dental and health service corporation and which is engaged in providing basic health services in a health maintenance service area in which at least twenty-five (25) of such employes reside. The policy or policies shall be approved by the commissioner of insurance and may contain such provisions as he approves whether or not otherwise permitted by the insurance laws. It is intended that either insurance or health maintenance organization coverage may be made available for state employes, except that the procuring of each is permissive.

(3) *The government of any Kentucky county or city may participate in the insurance and health maintenance organization coverage offered under this section. The fiscal court of each county and the legislative body of each city which elects to participate shall notify the secretary of the finance and administration cabinet of its intention to participate, according to a notification schedule set by the secretary of the finance and administration cabinet. Companies providing insurance and health maintenance organization coverage to county or city employes under this subsection shall collect the premiums and payments for such coverage from each participating county or city, rather than from any agency of state government.*

(4) The premiums may be paid by the policyholder:

(a) Wholly from funds contributed by the insured employe, by payroll deduction or otherwise;

(b) Wholly from funds contributed by the state or department, board, [~~or~~] agency, *city or county*; or

(c) Partly from each, except that any premium due for health maintenance organization coverage over the premium amount contributed by the state or department, board, [~~or~~] agency, *city or county* for any other insurance coverage shall be paid by the employe.

(5)[~~(4)~~] If an employe moves his place of residence or employment out of the service area of a health

maintenance organization, under which he has elected coverage, into either the service area of another health maintenance organization or into an area of the state not within a health maintenance organization service area, such employe shall be given an option, at the time of the move or transfer, to elect coverage either by the health maintenance organization into which service area he moves or is transferred or to elect standard insurance coverage offered by the employer.

(6)[~~(5)~~] No payment of premium by the state or department, board, [~~or~~] agency, *city or county* shall constitute compensation to an insured employe for the purposes of any statute fixing or limiting the compensation of such an employe. Any premium or other expense incurred by the state or department, board, [~~or~~] agency, *city or county* shall be considered a proper cost of administration.

(7)[~~(6)~~] The policy or policies may contain such provisions with respect to the class or classes of employes covered, amounts of insurance or coverage for designated classes or groups of employes, policy options, terms of eligibility, continuation of insurance or coverage after retirement, and such other provisions as the commissioner of insurance may approve.

(8)[~~(7)~~] The secretary of the finance and administration cabinet is authorized to perform all acts necessary or advisable for the purpose of contracting for and maintaining insurance and health maintenance organization coverage under the provisions of this section.

(9)[~~(8)~~] The health insurance contract or contracts for state employes shall be entered into for a period of not less than two (2) years, except the contract awarded October 1, 1984 shall be awarded for the period between October 1, 1984 and June 30, 1986.

Section 2. Whereas contracts for health insurance commonly run from July 1 to June 30, an emergency is declared to exist and this bill shall take effect on July 1, 1986.

The Committee on Judiciary-Criminal reported HB 39, HB 346 and HB 422 with the expression of opinion that the same should pass. Read at length for the first time and ordered placed in the Calendar.

HB 39, AN ACT relating to crimes and punishments.

Be it enacted by the General Assembly of the Commonwealth of Kentucky:

Section 1. KRS 514.040 is amended to read as follows:

(1) A person is guilty of theft by deception when he obtains property or services of another by deception with intent to deprive him thereof. A person deceives when he intentionally:

(a) Creates or reinforces a false impression, including false impressions as to law, value, intention or other state of mind; or

(b) Prevents another from acquiring information which would affect his judgment of a transaction; or

(c) Fails to correct a false impression which the deceiver previously created or reinforced or which the deceiver knows to be influencing another to whom he stands in a fiduciary or confidential relationship; or

(d) Fails to disclose a known lien, adverse claim or other legal impediment to the enjoyment of property which he transfers or encumbers in consideration for the property obtained, whether such impediment is or is not valid or is or is not a matter of official record; or

(e) Issues or passes a check or similar sight order for the payment of money, knowing that it will not be honored by the drawee.

(2) The term "deceive" does not, however, include falsity as to matters having no pecuniary significance or puffing by statements unlikely to deceive ordinary persons in the group addressed.

(3) Deception as to a person's intention to perform a promise shall not be inferred from the fact alone that he did not subsequently perform the promise.

(4) For purposes of subsection (1), an issuer of a check or similar sight order for the payment of money is presumed to know that the check or order, other than a postdated check or order, would not be paid, if:

(a) The issuer had no account with the drawee at the time the check or order was issued; or

(b) Payment was refused by the drawee for lack of funds, upon presentation within 30 days after issue, and the issuer failed to make good within 10 days after receiving notice of that refusal.

(5) A person is guilty of theft by deception when he issues a check or similar sight order in payment of all or any part of any tax payable to the Commonwealth knowing that it will not be honored by the drawee.

(6) Theft by deception is a Class A misdemeanor unless the value of the property, service or the amount of the check or sight order referred to in subsection (5) of this section is $100 or more, in which case it is a Class D felony *and shall be punished by confinement in the penitentiary for not less than one (1) year nor more than five (5) years, or by a fine of not less than five hundred dollars ($500) nor more than ten thousand dollars ($10,000), or double his gain from the commission of the offense, or both.*

Section 2. KRS 534.030 is amended to read as follows:

(1) Except as otherwise provided for an offense defined outside this code, a person who has been convicted of any felony and granted a sentence of probation or conditional discharge *shall* [~~may~~] be sentenced to pay a fine in an amount not *less than five hundred dollars ($500) nor more than* [~~to exceed~~] ten thousand dollars ($10,000) or double his gain from commission of the offense, whichever is the greater.

(2) In determining the amount and method of paying a fine for commission of a felony, the court shall consider, among others, the following factors:

(a) The defendant's ability to pay the amount of the fine;

(b) The hardship likely to be imposed on the defendant's dependents by the amount of the fine and the time and method of paying it;

(c) The impact the amount of the fine will have on the defendant's ability to make reparation or restitution to the victim; and

(d) The amount of the defendant's gain, if any, derived from the commission of the offense.

(3) When a defendant is convicted of two or more felonies committed through a single act and is sentenced to fines pursuant to subsection (1), the aggregate amount of such fines shall not exceed ten thousand dollars ($10,000) or double the amount of the defendant's gain from commission of the offenses, whichever is the greater.

(4) This section does not apply to a corporation.

Section 3. KRS 534.040 is amended to read as follows:

(1) Fines and imprisonment for misdemeanors shall not be mutually exclusive. In any case where imprisonment is authorized a fine may be levied in addition to the imprisonment or a fine may be levied as an alternative to imprisonment. Similarly, a fine may be levied in lieu of imprisonment. Whether or not the fine is to be levied as the sole penalty or as an additional or alternative penalty shall be in the discretion of the judge or jury as the case may be. If the trial is by jury then the jury shall have the discretion. This rule shall apply in all cases where a fine is not the exclusive penalty authorized by law.

(2) Except as otherwise provided for an offense defined outside this code, a person who has been convicted of any misdemeanor for which he has been sentenced to a term of imprisonment and granted a sentence of probation or conditional discharge shall be sentenced to pay a fine in an amount not to exceed the amount established for the appropriate misdemeanor classification as set out in subsection (3) of this section, or double his gain from commission of the offense, whichever is greater.

(3) Except as otherwise provided for an offense defined outside this code, a person who has been convicted of any offense other than a felony may be sentenced to pay a fine in an amount not to exceed:

(a) For a Class A misdemeanor, five hundred dollars ($500); or

(b) For a Class B misdemeanor, two hundred fifty dollars ($250); or

(c) For a violation, two hundred fifty dollars ($250).

(4)[~~(3)~~] This section does not apply to a corporation.

Such determination shall be made at each stage of the proceedings.

(5) The court shall order all monies collected pursuant to subsection (4) *of this section* [~~above~~] be paid to the clerk of that court pursuant to the schedule of payment. The clerk shall forward to the office for public advocacy on a monthly basis a copy of all such orders and the monies collected pursuant thereto with an accounting as to each case.

Brown: A RESOLUTION urging the National Highway Traffic Safety Administration to amend its 1987 and 1988 corporate average fuel economy standards to reflect an appropriate balance between reasonable energy conservation needs and economic and lifestyle consideration of the populace of this country.

Representative Smith moved that HR 61 be passed.

HR 61, A RESOLUTION urging the National Highway Traffic Safety Administration to amend its 1987 and 1988 corporate average fuel economy standards to reflect an appropriate balance between reasonable energy conservation needs and economic and lifestyle consideration of the populace of this country.

WHEREAS, the aftermath of the 1973-74 oil embargo necessitated United States Congressional action regulating automotive fuel economy; and

WHEREAS, authority to administer the program was provided to the National Highway Traffic Safety Administration administrator who has established a 27.5 mile per gallon standard for vehicles in 1985 and each year thereafter; and

WHEREAS, because of various technological problems related to these standards, many manufacturers face a clear and present risk of curtailing production of many model vehicles or pay millions of dollars in penalties for noncompliance; and

WHEREAS, the current Corporate Average Fuel Economy (CAFE) standards do not recognize the current conditions relating to oil prices and availability, strides made by manufacturers to raise fuel economy standards to current levels, or the public's need for larger vehicles such as station wagons or other such vehicles which permit towing of trailers, boats or campers; and

WHEREAS, it is readily apparent that the outdated CAFE standards could cause the curtailing of production by domestic manufacturers, in areas where they had traditionally held a great market advantage, and will also have far-reaching negative impacts on these companies, their employes, suppliers and the general economic health of the nation; and

WHEREAS, it is of paramount importance that the nation's interest in energy and jobs be balanced to promote not only conservation and economic needs but to continue to promote the freedoms which the people of this country do now enjoy;

NOW, THEREFORE,

Be it resolved by the House of Representatives of the General Assembly of the Commonwealth of Kentucky:

Section 1. That the Administrator of the National Highway and Traffic Safety Administration be urged to preserve consumer choice and promote economic growth and protect jobs while maintaining a reasonable approach to energy conservation needs by amending 1987 and 1988 passenger automobile CAFE standards to a level of 26.0 miles per gallon and to continue to establish light truck fuel economy standards in a manner that reflects an appropriate balance between reasonable energy needs and jobs.

Section 2. That a copy of this resolution be transmitted to the Secretary of the United States Department of Transportation, Administrator of the National Highway Traffic Safety Administration, and members of the Kentucky Congressional delegation.

(a) If the total number of prospective jurors on the master list is one thousand (1,000) or less, the names or identifying numbers of all of them shall be placed in the jury wheel.

SECTION 4. A NEW SECTION OF KRS CHAPTER 29A IS CREATED TO READ AS FOLLOWS:

(1) At the option of the chief circuit judge of the county, and with the approval of the chief justice, the selection of names of prospective jurors may be accomplished by computer, using the computer in the secretary of state's office in Frankfort or any state or locally maintained computer which contains a list of the registered voters of the county. Such a computerized list of prospective jurors may be made on an annual, semi-annual or monthly basis.

(2) If this option is chosen, necessary fees and expenses for computer use shall be paid by the court of justice.

(3) If a randomized list of names is provided by computer, jury commissioners shall not be appointed.

Section 5. KRS 29A.060 is amended to read as follows:

(1) *Before commencement of a jury period of service, each circuit and district judge shall inform the chief circuit judge or his designee of his needs for qualified jurors for the next jury period. If any judge anticipates the need for a larger panel than is usually provided, because of the particular nature of notoriety of a pending case, he shall so inform the chief circuit judge* [~~Each circuit or district judge shall inform the chief circuit judge or his designee of his needs for qualified jurors~~].

(2) *The chief circuit judge or his designee shall thereupon draw from the jury wheel as many names as he deems necessary for the impaneling of the number of jurors required. If such drawing is done by the clerk, it shall be done in the presence of the chief circuit judge or of his designee.*

(3) To select a grand jury or a petit jury in circuit court, the clerk shall:

(a) *Assign thirty-two (32) jurors selected in rotation or at random to the court* [~~Draw thirty-two (32) names at random from the jury wheel~~];

(b) List the names, in the order drawn, from one (1) to thirty-two (32);

(c) Place thirty-two (32) numbered balls *or cards,* in a box and shake the box;

(d) Draw the required number of balls *or cards,* dependent on the number of jurors required plus alternates, from the box and record the number of each ball *or card,* as it is drawn.

(4)[~~(3)~~] To select a petit jury for a trial in district court, the clerk shall:

(a) *Assign sixteen (16) jurors selected in rotation or at random to the court* [~~Draw sixteen (16) names at random from the jury wheel~~];

(b) List the names, in the order drawn, from one (1) to sixteen (16);

(c) Place sixteen (16) numbered balls *or cards* in a box and shake the box;

(d) Draw the required number of balls *or cards*, dependent on the number of jurors required plus alternates, from the box and record the number of each ball *or card* as it is drawn.

(5)[~~(4)~~] The names corresponding to the numbers on the balls *or cards* which have been drawn shall constitute the petit jury. When alternate jurors are permitted the last *number or numbers* [~~ball or balls~~] drawn, as the case may be, will represent the alternate jurors.

(6)[~~(5)~~] As jurors are excused and new jurors are required additional balls *or cards* shall be drawn from the box, one for each juror required, until all of the balls *or cards* in the box have been exhausted.

(7)[~~(6)~~] In the event that all of the balls *or cards* in the box have been exhausted the box shall be refilled utilizing the process required by subsections (1) to (4) of this section.

(8)[~~(7)~~] The chief circuit judge shall regulate the random assignment of jurors for use in circuit and district courts *and may assign identifying numbers to be used instead of names in notifying jurors whether to report each day. The chief circuit judge may cause daily service to be rotated equitably among jurors during the period of jury service.* Any petit juror assigned to a judge of circuit or district court may be used by any other judge of any other branch or division of circuit or district court when jurors are needed.

(9)[~~(8) If a grand, petit, or other jury is ordered to be drawn,~~] The chief circuit judge or his designee [~~thereafter~~] shall cause each person drawn *from the jury wheel* for jury service to be served with a summons requiring him to report for jury service at a specified time and place, unless otherwise notified by the court, and to be available for jury service for thirty (30) judicial days thereafter. The service of summons may be either made personally by the sheriff or sent by first class mail, addressed to him at his usual residence, business, or post office address. In either case, notice shall be mailed or served to the juror at least thirty (30) days before he is required to attend.

(10) Jurors who are not selected for a jury shall be directed to report to the clerk's office (or other central location) to receive another assignment or be dismissed for the day. In those counties using a telephone answering service for daily messages to jurors, all jurors should be reminded to continue to call the telephone answering service for further assignments.

(11)[~~(9)~~] The juror qualification form required by KRS 29A.070 shall be enclosed with the summons. If the summons is served by mail, any prospective juror who does not return the juror qualification form within ten (10) days shall be personally served by the sheriff.

(12)[~~(10)~~] When there is an unanticipated shortage of available jurors drawn from a jury wheel, the court may cause additional names to be drawn. The persons so chosen shall be summoned as provided in this section, but need not be given the notice provided in subsection *(9)* [~~(8)~~] of this section.

(13)[~~(11)~~] *Except as provided in subsection (12) of this section,* only persons duly qualified and summoned under subsection *(9)* [~~(8)~~] of this section and KRS 29A.070 shall serve as jurors.

(14)[~~(12)~~] If, after making a fair effort in good faith, the judge is satisfied that it will be impracticable to obtain a jury free of bias in the county in which the prosecution is pending, he may obtain a sufficient number of jurors from some adjoining county in which the judge believes there is the greatest probability of obtaining impartial jurors. *If the judge is satisfied that impartial jurors cannot be found in an adjacent county, he may order jurors to be selected from the next most convenient county.* The judge shall request the chief circuit judge for the [~~adjoining~~] county *so chosen* to draw and summon as many jurors as are needed. Jurors summoned under this subsection need not be given the notice provided in subsection *(9)* [~~(8)~~] of this section.

(15)[~~(13)~~] The names of jurors drawn from the jury wheel shall be made available to the public.

Section 6. KRS 29A.070 is amended to read as follows:

(1) The chief circuit judge shall cause to be mailed or delivered with the summons to each juror a juror qualification form accompanied by instructions to fill out and return the form by mail or hand delivery to the clerk within five (5) days after its receipt, or to be completed as otherwise directed. The juror qualification form shall be provided by the administrative office of the courts and subject to approval by the Chief Justice of the Supreme Court.

(2) The juror qualification form shall contain the prospective juror's signed declaration that his responses are true to the best of his knowledge and his acknowledgment that a willful misrepresentation of a material fact may be punished by a fine or by imprisonment, or both. Notarization of the juror qualification form shall not be required.

(3) If the prospective juror is unable to fill out the form, another person may do it for him and shall indicate that he has done so and the reason therefor.

(4) Any prospective juror who fails to return a properly completed juror qualification form as instructed may be directed by the chief circuit judge to appear forthwith to fill out a juror qualification form. *A prospective juror who fails to appear as directed by the judge pursuant to this subsection shall be ordered to appear and show cause for his failure to appear as directed. If the prospective juror fails to appear pursuant to the judge's order or fails to show good cause for his failure to appear as directed by the judge, he may be punished for contempt* [~~At the time of his appearance for jury service, any prospective juror may be questioned by the judge or his designee, but only with regard to his responses to questions contained on the form and grounds for his excuse or disqualification. Any information thus acquired shall be noted on the juror qualification form~~].

(5) *On the first day that prospective jurors appear in response to the summons, any prospective juror may be questioned by the judge or his designee, but only with regard to his responses to questions contained on the form and grounds for his excuse or disqualification. Any information thus acquired shall be noted on the juror qualification form* [~~A prospective juror who fails to appear as directed by the judge pursuant to subsection (4) of this section shall be ordered to appear and show cause for his failure to appear as directed. If the prospective juror fails to appear pursuant to the judge's order or fails to show good cause for his failure to appear as directed by the judge, he may be punished for contempt~~].

(6) No person shall willfully misrepresent a material fact on a juror qualification form.

(7) The contents of juror qualification forms shall be made available to parties or their attorneys of record unless the *chief circuit judge or his designee* [~~court~~] determines in any instance in the interest of justice that this information shall be kept confidential or its use limited in whole or in part.

Section 7. KRS 29A.100 is amended to read as follows:

(1) *On the day on which the prospective jurors are summoned to appear, any person not previously excused who desires to be excused shall be heard in a bench conference if he so desires. Other persons may be heard in open court or in a bench conference at the discretion of the court.*

(2) Upon the request of a prospective juror prior to his assignment to a trial court, the chief circuit judge, or after his assignment to a trial court, the trial judge may excuse such juror upon a showing of undue hardship, extreme inconvenience or public necessity.

(3)[~~(2)~~] In his discretion the judge may excuse a juror from service entirely or may postpone the juror's service temporarily. Whenever possible the judge shall favor temporary postponement of service over permanent excuse. When excusing a juror, the judge shall record the juror's name, as provided in KRS 29A.080, and his reasons for granting the excuse.

(4) At the option of the judges in the county, all prospective jurors who qualify and are not excused may be assigned identifying numbers to be used instead of names in calling jurors to report each day. The same numbers may be used in selecting a grand jury or petit jury from a jury panel under the provisions of KRS 29A.060.

(5) The chief circuit judge shall regulate the random assignment of jurors for use in circuit and district courts. Any petit juror assigned to a judge of circuit or district court may be used by any other judge of any other division of circuit or district court when jurors are needed.

(6) When possible, trials shall be scheduled for the day on which jurors are summoned to appear, in order to maximize their day of service.

(7) All who appear where summoned, except those who are excused from service, shall be paid for a day of service in accordance with KRS 29A.170.

SECTION 8. A NEW SECTION OF KRS CHAPTER 29A IS CREATED TO READ AS FOLLOWS:

All records and papers compiled in the jury selection process shall be preserved for at least five (5) years after the date the selection process is completed. All records containing the names of persons chosen as jury commissioners or grand jurors shall be preserved for at least twenty-five (25) years.

Section 9. KRS 29A.130 is amended to read as follows:

In any twelve (12) month period, a person shall not be required to:

(2) Serve on more than one (1) grand jury; or

(3) Serve as both a grand and petit juror except as provided in KRS *29A.230 and* 29A.260.

Section 10. KRS 29A.180 is amended to read as follows:

(1) The sheriff, city police or city marshal, as appropriate *under KRS 23A.090 and 24A.140,* shall be responsible for meals, housing, and other incidental needs of grand jurors and petit jurors in circuit court and in district court when the jurors are kept overnight or otherwise sequestered when ordered to do so by the judge of the court for which the jurors were summoned. The expenses for such services shall be borne by the finance and administration cabinet and such officer shall be reimbursed in accordance with regulations issued by the finance and administration cabinet.

(2) The sheriff, city police or city marshal, as appropriate *under KRS 23A.090 and 24A.140,* shall be responsible for the transportation of jurors and other authorized persons to views of the scene or other locations authorized by the court pursuant to KRS 20A.310. In criminal cases the expenses for such services shall be borne by the finance and administration cabinet and the sheriff shall be reimbursed in accordance with regulations issued by the finance and administration cabinet. Excepting views conducted under the Eminent Domain Act of Kentucky, in civil cases these expenses shall be paid by the party requesting the viewing.

(3) The sheriff, city police or city marshal, as appropriate *under KRS 23A.090 and 24A.140,* shall be responsible for providing any specialized security personnel, equipment, and services which the judge, with the consent of the Chief Justice, shall deem necessary for the conduct of a trial in which the judge believes that special security precautions are necessary or desirable. The expenses for such services shall be borne by the finance and administration cabinet and such officer shall be reimbursed in accordance with regulations issued by the finance and administration cabinet. In such cases the judge may also request the Chief Justice to provide the services of the Kentucky state police to ensure proper security precautions relating to the case.

Section 11. KRS 29A.260 is amended to read as follows:

At any time for cause shown, the court may excuse a grand juror either temporarily or permanently and may swear another grand juror from a current jury panel in place of the one excused. The discharge of any such grand juror shall in no way or manner affect any indictment found by the grand jury as it was composed either before or after such discharge. If it is impossible to fill the vacancy on the grand jury from a current jury panel, the chief circuit judge may summon, using the procedure in KRS 29A.060*(12)*[~~(10)~~], such number of prospective jurors as deemed necessary for the purpose.

Section 12. KRS 29A.280 is amended to read as follows:

(1) Juries for all trials in circuit court shall be composed of twelve (12) persons. Juries for all trials in district court shall be composed of six (6) persons.

Section 15. KRS 29A.330 is amended to read as follows:

(3) A delivery, payment, or expenditure under this section is in addition to, not in substitution for, and does not affect any obligation of a person to support the minor.

SECTION 15. A NEW SECTION OF KRS CHAPTER 385 IS CREATED TO READ AS FOLLOWS:

(1) A custodian is entitled to reimbursement from custodial property for reasonable expenses incurred in the performance of the custodian's duties.

(2) A custodian at any time may designate a trust company or an adult other than a transferor under Section 4 of this Act as successor custodian by executing and dating an instrument of designation before a subscribing witness other than the successor. If the instrument of designation does not contain or is not accompanied by the resignation of the custodian, the designation of the successor does not take effect until the custodian resigns, dies, becomes incapacitated, or is removed.

(3) A custodian may resign at any time by delivering written notice to the minor if the minor has attained the age of fourteen (14) years and to the successor custodian and by delivering the custodial property to the successor custodian.

(4) If a custodian is ineligible, dies, or becomes incapacitated without having effectively designated a successor and the minor has attained the age of fourteen (14) years, the minor may designate as successor custodian, in the manner prescribed in subsection (2) of this section, an adult member of the minor's family, a conservator of the minor, or a trust company. If the minor has not attained the age of fourteen (14) years or fails to act within sixty (60) days after the ineligibility, death, or incapacity, the conservator of the minor becomes successor custodian. If the minor has no conservator or the conservator declines to act, the transferor, the legal representative of the transferor or of the custodian, an adult member of the minor's family, or any other interested person may petition the court to designate a successor custodian.

(5) A custodian who declines to serve under subsection (1) of this section or resigns under subsection (3) of this section, or the legal representative of a deceased or incapacitated custodian, as soon as practicable, shall put the custodial property and records in the possession and control of the successor custodian. The successor custodian by action may enforce the obligation to deliver custodial property and records and becomes responsible for each item as received.

(6) A transferor, the legal representative of a transferor, an adult member of the minor's family, a guardian of the person of the minor, the conservator of the minor, or the minor if the minor has attained the age of fourteen (14) years may petition the court to remove the custodian for cause and to designate a successor custodian other than a transferor under Section 4 of this Act or to require the custodian to give appropriate bond.

(3) The court, in a proceeding under this Act or in any other proceeding, may require or permit the custodian or the custodian's legal representative to account.

(4) If a custodian is removed under Section 18(6) of this Act, the court shall require an accounting and order delivery of the custodial property and records to the successor custodian and the execution of all instruments required for transfer of the custodial property.

SECTION 20. A NEW SECTION OF KRS CHAPTER 385 IS CREATED TO READ AS FOLLOWS:

(2) This Act applies to all transfers made before the effective date of this Act in a manner and form prescribed in the Uniform Gifts to Minors Act of Kentucky, except insofar as the application impairs constitutionally vested rights or extends the duration of custodianships in existence on the effective date of this Act.

(3) Sections 1 and 20 of this Act with respect to the age of a minor for whom custodial property is held under this Act do not apply to custodial property held in a custodianship that terminated because of the minor's attainment of the age of eighteen (18) after and before the effective date of this Act.

However, grain producers from outside of Kentucky shall not be subject to the assessment if they certify to the grain dealer or warehouseman that they are out-of-state producers. The department shall establish the form to be completed, signed and given to the grain dealer or warehouseman in order to obtain the exemption. The information required by the department shall include at a minimum, the date, the producer's name, business address, phone number, quantity and identify the grain. Copy of such form shall be kept as a part of the books and records by the grain dealer or warehouseman and in addition a copy of such form shall be supplied to the department. A grain producer from outside of Kentucky may be subject to the assessment and therefore awarded all the protection thereof if he so chooses and meets the requirements of KRS 251.410, 251.430, 251.440, 251.451, 251.490, and 251.600 to 251.740. The Kentucky grain insurance corporation may enter into a reciprocal agreement with a contiguous state having a similar program.

(2) Upon the establishment of the Kentucky grain insurance corporation, the commissioner shall notify forthwith by certified mail, all persons in this state engaged in the business of purchasing grain from producers, that on and after the date specified in the letter, the specified assessment shall be deducted from the producer's payment by the purchaser, or his agent or representative from the purchase price of the grain. The assessment so deducted shall, on or before the fifteenth (15th) day of the month following the end of the month in which such grains are sold to the purchaser, be remitted by the purchaser to the grain insurance fund. The books and records of all purchasers of grain, which shall clearly indicate the producer assessment, shall at all times be open for inspection by the commissioner of agriculture or his duly authorized agents during regular business hours. The commissioner or his agents may take such steps as are reasonably necessary to verify the accuracy of books and records of purchasers of grain.

(3) The assessment shall continue until the fund is more than three million dollars ($3,000,000). If and when the fund is more than three million dollars ($3,000,000), no fees shall be assessed by the department until such time as the amount in the fund drops below three million dollars ($3,000,000). [~~However, any producer who has not contributed to the fund may participate in the program and therefore be awarded all the protection thereof only after an assessment equal to one-half (1/2) cent per bushel on all grain marketed by the producer during the preceding twelve (12) month period is made and paid into the fund. No producer will be granted protection of the fund who has not participated in the program prior to meeting the criteria of a claimant.~~]

(4) Any producer upon and against whom the assessment is levied and collected under the provisions of this section, if dissatisfied with the assessment and the result thereof, may demand of and receive from the treasurer of the grain insurance corporation a refund of assessment collected from the producer, if the demand for refund is made in writing within thirty (30) days from the date on which the assessment is collected from the producer. By voluntarily submitting to a refund, the producer forgoes any protection or compensation provided for by the grain insurance corporation.

(5) When in the judgment of the board or the duly certified association, a purchaser has engaged in or is about to engage in any acts or practices that constitute a violation of any of the provisions of KRS 251.410, 251.430, 251.440, 251.451, 251.490, and 251.600 to 251.740, the grain insurance corporation may make application to the Franklin Circuit Court for an order enjoining such acts or practices, and obtain a restraining order and preliminary injunction against the purchaser.

(6) The assessments by the department pursuant to this section are in addition to any other fees or assessments required by law.

SECTION 4. A NEW SECTION OF KRS 251.640 to 251.650 IS CREATED TO READ AS FOLLOWS:

(1) Producers who have requested and received a refund of an assessment pursuant to KRS 251.650(4) may re-enter the grain insurance program by:

(a) Petitioning the Kentucky grain insurance board for approval of re-entry into the program;

(b) Immediately upon mailing said petition for re-entry to the offices of the Kentucky department of agriculture, placing an amount equal to all previous assessment refunds to that producer in an escrow account in a local bank, such previous assessments and the terms and conditions of the escrow account to be determined by the Kentucky department of agriculture; and

(c) The board shall review the producer's petition for re-entry and if approved the producer shall repay into the grain insurance fund all previous assessment refunds as determined by the Kentucky department of agriculture. Producers re-entering the grain insurance program pursuant to this section will be protected by the program from the time all previous assessment refunds were placed in escrow.

(2) Once the fund reaches three million dollars ($3,000,000) and all assessments to the Kentucky grain insurance fund have ceased pursuant to KRS 251.640, all producers who have not requested and received a refund shall be participants in the program.

(3) No producer will be granted protection of the grain insurance program who has not been a participant in the program prior to meeting the criteria of a claimant.

Section 5. KRS 251.720 is amended to read as follows:

(c)[~~(b)~~] Two million (2,000,000) to six million (6,000,000) bushels, three hundred dollars ($300);

(d)[~~(c)~~] Six million (6,000,000) to ten million (10,000,000) bushels, four hundred dollars ($400); or

(e)[~~(d)~~] Over ten million (10,000,000) bushels, five hundred dollars ($500).

(2) The fee for each license shall be deposited in a trust and agency fund account in the state treasury to be used for carrying out the provisions of KRS 251.410 to 251.510.

(3) Every person licensed as a grain dealer shall file with the department a surety bond signed by the dealer as principal and by a responsible company authorized to execute surety bonds within the Commonwealth of Kentucky. A grain dealer may file with the department, in lieu of a surety bond, a certificate of deposit payable to the commissioner, as trustee *or an irrevocable letter of credit on forms prescribed by the commissioner.* The principal amount of the certificate *or letter of credit* shall be the same as that required for a surety bond under this section, and the interest thereon *if any* shall be made payable to the purchaser. The bond shall be a principal amount, to the nearest one thousand dollars ($1,000), equal to ten percent (10%) of the aggregate dollar amount paid by the dealer to producers for grain purchased from them during the dealer's last completed fiscal year, or in the case of a dealer who has been engaged in business as a grain dealer for less than one (1) year or who has not theretofore engaged in such business, ten percent (10%) of the estimated aggregate dollar amount to be paid by the dealer to producers for grain purchased from them during the next fiscal year. Such bond shall not be less than twenty-five thousand dollars ($25,000) nor more than one hundred thousand dollars ($100,000), except as otherwise authorized by this section. Any grain dealer may file with the department, in lieu of a surety bond, a certificate of deposit payable to the commissioner, as trustee *or an irrevocable letter of credit on forms prescribed by the commissioner.* The principal amount of the certificate shall be the same as that required for a surety bond under this section and the interest thereon shall be made payable to the purchaser thereof.

(4) The commissioner shall, when he questions a grain dealer's ability to pay producers for grain purchased, or when he determines that the grain dealer does not have a sufficient net worth to meet his financial obligations, require a grain dealer to post an additional bond in a dollar amount equal to the insufficiency or shall require an additional certificate of deposit *or an irrevocable letter of credit* equal to the insufficiency, as

deemed appropriate by the commissioner. Failure to post the additional bond or certificate of deposit *or an irrevocable letter of credit* constitutes grounds for suspension or revocation of a license issued under this section.

(5) The bond or additional bond shall be made payable to the Commonwealth of Kentucky, with the commissioner as trustee, and shall be conditioned on the grain dealer's faithful performance of his duties as a grain dealer and his compliance with this section. It shall be for the use and benefit of any producer from whom the grain dealer may purchase grain and who is not paid by the grain dealer, and shall not be cancelled, except upon at least sixty (60) days' notice in writing to the department. In no event shall the total aggregate liability of a surety exceed the face amount of its bond.

(6) Any grain dealer who is of the opinion that his net worth and assets are sufficient to guarantee payment to producers for grain purchased by him may request the commissioner to be relieved of the obligation of filing a bond in excess of the minimum bond of twenty-five thousand dollars ($25,000). Such request shall be accompanied by a financial statement of the applicant made within five (5) months of the date of such request, certified by a licensed public accountant, and such additional information concerning the applicant and his finances as the department may require. If such financial statement discloses a net worth of an amount equal to at least three (3) times the amount of the bond required by this section and the commissioner is otherwise satisfied as to the financial ability and resources of the applicant, the commissioner may waive that portion of the required bond in excess of twenty-five thousand dollars ($25,000). However, in the case of a grain dealer whose net worth is not equal to three (3) times the amount of bond required, the commissioner may allow the grain dealer to waive, in one thousand dollar ($1,000) increments, a portion of the bond required in excess of twenty-five thousand dollars ($25,000). The percentage factor to be applied to the bond required in excess of twenty-five thousand dollars ($25,000) shall be determined by dividing actual net worth by the net worth required to waive all bond in excess of twenty-five thousand dollars ($25,000). If the result of this computation provides a percentage factor of eighty percent (80%) or greater, than that same percentage of the bond in excess of twenty-five thousand dollars ($25,000) may be waived. The grain dealer shall then provide to the department a surety bond in the amount of twenty-five thousand dollars ($25,000) plus any additional bond required in excess thereof.

(7) Any grain dealer who purchases grain from producers only in connection with or as an incident to some other business and whose total purchases of grain from producers during any fiscal year do not exceed an aggregate dollar amount of one hundred thousand dollars ($100,000) may satisfy the bonding requirements of this section by filing with the department a bond, [~~or~~] certificate of deposit *or an irrevocable letter of credit* at the rate of one thousand dollars ($1,000) for each ten thousand dollars ($10,000) or fraction thereof of the dollar amount to be purchased with a minimum bond, [~~or~~] certificate of deposit *or an irrevocable letter of credit* of one thousand dollars ($1,000), and a current financial statement.

(8) Failure of a grain dealer to file a bond, [~~or~~] certificate of deposit *or an irrevocable letter of credit* and to keep the bond, [~~or~~] certificate of deposit *or an irrevocable letter of credit* in force or to maintain assets adequate to assure payment to producers for grain purchased from them shall be grounds for the suspension or revocation of a license issued under this section.

(9) When the commissioner has determined that a grain dealer has defaulted payment to producers for grain which he has purchased from them, the commissioner shall determine, through appropriate legal procedures, the producers and the amount of defaulted payment, and, as trustee of the bond, shall immediately after the determination call for the dealer's surety bond or bonds to be paid to him for distribution to those producers who should receive the benefits. Should the defaulted amount owed producers be less than the principal amount of the bond or bonds then the surety shall be obligated to pay only the amount of the default.

(10) Any grain dealer who is also in the business of storing grain and is a warehouseman as defined in KRS 251.610 may be exempted from the licensing fee and bonding requirements of KRS 251.451 as long as his storage capacity and storage obligations are considered in formulating his grain dealer bond requirement.

(2) The corporation shall have the following powers, together with all powers incidental or necessary to the discharge thereof in corporate form:

(a) Perpetual succession by its corporate name as a corporate body;

Section 3. KRS 251.640 is amended to read as follows:

(1) It is declared to be in the public interest and highly advantageous to the agricultural economy of the state that producers of grain shall be assessed one-half (1/2) cent per bushel on all grain marketed and provide for the collection of the same for the purpose of financing or contributing to the financing of the Kentucky grain insurance fund, which is hereby created. However, grain producers from outside of Kentucky shall not be subject to the assessment if they certify to the grain dealer or warehouseman that they are out-of-state producers. The department shall establish the form to be completed, signed and given to the grain dealer or warehouseman in order to obtain the exemption. The information required by the department shall include at a minimum, the date, the producer's name, business address, phone number, quantity and identify the grain. Copy of such form shall be kept as a part of the books and records by the grain dealer or warehouseman and in addition a copy of such form shall be supplied to the department. A grain producer from outside of Kentucky may be subject to the assessment and therefore awarded all the protection thereof if he so chooses and meets the requirements of KRS 251.410, 251.430, 251.440, 251.451, 251.490, and 251.600 to 251.740. The Kentucky grain insurance corporation may enter into a reciprocal agreement with a contiguous state having a similar program.

(2) Upon the establishment of the Kentucky grain insurance corporation, the commissioner shall notify forthwith by certified mail, all persons in this state engaged in the business of purchasing grain from producers, that on and after the date specified in the letter, the specified assessment shall be deducted from the producer's payment by the purchaser, or his agent or representative from the purchase price of the grain. The assessment so deducted shall, on or before the fifteenth (15th) day of the month following the end of the month in which such grains are sold to the purchaser, be remitted by the purchaser to the grain insurance fund. The books and records of all purchasers of grain, which shall clearly indicate the producer assessment, shall at all times be open for inspection by the commissioner of agriculture or his duly authorized agents during regular business hours. The commissioner or his agents may take such steps as are reasonably necessary to verify the accuracy of books and records of purchasers of grain.

(3) The assessment shall continue until the fund is more than three million dollars ($3,000,000). If and when the fund is more than three million dollars ($3,000,000), no fees shall be assessed by the department until such time as the amount in the fund drops below three million dollars ($3,000,000). [~~However, any producer who has not contributed to the fund may participate in the program and therefore be awarded all the protection thereof only after an assessment equal to one-half (1/2) cent per bushel on all grain marketed by the producer during the preceding twelve (12) month period is made and paid into the fund. No producer will be granted protection of the fund who has not participated in the program prior to meeting the criteria of a claimant.~~]

(4) Any producer upon and against whom the assessment is levied and collected under the provisions of this section, if dissatisfied with the assessment and the result thereof, may demand of and receive from the treasurer of the grain insurance corporation a refund of assessment collected from the producer, if the demand for refund is made in writing within thirty (30) days from the date on which the assessment is collected from the producer. By voluntarily submitting to a refund, the producer forgoes any protection or compensation provided for by the grain insurance corporation.

(5) When in the judgment of the board or the duly certified association, a purchaser has engaged in or is about to engage in any acts or practices that constitute a violation of any of the provisions of KRS 251.410, 251.430, 251.440, 251.451, 251.490, and 251.600 to 251.740, the grain insurance corporation may make application to the Franklin Circuit Court for an order enjoining such acts or practices, and obtain a restraining order and preliminary injunction against the purchaser.

(6) The assessments by the department pursuant to this section are in addition to any other fees or assessments required by law.

SECTION 4. A NEW SECTION OF KRS 251.640 to 251.650 IS CREATED TO READ AS FOLLOWS:

(1) Producers who have requested and received a refund of an assessment pursuant to KRS 251.650(4) may re-enter the grain insurance program by:

(a) Petitioning the Kentucky grain insurance board for approval of re-entry into the program;

(b) Immediately upon mailing said petition for re-entry to the offices of the Kentucky department of agriculture, placing an amount equal to all previous assessment refunds to that producer in an escrow account in a local bank, such previous assessments and the terms and conditions of the escrow account to be determined by the Kentucky department of agriculture; and

(c) The board shall review the producer's petition for re-entry and if approved the producer shall repay into the grain insurance fund all previous assessment refunds as determined by the Kentucky department of agriculture. Producers re-entering the grain insurance program pursuant to this section will be protected by the program from the time all previous assessment refunds were placed in escrow.

(2) Once the fund reaches three million dollars ($3,000,000) and all assessments to the Kentucky grain insurance fund have ceased pursuant to KRS 251.640, all producers who have not requested and received a refund shall be participants in the program.

(3) No producer will be granted protection of the grain insurance program who has not been a participant in the program prior to meeting the criteria of a claimant.

Section 5. KRS 251.720 is amended to read as follows:

(1) Any person engaged in the business of buying grain from producers for resale or for milling or processing shall first procure a license from the department as required by the board before transacting business. Such license shall expire on June 30, and shall be renewed annually. The annual license fee shall be based on the total annual volume handled as follows:

(a) *From zero to six thousand (6,000) bushels, fifty dollars ($50);*

(b) Six thousand (6,000) to one hundred thousand (100,000) bushels, one hundred dollars ($100);

(c) One hundred thousand (100,000) to [~~Under~~] two million (2,000,000) bushels, two hundred dollars ($200);

(d)[~~(b)~~] Two million (2,000,000) to six million (6,000,000) bushels, three hundred dollars ($300);

(e)[~~(c)~~] Six million (6,000,000) to ten million (10,000,000) bushels, four hundred dollars ($400); or

(f)[~~(d)~~] Over ten million (10,000,000) bushels, five hundred dollars ($500).

(2) The fee for each license shall be deposited in a trust and agency fund account in the state treasury to be used for carrying out the provisions of KRS 251.410 to 251.510.

(3) Every person licensed as a grain dealer shall file with the department a surety bond signed by the dealer as principal and by a responsible company authorized to execute surety bonds within the Commonwealth of Kentucky. A grain dealer may file with the department, in lieu of a surety bond, a certificate of deposit payable to the commissioner, as trustee *or an irrevocable letter of credit on forms prescribed by the commissioner.* The principal amount of the certificate *or letter of credit* shall be the same as that required for a surety bond under this section, and the interest thereon *if any* shall be made payable to the purchaser. The bond shall be a principal amount, to the nearest one thousand dollars ($1,000), equal to ten percent (10%) of the aggregate dollar amount paid by the dealer to producers for grain purchased from them during the dealer's last completed fiscal year, or in the case of a dealer who has been engaged in business as a grain dealer for less than one (1) year or who has not theretofore engaged in such business, ten percent (10%) of the estimated aggregate dollar amount to be paid by the dealer to producers for grain purchased from them during the next fiscal year. Such bond shall not be less than twenty-five thousand dollars ($25,000) nor more than one hundred thousand dollars ($100,000), except as otherwise authorized by this section. Any grain dealer may file with the department, in lieu of a surety bond, a certificate of deposit payable to the commissioner, as trustee *or an irrevocable letter of credit on forms prescribed by the commissioner.* The principal amount of the certificate shall be the same as that required for a surety bond under this section and the interest thereon shall be made payable to the purchaser thereof.

(4) The commissioner shall, when he questions a grain dealer's ability to pay producers for grain purchased, or when he determines that the grain dealer does not have a sufficient net worth to meet his financial

obligations, require a grain dealer to post an additional bond in a dollar amount equal to the insufficiency or shall require an additional certificate of deposit *or an irrevocable letter of credit* equal to the insufficiency, as deemed appropriate by the commissioner. Failure to post the additional bond or certificate of deposit *or an irrevocable letter of credit* constitutes grounds for suspension or revocation of a license issued under this section.

(5) The bond or additional bond shall be made payable to the Commonwealth of Kentucky, with the commissioner as trustee, and shall be conditioned on the grain dealer's faithful performance of his duties as a grain dealer and his compliance with this section. It shall be for the use and benefit of any producer from whom the grain dealer may purchase grain and who is not paid by the grain dealer, and shall not be cancelled, except upon at least sixty (60) days' notice in writing to the department. In no event shall the total aggregate liability of a surety exceed the face amount of its bond.

(6) Any grain dealer who is of the opinion that his net worth and assets are sufficient to guarantee payment to producers for grain purchased by him may request the commissioner to be relieved of the obligation of filing a bond in excess of the minimum bond of twenty-five thousand dollars ($25,000). Such request shall be accompanied by a financial statement of the applicant made within five (5) months of the date of such request, certified by a licensed public accountant, and such additional information concerning the applicant and his finances as the department may require. If such financial statement discloses a net worth of an amount equal to at least three (3) times the amount of the bond required by this section and the commissioner is otherwise satisfied as to the financial ability and resources of the applicant, the commissioner may waive that portion of the required bond in excess of twenty-five thousand dollars ($25,000). However, in the case of a grain dealer whose net worth is not equal to three (3) times the amount of bond required, the commissioner may allow the grain dealer to waive, in one thousand dollar ($1,000) increments, a portion of the bond required in excess of twenty-five thousand dollars ($25,000). The percentage factor to be applied to the bond required in excess of twenty-five thousand dollars ($25,000) shall be determined by dividing actual net worth by the net worth required to waive all bond in excess of twenty-five thousand dollars ($25,000). If the result of this computation provides a percentage factor of eighty percent (80%) or greater, than that same percentage of the bond in excess of twenty-five thousand dollars ($25,000) may be waived. The grain dealer shall then provide to the department a surety bond in the amount of twenty-five thousand dollars ($25,000) plus any additional bond required in excess thereof.

(7) Any grain dealer who purchases grain from producers only in connection with or as an incident to some other business and whose total purchases of grain from producers during any fiscal year do not exceed an aggregate dollar amount of one hundred thousand dollars ($100,000) may satisfy the bonding requirements of this section by filing with the department a bond, [~~or~~] certificate of deposit *or an irrevocable letter of credit* at the rate of one thousand dollars ($1,000) for each ten thousand dollars ($10,000) or fraction thereof of the dollar amount to be purchased with a minimum bond, [~~or~~] certificate of deposit *or an irrevocable letter of credit* of one thousand dollars ($1,000), and a current financial statement.

(8) Failure of a grain dealer to file a bond, [~~or~~] certificate of deposit *or an irrevocable letter of credit* and to keep the bond, [~~or~~] certificate of deposit *or an irrevocable letter of credit* in force or to maintain assets adequate to assure payment to producers for grain purchased from them shall be grounds for the suspension or revocation of a license issued under this section.

(9) When the commissioner has determined that a grain dealer has defaulted payment to producers for grain which he has purchased from them, the commissioner shall determine, through appropriate legal procedures, the producers and the amount of defaulted payment, and, as trustee of the bond, shall immediately after the determination call for the dealer's surety bond or bonds to be paid to him for distribution to those producers who should receive the benefits. Should the defaulted amount owed producers be less than the principal amount of the bond or bonds then the surety shall be obligated to pay only the amount of the default.

(10) Any grain dealer who is also in the business of storing grain and is a warehouseman as defined in KRS 251.610 may be exempted from the licensing fee and bonding requirements of KRS 251.451 as long as his storage capacity and storage obligations are considered in formulating his grain dealer bond requirement.

The Committee on Counties and Special Districts reported HB 389 and HB 402 with the expression of opinion that the same should pass. Read at length for the first time and ordered placed in the Calendar.

Be it enacted by the General Assembly of the Commonwealth of Kentucky:

Section 1. KRS 243.220 is amended to read as follows:

(1) No license for the sale of alcoholic beverages at retail shall be issued for any premises unless the applicant for the license is the owner of the premises or is in possession of the premises under a written lease for a term of not less than the license period.

(2) (a) No premises shall be licensed for the sale of alcoholic beverages at retail except where the licensed premises and the entrance to the premises are on the street level and located in a business center or on a main thoroughfare.

(b) Paragraph (a) of this subsection shall not apply to a hotel, club or restaurant, provided the club or restaurant receives a minimum of forty per cent (40%) of its income from the sale of food and has a minimum seating capacity of fifty (50) people at tables. In the class of cases described in this paragraph the administrator to whom the application is made may, in the exercise of his sound discretion, decide whether the premises are to be licensed.

(3) (a) Except as provided in paragraphs (b) and (c) of this subsection, no license for the sale of alcoholic beverages at retail shall be issued for any premises that are located within two hundred (200) feet of a building used primarily as a church or for class rooms of a school, if the governing authority of the church or school, within ten (10) days after receiving notice of the application for the license, files written protest with the state administrator against the issuance of the license. The measurement shall be taken in a straight line from the nearest outside wall of the building on the licensed premises to the nearest outside wall of the church or school building. Proof of the giving of notice to the governing authority of the church or school must be furnished to the state administrator before the license is issued.

(c) In cities of the first, second or third class, the city administrator, with the approval of the state alcoholic beverage control board, may issue a regulation in such city requiring written permission by the governing authority of the church or school for the licensing of retail premises within two hundred (200) feet of the church or school building, in which case the state administrator may not issue the license without such permission, except under the circumstances set forth in paragraph (b) of this subsection.

(4) No retail package license shall be issued for any premises at which more than fifty percent (50%) of the gross receipts are derived from the sale of items other than alcoholic beverages. The board shall examine each application in order to make the determination of whether to grant or withhold the granting of such license and shall exercise its sound discretion in making the decision in each case.

The Committee Substitute to HB 388 is as follows:

HB 234, AN ACT relating to usage of atmospheric fluidized bed combustion technology.

Be it enacted by the General Assembly of the Commonwealth of Kentucky:

SECTION 1. A NEW SECTION OF KRS CHAPTER 211 IS CREATED TO READ AS FOLLOWS:

(1) "Fluidized bed energy production facility" shall mean any facility or property which is fueled by Kentucky coal and which employs atmospheric fluidized bed combustion technology to burn said coal for the purpose of producing thermal, mechanical or electrical enegry.

(2) "Atmospheric fluidized bed combustion technology tax exemption certificate" shall mean that certificate issued by the revenue cabinet pursuant to Section 2 of this Act.

SECTION 2. A NEW SECTION OF KRS CHAPTER 211 IS CREATED TO READ AS FOLLOWS:

(1) Application for an atmospheric fluidized bed combustion technology tax exemption certificate shall be filed with the revenue cabinet in such manner and in such form as may be prescribed by regulations issued by the revenue cabinet and shall contain plans and specifications of the structure including all materials incorporated and to be incorporated therein and a descriptive list of all equipment acquired or to be acquired by the applicant for the purpose of installing an atmospheric fluidized bed combustion unit to reduce the sulfur emissions from coal combustion and any additional information deemed useful by the revenue cabinet for the proper administration of this Act. The energy cabinet shall provide technical assistance and factual information as requested in writing by the revenue cabinet. If the revenue cabinet finds that the facility qualifies as a fluidized bed energy production facility, it shall enter a finding and issue a certificate to that effect. The effective date of said certificate shall be the date of issuance of said certificate.

(2) Before issuing an atmospheric fluidized bed combustion technology tax exemption certificate, the revenue cabinet shall give notice in writing by mail to the secretary of the energy cabinet and shall afford to the applicant and to the secretary of the energy cabinet an opportunity for a hearing. The hearing shall take place within sixty (60) days following notification. The secretary of the energy cabinet along with the applicant shall be notified of the hearing at least two (2) weeks prior to the hearing. On like notice and opportunity for a hearing the revenue cabinet shall on its own initiative revoke such certificate whenever any of the following appears:

(a) The certificate was obtained by fraud or misrepresentation;

(b) The holder of the certificate has failed substantially to proceed with the construction, reconstruction, installation or acquisition of the atmospheric fluidized bed combustion unit; or

(c) The structure or equipment or both to which the certificate relates has ceased to be used for the primary purpose of generating energy.

(3) Where the circumstances so require, the revenue cabinet, in lieu of revoking such certificate, may modify the same.

(4) On mailing of notice of the action of the revenue cabinet revoking or modifying a certificate as provided in subsection (5) of this section, such certificate shall cease to be in force or shall remain in force only as modified as the case may require.

(5) An atmospheric fluidized bed combustion technology tax exemption certificate, when issued, shall be sent by certified mail to the applicant and the notice of such issuance in the form of certified copies thereof shall be sent to the secretary of the energy cabinet. Notice of an order of the revenue cabinet denying, revoking, or modifying a certificate in the form of certified copies shall be sent by certified mail to the applicant or the holder and shall be sent to the secretary of the energy cabinet. The applicant or holder and the secretary of the revenue cabinet are deemed parties for the purposes of the review afforded by subsection (6) of this section.

(6) Any party aggrieved by the issuance, refusal to issue, revocation, or modification of an atmospheric fluidized bed combustion technology tax exemption certificate may appeal from the final ruling of the revenue cabinet to the Kentucky board of tax appeals as provided in KRS 131.340.

(7) In the event of the sale, lease, or other transfer of an atmospheric fluidized bed combustion unit, not involving a different location or use, the holder of the atmospheric fluidized bed construction technology tax exemption certificate for such facility may transfer the certificate by written instrument to the person who, except for the transfer of the certificate would be obligated to pay taxes on such facilities. The transferee shall become the holder of the certificate and shall have all rights pertaining thereto, effective as the date of transfer, together with a copy of the instrument of transfer to the revenue cabinet.

(8) In the event an atmospheric fluidized bed combustion unit for which an exemption certificate is held ceases to be used for the purpose of generating energy or is used for a purpose other than that for which the exemption certificate was granted, the holder of the certificate shall give written notice by certified mail of such change to the energy and revenue cabinets.

(9) The atmospheric fluidized bed combustion technology tax exemption certificate, upon approval, shall exempt said facilities from taxes outlined in the provision of this Act and KRS Chapters 132, 136, 138 and 139. Each exemption certificate shall remain in force for a period of five (5) years from the date of issuance and at the end of said period shall lapse. Any atmospheric fluidized bed combustion unit previously exempt under the terms of this Act shall not be eligible for re-certification upon completion of the five (5) year certificate period.

Section 3. KRS 139.480 is amended to read as follows:

Any other provision of this chapter to the contrary notwithstanding, the terms "sale at retail," "retail sale," "use," "storage," and "consumption," as used in this chapter do not include the sale, use, storage, or other consumption of:

(1) Locomotives or rolling stock, including materials for the construction, repair, or modification thereof, or fuel or supplies for the direct operation of locomotives and trains, used or to be used in interstate commerce;

(2) Coal for the manufacture of electricity;

(3) All energy or energy-producing fuels used in the course of manufacturing, processing, mining, or refining to the extent that the cost of the energy or energy-producing fuels used exceeds three percent (3%) of the cost of production. Cost of production shall be computed on the basis of plant facilities which shall mean all permanent structures affixed to real property at one (1) location;

(4) Livestock of a kind the products of which ordinarily constitute food for human consumption provided the sales are made for breeding or dairy purposes and by or to a person regularly engaged in the business of farming;

(5) Poultry for use in breeding or egg production;

(6) Farm work stock for use in farming operations;

(7) Seeds, the products of which ordinarily constitute food for human consumption or are to be sold in the regular course of business, feed for livestock or poultry of a kind the products of which ordinarily constitute food for human consumption, and commercial fertilizer to be applied on land the products from which are to be used for food for human consumption or are to be sold in the regular course of business; Provided such sales are made to farmers who are regularly engaged in the occupation of tilling and cultivating the soil for the production of crops as a business, or who are regularly engaged in the occupation of raising and feeding livestock or poultry or producing milk for sale; and provided further that such tangible personal property so sold is to be used only by those persons designated above who are so purchasing;

(8) Machinery for new and expanded industry;

(9) Farm machinery. As used in this section the term "farm machinery" means machinery used exclusively and directly in the occupation of tilling the soil for the production of crops as a business, or in the occupation of raising and feeding livestock or poultry or of producing milk for sale. The term "farm machinery" as used in this section includes machinery, attachments, and replacements therefor, repair parts, and replacement parts which are used or manufactured for use on, or in the operation of farm machinery and which are necessary to the operation of such machinery, and are customarily so used; but this exemption shall not include automobiles, trucks, trailers, and truck-trailer combinations;

(10) Property which has been certified as a pollution control facility as defined in KRS 224.850;

(11) Tombstones and other memorial grave markers; and

(12) On-farm facilities used exclusively for grain or soybean storing, drying, processing, or handling. The exemption applies to the equipment, machinery, attachments, repair and replacement parts, and any materials incorporated into the construction, renovation, or repair of such facilities;

(13) Gasoline, special fuels, and liquefied petroleum gas used to operate or propel stationary engines or tractors for agricultural purposes. As used in this subsection:

(a) "Gasoline" is defined as in KRS 138.210(4);

(b) "Special fuels" is defined as in KRS 138.560(3);

(c) "Liquefied petroleum gas" is defined as in KRS 234.100(1); and

(d) "Agricultural purposes" is defined as in KRS 138.343(4);

(14) Textbooks, including related workbooks and other course materials, purchased for use in a course of study conducted by an institution which qualifies as a nonprofit educational institution under KRS 139.495. The term "course materials" means only those items specifically required of all students for a particular course but does not include notebooks, paper, pencils, calculators, tape recorders, or similar student aids;

(15) Any property which has been certified as an alcohol production facility as defined in KRS 247.910; and

(16) Aircraft, repair and replacement parts therefor, and supplies, except fuel, for the direct operation of aircraft in interstate commerce and used exclusively for the conveyance of property for hire. Nominal intrastate use will not subject the property to the taxes imposed by this chapter.

(17) Any property which has been certified as a fluidized bed energy production facility as defined in Section 1 of this Act.

Section 4. KRS 136.070 is amended to read as follows:

(1) Every corporation organized under the laws of this state, every corporation having its commercial domicile in this state, and every foreign corporation owning or leasing property located in this state or having one (1) or more individuals receiving compensation in this state, except state and national banks and trust companies, savings and loan associations organized under the laws of this state and under the laws of the United States and making loans to members only, open-end registered investment companies organized under the laws of this state and registered under the investment company act of 1940, production credit associations,

insurance companies, including farmers' or other mutual hail, cyclone, windstorm or fire insurance companies, insurers and reciprocal underwriters, public service companies subject to taxation under KRS 136.120, those corporations exempted by section 501 of the Internal Revenue Code, any property or facility which has been certified as an alcohol production facility as defined in KRS 247.910, *any property or facility which has been certified as a fluidized bed energy production facility as defined in Section 1 of this Act,* and any other religious, educational, charitable or like corporations not organized or conducted for pecuniary profit, shall pay to the state an annual license tax of two dollars and ten cents ($2.10) on each one thousand dollars ($1,000) of the capital employed in the business as computed under the provisions of subsections (2) and (3) of this section, subject to the credit provided in subsection (6) of this section.

(2) (a) The term "capital" as used in this section means capital stock, surplus, advances by affiliated companies, intercompany accounts, borrowed monies or any other accounts representing additional capital used and employed in the business. Accounts properly defined as "capital" in this section shall be reported at the value reflected on financial statements prepared for book purposes as of the last day of the calendar or fiscal year.

(b) "Capital employed," in the case of corporations having property or payroll only in this state, means "capital" as defined above.

(c) "Capital employed," in the case of corporations having property or payroll both within and without this state means "capital" as defined above and as apportioned under subsection (3) of this section.

(d) Property means either real property or tangible personal property which is either owned or leased. Payroll means compensation, paid to one (1) or more individuals, as described in subsection (3) of this section. Property and payroll are deemed to be entirely within this state if all other states are prohibited by Public Law 86-272, as it existed on December 31, 1975, from enforcing income tax jurisdiction.

(3) The total capital, as determined under subsection (2) of this section, shall be apportioned as follows:

(a) The total capital shall be multiplied by a fraction, the numerator of which is the property factor plus the payroll factor, plus the sales factor, and the denominator of which is three (3); provided, however, that effective with taxable years beginning after July 31, 1985, in lieu of the equally weighted three (3) factor apportionment fraction based on property, payroll, and sales, an apportionment fraction composed of a sales factor representing fifty percent (50%) of the fraction, a property factor representing twenty-five percent (25%) of the fraction, and a payroll factor representing twenty-five percent (25%) of the fraction shall be used.

(b) The property factor is a fraction, the numerator of which is the average value of the taxpayer's real and tangible personal property owned or rented and used in this state during the tax period and the denominator of which is the average value of all the taxpayer's real and tangible personal property owned or rented and used during the tax period; provided, however, that property which has been certified as a pollution control facility as defined in KRS 224.850 shall be excluded from the property factor.

1. Property owned by the taxpayer is valued at its original cost. If the original cost of any property is not determinable or is nominal or zero, such property shall be valued by the cabinet under regulations promulgated by the cabinet. Property rented by the taxpayer is valued at eight (8) times the net annual rental rate. Net annual rental rate is the annual rental rate paid by the taxpayer less any annual rental rate received by the taxpayer from subrentals, provided that such rental and such subrentals are reasonable. If the cabinet determines that the annual rental or subrental rate is unreasonable, or if nominal or zero rate is charged, the cabinet may determine and apply such rental rate as will reasonably reflect the value of the property rented by the taxpayer.

2. The average value of property shall be determined by averaging the values at the beginning and ending of the tax period but the cabinet may require the averaging of monthly values during the tax period if reasonably required to reflect properly the average value of the taxpayer's property.

(c) The payroll factor is a fraction, the numerator of which is the total amount paid or payable in this state during the tax period by the taxpayer for compensation, and the denominator of which is the total compensation paid or payable everywhere during the tax period. Compensation is paid or payable in this state if:

1. The individual's service is performed entirely within the state; or

2. The individual's service is performed both within and without the state, but the service performed without the state is incidental to the individual's service within the state; or

3. Some of the service is performed in the state and the base of operations or, if there is no base of operations, the place from which the service is directed or controlled is in the state, or the base of operations or the place from which the service is directed or controlled is not in any state in which some part of the service is performed, but the individual's residence is in this state.

(d) The sales factor is a fraction, the numerator of which is the total sales of the taxpayer in this state during the tax period, and the denominator of which is the total sales of the taxpayer everywhere during the tax period. Sales of tangible personal property are in this state if:

1. The property is delivered or shipped to a purchaser, other than the United States government, or to the designee of the purchaser within this state regardless of the f.o.b. point or other conditions of the sale;

2. The property is shipped from an office, store, warehouse, factory, or other place of storage in this state and the purchaser is the United States government; or

3. Sales, other than sales of tangible personal property, are in this state if the income-producing activity is performed in this state; or the income-producing activity is performed both in and outside this state and a greater proportion of the income-producing activity is performed in this state than in any other state, based on costs of performance.

(4) If the apportionment provisions of this section do not fairly measure the taxpayer's capital in this state, the taxpayer may petition for or the cabinet may require:

(a) The exclusion of any one (1) or more of the factors;

(b) The inclusion of one (1) or more additional factors which will fairly measure the taxpayer's capital in this state; or

(c) The employment of any other method to produce an equitable apportionment of the taxpayer's capital.

(5) No corporation required to pay an annual license tax under this section shall pay less than thirty dollars ($30).

(6) Every corporation with a gross income of not more than five hundred thousand dollars ($500,000) shall be entitled to a credit equivalent to one dollar and forty cents ($1.40) per one thousand dollars ($1,000) of the initial three hundred and fifty thousand dollars ($350,000) of capital employed in the business, as computed under the provisions of KRS 136.070(2) and (3).

Section 5. KRS 132.020 is amended to read as follows:

(1) An annual ad valorem tax for state purposes of thirty-one and one-half (31-1/2) cents upon each one hundred dollars ($100) of value of all real property directed to be assessed for taxation, and one and one-half (1-1/2) cents upon each one hundred dollars ($100) of value of all privately-owned leasehold interests in industrial buildings, as defined under KRS 103.200, owned and financed by a tax-exempt governmental unit, or tax-exempt statutory authority under the provisions of KRS Chapter 103 directed to be assessed for taxation, and one and one-half (1-1/2) cents upon each one hundred dollars ($100) of value of all tobacco directed to be assessed for taxation, and twenty-five (25) cents upon each one hundred dollars ($100) of value of all money in hand, shares of stock, notes, bonds, accounts and other credits, whether secured by mortgage, pledge or otherwise, or unsecured, except as otherwise provided in subsection (2) of this section, and one and one-half (1-1/2) cents upon each one hundred dollars ($100) of value of unmanufactured agricultural products, one-tenth of one cent ($.001) upon each one hundred dollars ($100) of value of all farm implements and farm machinery owned by a person actually engaged in farming and used in his farm operations, one-tenth of one cent ($.001) upon each one hundred dollars ($100) of value of all livestock and domestic fowl, one-tenth of one cent ($.001) upon each one hundred dollars ($100) of value of all tangible personal property located in a foreign trade zone as designated under 19 U.S.C. sec. 81, fifteen (15) cents upon machinery and products in course of

manufacture, of individuals or corporations actually engaged in manufacturing, and their raw material actually on hand at their plant for the purpose of manufacture, fifteen (15) cents upon commercial radio, television and telephonic equipment directly used or associated with electronic equipment which broadcasts electronic signals to an antenna, fifteen (15) cents upon property which has been certified as a pollution control facility as defined in KRS 224.850, one-tenth of one cent ($.001) upon property which has been certified as an alcohol production facility as defined in KRS 247.910, *or as a fluidized bed energy production facility as defined in Section 1 of this Act,* twenty-five (25) cents upon each one hundred dollars ($100) of value of motor vehicles qualifying for permanent registration as historic motor vehicles under the provisions of KRS 186.043, and forty-five (45) cents upon each one hundred dollars ($100) of value of all other property directed to be assessed for taxation shall be paid by the owner or person assessed except as provided in subsection (2) of this section and KRS 132.030, 132.050, 132.200, 136.270, 136.300, 136.320 and other sections providing a different tax rate for particular property.

(2) An annual ad valorem tax for state purposes of one and one-half (1-1/2) cents upon each one hundred dollars ($100) of value shall be paid upon the following classes of intangible personal properties, when such intangible personal properties have not acquired a taxable situs without this state:

(a) Accounts receivable, notes, bonds, credits, nondomestic bank deposits, and any other intangible property rights arising out of or created in the course of regular and continuing business transactions substantially performed outside this state.

(b) Patents, trademarks, copyrights and licensing or royalty agreements, relating thereto.

(c) Shares of capital stock of any affiliated company as defined in subsection (3) of this section and notes, bonds, accounts receivable and all other intercompany intangible personal property due from such company.

(3) "Affiliated company" shall mean a parent corporation or subsidiary corporation, and any corporation principally engaged in business outside the United States in which the owner or the person assessed directly or indirectly owns or controls not less than ten percent (10%) of the outstanding voting stock.

(4) With respect to the intangible properties taxed pursuant to subsection (2) of this section, no other ad valorem tax shall be levied by the state or any county, city, school or other taxing district on such intangible properties, or directly or indirectly against the owner with respect thereto.

(5) Unmined coal and any interest therein, in whatever form held, including, but not limited to, leasehold and royalty interests shall be taxed at the rate of one-tenth of one cent ($.001) per one hundred dollars of assessed value.

(6) Thirty (30) cents of the thirty-one and one-half (31-1/2) cents state tax rate on real property and thirty (30) cents of the forty-five (45) cents state tax on tangible personalty subject to local taxation shall be considered as local school district tax levies for purposes of computing any direct payments of state or federal funds to said districts as replacement for ad valorem taxes lost on property acquired by a governmental agency. Should the equivalency ever be less than thirty (30) cents, as certified by the department of education, the direct payments shall be reduced proportionately.

(7) The provisions of subsection (1) of this section notwithstanding, the state tax rate on real property shall be reduced to compensate for any increase in the aggregate assessed value of real property to the extent that such increase exceeds the preceding year's assessment by more than four percent (4%). In any year in which the aggregate assessed value of real property is less than the preceding year, the state rate shall be increased to the extent necessary to produce the approximate amount of revenue that was produced in the preceding year from real property.

(8) By July 1 each year, the revenue cabinet shall compute the state tax rate applicable to real property for the current year in accordance with the provisions of KRS 132.020(6) and certify the rate to the county clerks for their use in preparing the tax bills. In the event the assessments for all counties have not been certified by July 1, the cabinet shall, when real property assessments of at least seventy-five percent (75%) of the total number of counties of the Commonwealth have been certified, make an estimate of the real property assessments of the uncertified counties and compute the state tax rate.

(9) In the event that the tax rate set by the cabinet as provided in subsection (8) of this section produces more

than a four percent (4%) increase in real property tax revenues, the rate shall be adjusted in the succeeding year so that the cumulative total of each year's property tax revenue increase shall not exceed four percent (4%) per year.

(10) An ad valorem tax for state purposes on distilled spirits shall be levied according to the following rate schedule:

Calendar Year	Rate per $100 of Assessed Value
1982	$.225
1983	$.1125
1984 and after	$.001

Section 6. KRS 132.200 is amended to read as follows:

All property subject to taxation for state purposes shall also be subject to taxation in the county, city, school or other taxing district in which it has a taxable situs, except the classes of property described in KRS 132.030 and 132.050, and the following classes of property, which shall be subject to taxation for state purposes only:

(7) Money in hand, notes, bonds, accounts and other credits, whether secured by mortgage, pledge or otherwise, or unsecured, and shares of stock, except that nothing in this section shall forbid local taxation of franchises of corporations or of the shares of banks, trust companies or combined banks and trust companies doing business in this state, or domestic life insurance companies;

HB 428, AN ACT relating to hazardous waste.

Be it enacted by the General Assembly of the Commonwealth of Kentucky:

Section 1. KRS 224.876 is amended to read as follows:

(1) The general assembly declares that it is the purpose of this section to promote the development of statewide programs, under the responsibility of a single agency, which are intended to protect the health of the citizens and the environment of the Commonwealth from present and future threats associated with the management of hazardous wastes, including disposal, treatment, recycling, storage, and transportation. The intent of the general assembly is to add to and coordinate, and not replace, existing efforts and responsibilities in the areas of hazardous waste management and to leave the primary burden and responsibility for hazardous waste management on private industry; and further to finance assistance and coordination by imposing assessments on the generators of hazardous waste. The assessments are intended to produce a reduction in waste generated; to promote the use of new techniques in recycling, treatment, and alternatives other than land disposal; and to place the burden of financing additional hazardous waste management activities necessarily undertaken by state agencies on the users of those products associated with hazardous waste generation.

(2) The natural resources and environmental protection cabinet is given the authority to administer the provisions and programs of this section and the responsibility to achieve the purposes of this section.

(3) In addition to all specific responsibilities contained elsewhere in this chapter, the cabinet shall:

(a) Respond effectively and in a timely manner to emergencies created by the release of hazardous substances as defined in KRS 224.877 into the environment. The cabinet shall provide for adequate containment and removal of the hazardous substances in order that the threat of a release or actual release of the substance may be abated and resultant harm to the environment minimized. *The provisions of KRS 45.700 to 45.720 may be suspended by the cabinet if necessary to respond to an environmental emergency.*

(b) Provide for post-closure monitoring and maintenance of hazardous waste disposal sites upon termination of post-closure monitoring and maintenance responsibilities by persons permitted to operate the facility pursuant to this chapter.

(c) *Identify, investigate, classify, contain, or clean up any release, threatened release, or disposal of a hazardous substance.* Provide adequate testing, planning, contracting for removal, and cleanup of abandoned hazardous waste sites in all situations and to the extent that responsible parties are economically or otherwise unavailable to properly address the problem when the problem represents an imminent danger to the health of the citizens and the environment of the Commonwealth.

(4) *The cabinet shall have the authority to finance the non-federal share of the cost for clean up of sites under the comprehensive environmental response, compensation and liability act of 1980, (public law 96-510).*

(5) The cabinet shall recover, when possible, actual and necessary expenditures incurred in carrying out the duties under this section. *Any expenditures recovered shall be placed in the hazardous waste management fund.*

(6)[~~(5)~~] It is the expressed purpose of this section to accomplish effective hazardous waste management that results in a reduction of the generation of hazardous wastes within the Commonwealth; further, it is a purpose of this chapter to allocate a portion of the cost of administering necessary governmental programs related to hazardous waste management to those industries whose products are reasonably related to the production of hazardous waste.

(7)[~~(6)~~] There is hereby imposed upon every person engaged within this state in the generation of hazardous waste an annual hazardous waste management assessment to be determined pursuant to this section according to the quantity by volume of hazardous waste generated, except that *no assessment shall be levied against* generators *for any quantity* of "special wastes" *or* [~~and retailers who generate~~] waste oil [~~shall be exempt from said assessment~~]. The assessment shall be reported and paid to the revenue cabinet on a quarterly basis on or before the twentieth (20th) day of the month after the end of each quarter. The payment shall be accompanied by a report or return in such form as the revenue cabinet may prescribe. If a federal law is enacted which accomplishes or purports to accomplish the purposes set forth in this section and which levies an assessment or tax upon any business assessed pursuant to this section, the amount of the assessment to be levied upon said

business under this section shall be reduced by the amount of the federal assessment or tax upon said business; provided, however, that the reduction shall only be authorized when funds raised by the federal assessment or tax are made available to the state for any of the activities to be funded under this section. If federal monies are available to carry out the duties imposed by subsection (3) of this section the assessment shall cease to be levied and collected until such time as federal monies are no longer available to the Commonwealth for said purposes. The assessment shall be charged against generators of hazardous waste until June 30, *1988* [~~1986~~], and after such date no further hazardous waste management assessment shall be charged against generators.

(8)[~~(7)~~] The assessment on generators shall be determined according to the following criteria for off-site treatment and disposal; the assessment for onsite treatment and disposal shall be one-half of the amount as would be assessed for off-site treatment and disposal except that onsite waste disposal facilities that incinerate, detoxify, solidify, neutralize or recycle hazardous waste shall be exempt unless the process involves the landfilling of hazardous waste.

(a) When the waste is destined for long-term containment without treatment, the assessment shall be two cents ($.02) per gallon initially, and shall increase by one cent ($.01) annually up to five cents ($.05) per gallon in 1983 and remain at five cents ($.05) thereafter if the waste is liquid, or two dollars and fifty cents ($2.50) per cubic yard if the waste is solid. Long-term containment includes disposal in a landfill, long-term storage, and other types of disposal specified by the cabinet.

(b) When a waste not suitable for a long-term containment is chemically treated, resulting in a material which is suitable for long-term containment but is still hazardous, the assessment shall be one cent ($.01) per gallon if the waste is a liquid or one dollar ($1) per cubic yard if the waste is solid.

(c) When the waste is destined for chemical treatment resulting in a material which is not hazardous as determined by testing criteria promulgated by the cabinet, the assessment shall be five mills ($.005) per gallon if the waste is liquid or fifty cents ($.50) per cubic yard if the waste is solid.

(d) When the waste is destined for destructive treatment by incineration or other means, the assessment shall be five mills ($.005) per gallon if the waste is liquid or fifty cents ($.50) per cubic yard if the waste is solid.

(9) Except for waste brought into the state by a company affiliated with the company receiving the waste, any person who transports hazardous waste into the state for land disposal or treatment which is generated outside of the state shall pay an assessment to the hazardous waste facility which first receives the waste for storage, treatment, or land disposal. The assessment rate shall be identical to the rate described in subsection (8)(a) through (d) of this section. The facility shall remit the assessment to the revenue cabinet on a quarterly basis on or before the twentieth (20th) day of the month after the end of each quarter. The payment shall be accompanied by a return as the revenue cabinet shall prescribe.

(10)[~~(8)~~] If any generator *or hazardous waste facility subject to the provisions of subsection (8) or (9) of this section* fails or refuses to file a return or furnish any information requested in writing by the cabinet, the revenue cabinet may, from any information in its possession, make an estimate and issue an assessment against such generator *or hazardous waste facility* and add a penalty of ten percent (10%) of the amount of the assessment so determined. This penalty shall be in addition to all other applicable penalties in this chapter.

(11)[~~(9)~~] If any generator *or hazardous waste facility subject to the provisions of subsection (8) or (9) of this section* fails to make and file a return required by this chapter on or before the due date of the return or the due date as extended by the revenue cabinet, then, unless it is shown to the satisfaction of the revenue cabinet, that the failure is due to reasonable cause, five percent (5%) of the assessment found to be due by the revenue cabinet shall be added to the assessment for each thirty (30) days or fraction thereof elapsing between the due date of the return and the date on which filed, but the total penalty shall not exceed twenty-five percent (25%) of the assessment.

(12)[~~(10)~~] If the assessment imposed by this chapter, whether assessed by the revenue cabinet, or the generator, or any installment or portion of the assessment is not paid on or before the date prescribed for its payment, there shall be collected, as a part of the assessment, interest upon the unpaid amount at the rate of eight percent (8%) per annum from the date prescribed for its payment until payment is actually made to the revenue cabinet.

(13)[~~(11)~~] There is hereby created within the state treasury a trust and agency fund which shall not lapse to be known as the hazardous waste management fund. *The fund shall be deposited in an interest bearing account.*

The revenue cabinet shall be responsible for collecting and receiving funds as provided in this section, and all such assessments collected or received by the state treasury shall be deposited in the hazardous waste management fund. When the state treasurer certifies to the cabinet that the balance of the hazardous waste management fund exceeds six million dollars ($6,000,000), assessments shall not be collected until the state treasurer certifies to the revenue cabinet that the balance in the hazardous waste management fund is less than three million dollars ($3,000,000).

(14)[~~(12)~~] Upon request of the secretary, monies accumulated in the hazardous waste management fund shall be released in amounts necessary to accomplish the performance of the duties imposed by subsection (3) of this section. [~~However, monies from the fund shall not be used when federal monies are available to carry out said duties except when immediate action is required to protect public health or the environment in which case the cabinet shall actively pursue reimbursement of the fund by any available federal monies.~~]

(15) The hazardous waste management fund may be used by the cabinet to subsidize a municipality, urban-county government, or county or other similar political subdivision of the state up to a maximum of fifty percent (50%) for the proper closure of or abatement of pollutants from a waste site or facility in which hazardous substances were disposed.

(16) If any person, responsible for a release or threatened release of a hazardous substance, fails to take response actions or to make reasonable progress in completing response actions ordered or directed by the cabinet, then the cabinet may bring an action to compel performance or may take appropriate response actions and assess the responsible person three (3) times the costs incurred by the cabinet.

(17) No person shall affect the integrity of the final cover, liners, or any other components of any containment system after closure of a hazardous waste site on or in which hazardous waste remains without prior written approval of the cabinet.

(18) If cleanup activities have occurred at a hazardous substance site, then the property owner shall record with the county clerk an affidavit containing a legal description of the property that discloses to any potential transferee that the land was used to dispose hazardous waste, the location and description of the wastes disposed and removed from the site, and a risk assessment concerning waste residues remaining on-site prepared by the responsible party and approved by the cabinet.

Section 2. KRS 224.877 is amended to read as follows:

(1) As used in this section:

(a) "Discharge" means but is not limited to spilling, leaking, pumping, pouring, emitting, emptying or dumping.

(b) "Hazardous substance" means*:*

1. Any commercial chemical designated pursuant to the clean water act, section 307(a) and 311 (b)(4);

2. Any hazardous air pollutant listed pursuant to the clean air act, section 112;

3. Any hazardous waste under KRS Chapter 224; and

4. Any imminently hazardous chemical substance or mixture listed pursuant to the toxic substance control act, section 7.

This definition does not include natural gas, natural gas liquids, liquefied natural gas, synthetic gas usable for fuel, or mixtures of such synthetic gas and natural gas, nor does it include petroleum, including crude oil or any fraction thereof which is not otherwise a hazardous waste [~~any substance or combination of substances including wastes of a solid, liquid, gaseous or semi-solid form which, because of its quantity, concentration or physical, chemical or infectious characteristics may cause or significantly contribute to an increase in mortality or an increase in serious irreversible or incapacitating reversible illness, or pose a substantial present or potential hazard to human health or the environment. Such substances may include but are not limited to those which are, according to criteria established by the cabinet, toxic, corrosive, ignitable, irritants, strong sensitizers or explosive~~].

(c) "Preventive measures" mean the installation or testing of equipment or devices, designated way of performing a specified operation or the preparation of an emergency response plan.

(d) "Environmental emergency" includes any release or threatened release of materials into the environment in such quantities or concentrations as cause or threaten to cause an imminent and substantial danger to human health or the environment; the term includes, but is not limited to, discharges of oil and hazardous substances prohibited by section 311(b)(3) of the federal clean water act—(P.L. 92-500), as amended.

(2) The cabinet shall promulgate regulations designating the hazardous substances subject to the provisions of this section.

(3) Persons possessing or controlling a hazardous substance shall immediately notify the cabinet of any discharge which exceeds the limits permitted by law. Notification received under this subsection or information obtained in a notification received under this subsection may not be used against the person making such a notification in any criminal proceeding.

(4) Persons having possession of or control over a hazardous substance being discharged or who caused the discharge shall take the actions necessary to restore the environment to the extent practicable and minimize the harmful effects from any discharge into the air, lands or waters of the Commonwealth.

(5) The cabinet shall be the lead agency for hazardous substance emergency spill response and, after consultation with other affected federal, state and local agencies and private organizations, shall establish a contingency plan for undertaking emergency actions in response to the discharge of hazardous substances. The contingency plan shall:

(a) Provide for efficient, coordinated and effective action to minimize damage to the air, land and waters of the Commonwealth caused by the discharge of hazardous substances;

(b) Include containment, cleanup and disposal procedures;

(c) Provide for restoration of the lands or waters affected to the satisfaction of the cabinet;

(d) Assign duties and responsibilities among state cabinets and agencies in coordination with federal and local agencies;

(e) Provide for the identification, procurement, maintenance and storage of necessary equipment and supplies;

(f) Provide for designation of persons trained, prepared and available to provide the necessary services to carry out the plan; and

(g) Establish procedures and techniques for identifying, containing, removing and disposing of discharged hazardous substances.

(6) The cabinet shall have the authority, power and duty to:

(a) Recover from persons liable therefor for the benefit of the hazardous waste management fund, the cabinet's actual costs expended in response to an environmental emergency. Except as provided in paragraph (b), this section is intended solely to recognize the existence of a cause of action on behalf of the cabinet and is not intended to expand or contract the bases of liability, the elements of proof or the amount of liability of any person;

(b) Notwithstanding paragraph (a), recover its costs incurred in the removal of oil or hazardous substances discharged in violation of section 311(b)(3) of the federal clean water act from any person liable therefor under section 311 of the federal clean water act subject to limitations of liability and defenses provided in said section. Such limitations of liability shall apply to the total of state and federal expenses;

(c) In every case where action required under this section is not being adequately taken or the identity of the person responsible for the discharge is unknown, the cabinet or its agent may contain, remove or dispose of the hazardous substance or take any other emergency action which it deems appropriate under the circumstances, including, but not limited to, issuance of an emergency order as provided in KRS 224.071 to the person possessing, controlling or responsible for the discharge of the hazardous substance as necessary for the protection of the environment and public health, safety or welfare;

(d) Any duly authorized officer, employe or agent of the cabinet may upon notice to the owner or occupant enter any property, premises or place at any time for the purposes of this section, if such entry is necessary to prevent damage to the air, land or waters of the Commonwealth. Notice to the owner or occupant shall not be required if the delay attendant upon providing it will result in imminent risk to public health or safety.

(7) Nothing in this section shall replace the financial and technical assistance available to the Commonwealth pursuant to section 311 of the federal clean water act (P.L. 92-500) as amended, but rather shall be used to provide the Commonwealth with a mechanism for more immediate response to emergencies resulting from the discharge of hazardous substances.

Section 3. KRS 224.864 is amended to read as follows:

(1) The cabinet shall promulgate regulations which establish standards for the generators of hazardous waste requiring such generators to do the following:

(a) Compile and maintain such information and record keeping regarding the quantities of hazardous waste generated, characteristics and composition of such waste and disposition of hazardous waste generated;

(b) Utilize proper labeling and containerization of hazardous waste as required by the cabinet;

(c) Utilize a manifest for each shipment of hazardous waste and assure that the facility to which the waste is designated is a permitted facility;

(d) Provide information on the general chemical composition of the hazardous waste to persons transporting, treating, storing or disposing of hazardous waste;

(e) Keep all records and copies of manifest readily available for review and inspection by the designated representative of the cabinet;

(f) Retain all records and manifest copies for a minimum of three (3) years or as required by the cabinet;

(g) Compile a periodic report of hazardous waste generated, stored, transferred, treated, disposed or transported for treatment, storage, or disposal as required by the cabinet*;*

(h) Provide the report required in paragraph (g) of this subsection to the county judge/executive of the county or urban-county government within which the waste site or facility which will receive waste from the generator is located and to the county judge/executive of the county or urban-county government within which the generator is located in order that the county judge/executive may make the report available to the county law enforcement and emergency services for emergency planning purposes.

(2) Any person who generates waste in this state shall make a determination as to whether or not such waste is hazardous pursuant to criteria promulgated by the cabinet, and any generator of hazardous waste shall certify that all information required in notices or reports to the cabinet or information provided on the manifest document is factual.

(3) The cabinet shall promulgate regulations specifying the criteria by which wastes may be determined to be hazardous and based on use of these criteria maintain and update a list of wastes identified as hazardous wastes which shall be subject to the hazardous waste management provisions of KRS 224.862 to 224.874. The criteria and lists promulgated by the cabinet shall be identical to any such criteria and lists proposed or promulgated by the U. S. environmental protection agency pursuant to the resource conservation and recovery act of 1976, as amended (PL 94-580). In providing for the management of hazardous waste, the cabinet shall establish classes or categories of hazardous waste reflecting the relative degree of hazard consistent with P.L. 94-580 and regulations issued pursuant thereto. Any person generating any substance which either meets the criteria or is identified as hazardous waste shall within ninety (90) days of promulgation of the regulation so notify the cabinet.

Section 4. KRS 224.868 is amended to read as follows:

(1) (a) For purposes of this section and KRS 224.876*(7)*[~~(6)~~], special wastes are those wastes of high volume and low hazard which include but are not limited to mining wastes, utility wastes (fly ash, bottom ash, scrubber sludge), sludge from water treatment facilities and waste water treatment facilities, cement kiln dust, gas and oil drilling muds and oil production brines. Other wastes may be designated special wastes by the cabinet.

(b) Disposal sites or facilities for special wastes shall be exempt from the provisions of KRS 224.866 and the provisions of KRS 224.896, 224.897 and 224.2201 to 224.2215 but may be regulated by the cabinet consistent with the resource conservation and recovery act of 1976, as amended (PL 94-580) and regulations issued pursuant thereto unless the special waste received is listed or meets the criteria of a hazardous waste in regulations pursuant to KRS 224.864(3). If the special waste is a hazardous waste as specified in regulations pursuant to KRS 224.864(3), the site or facility shall be required by the cabinet to comply with the provisions of KRS 224.866 but shall not be subject to the requirements of KRS 224.855(5).

(c) Generators of special wastes shall register with the cabinet and be subject to the provisions of KRS 224.864, except for generators of coal mining wastes which shall be regulated pursuant to the provisions of KRS Chapter 350.

(d) The cabinet may promulgate special waste regulations that recognize the distinct differences between the category of special wastes and other hazardous and solid wastes due to the fact that special wastes have large volume but low hazardousness. The cabinet's regulations for the generation, transport, record keeping, reporting, treatment, storage and disposal shall reflect those distinct differences. The cabinet's regulations shall recognize and incorporate where appropriate and if consistent with the policies of KRS 224.864 to 224.874 any deadline extensions, studies, and specialized requirements for specific kinds of special wastes that are or may be undertaken at the federal or other levels of government.

(2) Generators of waste oil shall be exempt from the provisions of KRS 224.864 and 224.866 so long as waste oil is not specified as a hazardous waste in regulations pursuant to KRS 224.864(3) but may be regulated by the cabinet consistent with the resource conservation and recovery act of 1976, as amended (PL 94-580) and regulations issued pursuant thereto.

The Committee Substitute to HB 428 is as follows:

HB 428, AN ACT relating to hazardous waste.

Be it enacted by the General Assembly of the Commonwealth of Kentucky:

The payment shall be accompanied by a report or return in such form as the revenue cabinet may prescribe. If a federal law is enacted which accomplishes or purports to accomplish the purposes set forth in this section and which levies an assessment or tax upon any business assessed pursuant to this section, the amount of the assessment to be levied upon said business under this section shall be reduced by the amount of the federal assessment or tax upon said business; provided, however, that the reduction shall only be authorized when funds raised by the federal assessment or tax are made available to the state for any of the activities to be funded under this section. If federal monies are available to carry out the duties imposed by subsection (3) of this section the assessment shall cease to be levied and collected until such time as federal monies are no longer available to the Commonwealth for said purposes. The assessment shall be charged against generators of hazardous waste until June 30, *1988* [~~1986~~], and after such date no further hazardous waste management assessment shall be charged against generators.

The facility shall remit the assessment to the revenue cabinet on a quarterly basis on or before the twentieth (20th) day of the month after the end of each quarter. The payment shall be accompanied by a return as the revenue cabinet shall prescribe.

(10)[~~(8)~~] If any generator *or hazardous waste facility subject to the provisions of subsection (8) or (9) of this section* fails or refuses to file a return or furnish any information requested in writing by the cabinet, the revenue cabinet may, from any information in its possession, make an estimate and issue an assessment against such generator *or hazardous waste facility* and add a penalty of ten percent (10%) of the amount of the assessment so determined. This penalty shall be in addition to all other applicable penalties in this chapter.

(11)[~~(9)~~] If any generator *or hazardous waste facility subject to the provisions of subsection (8) or (9) of this section* fails to make and file a return required by this chapter on or before the due date of the return or the due date as extended by the revenue cabinet, then, unless it is shown to the satisfaction of the revenue cabinet, that the failure is due to reasonable cause, five percent (5%) of the assessment found to be due by the revenue cabinet shall be added to the assessment for each thirty (30) days or fraction thereof elapsing between the due date of the return and the date on which filed, but the total penalty shall not exceed twenty-five percent (25%) of the assessment.

(12)[~~(10)~~] If the assessment imposed by this chapter, whether assessed by the revenue cabinet, or the generator, or any installment or portion of the assessment is not paid on or before the date prescribed for its payment, there shall be collected, as a part of the assessment, interest upon the unpaid amount at the rate of eight percent (8%) per annum from the date prescribed for its payment until payment is actually made to the revenue cabinet.

(13)[~~(11)~~] There is hereby created within the state treasury a trust and agency fund which shall not lapse to be known as the hazardous waste management fund. *The fund shall be deposited in an interest bearing account.* The revenue cabinet shall be responsible for collecting and receiving funds as provided in this section, and all such assessments collected or received by the state treasury shall be deposited in the hazardous waste management fund. When the state treasurer certifies to the cabinet that the balance of the hazardous waste management fund exceeds six million dollars ($6,000,000), assessments shall not be collected until the state treasurer certifies to the revenue cabinet that the balance in the hazardous waste management fund is less than three million dollars ($3,000,000).

(14)[~~(12)~~] Upon request of the secretary, monies accumulated in the hazardous waste management fund shall be released in amounts necessary to accomplish the performance of the duties imposed by subsection (3) of this section. However, monies from the fund shall not be used when federal monies are available to carry out said duties except when immediate action is required to protect public health or the environment in which case the cabinet shall actively pursue reimbursement of the fund by any available federal monies.

(15) If any person, responsible for a release or threatened release of a hazardous substance, fails to take response actions or to make reasonable progress in completing response actions ordered by the cabinet, then the cabinet may bring an action to compel performance or may take appropriate response actions and order the responsible person to reimburse the cabinet for the actual costs incurred by the cabinet.

(16) If cleanup activities have occurred at a hazardous substance site, then the property owner shall record with the county clerk an affidavit containing a legal description of the property that discloses to any potential transferee that the land was used to dispose hazardous waste.

Section 2. KRS 224.877 is amended to read as follows:

(1) As used in this section:

(a) "Discharge" means but is not limited to spilling, leaking, pumping, pouring, emitting, emptying or dumping.

(b) "Hazardous substance" means any substance or combination of substances including wastes of a solid, liquid, gaseous or semi-solid form which, because of its quantity, concentration or physical, chemical or infectious characteristics may cause or significantly contribute to an increase in mortality or an increase in serious irreversible or incapacitating reversible illness, or pose a substantial present or potential hazard to human health or the environment. Such substances may include but are not limited to those which are, according to criteria established by the cabinet, toxic, corrosive, ignitable, irritants, strong sensitizers or explosive.

(c) "Preventive measures" mean the installation or testing of equipment or devices, designated way of performing a specified operation or the preparation of an emergency response plan.

(d) "Environmental emergency" includes any release or threatened release of materials into the environment in such quantities or concentrations as cause or threaten to cause an imminent and substantial danger to human health or the environment; the term includes, but is not limited to, discharges of oil and hazardous substances prohibited by section 311(b)(3) of the federal clean water act—(P.L. 92-500), as amended.

(2) The cabinet shall promulgate regulations designating the hazardous substances subject to the provisions of this section, *provided that the regulations shall not designate as hazardous any substance that is not a hazardous substance under the federal comprehensive environmental response compensation and liability act.*

(3) Persons possessing or controlling a hazardous substance shall immediately notify the cabinet of any discharge which exceeds the limits permitted by law. Notification received under this subsection or information obtained in a notification received under this subsection may not be used against the person making such a notification in any criminal proceeding.

(4) Persons having possession of or control over a hazardous substance being discharged or who caused the discharge shall take the actions necessary to restore the environment to the extent practicable and minimize the harmful effects from any discharge into the air, lands or waters of the Commonwealth.

(5) The cabinet shall be the lead agency for hazardous substance emergency spill response and, after consultation with other affected federal, state and local agencies and private organizations, shall establish a contingency plan for undertaking emergency actions in response to the discharge of hazardous substances. The contingency plan shall:

(a) Provide for efficient, coordinated and effective action to minimize damage to the air, land and waters of the Commonwealth caused by the discharge of hazardous substances;

(b) Include containment, cleanup and disposal procedures;

(c) Provide for restoration of the lands or waters affected to the satisfaction of the cabinet;

(d) Assign duties and responsibilities among state cabinets and agencies in coordination with federal and local agencies;

(e) Provide for the identification, procurement, maintenance and storage of necessary equipment and supplies;

(f) Provide for designation of persons trained, prepared and available to provide the necessary services to carry out the plan; and

(g) Establish procedures and techniques for identifying, containing, removing and disposing of discharged hazardous substances.

(6) The cabinet shall have the authority, power and duty to:

(a) Recover from persons liable therefor for the benefit of the hazardous waste management fund, the cabinet's actual costs expended in response to an environmental emergency. Except as provided in paragraph (b), this section is intended solely to recognize the existence of a cause of action on behalf of the cabinet and is not intended to expand or contract the bases of liability, the elements of proof or the amount of liability of any person;

(b) Notwithstanding paragraph (a), recover its costs incurred in the removal of oil or hazardous substances discharged in violation of section 311(b)(3) of the federal clean water act from any person liable therefor under section 311 of the federal clean water act subject to limitations of liability and defenses provided in said section. Such limitations of liability shall apply to the total of state and federal expenses;

(c) In every case where action required under this section is not being adequately taken or the identity of the person responsible for the discharge is unknown, the cabinet or its agent may contain, remove or dispose of the hazardous substance or take any other emergency action which it deems appropriate under the circumstances, including, but not limited to, issuance of an emergency order as provided in KRS 224.071 to the person possessing, controlling or responsible for the discharge of the hazardous substance as necessary for the protection of the environment and public health, safety or welfare;

(d) Any duly authorized officer, employe or agent of the cabinet may upon notice to the owner or occupant enter any property, premises or place at any time for the purposes of this section, if such entry is necessary to prevent damage to the air, land or waters of the Commonwealth. Notice to the owner or occupant shall not be required if the delay attendant upon providing it will result in imminent risk to public health or safety.

(7) Nothing in this section shall replace the financial and technical assistance available to the Commonwealth pursuant to section 311 of the federal clean water act (P.L. 92-500) as amended, but rather shall be used to provide the Commonwealth with a mechanism for more immediate response to emergencies resulting from the discharge of hazardous substances.

Section 3. KRS 224.864 is amended to read as follows:

(1) The cabinet shall promulgate regulations which establish standards for the generators of hazardous waste requiring such generators to do the following:

(a) Compile and maintain such information and record keeping regarding the quantities of hazardous waste generated, characteristics and composition of such waste and disposition of hazardous waste generated;

(b) Utilize proper labeling and containerization of hazardous waste as required by the cabinet;

(c) Utilize a manifest for each shipment of hazardous waste and assure that the facility to which the waste is designated is a permitted facility;

(d) Provide information on the general chemical composition of the hazardous waste to persons transporting, treating, storing or disposing of hazardous waste;

(e) Keep all records and copies of manifest readily available for review and inspection by the designated representative of the cabinet;

(f) Retain all records and manifest copies for a minimum of three (3) years or as required by the cabinet;

(g) Compile a periodic report of hazardous waste generated, stored, transferred, treated, disposed or transported for treatment, storage, or disposal as required by the cabinet*;*

(h) Provide the report required in paragraph (g) of this subsection to the county judge/executive of the county or urban-county government within which the waste site or facility which will receive waste from the generator is located and to the county judge/executive of the county or urban-county government within which the generator is located in order that the county judge/executive may make the report available to the county law enforcement and emergency services for emergency planning purposes.

(2) Any person who generates waste in this state shall make a determination as to whether or not such waste is hazardous pursuant to criteria promulgated by the cabinet, and any generator of hazardous waste shall certify that all information required in notices or reports to the cabinet or information provided on the manifest document is factual.

(3) The cabinet shall promulgate regulations specifying the criteria by which wastes may be determined to be hazardous and based on use of these criteria maintain and update a list of wastes identified as hazardous wastes which shall be subject to the hazardous waste management provisions of KRS 224.862 to 224.874. The criteria and lists promulgated by the cabinet shall be identical to any such criteria and lists proposed or promulgated by

the U. S. environmental protection agency pursuant to the resource conservation and recovery act of 1976, as amended (PL 94-580). In providing for the management of hazardous waste, the cabinet shall establish classes or categories of hazardous waste reflecting the relative degree of hazard consistent with P.L. 94-580 and regulations issued pursuant thereto. Any person generating any substance which either meets the criteria or is identified as hazardous waste shall within ninety (90) days of promulgation of the regulation so notify the cabinet.

Section 4. KRS 224.868 is amended to read as follows:

(1) (a) For purposes of this section and KRS 224.876*(7)*[~~(6)~~], special wastes are those wastes of high volume and low hazard which include but are not limited to mining wastes, utility wastes (fly ash, bottom ash, scrubber sludge), sludge from water treatment facilities and waste water treatment facilities, cement kiln dust, gas and oil drilling muds and oil production brines. Other wastes may be designated special wastes by the cabinet.

(b) Disposal sites or facilities for special wastes shall be exempt from the provisions of KRS 224.866 and the provisions of KRS 224.896, 224.897 and 224.2201 to 224.2215 but may be regulated by the cabinet consistent with the resource conservation and recovery act of 1976, as amended (PL 94-580) and regulations issued pursuant thereto unless the special waste received is listed or meets the criteria of a hazardous waste in regulations pursuant to KRS 224.864(3). If the special waste is a hazardous waste as specified in regulations pursuant to KRS 224.864(3), the site or facility shall be required by the cabinet to comply with the provisions of KRS 224.866 but shall not be subject to the requirements of KRS 224.855(5).

(c) Generators of special wastes shall register with the cabinet and be subject to the provisions of KRS 224.864, except for generators of coal mining wastes which shall be regulated pursuant to the provisions of KRS Chapter 350.

(d) The cabinet may promulgate special waste regulations that recognize the distinct differences between the category of special wastes and other hazardous and solid wastes due to the fact that special wastes have large volume but low hazardousness. The cabinet's regulations for the generation, transport, record keeping, reporting, treatment, storage and disposal shall reflect those distinct differences. The cabinet's regulations shall recognize and incorporate where appropriate and if consistent with the policies of KRS 224.864 to 224.874 any deadline extensions, studies, and specialized requirements for specific kinds of special wastes that are or may be undertaken at the federal or other levels of government.

(2) Generators of waste oil shall be exempt from the provisions of KRS 224.864 and 224.866 so long as waste oil is not specified as a hazardous waste in regulations pursuant to KRS 224.864(3) but may be regulated by the cabinet consistent with the resource conservation and recovery act of 1976, as amended (PL 94-580) and regulations issued pursuant thereto.

HCR 5, A CONCURRENT RESOLUTION requesting the United States Congress to investigate coal imports and to restrict such imports as appropriate.

WHEREAS, by 1990 imported coal may displace approximately 17 million tons of U.S. produced coal from domestic coal markets with the result of the potential loss of 8,000 coal-related jobs; and

WHEREAS, foreign coal is priced at between 25 and 55 dollars a ton giving imported coal a price only 52% to 87% of domestic coal prices; and

WHEREAS, increased imported coal purchases would particularly have an adverse effect on the coal producing states of Kentucky, West Virginia, Montana, and Wyoming, and Kentucky alone is estimated to lose 2 million tons of production and nearly 2,000 jobs; and

WHEREAS, there are many factors creating this price advantage for foreign coal such as the strength of the U.S. dollar, rail rates, state utility, regulatory commission practices, and, perhaps the most important, the overseas costs of capital and foreign tax practices and subsidies;

NOW, THEREFORE,

Be it resolved by the House of Representatives of the General Assembly of the Commonwealth of Kentucky, the Senate concurring therein:

(1) That the United States Congress is urged to investigate the circumstances creating price advantages for foreign coal producers and, should any factors be revealed which give foreign producers an unfair competitive edge, take appropriate measures, not the least of which should be an import tariff, to eliminate that unfair advantage.

(2) That copies of this resolution shall be mailed to the President Pro Tempore of the U.S. Senate and the Speaker of the U.S. House of Representatives and to the members of the Kentucky Congressional delegation.

The provisions of subsection (1) of this section and the minimum period of service for entitlement to a bonus as established by Section 2(4) of this Act shall not apply to these beneficiaries. However, this exception does not waive the respective maximums of three hundred dollars ($300) or five hundred dollars ($500) for each veteran, person killed in the line of duty while on active duty in the armed forces, or person who died as a result of service-connected injury sustained while on active duty in the armed forces. The administrator shall make prompt determination that each application is approved or disapproved for payment of a bonus; and if approved, shall determine the amount to be paid according to the provisions of this Act.

SECTION 12. A NEW SECTION OF KRS CHAPTER 40 IS CREATED TO READ AS FOLLOWS:

(1) If a claim is disapproved, the administrator shall send a notice of such decision to the claimant by mail at the address shown in the application. The notice shall be in such form as the administrator may determine, shall contain a designation of the reason for disapproval, shall inform the claimant of his right to seek review, shall have attached such form of request for review as the administrator may prescribe, and shall give information as to procedure for review.

(2) Application for review of the administrator's disapproval shall be made only on the forms prescribed and furnished by the administrator; and shall be received in the office of the administrator by the closing hour in

the thirtieth (30th) day after the day upon which the notice of the disapproval is mailed by the administrator, or be forever barred.

(3) Upon receiving an application for review, the administrator shall transmit the same, together with the original application and all papers in the case, to the board of review, hereinafter created.

(4) The board of review shall promptly consider the same evidence which was available to the administrator, and shall promptly enter in the case file its decision either finally affirming the administrator's decision, or finally determining the claim and the amount thereof.

(5) The board of review shall send a notice of its decision to the claimant by registered mail, and shall return the case file to the administrator. The decision of the board of review shall be a final determination of the claim shown in the application.

SECTION 13. A NEW SECTION OF KRS CHAPTER 40 IS CREATED TO READ AS FOLLOWS:

If the administrator shall disapprove any claim, or if the decision of the board of review be affirmance of the administrator's disapproval of the claim:

(1) No payment of a bonus shall be made,

(2) The administrator, upon receiving advice of the decision, shall note the same in a permanent book or record in his office; shall forthwith return to the claimant the copies of any official records submitted in support of the application; shall finally close the claim file; and may destroy all other papers except the application.

SECTION 14. A NEW SECTION OF KRS CHAPTER 40 IS CREATED TO READ AS FOLLOWS:

(1) If a claim is approved by the administrator or finally approved upon resort to the board of review, the administrator shall promptly certify to the secretary of finance and administration the names and addresses of persons found entitled to be paid, as shown in the application, and the amount payable to each.

(a) A copy of each such certificate shall be sent to the commissioner of revenue, who shall promptly ascertain from the records of his department whether any person proposed to be paid a bonus is delinquent in the payment of any tax liability to the Commonwealth. No delinquency shall be deemed to exist as to any asserted tax liability which is the subject of a bona fide dispute. If any delinquency be found to exist, the commissioner of revenue shall within three (3) working days after this receipt of the certificate, furnish the details thereof to the secretary of finance and administration; and if no advice of tax delinquency is received by the secretary of finance and administration before the end of the fourth working day after his receipt of certification from the administrator, he shall, for the purposes of this Act, conclusively presume that no delinquency of tax liability to the Commonwealth exists, but such presumption shall apply only to the existence or absence of a set-off by the Commonwealth against a certified claim for a bonus, and shall not alter the facts as between the Commonwealth and any taxpayer.

(b) If no advice of tax delinquency is received within such allowed time, the secretary of finance and administration may approve payment in accordance with the certificate of the administrator, and may immediately draw a warrant on the state treasury for a check in payment.

(c) Upon receipt of such warrant the state treasurer shall issue a check in accordance therewith payable from funds made available in accordance with this Act, and the same shall promptly be mailed to the payee thereof at the address shown in the certificate.

(2) If the secretary of finance and administration shall, within the allowed time, receive advice from the commissioner of revenue of the existence of a delinquency on the part of any person having an approved claim for a bonus, as to any tax liability to the Commonwealth, the secretary of finance and administration shall note the same on the certificate of the administrator, withhold payment, and forthwith send to the claimant by registered mail a notice of the asserted delinquency, and the amount thereof, and that it is proposed that the same be set off against the bonus payment.

(a) If the secretary of finance and administration receives no protest in his office within ten (10) working days

after recording such notice, he shall conclusively presume that the proposed set-off is just, shall apply the amount thereof in reduction or extinguishment of the payment certified by the administrator, and shall advise the commissioner of revenue of the amount set off against the bonus, which advice shall be noted by the commissioner of revenue on the records of his office as a credit upon the delinquent tax liability.

(b) If the tax set-off does not consume the entire amount of the bonus as certified by the administrator, the commissioner shall draw a warrant upon the state treasury for a check in the amount of the remainder, and upon receiving such check from the state treasurer shall send the same, together with advice of the set-off, by mail, to the payee at the address shown in the certificate of the director.

(3) If the secretary of finance and administration receives from the claimant a protest of the asserted tax delinquency, within the allowed time, the secretary shall withhold approval for payment, and shall refer the protest to the commissioner of revenue for disposition.

(4) If a tax set-off is made, and the claimant shall assert error with regard thereto, the exclusive remedy shall be by seeking refund from the commissioner of revenue.

SECTION 15. A NEW SECTION OF KRS CHAPTER 40 IS CREATED TO READ AS FOLLOWS:

(1) Claims for payment of a bonus shall not be assignable before or after approval thereof; and any attempted or purported assignment received by or tendered to any officer of the Commonwealth shall be void, need not be acknowledged or returned, and may be disregarded.

(2) Payments of the bonus shall be exempt from all taxation by the Commonwealth, its political subdivisions and taxing districts.

(3) No claim for payment of a bonus and no payment made by the Commonwealth under this Act shall give rise to a cause of action against the Commonwealth or any of its officers, agents, or employes, and no claim for payment shall be subject to attachment, levy, garnishment or seizure by or under any legal or equitable process whatever; but this provision shall not extend exemption from legal process to the proceeds of any bonus payment after the same has been received from the Commonwealth.

(4) The Commonwealth does not consent to be sued in any court with regard to any matter connected with or arising out of claims for payment of the bonus herein authorized.

SECTION 16. A NEW SECTION OF KRS CHAPTER 40 IS CREATED TO READ AS FOLLOWS:

(1) There shall be a board of review consisting of nine (9) persons who are residents and qualified voters of the Commonwealth, appointed by the governor without limitation as to political affiliation, religion, race, sex, or past or present service in the armed forces, except that six (6) members of this board shall be veterans. (2) Three (3) members and no more shall constitute a board of review, and shall by concurrence of two (2) members decide any claim which comes before the board in the manner provided in this Act. The chairman of the board shall designate three (3) members to consider and decide each claim, having due regard for availability for service so that delay may be avoided.

(3) The chairman and secretary shall devote their full time to the affairs of the board and shall receive compensation at the rate to be fixed in accordance with personnel standards fixed by the commissioner of personnel until the functions of the board are performed and the board is dissolved as hereinafter provided. Other members of the board shall be compensated fifty dollars ($50.00) per diem, but only for actual time served in considering and deciding claims for veterans' bonuses pursuant to designation by the chairman. All members of the board shall be reimbursed for necessary travel to and from their places of residence, and in performance of duties pursuant to assignment, at the rate of eighteen (18) cents per mile.

(4) Each claim coming before the board shall promptly be considered and decided by the three (3) members designated for that purpose. In every case the board shall either affirm the decision of the administrator, or determine that a Viet Nam veterans' bonus should be paid, and to what persons and in what amounts. No written opinions or recitations of reasons for any decision need be made. A statement of the decision made

shall be signed by at least two (2) of the three (3) members designated to decide the claim; and upon concurrence of two (2) members a decision shall be final and not subject to reconsideration.

(5) When, after April 1, 1988, the board of review shall have decided all cases coming before it for decision, the chairman shall report such fact to the governor in writing. The governor shall thereupon declare that the board of review is dissolved, and shall so notify the members, and the functions and duties of the board shall be deemed to have been fully performed.

SECTION 17. A NEW SECTION OF KRS CHAPTER 40 IS CREATED TO READ AS FOLLOWS:

Any person who charges or collects or attempts to charge or collect either directly or indirectly, any fee or other compensation for assisting in any manner a person seeking to obtain payment of a bonus under this Act, shall be fined not more than five hundred dollars ($500) or imprisoned in the county jail for a term of not more than six (6) months, or both; but this provision is not intended to prohibit:

(1) Collection by public officers of statutory fees for providing authenticated copies of public records, or

(2) The giving of assistance or advice to claimants by any bona fide veterans' organization, civic organization, institution, public or private body, or person, through one (1) or more persons compensated from the funds of such organization, institution, or public or private body or person, if no fee or charge therefor is collected from the asserted claimant.

Section 2. KRS 61.595 is amended to read as follows:

(1) Effective August 1, *1986* [~~1984~~], upon retirement at normal retirement date, or subsequent thereto, a member may receive an annual retirement allowance, payable monthly during his lifetime, which shall consist of an amount equal to one and *eight-tenths percent (1.8%)* [~~sixty-five hundredths percent (1.65%)~~] of final compensation multiplied by the number of years of service credit, except that:

(b) The annual normal retirement allowance for members of the general assembly who will have fewer than eight (8) years of service as of December 31, 1975, shall be as prescribed in Chapter 116, section 36(1), Acts of the 1972 general assembly for legislative service prior to January 1, 1974;

(c) Former members of the general assembly who have eight (8) or more years of legislative service prior to the 1976 regular session are eligible for an increased retirement allowance of $240 times the years of legislative service, provided such member pays to the Kentucky employes retirement system thirty-five (35) percent of the actuarial cost of the higher benefit, as determined by the board, except that a former member with sixteen (16) or more years of legislative service, or his beneficiary, who is receiving a retirement allowance, also is eligible under this section and may apply for a recomputation of his retirement allowance. The employer's share of sixty-five (65) percent of such computed actuarial cost shall be paid from the state treasury to the Kentucky employes retirement system upon presentation of a properly documented claim to the finance and administration cabinet. If any such member with sixteen (16) or more years of legislative service previously applied for and is receiving a retirement allowance, he may reapply and his retirement allowance shall be recomputed in accordance with this paragraph (c), and he shall thereafter be paid in accordance with the option selected by him at the time of the reapplication;

(d) The annual normal retirement allowance for a member with ten (10) or more years of service, in the Kentucky employes retirement system, at least one (1) of which is current service, shall not be less than five hundred twelve dollars ($512).

(3) The retirement allowance shall be calculated by using the member's known creditable compensation prior to his last month's employment and an estimate of his creditable compensation during the last month he was employed. Based upon this calculation, the state treasurer shall be requested to issue the initial retirement payment.

(4) A new calculation shall be made when the official report has been received of the member's creditable compensation during his last month's employment. However, the retirement allowance determined in accordance with subsection (3) of this section shall be the official retirement allowance unless the new calculation derives an amount which is twenty-five (25) cents greater or less than the amount of the initial retirement payment.

Section 3. KRS 61.691 is amended to read as follows:

(1) Effective *July 1, 1986 and July 1, 1987* [~~January 1, 1985~~], a recipient of a retirement allowance under KRS *16.505* [~~16.510~~] to 16.652 and 61.510 to 61.705 and 78.510 to 78.852 shall have his retirement allowance increased by *four percent (4%)* [~~one dollar ($1) per month for each year of service accumulated prior to retirement. The increase is applicable only to recipients who began receiving benefits prior to August 1, 1984~~].

(2) A reemployed retired member whose payments are suspended as provided under KRS 61.637 shall be eligible for an increase in his suspended retirement allowance as provided under this section, computed as if he were receiving said retirement allowance at the time such increase under this section is effective.

Section 4. KRS 16.576 is amended to read as follows:

(1) A member shall terminate employment on his normal retirement date.

(2) Any member with at least five (5) years of service credit may retire at his normal retirement date, or subsequent thereto, upon written notification to the board, setting forth at what time the retirement is to become effective, provided that such effective date shall be after his last day of service and subsequent to the filing of such notice.

(3) The member shall have the right to elect to have his retirement allowance payable under subsection (4), (5) or (7) of this section or any one (1) of the plans set forth in KRS 61.635.

(4) Effective August 1, *1986* [~~1984~~], the member may elect to receive an annual retirement allowance, payable monthly during his lifetime, equal to two and *four-tenths percent (2.4%)* [~~thirty-five hundredths percent (2.35%)~~] of final compensation for each year of service credit. The annual retirement allowance for a member covered by this section shall not exceed the maximum benefit as set forth in the internal revenue code.

(5) The member may elect to receive a monthly retirement allowance payable for ten (10) years certain, actuarially equivalent to the retirement allowance payable under subsection (4) of this section. If the member should become deceased prior to the expiration of ten (10) years, his beneficiary shall receive the remaining payments monthly for the duration of the ten (10) years.

(6) Notwithstanding any other provisions of this section, upon written notification to the board, a member shall have the option to defer his election to receive his retirement allowance. The retirement allowance payable under a deferred option shall be increased to reflect the deferred receipt of benefits.

(7) In lieu of any other benefits due under KRS *16.505* [~~16.510~~] to 16.652 a member who has attained age fifty-five (55) may elect to receive an annual retirement allowance, payable monthly or less frequently as determined by the board, which shall be determined by multiplying his accumulated contributions by two (2) and converting this amount to an annual retirement allowance based on an annuity rate adopted by the board which would pay the actuarial equivalent of twice his accumulated contributions over the lifetime of the retired member.

Section 5. KRS 61.560 is amended to read as follows:

(1) Each employe shall, commencing on *August 1, 1986* [~~July 1, 1966~~], contribute for each pay period for which he receives compensation *five percent (5%)* [~~four percent (4%)~~] of his creditable compensation, except that members of the general assembly, who elect the survivorship option provided in subsections (10) and (11) of KRS 61.635, shall each contribute six and six-tenths percent (6.6%) of creditable compensation commencing with the payroll period immediately following his election of the option. Any other provisions of KRS *61.505* [~~61.510~~] through *61.705* [~~61.702~~] notwithstanding, any reemployed retiree, as described in KRS 61.637, shall contribute *five percent (5%)* [~~four percent (4%)~~] of his creditable compensation, or the amount required by KRS 61.592(3) if applicable, if he anticipates that he will receive more than the maximum permissible earnings, as provided by the federal social security act, in compensation as a result of reemployment during the calendar year.

(2) Each employer shall cause to be deducted from the creditable compensation of each employe for each and every payroll period the contribution payable by each such employe as provided in KRS *61.505* [~~61.510~~] to 61.705.

(3) The deductions provided for herein shall be made notwithstanding that the minimum compensation provided by law for any employe shall be reduced thereby. Every employe shall be deemed to consent and agree to the deductions made as provided herein; and payment of salary or compensation less such deductions shall be a full and complete discharge of all claims for services rendered by such person during the period covered by such payment, except as to any benefits provided by KRS *61.505* [~~61.510~~] to 61.705.

(4) Each employer shall, solely for the purpose of compliance with Section 414(h) of the United States Internal Revenue Code, pick up the employe contributions required by this section for all compensation earned after August 1, 1982, and the contributions so picked up shall be treated as employer contributions in determining tax treatment under the United States Internal Revenue Code and KRS 141.010(9). However, each employer shall continue to withhold federal and state income taxes based upon these contributions and hold them in a separate account until the Internal Revenue Service or the federal courts rule that, pursuant to Section 414(h) of the United States Internal Revenue Code, these contributions shall not be included as gross income of the employe until such time as the contributions are distributed or made available to the employe.

The picked up employe contribution shall satisfy all obligations to the retirement system satisfied prior to August 1, 1982 by the employe contribution, and the picked up employe contribution shall be in lieu of an employe contribution. Each employer shall pay these picked up employe contributions from the same source of funds which is used to pay earnings to the employe. The employe shall have no option to receive the contributed amounts directly instead of having them paid by the employer to the system. Employe contributions picked up after August 1, 1982 shall be treated for all purposes of KRS *61.505* [~~61.510~~] to 61.705 in the same manner and to the same extent as employe contributions made prior to August 1, 1982.

Section 6. KRS 78.610 is amended to read as follows:

(1) Each employe shall, commencing on *August 1, 1986* [~~July 1, 1966~~], contribute for each pay period, for which he receives compensation four *and twenty-five hundredths percent (4.25%)* [~~percent (4%)~~] of his creditable compensation. Any other provisions of KRS 78.510 through 78.852 notwithstanding, any reemployed retiree, as described in KRS 61.637, shall contribute four *and twenty-five hundredths percent (4.25%)* [~~percent (4%)~~] of his creditable compensation, or the amount required by KRS 61.592(3) if applicable, if he anticipates that he will receive more than the maximum permissible earnings, as provided by the Federal Social Security Act, in compensation as a result of reemployment during the calendar year.

(2) The treasurer, attorney, clerk, jailer and sheriff of a participating county shall cause to be deducted from the "creditable compensation" of each employe for each and every payroll period subsequent to the date the county participated in the system, the contribution payable by such member as provided in KRS 78.510 to 78.852. The attorney, clerk, jailer and sheriff shall promptly pay such deducted employe contributions to the treasurer for forwarding to the board in accordance with KRS 78.625.

(3) The deductions provided for herein shall be made notwithstanding that the minimum compensation provided by law for any employe shall be reduced thereby. Every employe shall be deemed to consent and agree to the deductions made as provided herein; and payment of salary or compensation less such deductions shall be a full and complete discharge of all claims for services rendered by such person during the period covered by such payment, except as to any benefits provided by KRS 78.510 to 78.852.

(4) Each employer shall, solely for the purpose of compliance with Section 414(h) of the United States Internal Revenue Code, pick up the employe contributions required by this section for all compensation earned after August 1, 1982, and the contributions so picked up shall be treated as employer contributions in determining tax treatment under the United States Internal Revenue Code and KRS 141.010(9). However, each employer shall continue to withhold federal and state income taxes based upon these contributions and hold them in a separate account until the Internal Revenue Service or the federal courts rule that, pursuant to Section 414(h) of the United States Internal Revenue Code, these contributions shall not be included as gross income of the employe until such time as the contributions are distributed or made available to the employe. The picked up employe contribution shall satisfy all obligations to the retirement system satisfied prior to August 1, 1982 by the employe contribution, and the picked up employe contribution shall be in lieu of an employe contribution. Each employer shall pay these picked up employe contributions from the same source of funds which is used to pay earnings to the employe. The employe shall have no option to receive the contributed amounts directly instead of having them paid by the employer to the system. Employe contributions picked up after August 1, 1982 shall be treated for all purposes of KRS 78.510 to 78.852 in the same manner and to the same extent as employe contributions made prior to August 1, 1982.

SB 63, AN ACT relating to the Central Midwest Interstate Compact on Low-Level Radioactive Waste.

Be it enacted by the General Assembly of the Commonwealth of Kentucky:

Section 1. The general assembly concurs in and ratifies Executive Order 84-803, relating to Interstate Compacts, the Natural Resources and Environmental Protection Cabinet, and the Cabinet for Human Resources.

SECTION 2. A NEW SECTION OF KRS CHAPTER 211 IS CREATED TO READ AS FOLLOWS:

The Central Midwest Interstate Low-Level Radioactive Waste Compact is approved in the form as follows:

ARTICLE I. POLICY AND PURPOSE

There is created the Central Midwest Interstate Low-Level Radioactive Waste Compact.

The states party to this compact recognize that the Congress of the United States, by enacting the Low-Level Radioactive Waste Policy Act (42 U.S.C. 2021), has provided for and encouraged the development of low-level radioactive waste compacts as a tool for managing such waste. The party states acknowledge that Congress declared that each state is responsible for providing for the availability of capacity either within or outside the state for the disposal of low-level radioactive waste generated within its borders, except for waste generated as a result of certain defense activities of the federal government or federal research and development activities. The party states also recognize that the management of low-level radioactive waste is handled most efficiently on a regional basis; and, that the safe and efficient management of low-level radioactive waste generated within the region requires that sufficient capacity to manage such waste be properly provided.

a) It is the policy of the party states to enter into a regional low-level radioactive waste management compact for the purpose of:

1) providing the instrument and framework for a cooperative effort;

2) providing sufficient facilities for the proper management of low-level radioactive waste generated in the region;

3) protecting the health and safety of the citizens of the region;

4) limiting the number of facilities required to manage low-level radioactive waste generated in the region effectively and efficiently;

5) promoting the volume and source reduction of low-level radioactive waste generated in the region;

6) distributing the costs, benefits and obligations of successful low-level radioactive waste management equitably among the party states and among generators and other persons who use regional facilities to manage their waste;

7) ensuring the ecological and economical management of low-level radioactive waste, including the prohibition of shallow-land burial of waste; and

8) promoting the use of above-ground facilities and other disposal technologies providing greater and safer confinement of low-level radioactive waste than shallow-land burial facilities.

b) Implicit in the Congressional consent to this compact is the expectation by the Congress and the party states that the appropriate federal agencies will actively assist the Compact Commission and the individual party states to this compact by:

1) expeditious enforcement of federal rules, regulations and laws;

2) imposition of sanctions against those found to be in violation of federal rules, regulations and laws; and

3) timely inspection of their licensees to determine their compliance with these rules, regulations and laws.

ARTICLE III. THE COMMISSION

a) There is created the Central Midwest Interstate Low-Level Radioactive Waste Commission. Upon the eligible states becoming party states, the Commission shall consist of two voting members from each state eligible to be a host state, one voting member from any other party state, and an ex officio non-voting member who is a member of the County Board of or who is a County Commissioner of each host county. The Governor of each party state shall notify the Commission in writing of its members and any alternates.

b) Each Commission member is entitled to one vote. No action of the Commission is binding unless a majority of the total membership casts its vote in the affirmative.

c) The Commission shall elect annually from among its members a chairperson. The Commission shall adopt and publish, in convenient form, by-laws and policies that are not inconsistent with this compact, including procedures that conform with the provisions of the Federal Administrative Procedure Act (5 U.S.C. ss. 500 to 559) to the greatest extent practicable in regard to notice, conduct and recording of meetings; access by the public to records; provision of information to the public; conduct of adjudicatory hearings; and issuance of decisions.

d) The Commission shall meet at least once annually and shall also meet upon the call of the chairperson or a Commission member.

e) All meetings of the Commission and its designated committees shall be open to the public with reasonable advance notice. The Commission may, by majority vote, close a meeting to the public for the purpose of considering sensitive personnel or legal strategy matters. However, all Commission actions and decisions shall be made in open meetings and appropriately recorded. A roll call may be required upon request of any member or the presiding officer.

f) The Commission may establish advisory committees for the purpose of advising the Commission on any matters pertaining to waste management, waste generation and source and volume reduction.

g) The Office of the Commission shall be in the first state eligible to be a host state. The Commission may appoint or contract for and compensate such staff necessary to carry out its duties and functions. The staff shall serve at the Commission's pleasure with the exception that staff hired as the result of securing federal funds shall be hired and governed under applicable federal statutes and regulations. In selecting any staff, the Commission shall assure that the staff has adequate experience and formal training to carry out the functions assigned to it by the Commission.

h) All files, records and data of the Commission shall be open to reasonable public inspection and may be copied upon payment of reasonable fees to be established where appropriate by the Commission, except for information privileged against introduction in judicial proceedings. Such fees may be waived or shall be reduced substantially for not-for-profit organizations.

i) The Commission may:

1) Enter into an agreement or contract with any person, state or group of states for the right to use regional facilities for waste generated outside of the region and for the right to use facilities outside the region for waste generated within the region. No person may use a regional facility for waste generated outside the region unless both a majority of the members of the Commission and all members from the host state in which any affected regional facility is located vote in favor of permitting such use. No person in the region may use a storage, treatment or disposal facility outside the region without prior Commission approval. No such agreement or contract shall be valid unless specifically approved by a law enacted by the legislature of the host state.

2) Approve the disposal of waste generated within the region at a facility other than a regional facility.

3) Appear as an intervenor or party in interest before any court of law or any federal, state or local agency, board or commission in any matter related to waste management. In order to represent its views, the Commission may arrange for any expert testimony, reports, evidence or other participation.

4) Review the emergency closure of a regional facility, determine the appropriateness of that closure, and take whatever actions are necessary to ensure that the interests of the region are protected, provided that a party state with a total volume of waste recorded on low-level radioactive waste manifests for any year that is less than 10 percent of the total volume recorded on such manifests for the region during the same year shall not be designated a host state or be required to store the region's waste. In determining the 10 percent exclusion, there shall not be included waste recorded on low-level radioactive waste manifests by a person whose principal business is providing a service by arranging for the collection, transportation, treatment, storage or disposal of such waste.

5) Take any action which is appropriate and necessary to perform its duties and functions as provided in this compact.

6) Suspend the privileges or revoke the membership of a party state.

j) The Commission shall:

1) Submit an annual report to, and otherwise communicate with, the governors and the appropriate officers of the legislative bodies of the party states regarding the activities of the Commission.

2) Hear, negotiate, and, as necessary, resolve by final decision disputes which may arise between the party states regarding this compact.

3) Adopt and amend, as appropriate, a regional management plan that plans for the establishment of needed regional facilities.

4) Adopt an annual budget.

k) Funding of the budget of the Commission shall be provided as follows:

1) Each state, upon becoming a party state, shall pay $50,000 to the Commission which shall be used for the administrative costs of the Commission.

2) Each state hosting a regional facility shall levy surcharges on each user of the regional facility based upon its portion of the total volume and characteristics of wastes managed at that facility. The surcharges collected at all regional facilities shall:

A) be sufficient to cover the annual budget of the Commission; and

B) be paid to the Commission, provided, however, that each host state collecting surcharges may retain a portion of the collection sufficient to cover its administrative costs of collection.

l) The Commission shall keep accurate accounts of all receipts and disbursements. The Commission shall contract with an independent certified public accountant to annually audit all receipts and disbursements of Commission funds and to submit an audit report to the Commission. The audit report shall be made a part of the annual report of the Commission required by this Article.

m) The Commission may accept for any of its purposes and functions and may utilize and dispose of any donations, grants of money, equipment, supplies, materials and services from any state or the United States (or any subdivision or agency thereof), or interstate agency, or from any institution, person, firm or corporation. The nature, amount and condition, if any, attendant upon any donation or grant accepted or received by the Commission together with the identity of the donor, grantor or lender, shall be detailed in the annual report of the Commission. The Commission shall establish guidelines for the acceptance of donations, grants, equipment, supplies, materials and services and shall review such guidelines annually.

n) The Commission is not liable for any costs associated with any of the following:

1) the licensing and construction of any facility;

2) the operation of any facility;

3) the stabilization and closure of any facility;

4) the extended care of any facility;

5) the institutional control, after extended care of any facility; or

6) the transportation of waste to any facility.

o) The Commission is a legal entity separate and distinct from the party states and is liable for its actions as a separate and distinct legal entity. Members of the Commission are not personally liable for actions taken by them in their official capacity.

p) Except as provided under paragraphs (n) and (o) of this Article, nothing in this compact alters liability for any action, omission, course of conduct or liability resulting from any causal or other relationships.

q) Any person aggrieved by a final decision of the Commission, which adversely affects the legal rights, duties or privileges of such person, may petition a court of competent jurisdiction, within 60 days after the Commission's final decision, to obtain judicial review of said final decision.

ARTICLE IV. REGIONAL MANAGEMENT PLAN

The Commission shall adopt a regional management plan designed to ensure the safe and efficient management of waste generated within the region. In adopting a regional waste management plan the Commission shall:

a) Adopt procedures for determining, consistent with considerations of public health and safety, the type *and number of regional facilities which are presently necessary and which are projected to be necessary to manage waste generated within the region.*

b) Develop and adopt policies promoting source and volume reduction of waste generated within the region.

c) Develop alternative means for the treatment, storage and disposal of waste, other than shallow-land burial or underground injection well.

d) Prepare a draft regional management plan that shall be made available in a convenient form to the public for comment. The Commission shall conduct one or more public hearings in each party state prior to the adoption of the regional management plan. The regional management plan shall include the Commission's response to public and party state comment.

ARTICLE V. RIGHTS AND OBLIGATIONS OF PARTY STATES

a) Each party state shall act in good faith in the performance of acts and courses of conduct which are intended to ensure the provision of facilities for regional availability and usage in a manner consistent with this compact.

b) Other than the provisions of Article V(f), each party state has the right to have all wastes generated within its borders managed at regional facilities subject to the provisions contained in Article IX(b) and IX(c). All party states have an equal right of access to any facility made available to the region by any agreement entered into by the Commission pursuant to Article III (i)(1).

c) Party states or generators may negotiate for the right of access to a facility outside the region and may export waste outside the region subject to Commission approval under Article III (i)(1).

d) To the extent permitted by federal law, each party state may enforce any applicable federal and state laws, regulations and rules pertaining to the packaging and transportation of waste generated within or passing through its borders. Nothing in this Section shall be construed to require a party state to enter into any agreement with the U.S. Nuclear Regulatory Commission.

e) Each party state shall provide to the Commission any data and information the Commission requires to implement its responsibilities. Each party state shall establish the capability to obtain any data and information required by the Commission.

f) Waste originating from the Maxey Flats nuclear waste disposal site in Fleming County, Kentucky shall not be shipped to the regional facility for storage, treatment or disposal. Disposition of these wastes shall be the sole responsibility of the Commonwealth of Kentucky and shall not be subject to the provisions of this compact.

ARTICLE VI. DEVELOPMENT AND OPERATION OF FACILITIES

a) Any party state may volunteer to become a host state, and the Commission may designate that state as a host state.

b) If all regional facilities required by the regional management plan are not developed pursuant to Section (a), or upon notification that an existing regional facility will be closed, the Commission may designate a host state.

c) A party state shall not be selected as a host state for any regional facility unless that state's total volume of waste recorded on low-level radioactive waste manifests for any year is more than 10 percent of the total volume recorded on such manifests for the region during the same year. In determining the 10 percent exclusion, there shall not be included waste recorded on low-level radioactive waste manifests by a person whose principal business is providing a service by arranging for the collection, transportation, treatment, storage or disposal of such waste.

d) Each party state designated as a host state is responsible for determining possible facility locations within its borders. The selection of a facility site shall not conflict with applicable federal and host state laws, regulations and rules not inconsistent with this compact and shall be based on factors including, but not limited to, geological, environmental, engineering and economic viability of possible facility locations.

e) Any party state designated as a host state may request the Commission to relieve that state of the responsibility to serve as a host state. The Commission may relieve a party state of this responsibility only upon a showing by the requesting party state that no feasible potential regional facility site of the type it is designated to host exists within its borders.

f) After a state is designated a host state by the Commission, it is responsible for the timely development and operation of a regional facility.

g) To the extent permitted by federal and state law, a host state shall regulate and license any facility within its borders and ensure the extended care of that facility.

h) The Commission may designate a party state as a host state while a regional facility is in operation if the Commission determines that an additional regional facility is or may be required to meet the needs of the region.

i) Designation of a host state is for a period of 20 years or the life of the regional facility which is established under that designation, whichever is shorter. Upon request of a host state, the Commission may modify the period of its designation.

j) A host state may establish a fee system for any regional facility within its borders. The fee system shall be responsible and equitable. This fee system shall provide the host state with sufficient revenue to cover any costs including, but not limited to, the planning, siting, licensure, operation, pre-closure corrective action or clean-up, monitoring, inspection, decommissioning, extended care and long-term liability, associated with such facilities. This fee system may provide for payment to units of local government affected by a regional facility for costs incurred in connection with such facility. This fee system may also include reasonable revenue beyond the costs incurred for the host state, subject to approval by the Commission. The fee system shall include incentives for source or volume reduction and may be based on the hazard of the waste. A host state shall submit an annual financial audit of the operation of the regional facility to the Commission.

k) A host state shall ensure that a regional facility located within its borders which is permanently closed is properly decommissioned. A host state shall also provide for the extended care of a closed or decommissioned regional facility within its borders so that the public health and safety of the state and region are ensured, unless, pursuant to the federal Nuclear Waste Policy Act of 1982, the federal government has assumed title and custody of the regional facility and the federal government thereby has assumed responsibility to provide for the extended care of such facility.

l) A host state intending to close a regional facility located within its borders shall notify the Commission in writing of its intention and the reasons. Notification shall be given to the Commission at least five years prior to the intended date of closure. This Section shall not prevent an emergency closing of a regional facility by a host state to protect its air, land and water resources and the health and safety of its citizens. However, a host state which has an emergency closing of a regional facility shall notify the Commission in writing within three working days of its action and shall, within 30 working days of its action, demonstrate justification for the closing.

m) If a regional facility closes before an additional or new facility becomes operational, waste generated within the region may be shipped temporarily to any location agreed on by the Commission until a regional facility is operational, provided that the region's waste shall not be stored in a party state with a total volume of waste recorded on low-level radioactive waste manifests for any year which is less than 10 percent of the total volume recorded on such manifests for the region during the same year. In determining the 10 percent exclusion, there shall not be included waste recorded on low-level radioactive waste manifests by a person whose principal business is providing a service by arranging for the collection, transportation, treatment, storage or disposal of such waste.

n) A party state which is designated as a host state by the Commission and fails to fulfill its obligations as a host state may have its privileges under the compact suspended or membership in the compact revoked by the Commission.

o) The host state shall create an "Extended Care and Long-Term Liability Fund" and shall allocate sufficient fee revenues, received pursuant to Article VI(j), to provide for the costs of:

1) decommissioning and other procedures required for the proper closure of a regional facility;

2) monitoring, inspection and other procedures required for the proper extended care of a regional facility;

3) undertaking any corrective action or clean-up necessary to protect human health and the environment from radioactive releases from a regional facility;

4) compensating any person for medical and other expenses incurred from damages to human health, personal injuries suffered from damages to human health and damages or losses to real or personal property, and accomplishing any necessary corrective action or clean-up on real or personal property caused by radioactive releases from a regional facility; the host state may allocate monies in this Fund in amounts as it deems appropriate to purchase insurance or to make other similar financial protection arrangements consistent with the purposes of this Fund; this Section shall in no manner limit the financial responsibilities of the site operator pursuant to Article VI(p) and the party states, or any other states which contract to dispose of wastes at the regional facility, pursuant to Article VI(q).

p) The operator of a regional facility shall purchase an amount of property and third-party liability insurance deemed appropriate by the host state, pay the necessary periodic premiums at all times and make periodic payments to the Extended Care and Long-Term Liability Fund as set forth in Article VI(o) for such amounts as the host state reasonably determines is necessary to provide for future premiums to continue such insurance coverage, in order to pay the costs of compensating any person for medical and other expenses incurred from damages to human health, personal injuries suffered from damages to human health and damages or losses to real or personal property, and accomplishing any necessary corrective action or clean-up on real or personal property caused by radioactive releases from a regional facility. In the event of such costs resulting from radioactive releases from a regional facility, the host state should, to the maximum extent possible, seek to obtain monies from such insurance prior to using monies from the Extended Care and Long-Term Liability Fund.

q) All party states, or any other states which contract to dispose of wastes at the regional facility, shall be liable for the cost of extended care and long-term liability in excess of monies available from the Extended Care and Long-Term Liability Fund, as set forth in Article VI(o) and from the property and third-party liability insurance as set forth in Article VI(p). A party state may meet such liability for costs by levying surcharges upon generators located in the party state. The extent of such liability for such party state shall be based on the proportionate share of the total volume of waste placed in the regional facility by generators located in each such party state. Such liability shall be joint and several among the party states with a right of contribution between the party states. However, this Section shall not apply to a party state with a total volume of waste recorded on low-level radioactive waste manifests for any year that is less than 10 percent of the total volume recorded on such manifests for the region during the same year.

ARTICLE VII. OTHER LAWS AND REGULATIONS

a) Nothing in this compact:

1) abrogates or limits the applicability of any act of Congress or diminishes or otherwise impairs the jurisdiction of any federal agency expressly conferred thereon by the Congress;

2) prevents the enforcement of any other law of a party state which is not inconsistent with this compact;

3) prohibits any storage or treatment of waste by the generator on its own premises;

4) affects any administrative or judicial proceeding pending on the effective date of this compact;

5) alters the relations between the respective internal responsibility of the government of a party state and its subdivisions;

6) affects the generation, treatment, storage or disposal of waste generated by the atomic energy defense activities of the Secretary of the U.S. Department of Energy or successor agencies or federal research and development activities as defined in 42 U.S.C. 2021; or

7) affects the rights and powers of any party state or its political subdivisions, to the extent not inconsistent with this compact, to regulate and license any facility or the transportation of waste within its borders or affects the rights and powers of any state or its political subdivisions to tax or impose fees on the waste managed at any facility within its borders;

8) requires a party state to enter into any agreement with the U.S. Nuclear Regulatory Commission; or

9) alters or limits liability of transporters of waste and owners and operators of sites for their acts, omissions, conduct or relationships in accordance with applicable laws.

b) For purposes of this compact, all state laws or parts of laws in conflict with this compact are hereby superseded to the extent of the conflict.

c) No law, rule, regulation, fee or surcharge of a party state, or of any of its subdivisions or instrumentalities, may be applied in a manner which discriminates against the generators of another party state.

d) No person who provides a service by arranging for collection, transportation, treatment, storage or disposal for waste generated outside the region shall be allowed to dispose of such waste at a regional facility unless specifically approved by the Commission pursuant to the provisions of Article III(i)(1).

ARTICLE VIII. ELIGIBLE PARTIES, WITHDRAWAL, REVOCATION, ENTRY INTO FORCE, TERMINATION

a) Eligible parties to this compact are the State of Illinois and Commonwealth of Kentucky. Eligibility terminates on April 15, 1985.

b) An eligible state becomes a party state when the state enacts the compact into law and pays the membership fee required in Article III(k)(1).

c) The Commission is formed upon the appointment of Commission members and the tender of the membership fee payable to the Commission by the eligible states. The Governor of Illinois shall convene the initial meeting of the Commission. The Commission shall cause legislation to be introduced in the Congress which grants the consent of the Congress to this compact, and shall take action necessary to organize the Commission and implement the provisions of this compact.

d) Other than the special circumstances for withdrawal in Section (f) of this Article, either party state may withdraw from this compact at any time by repealing the authorizing legislation, but no withdrawal may take effect until 5 years after the governor of the withdrawing state gives notice in writing of the withdrawal to the Commission and to the governor of the other state. Withdrawal does not affect any liability already incurred by or chargeable to a party state prior to the time of such withdrawal. Any host state which grants a disposal permit for waste generated in a withdrawing state shall void the permit when the withdrawal of that state is effective.

e) This compact becomes effective July 1, 1984, or at any date subsequent to July 1, 1984, upon enactment by the eligible states. However, Article IX(b) shall not take effect until the Congress has by law consented to this compact. The Congress shall have an opportunity to withdraw such consent every 5 years. Failure of the Congress affirmatively to withdraw its consent has the effect of renewing consent for an additional 5 year period. The consent given to this compact by the Congress shall extend to the power of the region to ban the shipment of waste into the region pursuant to Article III(i)(1) and to prohibit exportation of waste generated within the region pursuant to Article III(i)(1).

f) A state which has been designated a host state may withdraw from the compact. The option to withdraw must be exercised within 90 days of the date the governor of the designated state receives written notice of the designation. Withdrawal becomes effective immediately after notice is given in the following manner. The governor of the withdrawing state shall give notice in writing to the Commission and to the governor of each party state. A state which withdraws from the compact under this Section forfeits any funds already paid pursuant to this compact. A designated host state which withdraws from the compact after 90 days and prior to fulfilling its obligations shall be assessed a sum the Commission determines to be necessary to cover the costs borne by the Commission and remaining party states as a result of that withdrawal.

ARTICLE IX. PENALTIES

a) Each party state shall prescribe and enforce penalties against any person who is not an official of another state for violation of any provision of this compact.

b) Unless otherwise authorized by the Commission pursuant to Article III(i), after January 1, 1986 it is a violation of this compact;

1) for any person to deposit at a regional facility waste not generated within the region;

2) for any regional facility to accept waste not generated within the region;

3) for any person to export from the region waste which is generated within the region; or

4) for any person to dispose of waste at a facility other than a regional facility.

c) Each party state acknowledges that the receipt by a host state of waste packaged or transported in violation of applicable laws, rules or regulations may result in the imposition of sanctions by the host state which may include suspension or revocation of the violator's right of access to the facility in the host state.

d) Each party state has the right to seek legal recourse against any party state which acts in violation of this compact.

ARTICLE X. SEVERABILITY AND CONSTRUCTION

The provisions of this compact shall be severable and if any phrase, clause, sentence or provision of this compact is declared by a court of competent jurisdiction to be contrary to the Constitution of any participating state or the United States, or if the applicability thereof to any government, agency, person or circumstance is held invalid, the validity of the remainder of this compact and the applicability thereof to any government, agency, person or circumstance shall not be affected thereby. If any provision of this compact shall be held contrary to the Constitution of any state participating therein, the compact shall remain in full force and effect as to the state affected as to all severable matters.

SB 142, AN ACT relating to payments in lieu of taxes by the Tennessee Valley Authority and declaring an emergency.

Be it enacted by the General Assembly of the Commonwealth of Kentucky:

Section 1. KRS 96.895 is amended to read as follows:

(1) Except for payments made directly by the Tennessee Valley Authority to counties, the total fiscal year payment received by the Commonwealth of Kentucky from the Tennessee Valley Authority, as authorized by section 13 of the Tennessee Valley Authority Act as amended, shall be prorated thirty percent (30%) to the general fund of the Commonwealth and seventy percent (70%) among counties, cities, and school districts as provided in subsection (2) of this section.

(2) The payment to each county, city, and school district shall be determined by the proportion that the book value of Tennessee Valley Authority property in such taxing district, multiplied by the current tax rate, bears to the total of the book values of Tennessee Valley Authority property in all such taxing districts in the Commonwealth, multiplied by their respective tax rates, provided, however, each public school district for the purposes of this calculation shall have their tax rate increased by thirty (30) cents.

(3) As soon as practicable after the amount of payment to be made to the Commonwealth of Kentucky is finally determined by the Tennessee Valley Authority, the Kentucky revenue cabinet shall determine the book value of Tennessee Valley Authority property in each county, city, and school district and shall prorate the total payments received from the Tennessee Valley Authority, except payments received directly from the Tennessee Valley Authority, among the distributees as provided in subsection (2) of this section. The revenue cabinet shall certify the payment due each taxing district to the finance and administration cabinet which shall make the payment to such district.

(4) As used in subsections (2) and (3) of this section, "Tennessee Valley Authority Property" means land owned by the United States and in the custody of the Tennessee Valley Authority, together with such improvements (including work in progress but excluding temporary construction facilities) as have a fixed situs thereon if and to the extent that such improvements either:

(a) Were in existence when title to the land on which they are situated was acquired by the United States; or

(b) Are allocated by the Tennessee Valley Authority or determined by it to be allocable to power; provided, however, that manufacturing machinery as interpreted by the revenue cabinet for franchise tax determination shall be excluded *along with ash disposal systems and, coal handling facilities, including railroads, cranes and hoists, crushing and conveying equipment.* As used in said subsections "book value" means original cost *unadjusted for* [~~less accrued~~] depreciation as reflected in Tennessee Valley Authority's books of account. "Book value" shall be determined, for purposes of applying said subsections, as of the June 30 used by the Tennessee Valley Authority in computing the annual payment to the Commonwealth which is subject to redistribution by the Commonwealth.

(5) This section shall be applicable to all payments received after *September 30, 1985* [~~June 30, 1954~~] from the Tennessee Valley Authority under Section 13 of the Tennessee Valley Authority Act as amended.

Section 2. Whereas, payments made under the provisions of this Act may be prior to the normal effective date of legislation enacted during this session, an emergency is declared to exist, and this Act shall become effective upon its passage, and approval by the governor, and shall be retroactive to September 30, 1985.

(1) After hearing the case the court shall enter a judgment of adoption, if it finds that the facts stated in the petition were established; that all legal requirements, including jurisdiction, relating to the adoption have been complied with; that the petitioners are of good moral character, of reputable standing in the community and of ability to properly maintain and educate the child, and that the best interest of the child will be promoted by the adoption and that the child is suitable for adoption. In the judgment the name of the child shall be changed to conform with the prayer of the petition. The judgment and all orders required to be entered and recorded in the order book, including the caption, shall contain only the names of the petitioners and the proposed adopted name of the child, without any reference whatsoever to its former name or the names of its birth parents.

(2) Upon entry of the judgment of adoption, from and after the date of the filing of the petition, the child shall be deemed the child of petitioners and shall be considered for purposes of inheritance and succession and for all other legal considerations, the natural child of the parents adopting it the same as if born of their bodies. Except where a *biological* [~~natural~~] parent is the spouse of an adoptive parent an adopted child from the time of adoption shall have no legal relationship to its birth parents in respect to either personal or property rights.

(3) The clerk of the court shall notify the cabinet of any action of the court with respect to entering a judgment granting an adoption, the amendment of an adoption, or the denial or dismissal of a petition for adoption.

(4) (a) The health history of biological parents and blood relatives of the adopted person, in writing, on a standardized form, provided by the cabinet, if known, shall be given by the cabinet or child-placing agency which has such information, to the adoptive parents and to the circuit court not later than the date of finalization of the adoption proceedings; and

(b) The information provided for in paragraph (a) of this subsection, if known, shall, upon the request in person or in writing of the adult adopted person be made available in writing to such person. None of the information shall be made available if it is of such a nature that it would tend to identify the biological parents of such adopted person except as provided in Sections 3 and 4 of this Act.

Section 3. KRS 199.570 is amended to read as follows:

(1) The files and records of the court during adoption proceedings shall not be open to inspection by persons other than parties to such proceedings, their attorneys, and representatives of the cabinet except under order of the court expressly permitting inspection. Upon the entry of the final order in the case, the clerk shall place all papers and records in the case in a suitable envelope which shall be sealed and shall not be open for inspection by any person except on written order of the court, *except that upon the written consent of the biological parents and upon written order of the circuit court all papers and records including all files and records of the circuit court during proceedings for termination of parental rights provided in KRS 199.615 shall be open for inspection to any adult adopted person who applies in person or in writing to the circuit court as provided in Section 4 of this Act.* No person having charge of any adoption records shall disclose the names of any parties appearing in such records or furnish any copy of any such records, except upon order of the court which entered the judgment of adoption. The clerk of the circuit court shall set up a separate docket and order book for adoption cases and these files and records shall be kept locked.

(2) After entry of the adoption judgment, the clerk of the circuit court shall promptly report to the cabinet for human resources of Kentucky full information as called for on forms furnished by the cabinet for human resources, necessary to make a new birth certificate conforming to the standard birth certificate form. Upon receipt of this information, the cabinet for human resources shall cause to be made a new record of the birth and it shall be filed with the original certificate, and the original certificate shall be stamped with the words, "CONFIDENTIAL—subject to copy and/or inspection only on written order of the court."

(3) The new certificate shall set forth the new name, if any, of the adopted child, the names of the adoptive parents and such other information deemed necessary in accordance with rules and regulations promulgated by the cabinet for human resources in issuing of birth certificates. If the adopted child is under eighteen (18) years of age, the birth certificate shall not contain any information revealing the child is adopted and shall show the adoptive parent or parents as the natural parent or parents of the child. The new birth certificate when issued shall not contain the place of birth, hospital and name of doctor or midwife. This information should be given only by an order of the court in which the child was adopted. The new birth certificate shall recite the residence of the adoptive parents as the birthplace of the child and this shall be deemed for all legal purposes to be the birthplace of the child. If no birth certificate is on file for a child born in Kentucky, the cabinet for human resources shall prepare a certificate of birth in accordance with the information furnished the cabinet by the clerk of the circuit court which issued the adoption order. The cabinet for human resources shall furnish to the clerks of the circuit courts the necessary forms to carry out the provisions of this section. In the event the child was born in another state, the order of adoption shall be forwarded to the division of vital statistics of the state concerned to be changed in accordance with the laws of such state. In the event the child was born in a foreign country, the report of adoption shall be returned to the attorney or agency handling the adoption for submission to the appropriate federal agency.

(4) Thereafter when any copy of the certificate of birth of any child is issued it shall be a copy of the new certificate of birth, except when an order of the court granting the judgment of adoption shall request the issuance of the copy of the original certificate of such child's birth.

(5) If any judgment of adoption is reversed, modified or vacated in any particular, the clerk of the circuit court shall notify the cabinet for human resources of such reversal or modification and the effect of same, and thereupon such cabinet shall make such changes, if any, in its records as may be necessary by such reversal or modification.

SECTION 4. A NEW SECTION OF KRS CHAPTER 199 IS CREATED TO READ AS FOLLOWS:

(1) At the time the biological parents give up the child for adoption, they shall be asked by the cabinet whether they consent to the inspection of the adoption records and to personal contact by the child when he becomes an adult. If consent is then given, it cannot later be revoked. If consent is withheld at that time, the biological parents may give consent at any later time. The initial written statement of consent or refusal of consent to inspection of records and personal contact shall be filed with the circuit court not later than the date of finalization of the adoption proceedings. When a written consent is on file, the records shall be available to the adult adopted person, upon his request therefor in writing.

(2) When any adult adopted person applies in person or in writing to the circuit court for authorization to inspect all papers and records pertaining to the adoption proceedings of such adopted person as provided in KRS 199.570(1), and the biological parents have previously refused consent to inspection of records and to

personal contact, the court may, if satisfied as to the identity of such adult adopted person, authorize the adult adopted person to inspect the papers and records if written consent is obtained from the biological parents identified on the adult adopted person's original birth certificate.

(3) The circuit court shall, within seven (7) working days of the receipt of the request, direct the secretary of the cabinet to notify each biological parent identified on the adult adopted person's original birth certificate that said person has applied to the court for information identifying such biological parent. Within six (6) months of receiving the notice of the request of the adult adopted person, the secretary of the cabinet shall make complete and reasonable efforts to notify each biological parent identified on the adult adopted person's original birth certificate. The secretary may charge a reasonable fee not to exceed two hundred fifty dollars ($250) to the adult adopted person for making such a search. Every child-caring facility and child-placing agency in the Commonwealth shall cooperate with the secretary in his efforts to notify such biological parents.

(4) The notification of the biological parents shall not be by mail and shall be by personal and confidential contact. The notification shall be done without disclosing the identity of the adult adopted person. The personal and confidential contact with the biological parents shall be evidenced by filing with the circuit court an affidavit of notification executed by the person who notified each parent and certifying each parent was given the following information:

(a) The nature of the information requested by the adult adopted person;

(b) The date of the request of the adult adopted person;

(c) The right of the biological parent to file, within sixty (60) days of receipt of the notice, an affidavit with the circuit court stating that the adult adopted person shall be authorized to inspect all papers and records pertaining to his adoption proceedings;

(d) The right of the biological parent to file at any time an affidavit authorizing the adult adopted person to inspect all papers and records pertaining to his adoption proceedings; and

(e) The right of a biological parent to file an affidavit with the circuit court stating that all papers and records pertaining to the adoption proceedings of the adult adopted person shall not be open for inspection by the adult adopted person.

(5) The adult adopted person shall not be authorized to inspect the papers and records pertaining to his adoption proceedings unless those biological parents identified on the original birth certificate agree in writing to such inspection.

(6) If after diligent and reasonable effort, the secretary of the cabinet certifies that both biological parents identified in the original birth certificate are deceased or the secretary is unable to locate said parents, then a judge of the circuit court, upon motion of the adult adopted person, may order that all papers and records of the cabinet for human resources and those of the circuit court pertaining to the adoption shall be open for inspection to such adult adopted person.

Section 5. The reviser of statutes shall whenever the phrases "natural parent" or "natural parents" appear in the Kentucky Revised Statutes change them so as to read "biological parent" or "biological parents."

HB 216, AN ACT relating to fees for services provided by the Cabinet for Human Resources.

Be it enacted by the General Assembly of the Commonwealth of Kentucky:

Section 1. KRS 199.460 is amended to read as follows:

In addition to the other duties, functions, and responsibilities imposed by law, the cabinet, through its authorized representatives, shall have general supervision and management of all matters contained in KRS 199.350 to 199.370 and shall, wherever possible:

(1) Locate and plan for all children who are dependent, neglected or abused, abandoned or in danger of becoming delinquent;

(2) Cooperate with and assist the juvenile courts of the various counties;

(3) Assist circuit courts through services to children whenever requested by the court *provided that the cabinet may charge a reasonable fee for such services to be taxed as cost by the court*; and

(4) Perform such other services as may be deemed necessary for the welfare of children.

Section 2. KRS 199.473 is amended to read as follows:

(1) All persons other than a licensed child-placing agency or institution, the department or persons excepted by KRS 199.470(4) or (5) who wish to place or receive a child shall make written application to the secretary for permission to place or receive a child. Upon receipt of an application to place or receive a child the secretary shall cause an investigation to be made of the home and the background of the person or persons wishing to receive the child. The purpose of the investigation shall be to determine the suitability of the applicants to receive a child, taking into account at all times the best interest of the child for whom application to receive has been made. The child welfare worker making the investigation shall make a finding in writing recommending either that the application be granted or that the application be denied. In either case reasons for the child welfare worker's recommendation shall be given in writing. The recommendation of the child welfare worker shall then be reviewed by the secretary. Based on the report and recommendation of the child welfare worker

making the investigation, the secretary shall grant or refuse permission for the applicant to place or receive a child as early as practicable, but, in any case, the decision shall be made within sixty (60) days after the receipt of the application. In reaching his decision the secretary shall be guided by the ability of the persons wishing to receive the child to give the child a suitable home, and shall at all times consider the best interest of the child from a financial, medical, psychological and psychiatric standpoint. If the application is refused the secretary shall in general terms furnish in writing the reasons for his refusal.

(2) In any case where the department refuses to approve the placement of a child for adoption when requested by the parent or parents of the child, or refuses the request of any person or persons that a child be placed with him or them for adoption, the decision of the secretary in so refusing shall be final unless within ten (10) days after notice of refusal, the natural or proposed adopting parent or parents shall appeal to the circuit court of the county in which the adoption is proposed, provided however that no placement shall be disapproved on the basis of the religious, ethnic, racial or inter-faith background of the adoptive applicant, if such placement is made with the consent of the parent. The department shall be made a party defendant to the appeal. In the hearing of an appeal the court shall review the findings of the secretary and shall determine if the secretary has acted arbitrarily, unlawfully, or in such a manner as to constitute an abuse of discretion.

(3) No person, association or organization, other than the department or a licensed child-placing institution or agency shall place a child or act as intermediary in the placement of a child for adoption or otherwise, except in the home of a stepparent, grandparent, sister, brother, aunt or uncle, or upon written approval of the secretary. Nothing in this subsection shall be construed to limit the department for human resources in carrying out its aid to dependent children program in accordance with KRS Chapter 205.

(4) In the event a child who does not fall within the exception provided for in KRS 199.470(4) or (5) is placed or received in a home without the permission of the secretary for human resources, or in the event permission to receive a child has been denied, a representative of the department may petition the juvenile session of district court of the county in which the child is found setting out the facts concerning the child. When such petition has been filed, the court shall take jurisdiction of the child and shall provide for it as it would provide for a dependent, neglected or abused child under KRS 208.020 except that the child may not be placed in the home of the applicants to receive him unless permission to do so is granted by the secretary or such action is ordered by a circuit court, the Kentucky Court of Appeals or Supreme Court of Kentucky.

(5) Nothing in this statute shall be construed to limit the authority of the department or a licensed child-placing institution or agency to determine the proper disposition of a child committed to it by the juvenile session of district court or the circuit court, prior to the filing of an application to place or receive.

(6) The cabinet may charge a reasonable fee for processing applications under this section. The cabinet may withhold any approval or denial of any application until the fee has been paid.

Section 3. KRS 199.575 is amended to read as follows:

In situations where a pre-adoptive brother or sister relationship existed, and one (1) or more of these siblings was then adopted, the following procedures shall be followed on an inquiry by one (1) or more of the siblings to the cabinet for human resources seeking information about his brother or sister:

(1) In all cases, an adopted person eighteen (18) years of age or older or a pre-adoptive sibling eighteen (18) years of age or older of an adopted person may file information concerning himself, his present location, and his known antecedents with the cabinet for human resources, stating his interest in being reunited with his pre-adoptive siblings and authorizing the cabinet to release such information to his pre-adoptive siblings who may make similar inquiry.

(2) In any case in which a person eighteen (18) years of age or older requests information about or expresses a desire in being reunited with a pre-adoptive sibling, the cabinet shall first determine whether such sibling has made similar inquiry pursuant to subsection (1) of this section. If such sibling has previously authorized release of information about himself, the cabinet shall release such information to the sibling making inquiry.

(3) The cabinet may charge a reasonable fee for services provided under this section or for services provided to any other adopted persons making inquiry to the cabinet concerning their identify, records, or whereabouts of their natural parents.

Section 4. KRS 403.300 is amended to read as follows:

(1) In contested custody proceedings, and in other custody proceedings if a parent or the child's custodian so requests, the court may order an investigation and report concerning custodial arrangements for the child. The investigation and report may be made by the friend of the court or such other agency as the court may select. *If the court orders the cabinet for human resources to make such investigation or report, the cabinet may charge a reasonable fee for its services to be taxed as cost in the action.*

(2) In preparing his report concerning a child, the investigator may consult any person who may have information about the child and his potential custodial arrangements. Upon order of the court, the investigator may refer the child to professional personnel for diagnosis. The investigator may consult with and obtain information from medical, psychiatric, or other expert persons who have served the child in the past without obtaining the consent of the parent or the child's custodian; but the child's consent must be obtained if he has reached the age of 16, unless the court finds that he lacks mental capacity to consent. If the requirements of subsection (3) are fulfilled, the investigator's report may be received in evidence at the hearing.

(3) The clerk shall mail the investigator's report to counsel and to any party not represented by counsel at least 10 days prior to the hearing. The investigator shall make available to counsel and to any party not represented by counsel the investigator's file of underlying data, and reports, complete texts of diagnostic reports made to the investigator pursuant to the provisions of subsection (2), and the names and addresses of all persons whom the investigator has consulted. Any party to the proceeding may call the investigator and any person whom he has consulted for cross-examination. A party may not waive his right of cross-examination prior to the hearing.

SECTION 5. A NEW SECTION OF KRS CHAPTER 199 IS CREATED TO READ AS FOLLOWS:

(1) If the cabinet for human resources determines to collect the fees authorized in this Act, administrative regulations shall be promulgated establishing the amount of such fees based upon the cost of the work performed and the ability of the individual involved to pay the fee.

(2) Fees collected under this Act shall be paid into the state treasury and shall be placed in a trust and agency account to be used by the program unit within the cabinet which performed the services for which the fee was paid.

Be it enacted by the General Assembly of the Commonwealth of Kentucky:

Section 1. KRS 161.030 is amended to read as follows:

(1) The certification of all teachers and other school personnel is vested in the state board of education. When so certified, teachers and other school personnel shall not be required to have licensure, certification, or other forms of approval from any other state agency for the performance of their respective assignments within the common schools. All certificates authorized under KRS 161.010 to 161.126 shall be issued in accordance with the published rules and regulations of the state board of education.

(2) [~~In the case of nontax supported schools, standards for teacher certification shall provide for the certification without further educational requirements of any administrator, supervisor, or teacher who has earned a bachelor's degree from a standard college or university.~~

~~(3)~~]Certificates shall be issued to persons who have completed, at such colleges and universities as have been approved by the state board of education for the preparation of teachers and other school personnel, the curricula prescribed by the Kentucky council on teacher education and certification and approved by the state board of education for the certificates.

(3)[~~(4) Effective January 1, 1985,~~] Initial certification of all new teachers shall require the successful completion of appropriate written tests prior to certification. The tests shall be selected by the state board of education and shall measure communication skills, general knowledge, professional education concepts and knowledge in the specific teaching field of the applicant. The state board of education shall determine the minimum acceptable level of achievement on each test. The tests shall measure those concepts, ideas, and facts which are being taught in teacher education programs in Kentucky. Upon successful completion of the tests and the approved teacher preparation program, a certificate valid for one (1) year shall be issued. *If an out-of-state teacher with less than two (2) years experience comes to Kentucky after the deadline for taking the written tests, a temporary certificate may be issued for a period up to six (6) months provided the local board cannot fill the vacant position with a certified teacher. The teacher shall take the tests if they are administered during the period of the temporary certificate. The certificate shall be extended for the remainder of the year if the teacher successfully completes the tests. In the event the teacher fails the tests, the temporary certificate shall be valid only for the current semester.*

(4)[~~(5)~~] A reasonable fee to be paid by the teacher and directly related to the actual cost of the administration of the tests shall be established by the state board of education. Provisions shall be made for persons having less than minimum levels of performance on any test to repeat that test, and candidates shall be informed of their strengths and weaknesses in the specific performance areas. The department of education shall provide for confidentiality of the individual assessment scores. Scores shall be available only to the candidate and to the education officials who are responsible for determining whether established certification standards have been met. Scores shall be used only in the assessment for certification of new teachers and of out-of-state teachers with less than five (5) years of teaching experience who are seeking initial certification in Kentucky.

(5)[~~(6) Effective January 1, 1985,~~] All new teachers, and out-of-state teachers with less than *two (2)* [~~five (5)~~] years of successful teaching experience who are seeking initial certification in Kentucky shall serve a one-year internship. The teacher shall be a full-time employe *or shall have an annual contract and serve on at least a half-time basis and shall have* [~~with~~] supervision, assistance, and assessment during the one-year internship. Successful completion shall be determined by a majority vote of the beginning teacher committee. The internship period shall be counted as experience for the purpose of continuing contract status, retirement eligibility and benefits for single salary experience increments. Upon successful completion of the beginning teacher program the one-year initial teaching certificate shall be extended for the remainder of the usual duration period established for that particular certificate by state board of education regulations.

(6)[~~(7)~~] The beginning teacher committee shall be composed of three (3) persons who have *successfully completed* [~~received~~] special training in the supervision and assessment of the performance of beginning teachers as provided in subsection *(8)* [~~(9)~~] of this section. The committee shall consist of a resource teacher, the school principal of the school where the internship is served, and a teacher educator from a state-approved teacher training institution to be appointed by the president of that institution. *In the event that more than two (2) teacher interns are employed in the same school, the principal's responsibility may be shared with an assistant principal who holds certification as a principal. In unusual situations the superintendent of public instruction may permit the assistant principal to serve in lieu of the principal on a beginning teacher committee.* In the event the teacher training institution is unable to provide a member, the district superintendent shall appoint an instructional supervisor from the school district. The resource teacher shall be appointed by the department of education from a pool of qualified resource teachers, *and, any statutes to the contrary notwithstanding and to the extent of available appropriations, shall be entitled to be paid a reasonable stipend by the department of education for work done outside normal working hours.* Priority shall be given to resource teachers with the same certification as the teacher intern in the following order: (1) teachers in the same school, (2) teachers in the same district, and (3) teachers *in an adjacent school district* [~~statewide~~]. The committee shall meet with the beginning teacher a minimum of three (3) times per year for evaluation and recommendation with all committee members present. In addition, each member of the committee shall observe the beginning teacher in the classroom a minimum of three (3) times per year. If the teacher's first year performance is judged by the committee to be less than satisfactory, the teacher shall be provided with an opportunity to repeat the internship one (1) time if the teacher is employed by a school district.

(7)[~~(8)~~] The resource teacher shall spend a minimum of seventy (70) hours working with the beginning teacher; twenty (20) of these hours shall be observing the beginning teacher in the classroom setting; fifty (50)

of these hours shall be in consultation other than class time or attending assessment meetings. The resource teacher shall have completed at least four (4) years of successful teaching experience as attested to by his or her immediate supervisor or by having achieved tenure and be able to show evidence of continuing professional development by having achieved a master's degree or its equivalent or the accumulation of two thousand (2,000) hours of continuing professional activities.

(8)[~~(9)~~] By contract with teacher education institutions in the Commonwealth, the superintendent of public instruction shall provide *special* training for persons who will be serving on the beginning teacher committees. *Completion of special training shall be evidenced of successfully passing the examinations as prescribed by the state board of education.*

(9)[~~(10)~~] In the event an applicant establishes eligibility for a one-year certificate under the provisions of subsection *(3)* [~~(4)~~] of this section, but does not become employed on the [~~full-time~~] basis needed to satisfy the one-year internship requirement, the applicant shall be eligible for the issuance of a certificate for substitute teaching as provided by the regulations of the state board of education. The applicant shall remain eligible for the one-year certificate as provided in *subsection (3)* [~~paragraph (4)~~] and for the opportunity to serve the internship for a period of four (4) years after establishing eligibility. If the internship is not completed within the four (4) year period, the applicant must re-establish eligibility by repeating and passing the testing program in effect for new teachers at that time.

(10)[~~(11)~~] The state board of education shall approve the curricula of any standard college or university, or of any department thereof for the training of teachers, when the curricula comply with the rules and regulations of the state board of education [~~and are equivalent to the curricula prescribed for the state institutions~~] for the issuance of certificates and when the institution has met the terms and conditions provided in KRS 161.010 to 161.120. Any student who has completed any of these curricula [~~or the equivalent thereof,~~] as approved by the state board of education, and who has completed the prescribed requirements for the issuance of certificates *shall* [~~for teaching to students of the state institutions may~~] be granted a certificate *corresponding to the curricula completed* [~~for teaching of the same validity and tenure as certificates issued to students completing like requirements in the state institutions~~].

(2) *(a) A bank or trust company may permit any of its directors or officers to become indebted or obligated as guarantor or surety to it:*

1. In any amount to finance the education of the children of a director or officer;

2. In any amount to finance the purchase, construction, maintenance, or improvement of a residence of a director or officer, if the indebtedness or obligation is secured by a first lien on the residence and the residence is owned, or expected to be owned after incurring the indebtedness or obligation, by the director or officer; and

3. For any other purpose not specified in subparagraphs 1. and 2. of this paragraph, if the aggregate amount of loans to that director or officer under this subparagraph does not exceed at any one time the higher of 2.5 percent (2.5%) of the bank's capital and unimpaired surplus or twenty-five thousand dollars ($25,000), but in no event more than one hundred thousand dollars ($100,000).

(b) Any indebtedness or obligation of a director or officer of a bank or trust company shall be:

(3) In no event shall the indebtedness or obligation of any person exceed thirty per cent (30%) of the paid-in capital and actual surplus of a bank or trust company.

(4) In computing the indebtedness of a partnership, the liability of the individual members shall be included, and any obligation entered into for the benefit of a person, partnership or association shall be included in the total liabilities of the person, partnership or association.

(3) *For purposes of subsection (2) of this section:*
